- ~~• In the case of any revised plans or other development matters that are presented by the applicant during the course of the SAT review, the City will request leave to advertise those revised plans or other matters for public comment, prior to establishing a position on the proposed revisions~~ Where permitted by the SAT, public comment should be obtained on amended plans or modified proposals, if the changes result in the development being likely to impact nearby landowners and affected stakeholders;
- The use of external advocates is supported for complex or controversial matters, and/or where independent assistance would be considered beneficial to the process;
