Submission No.	Organisation	Objection / Support / Comment	Comments	Officer's Comment
1	N/A	Comment	<p>I noticed the council of Kwinana has passed a new Cats Local Law, which restricts cats from free roaming in the public places and protects wildlife. I would like to make a proposal and encourage the City of Joondalup to consider taking the same action.</p> <p>I urge the City of Joondalup to take positive action to tackle the free-roaming cat issues and provide a better living environment without harmful cat waste and preventing roadkill.</p>	The comments are noted, the City is waiting for the statutory review of the <i>Cat Act 2011</i> to be formalised, before considering if a Cats Local Law is required.
2	N/A	Comment	<p>Amendments are useless unless local laws are policed. Parents are still parking on the verge, contrary to No Standing signs at Greenwood Primary School, cars obstruct the footpath, the exit from the school car park and do illegal u-turns in a constricted roadway.</p> <p>In regard to animal laws, I contacted the Mayor with regard to having a dog waste facility installed in Birch Park, as there is often animal faeces left on the ground, but no action taken.</p> <p>There was also mention of a dry parks program [at Birch park].</p>	<p>City officers regularly patrol the City's 55 schools to enforce the local law. Otherwise traffic issues fall under the jurisdiction of WA Police.</p> <p>The City notes that the submission received is not relevant to the <i>Animals Local Law 1999</i>. Nevertheless, the City has assessed Birch Park and found that a bin and dog waste dispenser is warranted at the park. These dog waste facilities will be installed in the coming weeks.</p> <p>The adopted 2022-23 budget includes an amount of \$30,000 for the design of the Greenwood North-East Cluster Parks Revitalisation Project which will include</p>

				minor landscape improvements to Birch Park.
3	N/A	Comment	Are cats allowed to roam free at night?	Yes.
4	N/A	Comment	I have reviewed the proposed <i>City of Joondalup Amendment Local Law 2021</i> . I find the changes and amendments are reasonable and acceptable.	Noted.
5	N/A	Comment	<p>[With regard to the <i>Animals Local Law 1999</i>].</p> <p>2.20 First Schedule gives the fines applicable for a range of offences, primarily to do with animals. The fines contemplated are trivial and will not lead to compliance, especially into the future.</p> <p>In the cases where an authorised person provides the offender with a notice, there should be a time by which the matter must be rectified. Then, rather than a fine of \$100, a fine of \$10 000 should be imposed. For example, to rectify inadequate fencing of dangerous animals may cost far in excess of the \$100 proposed: therefore, only a substantial fine will motivate the person or business to make the required modifications.</p> <p>9.5.3(k)(ii) is about placement of advertising signage on median strips. This is often a problem within the City. What agency will enforce the regulations?</p>	<p>The City uses collaborative efforts designed to encourage community compliance through an educative and engagement approach. The issuing of fines should only be used when all other avenues are exhausted.</p> <p>A Local Government's modified penalty should not be more than 10 percent of the maximum penalty which is only able to be awarded by the Courts.</p> <p>City officers will respond to the illegal placement of advertising signage on median strips and enforce the local law as required.</p>
6	N/A	Comment	<p>[with regard to the Local Government and Public Property Local Law 2014]</p> <p>The City may wish to review their authority over structures at sea.</p>	Noted. The <i>City of Joondalup Amendment Local Law 2021</i> will be submitted to the Joint Standing Committee on Delegated Legislation with consideration given to whether the local law is within power, has no unintended effect on any person's existing rights or interests, provides an

				effective mechanism for the review of administrative decisions, and contains only matter that is appropriate for subsidiary legislation.
7	Department of Local Government, Sport & Cultural Industries	Comment	<p><b>General proofreading</b></p> <p>The Department is aware that this local law is amending a variety of clauses in four local laws, all of which have been amended repeatedly in the past. As a result, there is a potential for errors. The City should ensure that it has made a comprehensive check to confirm:</p> <ul style="list-style-type: none"> <li>• All citations and gazettal dates are accurate;</li> <li>• The clauses being deleted are the ones the City intends to delete;</li> <li>• Any modifications or additions to existing clauses continue to make grammatical sense;</li> <li>• All amendments take into account the fact that the principle local law has been amended in the past.</li> </ul> <p><b>Consolidation of local laws</b></p> <p>It appears that all of the local laws impacted by this amendment have been previously amended several times.</p> <p>While the City keeps consolidated versions of its local laws on its website, the official version of the local law is contained in the <i>Government Gazette</i>. As a result, everyone seeking to consult the definitive version of the local law must consult multiple gazettes, with each amendment adding to the number of gazettes involved.</p>	<p>Noted.</p> <p>Noted.</p>

# **Local Government Reforms: Full Reform Proposals**

# Theme 1: Early Intervention, Effective Regulation and Stronger Penalties

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
<b>1.1 Early Intervention Powers</b>		
<ul style="list-style-type: none"> <li>The Act provides the means to regulate the conduct of local government staff and council members and sets out powers to scrutinise the affairs of local government. The Act provides certain limited powers to: <ul style="list-style-type: none"> <li>Suspend or dismiss councils</li> <li>Appoint Commissioners</li> <li>Suspend or order remedial action (such as training) for individual councillors.</li> </ul> </li> <li>The Act also provides the Director General with the power to: <ul style="list-style-type: none"> <li>Conduct Authorised Inquiries</li> <li>Refer allegations of serious or recurrent breaches to the State Administrative Tribunal</li> <li>Commence prosecution for an offence under the Act.</li> </ul> </li> <li>Authorised Inquiries are a costly and relatively slow response to significant issues. Authorised Inquiries are currently the only significant tool for addressing significant issues within a local government.</li> </ul>	<ul style="list-style-type: none"> <li>It is proposed to establish a Chief Inspector of Local Government (the Inspector), supported by an Office of the Local Government Inspector (the Inspectorate).</li> <li>The Inspector would receive minor and serious complaints about elected members.</li> <li>The Inspector would oversee complaints relating to local government Chief Executive Officers (CEOs).</li> <li>Local Governments would still be responsible for dealing with minor behavioural complaints.</li> <li>The Inspector would have powers of a standing inquiry, able to investigate and intervene in any local government where potential issues are identified.</li> <li>The Inspector would have the authority to assess, triage, refer, investigate, or close complaints, having regard to various public interest criteria – considering laws such as the <i>Corruption, Crime and Misconduct Act 2003</i>, the <i>Occupational Safety and Health Act 1984</i>, the <i>Building Act 2011</i> and other legislation.</li> <li>The Inspector would have powers to implement minor penalties for less serious breaches of the Act, with an appeal mechanism.</li> <li>The Inspector would also have the power to order a local government to address non-compliance with the Act or Regulations.</li> </ul>	<p>No major changes to the central concepts. Work to develop and refine detail is ongoing.</p>

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
<ul style="list-style-type: none"> <li>The Panel Report, City of Perth Inquiry and the Select Committee Report made various recommendations related to the establishment of a specific office for local government oversight.</li> </ul>	<ul style="list-style-type: none"> <li>The Inspector would be supported by a panel of Local Government Monitors (see item 1.2).</li> <li>The existing Local Government Standards Panel would be replaced with a new Conduct Panel (see item 1.3).</li> <li>Penalties for breaches to the Local Government Act and Regulations will be reviewed and are proposed to be generally strengthened (see item 1.4).</li> <li>These reforms would be supported by new powers to more quickly resolve issues within local government.</li> </ul>	
<b>1.2 Local Government Monitors</b>		
<ul style="list-style-type: none"> <li>There are currently no legislative powers for the provision of monitors/temporary advisors.</li> <li>The DLGSC provides support and guidance to local governments, however, there is no existing mechanism for pre-qualified, specialised assistance to manage complex cases.</li> </ul>	<ul style="list-style-type: none"> <li>A panel of Local Government Monitors would be established.</li> <li>Monitors could be appointed by the Inspector to go into a local government and try to resolve problems.</li> <li>The purpose of Monitors would be to proactively fix problems, rather than to identify blame or collect evidence.</li> <li>Monitors would be qualified specialists, such as: <ul style="list-style-type: none"> <li>Experienced and respected former Mayors, Presidents, and CEOs - to act as mentors and facilitators</li> <li>Dispute resolution experts - to address the breakdown of professional working relationships</li> <li>Certified Practising Accountants and other financial specialists to assist with financial management and reporting issues</li> <li>Governance specialists and lawyers - to assist councils to resolve legal issues</li> <li>Human Resource and procurement experts - to help with processes like recruiting a CEO or undertaking a major land transaction.</li> </ul> </li> </ul>	<p>No major changes to the central concepts. Work to develop and refine detail is ongoing.</p>

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
	<ul style="list-style-type: none"> <li>Only the Inspector would have the power to appoint Monitors.</li> <li>Local governments would be able to make requests to the Inspector to appoint Monitors for a specific purpose.</li> </ul>	
<b>1.3 Conduct Panel</b>		
<ul style="list-style-type: none"> <li>The Local Government Standards Panel was established in 2007 to resolve minor breach complaints relatively quickly and provide the sector with guidance and benchmarks about acceptable standards of behaviour.</li> <li>Currently, the Panel makes findings of alleged breaches based on written submissions.</li> <li>The City of Perth Inquiry report made various recommendations that functions of the Local Government Standards Panel be reformed.</li> </ul>	<ul style="list-style-type: none"> <li>The Standards Panel is proposed to be replaced with a new Local Government Conduct Panel.</li> <li>The Conduct Panel would be comprised of suitably qualified and experienced professionals. Sitting councillors will not be eligible to serve on the Conduct Panel.</li> <li>The Inspector would provide evidence to the Conduct Panel for adjudication.</li> <li>The Conduct Panel would have powers to impose stronger penalties – potentially including being able to suspend councillors for up to three months, with an appeal mechanism.</li> <li>For very serious or repeated breaches of the <i>Local Government Act 1995</i> (the Act), the Conduct Panel would have the power to recommend prosecution through the courts.</li> <li>Any person who is subject to a complaint before the Conduct Panel would have the right to address the Conduct Panel before the Panel makes a decision.</li> </ul>	No major changes to the central concepts. Work to develop and refine detail is ongoing.

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
<b>1.4 Review of Penalties</b>		
<ul style="list-style-type: none"> <li>There are currently limited penalties in the Act for certain types of non-compliance with the Act.</li> </ul>	<ul style="list-style-type: none"> <li>Penalties for breaching the Act are proposed to be strengthened.</li> <li>It is proposed that the suspension of councillors (for up to three months) is established as the main penalty where a councillor breaches the Act or Regulations on more than one occasion.</li> <li>Councillors who are disqualified would not be eligible for sitting fees or allowances. They will also not be able to attend meetings or use their official office (such as their title or council email address).</li> <li>It is proposed that a councillor who is suspended multiple times may become disqualified from office.</li> <li>Councillors who do not complete mandatory training within a certain timeframe will also not be able to receive sitting fees or allowances.</li> </ul>	<p><b>Disqualifications</b></p> <p>It is further proposed to establish a provision that results in a person automatically becoming disqualified for 10 years from being an elected member at any local government in WA if they have been suspended three times (by either the Conduct Panel, State Administrative Tribunal or Minister).</p>
<b>1.5 Red Card Referrals</b>		
<ul style="list-style-type: none"> <li>Currently, local governments have different local laws and standing orders that govern the way meetings run. Presiding members (Mayors and Presidents) are reliant on the powers provided in the local government standing orders local laws.</li> <li>Differences between local governments is a source of confusion about the powers that presiding members have to deal with disruptive behaviours at council meetings.</li> </ul>	<ul style="list-style-type: none"> <li>It is proposed that Standing Orders are made consistent across Western Australia (see item 2.6). Published recordings of all meetings would also become standard (item 3.1).</li> <li>It is proposed that Presiding Members have the power to 'red card' any attendee (including councillors) who unreasonably and repeatedly interrupt council meetings. This power would: <ul style="list-style-type: none"> <li>Require the Presiding Member to issue a clear first warning.</li> <li>If the disruptions continue, the Presiding Member will have the power to 'red card' that person, who must be silent for the rest of the meeting.</li> </ul> </li> </ul>	<p><b>Red Cards Not Progressed</b></p> <p>'Red Card Resolutions' will not be progressed. However, it is proposed that the new Meeting Procedure Regulations will have clear powers for Presiding Members to maintain order at meetings.</p>

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
<ul style="list-style-type: none"> <li>Disruptive behaviour at council meetings is a very common cause of complaints. Having the Presiding Member be able to deal with these problems should more quickly resolve problems that occur at council meetings.</li> </ul>	<ul style="list-style-type: none"> <li>A councillor issued with a red card will still vote but must not speak or move motions.</li> <li>If the person continues to be disruptive, the Presiding Member can instruct that they leave the meeting.</li> <li>Any Presiding Member who uses the “red card” or ejection power will be required to notify the Inspector.</li> <li>Where an elected member refuses to comply with an instruction to be silent or leave, or where it can be demonstrated that the Presiding Member has not followed the law in using these powers, penalties can be imposed through a review by the Inspector.</li> </ul>	
<b>1.6 Vexatious Complaint Referrals</b>		
<ul style="list-style-type: none"> <li>No current provisions.</li> </ul>	<ul style="list-style-type: none"> <li>Local governments already have a general responsibility to provide ratepayers and members of the public with assistance in responding to queries about the local government’s operations. Local governments should resolve queries and complaints in a respectful, transparent and equitable manner.</li> <li>Unfortunately, local government resources can become unreasonably diverted when a person makes repeated vexatious queries, especially after a local government has already provided a substantial response to the person’s query.</li> <li>It is proposed that if a person makes repeated complaints to a local government CEO that are vexatious, the CEO will have the power to decide that the complainant is being unreasonable, and that they will no longer respond.</li> <li>A person who is deemed an unreasonable complainant can appeal to the Inspector.</li> </ul>	<p>No major changes. Work to develop and refine detail is ongoing.</p>

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
<b>1.7 Other Minor Reforms</b>		
<ul style="list-style-type: none"> <li>Other minor reforms are being considered to enhance the oversight of local government.</li> <li>Ministerial Circulars have traditionally been used to guide the local government sector.</li> </ul>	<ul style="list-style-type: none"> <li>Potential other reforms to strengthen guidance for local governments are being considered.</li> <li>For example, one option being considered is the potential use of sector-wide guidance notices. Guidance notices could be published by the Minister or Inspector to give specific direction for how local governments should meet the requirements of the Act and Regulations. For instance, the Minister could publish guidance notices to clarify the process for how potential conflicts of interests should be managed.</li> <li>It is also proposed (see item 1.1) that the Inspector has the power to issue notices to individual local governments to require them to rectify non-compliance with the Act or Regulations.</li> </ul>	<p><b>Primary and Annual Returns</b></p> <p>Based on submissions, reforms to Annual and Primary Returns will add new penalties for non-compliance, and powers for the Inspector to compel any person to correct a potential error or omission on their return.</p>

# Theme 6: Improved Financial Management and Reporting

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
<b>6.1 Model Financial Statements and Tiered Financial Reporting</b>		
<ul style="list-style-type: none"> <li>The financial statements published in the Annual Report are the main financial reporting currently published by local governments.</li> <li>Reporting obligations are the same for large (Stirling, Perth, Fremantle) and small (Sandstone, Wiluna, Dalwallinu) local governments, even though they vary significantly in complexity.</li> <li>The Office of the Auditor General has said that some existing reporting requirements are unnecessary or onerous - for instance, information that is not relevant to certain local governments, or that is a duplicate of other published information.</li> </ul>	<ul style="list-style-type: none"> <li>The Minister strongly believes in transparency and accountability in local government. The public rightly expects the highest standards of integrity, good governance and prudent financial management in local government.</li> <li>It is critically important that clear information about the financial position of local governments is openly available to ratepayers. Financial information also supports community decision-making about local government services and projects.</li> <li>Local governments differ significantly in the complexity of their operations. Smaller local governments generally have much less operating complexity than larger local governments.</li> <li>The Office of the Auditor General has identified opportunities to improve financial reporting, make statements clearer and reduce unnecessary complexity.</li> <li>Recognising the difference in the complexity between smaller and larger local governments, it is proposed that financial reporting requirements should be tiered—meaning that larger local governments will have greater financial reporting requirements than smaller local governments.</li> <li>It is proposed to establish standard templates for Annual Financial Statements for band 1 and 2 councils and simpler, clearer financial statements for bands 3 and 4.</li> </ul>	<p>No significant changes.</p> <p>Work on the Model Financial Statements is ongoing. It is expected that the new Model Financial Statements will be in place for the 2022-23 financial year.</p>

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL

<b>6.2 Simplify Strategic and Financial Planning</b>		
<ul style="list-style-type: none"> <li>• Requirements for plans are outlined in the Local Government Financial Management and Administration Regulations.</li> <li>• There is also the Integrated Planning and Reporting (IPR) framework.</li> <li>• While many councils successfully apply IPR to their budgeting and reporting, IPR may seem complicated or difficult, especially for smaller local governments.</li> </ul>	<ul style="list-style-type: none"> <li>• Clear information about the finances of local government enables informed public and ratepayer engagement and input to decision-making.</li> <li>• The framework for financial planning should be based around information being clear, transparent and easy for all ratepayers and members of the public to understand.</li> <li>• In order to provide more consistency and clarity across the State, it is proposed that greater use of templates is introduced to make planning and reporting clearer and simpler, providing greater transparency for ratepayers.</li> <li>• Local governments would be required to adopt a standard set of plans, and there will be templates published by DLGSC for use or adaptation by local governments.</li> <li>• It is proposed that the plans that are required are: <ul style="list-style-type: none"> <li>○ Simplified Council Plans that replace existing Strategic Community Plans and set high-level objectives with a new plan required at least every eight years. These will be short-form plans with a template available from DLGSC</li> <li>○ Simplified Asset Management Plans to consistently forecast costs of maintaining the local government's assets.</li> </ul> </li> </ul>	<p><b>Borrowing Against Freehold Land</b></p> <p>A further amendment is proposed to allow a local government to borrow against the freehold (private/zoned) land it owns. Otherwise, no major changes. Work to develop and refine detail is ongoing.</p>

CURRENT PROVISIONS	ORIGINAL PROPOSAL	AMENDED PROPOSAL
	<p>A new plan will be required at least every 10 years, though local governments should update the plan regularly if the local government gains or disposes of major assets (e.g., land, buildings or roads). A template will be provided, and methods of valuations will be simplified to reduce red tape</p> <ul style="list-style-type: none"> <li>○ Simplified Long Term Financial Plans will outline any long-term financial management and sustainability issues, and any investments and debts. A template will be provided, and these plans will be required to be reviewed in detail at least every four years</li> <li>○ A new Rates and Revenue Policy (see item 6.3) that identifies the approximate value of rates that will need to be collected in future years (referencing the Asset Management Plan and Long-Term Financial Plan) providing a forecast to ratepayers (updated at least every four years)</li> <li>○ The use of simple, one-page Service Proposals and Project Proposals that outline what proposed services or initiatives will cost, to be made available through council meetings. These will become Service Plans and Project Plans added to the yearly budget if approved by council. This provides clear transparency for what the functions and initiatives of the local government cost to deliver. Templates will be available for use by local governments.</li> </ul>
