

REVISED 2012/13 PROJECTS

Draft Recommendation	Project Detail	Responsible Business Unit	Stakeholder / Partner	Timeframe	Proposed Budget 2012/13
Install a footpath on the western side of Grand Boulevard from Collier Pass to Kendrew Crescent.	Design and construct footpath in accordance with Australian Standards and Perth Transport Authority specifications	Infrastructure Management Services	Public Transport Authority	2012/13	\$65,000
Improve accessibility to the Warwick Centro Shopping Centre by installing relevant ramps and signage where required.	In partnership with stakeholders investigate and install pram ramps, a median cut and relevant signage linking the bus stops on either side of Beach Road.	Infrastructure Management Services	Warwick Centro Shopping Centre Management	2012/13	\$15,000
Install drinking fountains at key sites along the Sunset Trail trail where potable water is already available. Fountains should be marked on maps.	Identify key sites and install drinking fountains and ensure this information is included on new Sunset Coast signage.	Infrastructure Management Services		2012/13-2017/18	Currently funded in City's 2012/13 Capital Works Program (FNM2044)
Implement a program to install bike parking racks at key sites along the Sunset Coast Trail	Install bike parking facilities in key areas (Hillarys, Mullaloo) ensuring that they are in visible/safe sites as close as possible to the shops and amenities.	Infrastructure Management Services		2012/13-2017/18	\$30,000

Draft Recommendation	Project Detail	Responsible Business Unit	Stakeholder / Partner	Timeframe	Proposed Budget 2012/13
