Review		December 2012	January 2013	

December 2012

- · Kerbing and median island installation has been completed
- · Asphalt works complete.
- Northern car park works are 95% complete

November 2012

- Traffic Management is working efficiently, with minimal delays to traffic
- Most of the northbound widening has been completed, widening to southbound carriageway to commence in November.
- Asphalting to commence in mid-November.

October 2012

- Construction commenced 8 October 2012. At end of week 1, demolition, Subgrade and trees removed west side, northern end between Iluka Avenue and Warren Way
- Traffic Management is working efficiently, with minimal delays to traffic

September 2012

- Council approved reallocation of funding at its meeting on Tuesday 18 September 2012
- Council approved tender refer CJ192-09/12

August 2012

- Meeting held with Main Roads WA to discuss additional grant funding confirmation received that additional grant funding will be received from Main Roads.
- Reallocation of funding from Hodges Drive Marmion Avenue to Ocean Reef Road (RDC 2011) to support the construction commencing to be considered at Capital Works Committee in September 2012.

July 2012

- Three submissions received; all substantially over budget in part due to the adopted option for the redevelopment.
- Quantity Surveyor review undertaken which concluded that the prices tendered were not over inflated.

June 2012

• Tender advertised.

April 2012

 Endorsement by Council in April 2012 of the Oceanside Promenade Road Design Option A (CJ065-04/12 refers).

Previous Milestones

- Design revised and preliminary approval received from Main Roads WA.
- Preliminary design which was prepared in accordance with the endorsed final concept plan (May 2011) failed the Road Safety Audit test and Main Roads WA preliminary approval.

Outlook for next period / key tasks

- Completion of northern car park
- Completion of outstanding works including verge reinstatement and minor works identified at preliminary practical completion inspection
- Project completion.

Key Issues for next period	Priority (Low, Medium, High)
 Works pending that are out of City's control: Line marking Street light installation 	Medium

Key Risks to project / task completion	Potential Extent of Impact (Low, Medium, High, Catastrophic)
Potential impact on business activity during early summer if project is delayed	Low
Integration of the road works with the adjoining Tom Simpson Park works	Low

Review		January 2013	March 2013	

December 2012

- Asphalt works complete with some minor reinstatements pending
- All intersections reopened on 21 December 2012
- Streetlighting activated

November 2012

- Spray seal operations and kerbing works in progress.
- Asphalt commenced mid October.
- Street lighting installation commenced with installation of conduits.

October 2012

 Spray seal operations in progress. Kerbing works in progress. Asphalt to commence mid October. Street lighting installation commenced with installation of conduits. Basecourse construction nearing completion.

September 2012

Construction currently 1 week behind schedule.

August 2012

Construction commenced on 6 August 2012.

July 2012

 Parking lane improvements for Currambine Primary School completed during school holidays to improve traffic flow around the school as parking on Moore Drive verge is no longer permitted.

June 2012

• Endorsement by Council in June 2012 to appoint contactor (VDM Construction Pty Ltd) for civil works for Moore Drive carriageway duplication at the fixed lump sum of \$3,468,735 (excl GST) and completion of works within 18 weeks from possession of the site (CJ115-06/12 refers).

April 2012

· Five tender submissions received.

March 2012

- Western Power lighting approval is pending a check on a light pole and provision of quotation.
- Minor alterations to drawings for line markings following discussions with Main Roads WA.

Outlook for next period / key tasks

- Completion of construction
 - Minor works and finishing
 - Streetlighting check

- o Signs and linemarking
- Demobilisation

Key Issues for next period	Priority (Low, Medium, High)	
Completion of minor works	Medium	
Main Roads WA linemarking and signage scheduling	Medium	

Key Risks to project / task completion	Potential Extent of Impact (Low, Medium, High, Catastrophic)	Likelihood of Occurrence (Low, Medium, High, Catastrophic)	
School traffic and parking issues have potential to affect school and local traffic	Medium	Medium

Official opening		October 2013	October 2013	

December 2012

- Works progressing in accordance with program
- Retaining walls for car park are 65% complete
- 'In-Ground' services installed
- Soakwells installed.
- The landscape plan for Delamere Park has been finalised and assessed by an external quantity surveyor to ascertain total cost.

November 2012

- Construction commenced on 22 October 2012
- Sod turning held on 29 October 2012
- Works progressing in accordance with program.

October 2012

Construction to commence on 22 October 2012.

September 2012

- Agreement from adjoining land owner/developer for stairs to be installed on town square leading into front of community centre building.
- Pre-start up meeting held with Contractors.

August 2012

- Tender evaluations completed.
- Endorsement by Council in August 2012 to appoint builder (Pindan Pty Ltd) for the construction of the centre at the fixed lump sum of \$4,026,923 (excl GST) and completion of works within 48 weeks from possession of the site and construction of an additional car park for the fixed lump sum of \$95,851 (excl GST).

July 2012

- Meeting held with the adjoining land owner/developer regarding town square area nominated on their current master plan.
- Documentation amended to reflect the building moving three metres eastwards.
- Amended documentation provided for the building licence approval.
- Tender evaluation completed. Report to be presented to Council on 21 August 2012.
- Projected builder's start date is 3 September 2012.

Previous Milestones

- Consultants for electrical, hydraulic, mechanical, Part J of the BCA and Green Star accredited professional appointed.
- Design and specification of all building components being assessed as part of the Green Star rating application requirement.
- Department of Health confirmed that a child health centre will be included within the building;
 Memorandum of Understanding between the Department and the City to be progressed.
- Application submitted for building licence approval.
- Expression of Interest advertised in the West Australian newspaper and City website for builders interested in tendering. Request for Tender documents would require builders to have a Green Building Council of Australia accredited professional as part of the building team for the project. Submissions assessed and list of contractors to be invited to tender to be completed.
- Pre-tender estimate submitted by Quantity Surveyor \$4,238,100. Tenders received vary from \$3,723,005 to \$4,930,470.
- Addenda issued for separate cost for a 59 car parking bays adjacent to Delamere Avenue.

Outlook for next period / key tasks

Completion of retaining walls forming car park formation

Key Issues for next period		Priority (Low, Medium, High)
•	Continue to compile information for Green Star rating by the Green Building Council of Australia.	High

Key Risks to project / task completion	Potential Extent of Impact	Likelihood of Occurrence

Tasks/Milestones	Status	Planned start date	Expected completion date	Date actually completed
Demolition of existing infrastructure				
NORTHERN SECTION		October	January 2013	
Stage two		2012		
New concrete paths				
New barbecues				
New shelters				
New path lighting				
New playground shade structure				
Retaining walls				
Fence on top of retaining wall				

December 2012

- All works have been completed on the southern section of the park with the exception of the installation of the playground equipment. Installation of the playground equipment is expected to commence in the third week of January 2013.
- All works on the northern section of the park with the exception of fencing, path lighting and additional tree planting. A portion of the fence has been erected, the fence will be completed in January 2013.
- The northern section of the park was reopened on 19 December 2012.

November 2012

- Construction of playground in southern section of the park continued and fourth picnic shelter is under construction.
- Works commenced on concrete paths, new shelter and associated works in the northern section of the park.
- The shade structure has been erected over the northern section playground and the playground is now open to the public.

October 2012

- Majority of southern section of park re-opened. Playground installation commenced.
- Identified that there is funding shortfall to complete northern section works (see separate report).
- Fencing erected around northern section of park on 15 October 2012.
- Demolition of picnic shelters and seating completed on 18 October 2012.

September 2012

- Installation of three picnic shelters completed in southern section of the park.
- Completion of detailed design documentation for northern section of the park.

August 2012

- Building licence approval received for shade structure over existing playground equipment.
- Discussions occurring with consultant regarding the impact of the size of the playground and location within the park.

July 2012

- Works completed in stage one of southern section of the park include new concrete paths, new
 dual use paths, new bollards and associated ground works for the entry statement. Part of the
 southern section was opened to the public on 27 July 2012.
- Relocation works on barbecues is continuing within the southern section, including construction of limestone retaining walls.

• Equipment for the new playground (plus associated works for extra softfall, earthworks and kerbing) in the southern section of the park is being finalised following request for additional equipment. Additional costs to be known in August 2012. Refer to picture below of proposed playground.

Proposed playground within southern section

Outlook for next period / key tasks

SOUTHERN SECTION

- New playground to be installed
- Installation of remaining shade shelters near playground

NORTHERN SECTION

· Completion of fencing and path lighting.

Key Issues for next period	Priority (Low, Medium, High)
Installation of permanent fencing	High
Delivery and installation of playground equipment	High

Key Risks to project / task completion	Potential Extent of Impact
	(Low, Medium, High, Catastrophic)
 New playground equipment for southern section of Tom Simpson Park will only arrive in January for installation. 	Medium

December 2012

In accordance with Council resolution (CJ253-11/12) discussions commenced with Main Roads WA
to seek approval for the construction of the revised entry statements within the road median.

November 2012

Report presented to Council on 20 November reviewing the concept design and scope of this
project.

August 2012

- New tender documents (including specifications) developed of revised scope of works.
- Tenders declined.

July 2012

- Report being prepared for Council to decline tender submissions due to cost.
- New tender documents being prepared with revised scope of works and materials.

June 2012

 Consultant has reviewed the tender specifications and is preparing alternative specifications to retender.

April / May 2012

- Tender submission received from three contractors.
- All quotes over allocated budget.

March 2012

- Tender advertised in the West Australian newspaper with 20 contractors expressing an interest.
- Tender closes on 18 April 2012.

February 2012

Final design and specifications forwarded to Contract Services to initiate tender process.

January 2012

Design and specifications complete.

December 2011

- Design philosophy complete.
- Detailed specifications commenced.

November 2011

- Final design meetings held with consultant.
- Method of tendering determined and agreed to with consultant.

October 2011

No action – awaiting final design.

September 2011

- Confirmation of quote for construction drawings. Purchase order placed.
- Site surveys for the north and south locations completed.
- Construction drawings sent to consultant for comment.

August 2011

Fee proposal and construction cost estimate received from consultant.

July 2011

- Meeting held with consultant to confirm design requirements.
- Project listed in 2011/2012 Capital Works Program as a carry forward to be delivered by Asset Management.

June 2011

- Revised design received support at Strategy Session held on 7 June 2011.
- Meeting organised with consultant to commence tender process.

Outlook for next period / key tasks

• Finalise approval from Main Roads WA for installation of entry statements in accordance with the revised design.

- Draft concept plan distributed to Mayor and Ward Councillors for comment in November 2012
- · Consultation materials developed
- Concept plan complete
- Irrigation plan and tender completed.

October 2012

• Concept plan - 90% Complete

Outlook for next period / key tasks

Undertake community consultation and analyse results

Key Issues for next period	Priority (Low, Medium, High)
 Feedback from the public during community consultation. Commencement of irrigation works on sporting ovals needs to be undertaken within required timeframe to allow sufficient establishment time for turf. 	High

Key Risks to project / task completion	Potential Extent of Impact (Low, Medium, High, Catastrophic)
 If major changes are required following community consultation – possible delays with schedule. The main task that would be impacted by pre-start or general delays would be the drainage modification as they are not practical to undertake in wet weather. 	High
