Alternative Recommendation Three

That Council:

- (i) note the information in this Item in relation to a review of the MRC member fee model
- (ii) adopt a single fee model as the basis for determining the fee for the acceptance of waste from member Councils for the 2010/2011 budget
- (iii) authorise the CEO to present a report presented to the Council budget workshop to enable Council to consider a possible “phase in” of the single fee model

PROCEDURAL MOTION

That in accordance with Standing Orders 11.1(a), Council proceed to the next business.

MOTION: (Moved: Cr Boothman Seconded: Cr Cooke)

(Lost: 8/4)

Against: Cr Boothman, Cr Cooke, Cr Robbins Cr Stewart

Cr Boothman spoke against the motion, and addressed Council with key points as follows:

- The RRF would not have proceeded without City of Stirling approval to the financial guarantee
- This approval was based on a premise that the ‘Multi Fee’ model would remain in place
- Introduction of an alternative fee model i.e. Single Fee, without agreement by all Councils was unfair

Cr Newton spoke in favour of the motion.

Cr Bissett spoke in favour of the motion.

Cr Cooke spoke against the motion, with key points as follows:

- That the alternative to the 'multi fee' model without agreement of all was unethical
- That no new evidence existed to support any alteration
- That the adoption of 'Single Fee' model was cost shifting from others to City of Stirling
- That the Council's financial advisers, in their presentation to the workshop on 31 March 2010, had broadly supported the 'Multi Fee' model

Amendment to Wording of the Motion

The Mover, with the consent of the Seconder, altered the wording of the motion, in accordance with Standing Orders s10.9, as follows:

- Existing (iii) : delete
- New (iii) : authorise the CEO to present a report to the Council Budget Workshop scheduled for 13 May 2010, on the characteristics of the 'Single Fee' model

That in accordance with Standing Orders 18.1 the meeting be suspended so as to allow general discussion on all matters associated with Item 8.1.1

(Carried: 12/0)

Cr Withers spoke in support of the motions.

Cr Stewart foreshadowed a procedural motion to proceed to the next business.

The Chairman advised that this would be dealt with, if relevant, upon conclusion of business against the current motion.

Cr Robbins spoke against the motion, on the basis of the 'Single Fee' model representing cost shifting to City of Stirling.

The CEO, in response to a question from Cr Farrell, advised that his recollection was that no request had ever been received from City of Stirling to confirm that the current fees model was 'approved in perpetuity'.

Cr Butler spoke for the motion, indicating that, in his view, the 'Single Fee' model was an improved business system.

Resumption of Standing Orders.

MOTION: (Moved: Cr Newton Seconded: Cr Withers)
