GENERAL BUSINESS

Ocean Reef Residents Association

Aman Pabla reported on her attendance at Ocean Reef Ratepayers Association meetings. She outlined a question that she had been asked to include on the agenda by the members of the Association regarding a skate facility at Beaumaris Shopping centre.

Members outlined some issues with this proposal including:

- Beaumaris Shopping Centre already attracts some anti-social behaviour and the provision of a skate facility at the shops may encourage this further.
- Lack of space for an adequate facility
- Lack of lighting

- Too close schools and church

Members resolved not to support the proposal to put a skate complex at this particular site as put forward by the Ocean Reef Residents Association.
