## **GENERAL BUSINESS**

- **Peer selection for Youth Advisory Council**

Jeremy asked for volunteers to be involved in the peer selection committee for the Youth Advisory Council. The following members volunteered to participate on the selection committee:

Joshua King

Sarah McMillan

Heather Gibbons

John Saratsis

- **YAC website / Photo / Information**

This information has been compiled and will be sent to the Office of Youth Affairs.

- **Mirror Park – Map development**

To assist the Youth Advisory Council members in researching the current uses of Mirror Park in Ocean Reef, Jeremy Manning is to find a better map of the Park and provide that to members at next meeting. When the research is completed, members will be able to make a valuable suggestion to Council regarding the best usage of the park.

- **Councillor involvement in Youth Advisory Council**

Previous resolutions regarding Elected Member involvement in the Youth Advisory Council have been reported to Council through the April minutes. We are awaiting a reply from Elected Members of the City of Joondalup.

- **Road Safety Launch**

Jeremy Manning reported that he had prepared the funding submission for this project and was awaiting approval to submit it to the Office of Youth Affairs. A planning committee involving Youth Advisory Council members and council staff will be formed for this project if the funding submission is approved, submitted and the funds are granted.

- **Youth Rally Team**

Jeremy Manning reported that the project proposal is currently under consideration by the management of the City of Joondalup. If this project proceeds, a number of opportunities may exist for Youth Advisory Council members to support the project. These will be discussed at later meetings

- **Youth Council Week**

Jeremy Manning reported that planning for Youth Council Week is underway and suggested that more frequent meetings may be necessary to ensure that adequate preparations are made for the event. The following members expressed interest in organising the Youth Council Week program:

Joshua King  
John Saratsis  
Tim Lee

## **NEW BUSINESS**

- **Music Project**

John Saratsis suggested the idea of touring a band around local schools at lunchtime as a promotional tool to draw young people into a music project.

Radio Stations such as RTR-FM have done similar programs with success.

A recognised band may perform as a way of promoting itself or promoting a CD launch.

Most schools already have a stage or public assembly area and a mixing desk/PA equipment.

Members resolved to discuss the idea with teachers/student councils at their schools.

Jeremy Manning will discuss this idea with Belinda Martin in terms of linking with the existing music project.
