Dear Sir,

COUNCILLOR ALLISON WALKER: HUSBAND'S USE OF COUNCIL EMAIL
ADDRESS: QUESTION FROM RATEPAYER FOR TUESDAY 21 MAY 2002
COUNCIL MEETING

I am an elderly senior citizen living in Heathridge and I am unable to attend Tuesday night's Council Meeting to ask a question during public question time. However I would like to raise the following in writing:-

A Mr Michael Walker, the Husband of Councillor Allison Walker, is distributing business cards for his business "Identibadge" nominating his wife's Council email address as his business email address. Attached to this letter is a copy of that business card.

I ask the following questions:-

1. can a Councillor's spouse use that Councillor's Council email address and Council issued laptop computer for business or private purposes?
2. will you investigate this matter and provide a written report to ratepayers?
3. has Councillor Walker breached Council policy or Council's Code of Conduct for Councillors by allowing her spouse to do this? and
4. If so, what disciplinary measures will the Council apply to Councillor Walker.

I look forward to receiving your response at tomorrow night's Council meeting.

Yours sincerely,

Beth Bail
