### Addendum to Schedule of Rates

#### Note 1 – Clothing

All prices quoted are for the King Gee brand of clothing or as currently worn by the City's outside staff.

#### Note 2 – Glass, Safety, Bolle Smoke Lens

We have quoted on the Bolle Bandit and the Uvex range as required, however, we advise that there are a number of alternative and new products for consideration. Some are less expensive others more expensive, so, if required we are more than happy to discuss more detailed areas for use and/or requirements for protective eyewear in order to agree on the best product for your requirements.

#### Note 3 – Sunscreen, Hamilton SPF 30+

We have only quoted on one brand of sunscreen. **Maxi Block**, this brand provides a full size range and SPF 30+ protection requirements as specified. **Maxi Block** also conforms to all the Australian Standards for sunscreens. The **Maxi Block** range also has a 100gm tube and a 250ml Flip top bottle of Sunscreen SPF 30+ sunblock with Insect Repellent if required.
