Introduction

This report covers the financial performance of the City of Joondalup for the year to date period ending 30 June 2005.

Year to Date – Financial Overview

The City adopted its 2004/05 budget at a special council meeting on the 19th August 2004 and completed its half-year review in January 2005. A revised budget was developed based on actual results as at 30 November 2004 and adopted by Council at its meeting of 15th March 2005. Financial reports for February 2005 onwards refer to the revised budget.

<i>Year-to-date Financial Overview</i>	<i>YTD Actual</i>	<i>YTD Budget</i>	<i>YTD Variance</i>
Operating (surplus)	(\$2.8m)	(\$6.2m)	(\$3.4m)
Capital Expenditure	\$3.7m	\$8.4m	\$4.7m
Capital Works	\$16.0m	\$34.1m	\$18.1m
Total	\$16.9m	\$36.3m	\$19.4m

On the *Operating Statement by Nature*, (Appendix A) the City of Joondalup reported an operating surplus (Change in Net Assets Before Reserve Transfers) for the year to date of **\$2.8m**, against a budget of **\$6.2m**.

- Total **Operating Revenues** for the year is **\$72.2m** against a budget of **\$79.2m**, an unfavourable variance **\$7.0m**.
- Total **Operating Expenses** for the year is **\$69.3m** against a budget of **\$72.9m**, an under spend of **\$3.6m**

Capital Expenditure (Appendix E) for the year is **\$3.7m** against a budget of **\$8.4m**, an under spend of **\$4.7m**.

Capital Works (Appendix F) for the year is **\$16.0m** against a budget of **\$34.1m**, an under spend of **\$18.1m**.

Forward purchase orders of **\$8.0m** have been placed for all capital works including Council Projects.

Operating Revenues

The year-to-date income is as follows:

<i>Revenue</i>	<i>YTD Actual</i>	<i>YTD Budget</i>
Rates	\$45.8m	\$46.0m
Rates – Specified Area	\$0.1m	\$0.1m
Government Grants	\$7.3m	\$8.8m
Contributions, Reimbursements and Donations	\$2.4m	\$8.6m
Profit on Asset Disposal	\$0.2m	\$0.1m
Fees & Charges	\$13.2m	\$13.0m
Interest Earnings	\$3.0m	\$2.5m
Other Income	\$0.2m	\$0.1m
Total Revenue	\$72.2m	\$79.2m

a) Rates revenue

Revenue from rates and charges for the year to date amounted to **\$45.8m**. The unfavourable variance of **\$0.2m** relates to interim rates.

Further details on Rating Performance are shown on **Page 4** and at Appendix **G**.

b) Rates – Specified Area

Rates – Specified Area is **\$0.1m** for the year to date and is on target.

c) Government Grants

Government Grants for the year to date are **\$7.3m** against a budget of **\$8.8m**, an unfavourable variance of **\$1.5m**. The variance is primarily due to budgeted grants for the Ocean Reef Boat Harbour Geo-thermal Bore, **\$0.7m**, and for the Craigie Leisure Centre, **\$0.5m**, being deferred to 2005/06.

d) Contributions, Reimbursements & Donations

Contributions, Reimbursements & Donations for the year to date are **\$2.4m** against a budget of **\$8.6m**. The unfavourable variance of **\$6.2m** is mainly due to a timing variance of **\$2.8m** for the Joondalup Normalisation Agreement, acquired infrastructure assets being **\$2.1m** lower than budgeted, and a contribution from Beaumaris Land Sales for works to Ocean Road Road, **\$1.1m**. Both the Normalisation Agreement and Beaumaris contribution have been carried forward to the 2005/06 year.

e) Profit on Asset Disposal

Profit on Asset disposal for the year to date is **\$0.2m** against a budget of **\$0.1m**, the variance

is due to higher than expected profit on the sale of heavy vehicles and plant.

f) Fees and Charges

Fees and Charges for the year to date amounted to **\$13.2m**, a favourable variance of **\$0.2m**. This is due to unbudgeted income for Cash in Lieu of Public Open Spaces **\$0.1m**, higher than expected membership numbers with the Craigie Leisure Centre, **\$0.1m**, and greater than budgeted development applications, **\$0.1m**. These were partially offset by unfavourable variances in building licenses and term programme activities.

g) Interest Earnings

Interest income is **\$3.0m** for the year to date against a budget of **\$2.5m**. This favourable variance is due to a higher than expected interest rate and delays in major capital works projects, leaving the City with more money to invest. Details of the City's investments are shown at Appendix **H**.

h) Other Income

Other income has a favourable variance of **\$48k** from the library service agreement with Wanneroo, resulting from a revision of the fees charged and Wanneroo opening another library.

Operating Expenses

Operating expenses were as follows:

Operating Expenses	YTD Actual	YTD Budget
Employee Costs	\$27.2m	\$28.1m
Materials and Contracts	\$23.4m	\$25.7m
Utilities	\$2.8m	\$3.0m
Depreciation	\$14.9m	\$14.9m
Loss on Asset Disposal	\$0.1m	\$0.3m
Insurance Expenses	\$0.9m	\$0.9m
Other Expenses	\$0.0m	\$0.0m
Total	\$69.3m	\$72.9m

a) Employee Costs

Employee Costs for the year to date amounted to **\$27.2m** against a budget of **\$28.1m**, an under spend of **\$0.9m**. The variance is mainly due to delays in appointing several vacant positions, primarily in the areas of Urban Design, Strategic & Sustainable Development, Finance, Assets & Commissioning, Youth Centres, Infrastructure Asset Management and Operations. Some permanent savings from these vacant positions have been identified and were redirected as part of the half-year budget review. Surplus salaries of \$100k in Audit and Executive Services were identified in the half-year budget but left unadjusted to allow the new CEO flexibility in restructuring his immediate support staff. Other items also included in the YTD underspending in Employee Costs relate to staff training, **\$115k**,

conference expenses, **\$59k**, and uniforms **\$29k**.

b) Materials and Contracts

Materials and Contracts costs for the year to date amounted to **\$23.4m** compared to the budget of **\$25.7m**. The **\$2.3m** under spend is due primarily to the following: -

- Consultancy and IT Consulting, **\$1,668k**,
- Contributions, **\$382k**,
- Administration costs, **\$379k**,
- Professional Fees, **\$273k**,
- Public Relations, **\$217k**,
- Minor Equipment purchases, **\$102k**.

This is partially offset by: -

- Materials, **(\$943k)**.

The consultancy variance is due primarily to the Ocean Reef Development project, **\$781k** (both the income and expenditure have been rebudgeted in 2005/06), other projects were underspent in 2004/05 by **\$795k**, of which **\$561k** will be carried forward to next year.

The underspend in contributions and donations is primarily due to contributions and sponsorships. The underspend in contributions is primarily related to the Iluka SAR, **\$83k**, which has been transferred to reserve at year end, the delay in establishing the CAT bus, **\$25k**, and the cricket wickets for McDonald Park, **\$21k**. Sponsorships are also underspent, with a permanent difference of **\$60k** for the Sports Development Program.

The administration cost variance is mainly in the areas of advertising and printing. Advertising for the re-opening of Craigie Leisure Centre was unspent, **\$37k**. The contract for the Business and Community Directory had not been completed at year end and as a result the city will not make its contribution of **\$40k** until 2005/06. The lifestyle guide for the leisure centres was reduced from 4 print runs to 2, **\$37k**, while position vacancies in Community Development prevented several printing projects being undertaken, **\$30k**. Efforts to encourage the public to review the annual report online or take a CD copy resulted in a reduction in the number of Annual Reports printed, saving **\$10k**.

The variance in professional fees is due primarily to an underspend on legal expenses, primarily relating to the Panel Inquiry, **\$290k**, **\$259k** of which is being carried forward into 2005/06.

The variance in minor equipment is due to delays in purchasing of minor equipment such as furniture and plant items, and is being carried forward into 2005/06.

The overspend in materials is a result of using more contract labour as a significant number of positions have been unable to be filled during the year. There is a corresponding underspend in labour costs.

c) Utilities

Utility Costs for the year to date amounted to **\$2.8m** compared to a year to date budget of **\$3.0m**. The under spend of **\$0.2m** relates primarily to Parks Maintenance, and is the result of a variance of electricity usage during the year.

d) Depreciation on Non Current Assets

Depreciation expense for the year to date amounted to **\$14.9m** and is on budget.

e) Loss on Asset Disposal

Loss on Asset Disposal for the year to date is **\$136k** compared to the budget of **\$314k**. The favourable variance is mainly due to the disposal of mobile plant being carried forward to next year, and also the carry forward of some heavy vehicle disposals.

f) Insurance Expenses

Insurance expense for the year to date amounted to **\$0.9m** and is on budget.

g) Other Expenses

Other expenses finished on budget.

Capital Expenditure

Capital Expenditure (Appendix E) includes purchases of motor vehicles, plant, other assets and acquired assets (assets gifted to the City). Total expenditure on Capital for the year to date amounted to **\$3.7m** against a budget of **\$8.5m**.

The underspend of **\$4.7m** was due to: -

- A variance between the budgeted and actual value of acquired infrastructure assets, **\$2.1m**.
- A variance between the budget and actual expenditure on IT projects of **\$0.5m**, of which **\$0.2m** is being carried forward while **\$0.3m** is a permanent underspend in capital items.
- The deferred purchase of heavy vehicles, **\$0.4m**. These vehicles will be purchased in the first quarter of the 2005/06 year.
- The deferred purchase of light vehicles, **\$1.1m**. **\$0.8m** has been carried forward into the 2005/06 year.
- The replacement of a mower and wicket roller, **\$0.7m**, has been deferred until next year following a revised condition assessment and by agreement with the cricket club.

Capital Works

Capital Works (Appendix F) pertain mainly to the development of infrastructure including buildings, parks and roads.

Actual expenditure year to date amounted to **\$16.0m** compared to the budget of **\$34.1m**, a variance of **\$18.1m**.

Of the variance, **\$6.9m** relates to normal Capital Works and **\$11.2m** relates to Capital Works classified as Council Projects, primarily:-

- Favourable variances for Sorrento Beach Development **\$0.8m** and Joondalup Works Depot **\$5.3m**, Joondalup Cultural Facility **\$1.2m** and Craigie Leisure Centre **\$3.7m**. These projects have been rebudgeted in 2005/06.
- Capital works projects major favourable variances – Ocean Reef Road extension **\$1.5m**, various asphalt and road resurfacing projects **\$0.6m**, various library building upgrades **\$0.5m**, admin building upgrades **\$0.4m**, Yellagonga drainage works **\$0.2m**, other drainage works **\$0.1m** and street parking for various schools **\$0.2m**. **\$6.6m** has been carried forward into the 2005/06 year.

At the end of the month, committed funds in relation to all capital works totalled **\$8.0m**. Of this amount: -

- **\$4.1m** relates to normal Capital Works, and
- **\$3.9m** relates to Capital Works classified as Council Projects.

Rating Performance

General Rates

The statement of rating information is shown at Appendix G.

The 2004/05 rates notices were issued on 27 August 2004.

Total general rates levied were **\$46.5m**.

Specified Area Rates – Iluka

The City raised **\$63,583** from **1,194** properties (budget **\$61,471**) as Specified Area Rates – Iluka.

Specified Area Rates – Woodvale Waters

The City raised **\$21,786** from **136** properties (budget **\$21,600**) as Specified Area Rates – Woodvale Waters.

Refuse Charges

At the end of March 2005, **\$7.0m** had been levied against a year to date budget of **\$6.9m** in relation to the Refuse and Recycling Program.

Swimming Pool Inspection

The 2004/05 Swimming Pool Inspection fee of \$13.75 (including \$1.25 for GST) raised revenue of **\$212,908** (budget **\$213,100**) to cover four-yearly swimming pool inspections.

Emergency Services Levy

In accordance with the Emergency Services Legislation, the City levied the annual ESL of **\$8.5m** on behalf of FESA. The City is required to levy these funds on behalf of FESA and to remit the funds to FESA on a quarterly basis as follows:

- 30% of invoiced amount – paid 21 Sept 04
- 30% of invoiced amount – paid 21 Dec 04

- 30% of invoiced amount – paid 21 Mar 05
- 10% of invoiced amount – paid 21 June 05

Transfers (from)/to Reserves

Transfers from/to Reserves, together with the balances of the Reserve Accounts at the end of the month is shown at Appendix I.

	YTD Actual	YTD Budget	YTD Variance
Transfers (from) Reserves	(\$9.0m)	(\$25.3m)	\$16.3m
Transfer to Reserves	\$8.1m	\$13.6m	(\$5.5m)
Net transfers (from) to Reserves	(\$0.9m)	(\$11.7m)	\$10.8m

The City transfers funds to reserves for the funding of future works or capital replacement, or for other programs specifically identified.

The variance in transfers from reserves relates primarily to delays in expenditure on the Joondalup Depot, Craigie Leisure Centre, Cultural Facility and Sorrento Beach projects.

The variance in transfers to reserves relates to unreceived funds budgeted to be transferred to the Joondalup Normalisation Agreement Reserve, and then transferred to the Asset Management Reserve, for a total transfer of **\$5.6m**.

Funding from individual reserves are in accordance with the purpose of the funds and as outlined in the 2004/05 budget.

Conclusion

On an overall basis, the City has a net under spend of **\$19.4m** when compared to the end of year budget. After reserve transfers the net municipal surplus was **\$8.3m**, of which **\$6.3m** was carried forward works and **\$1.9m** was surplus carried forward.

The operating surplus (Change In Net Assets Before Reserve Transfers) for the year to date is **\$2.8m** compared to a budget of **\$6.2m**. The unfavourable variance of **\$3.4m** is mainly due to reduced revenue from government grants now to be received in 2005/06 and contributions, reimbursements and donations which was down on budget due to delays in finalisation of funds to be received from Landcorp associated with the Joondalup Normalisation Agreement and acquired infrastructure assets estimates being lower than budgeted (non-cash revenue item). This was partially offset by under spends in employee costs, consultancy costs, administration costs and utilities.

Capital Expenditure is **\$4.7m** under spent due to the timing of IT related projects and heavy and light vehicle purchases.

The Capital Works program including Council Projects is under spent by **\$18.1m**.

Committed funds in relation to all Capital Works are **\$8.0m**. Of this amount, **\$3.9m** relates to Capital Works classified as Council Projects.
