REPORTS

ITEM 1 WORKSHOP - APPROVED PLANT MATERIAL LIST

WARD: All

RESPONSIBLE DIRECTOR: Mr David Djulbic
Infrastructure Services

PURPOSE

To consider, in a workshop format, the approved plant material list.

EXECUTIVE SUMMARY

At the Conservation Advisory Committee (CAC) meeting held on 26 July 2006 the Committee requested staff to table a report detailing the plant species the City approves for use by the public for road verges adjacent to their homes. This list, titled Operation Services, Information Sheet on Approved Plant Material is distributed to

residents upon request to enable them to make appropriate choices of planting material. At the August CAC meeting the Committee resolved that at the September 2006 CAC Meeting the wider issue of plant material both for verges and wider landscaping usage should be considered.

BACKGROUND

Since its formation the CAC has promoted the use of native plant material in landscapes within the City of Joondalup. The reason for this is twofold, firstly to enhance and produce habitat for local endemic fauna. Committee members have been aware that local endemic fauna, especially of the avian variety require local plant species to provide both nesting sites and as a food source.

The other reason for the Committee's desire to have local plant species utilised in landscapes, is the fact that local plant species in general require less of the City's water resources to grow, this in turn has a positive effect on the environment, and reduces the cost of installing and maintaining irrigation systems for the City.

DETAILS

The City has produced an information sheet that contains an extensive list of plant species that are suitable, and recommended for use on the verges adjacent to residents' homes.

The Information Sheet contains a diverse list of trees, shrubs and ground covers. It also contains advice on the eventual heights and widths of the said plants. The plants in the list represent species from Perth, Western Australia, Eastern States and many locations throughout the world. The species have been selected because they perform well in Joondalup conditions.

Issues and options considered:

Not Applicable.

Link to Strategic Plan:

Strategy 2.1.1- Maintain and protect natural assets to retain biodiversity.

Risk Management considerations:

- Not Applicable.

Financial/Budget Implications:

Not Applicable.

Policy Implications:

Not Applicable.

Regional Significance:

Not Applicable.

Sustainability Implications:

Not Applicable.

Consultation:

Nil.

COMMENT

The CAC is the appropriate body to review, comment on and advise on the plant list the City provides to residents. Committee members have a sound collective knowledge of native plant species that could be utilised to enrich the current plant species list.

ATTACHMENTS

Nil.

VOTING REQUIREMENTS

Simple Majority

MOVED Ms A Stubber, SECONDED Mr J Chester that the Conservation Advisory Committee AGREES to conduct a workshop as part of its Committee meeting to be held on 27 September 2006 to discuss the “ City’s Approved Plant Material List”.

The Motion was Put and

CARRIED (10/0)

In favour of the Motion Crs Magyar, Park, Mrs M Zakrevsky, Mrs C Wood, Ms S Bailey, Ms A Stubber, Dr M Apthorpe, Mr R Henderson, Mr B Fitzsimmons, Mr J Chester

During discussion, the following movements occurred:

Mrs Herbert entered the Room at 1815 hrs;

Cr John entered the Room at 1855 hrs;

Mr Henderson left the Room at 1950 hrs.

MOVED Cr Park, SECONDED Cr John that the:

- 1 Conservation Advisory Committee NOTES the tabling of the report titled “Approved Plant Material List” forming Attachment 1 to this Report;**
- 2 Conservation Advisory Committee RECOMMENDS to the Council that the “Approved Plant Material List” be replaced by the blue and purple versions of the North Metro Catchment Groups “Grow Local Plants” brochure;**

- 3 North Metro Catchment Groups “Grow Local Plants” Blue and Purple brochure be available on the web and hardcopy after an appropriate launch;
- 4 City of Joondalup use the North Metro Catchment Groups “Grow Local Plants” brochure as the basis for its landscape planting;
- 5 Conservation Advisory Committee be allowed to workshop meetings over the next three months to develop:
 - (a) Approved planting list
 - (b) Signature species list
 - (c) Bio-Diversity Plan

The Motion was Put and

CARRIED (11/0)

In favour of the Motion Crs Magyar, Park, John, Mrs M Zakrevsky, Mrs W Herbert, Mrs C Wood, Ms S Bailey, Ms A Stubber, Dr M Apthorpe, Mr B Fitzsimmons, Mr J Chester

MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

Nil.

REQUESTS FOR REPORTS FOR FUTURE CONSIDERATION

Pest Weed Species Within the City of Joondalup

MOVED Cr Park SECONDED Mr B Fitzsimmons that the Pest Weed Species Within the City of Joondalup report be deleted, and discussion on the issue form part of the future CAC Strategic Planning workshop.

The Motion was Put and

CARRIED (11/0)

In favour of the Motion Crs Magyar, Park, John, Mrs M Zakrevsky, Mrs W Herbert, Mrs C Wood, Ms S Bailey, Ms A Stubber, Dr M Apthorpe, Mr B Fitzsimmons, Mr J Chester

The Impact of Reticulation on Bushland in the City of Joondalup

Mrs Herbert is to submit a report on Coastal Development and Impact on Ocean Water Quality to a future Conservation Advisory Committee meeting.

DATE OF NEXT MEETING

The next meeting of the Conservation Advisory Committee (CAC) will be held in Conference Room 2, Joondalup Civic Centre, Boas Avenue, Joondalup on Wednesday 25 October 2006 at 6.00 pm

CLOSURE
