

POLICY _____ – RECOVERY OF COSTS FROM PROSECUTIONS OF THE CITY

STATUS: *City Policy - A policy that is developed for administrative and operational imperatives and has an internal focus*

City policies are referred to Council for review and endorsement

**RESPONSIBLE
DIRECTORATE:** Corporate Services

OBJECTIVE: To obtain monies due to the City.

STATEMENT:

The City will, as a general principle, take action to recover costs when legal proceedings have been taken against the City by another body. People involved in taking legal action against the City should be aware of the situation.

This Policy only applies to situations where legal action is taken against the City. It does not apply to ordinary operational situations where the City commences a prosecution for a breach of the law.
