Partnering Opportunity

Craigie High School Site

LandCorp is calling for Expressions of Interest (EOI) from private sector developers to work with us to transform the former Craigie High School site into a quality residential development for the growing northern suburbs.

The 10.147ha site is located in the residential suburb of Craigie, approximately 22 kilometres north west of the Perth CBD and is bordered by Arawa Place and Camberwarra Drive.

The development will feature sustainable, innovative design which aims to preserve its current landform and vegetation, including the integration and protection of the nearby dunes into the development.

LandCorp is interested in partnering with organisations with a similar commitment to creating leading-edge, vibrant, sustainable communities.

The EOI will close at 2pm WGST on Tuesday, 27 November 2007.
