<b>O'Donnell Griffin</b> All requirements have been met.	YES	A very large company and well established with 1600 employees Australia wide. QA to AS/NZS ISO 9001:2000. 24/7/365 service offered via call centre. Able to provide all requirements.	Provided similar services to the City and can provide services to all spectrums of electrical requirements of the City.	Good understanding demonstrated and the City's requirements would be scheduled with requirements from other clients. Doubtful if the City would be treated as a priority client.	Optimize recycling opportunities and use local suppliers were appropriate.	69.50%	\$396,358.38	2
<b>GMG Electrical and Air Conditioning</b> All requirements have been met.	YES	Been in business for 3 years with 3 employees with limited resources. All necessary equipment is owned and hired when necessary. No safety policy was provided.	Did not demonstrate previous experience to the extent required for the panel to feel confident. Previous work undertaken on a smaller scale than the requirements of the city.	Demonstrated an understanding of the requirements and methodology proposed would provide a good base for communication and reporting requirements.	Located in Woodvale and would use local suppliers.	55.05%	\$171,320.00	3
