	Maximum cost of Contract over 5 yrs with maximum bonus applied each year	\$1,400,774	\$4,669,248	\$5,324,581	\$4,505,414	\$5,619,481	\$2,236,324	\$4,013,915

Note: The rates offered by West Aus Graffiti Removal and Quick Smart Enviro Clean were different for each graffiti removal method. For the purposes of this evaluation, their lowest rate (graffiti paint-out) was used in the above calculations. It is not possible to predict which removal method is used more frequently as it is entirely dependent on the graffiti type and surface it has been applied to.
