Teksteel Engineering Pty Ltd All requirements have been met.	Yes	In operation since 1969 with 20 staff. Provided company structure, role of staff & the experience of 3 staff were supplied. A list of equipment was supplied. After-hours contact and additional resources was not addressed. No safety policy, details of procedures or safety record was supplied.	Teksteel Engineering Pty Ltd provided a list of projects supporting their experience. No details were given as to the scope of the projects or how similar they are to the City's requirements. Most appear to be large-scale construction projects.	A brief response addressed an adequate understanding of the City's requirements. This included response times, their internal quality assurance process and customer service.	Utilise local businesses where possible.  Located in Jandakot.	55.2%	\$470,593	2

TSG Group Pty Ltd All requirements have been met.	Yes	In operation since 1999 with 90+ staff across Australia and New Zealand. It was not clear how many staff are in Perth and would be associated with the City's contract. A chart of qualifications for 31 staff and 3 sub-contractors was supplied. After-hours contact and additional resources were not addressed; however would be expected to be sourced in-house. A well-documented safety policy, HSE manual and safety record was supplied.	TSG Group did not adequately demonstrate experience in providing similar services to other organisations. Four examples of projects were supplied; however they were for large construction projects, with little similarity to the City's requirements.	No response was submitted to this criterion.	No response was submitted to this criterion.  Based in Henderson.	43.6%	\$496,219	3
