

Current Parking Signage Fairway Circle

## Community Consultation Survey

### Parking Control Signs Fairway Circle

The City recently installed no parking signs on the east side of Fairway Circle from Shenton Avenue to Ocean Shores Edge. This was in response to safety concerns raised in regard to the growing traffic and parking issues during the period residents display festive lights at Christmas time.

Do you support the retention of the permanent parking control signs that have been installed or would you prefer temporary signage that is installed at the beginning of December and removed after Christmas each year?

(Place a cross in the box indicating your preference)

<input type="checkbox"/> Retain Permanent Parking Control Signs			
<input type="checkbox"/> Install Temporary Parking Control Signs from the beginning of December until after Christmas			
Are there other comments you would like to make regarding the signage?
