All requirements have been met.	Yes	Parkonsult has been providing maintenance and repair services to the City's parking ticket machines since they were commissioned in October 2008. The business has also been providing similar services to City of Subiaco since 1996 and the City of Vincent since 2005. Referees of the two stated local governments were provided.	Parkonsult provided a detailed methodology as to how it will approach the maintenance and service regime for the 109 Cale Pay and Display parking ticket machines within the City. Parkonsult estimates that five parking ticket machines will be serviced each week under its preventative maintenance schedule, ensuring that each machine will be serviced at least twice per calendar year.	Parkonsult has been trading since 1992 as a partnership. The business employs six technicians in total. The role and credentials of three key personnel were listed and confirmed recent training by Cale Access on Cale products. The company produced confirmation as a Certified Maintenance and Service provider on behalf of Cale Access in support. A range of equipment and tools to be used to perform the services were listed.	Parkonsult is located in Morley. The business states that it will purchase goods and services locally whilst undertaking its services to the City.	84.5%	Conforming Offer: \$1,020,066 Optional Response: \$1,046,399	N/A
