INTRODUCTION

The City's Planning Framework is structured to ensure operational activities delivered in alignment with the City's strategic priorities. The new Strategic Community Plan 2012-2022 is a key component of this planning framework and is the overarching Plan that provides direction for all activities. The Plan guides the development and provision of the City's services and programs through its Key Themes of:

- Governance and Leadership
- Financial Sustainability
- Quality Urban Environment
- Economic Prosperity, Vibrancy and Growth
- The Natural Environment
- Community Wellbeing

The City's current Planning Framework is made up of a series of Plans to implement the City's Vision to be a *global city: bold, creative and prosperous*. In alignment with the City's bold vision, the City has adopted the following distinguishing values: bold, ambitious, innovative, enterprising, prosperous, and compassionate.

The framework includes:

- The 20-Year Strategic Financial Plan – which provides a broad overview of the major projects, programs and resource requirements and includes 20-year financial projections;
- The 10-Year Strategic Community Plan – which provides the broad future strategic direction for the City;
- The 5-Year Corporate Business Plan – which provides a detailed delivery program for City activities;
- The Organisational Plan – which sets out the strategies and actions to develop internal systems and organisational capacity in order to achieve the commitments set out in the Strategic Community Plan;
- The Annual Plan – which contains annual actions to achieve the vision of the Strategic Community Plan;
- Directorate Plans – which contain details of annual projects and programs to be delivered by each Directorate;
- Business Unit Plans – which contain details of the annual programs, services and activities for each Business Unit, and
- The Annual Budget.

The City's Planning Framework is in alignment with the Integrated Planning and Reporting Guidelines developed by the Department of Local Government.

Quarterly progress reports against the Annual Plan will provide Council and the community with a full assessment of the City's progress in relation to the achievement of pre-determined milestones for major projects and programs. Full progress reports against the Capital Works Program will be provided at the same time as Annual Plan Progress Reports to Council.

Garry Hunt
Chief Executive Officer

HIGHLIGHTS – JANUARY TO MARCH 2013 QUARTER

GOVERNANCE AND LEADERSHIP

Local Laws - Eight Year Review

The City completed its eight year statutory review of the City's local laws during the quarter. The review identified several local laws that required amendment or redrafting to ensure that the local laws reflected community expectations as well as improved City operations. The actions recommended in the review, including the creation of new local laws, will progress through Council over the next twelve months.

Strategic Community Reference Group

The first two meetings of the City's new Strategic Community Reference Group took place in the quarter. The new Reference Group was formed to engage members of the community on strategic initiatives and matters of significant community interest. Members of the Group comprise local residents from the City's six wards.

The first meeting of the Group took place in February when members, and invited representatives from the WA Police Service and Edith Cowan University, considered the City's Community Safety and Crime Prevention Plan.

The second meeting of the Group was conducted in March to consider the existing Environment Plan and the City's approach for developing a new draft Environment Plan. Attendance included members and expert representatives from organisations such as Edith Cowan University and the Department of Environment and Conservation.

The Strategic Community Reference Group is an effective mechanism for engaging with local community members and experts to assist the City in its decision making.

QUALITY URBAN ENVIRONMENT

Capital Works Program

A number of Capital Works Projects were progressed substantially or completed in the quarter including:

Landscaping and irrigation upgrades in:

- Lysander Park – Heathridge.

New or replaced park equipment in:

- Beaumont Park – Greenwood;
- Belrose Park – Kallaroo;
- MacDonald Park – Padbury; and
- Otago Park – Craigie.

Traffic management upgrades along:

- Conidae Drive – Heathridge;
- Cook Avenue – Hillarys;
- Craigie Drive – Craigie;
- Marina Boulevard – Ocean Reef; and
- Meridian Drive – Mullaloo.

New or resurfaced paths along:

- Cook Avenue – Hillarys; and
- Wedgewood Drive – Edgewater.

Road preservation and resurfacing along:

- Conway Grove – Heathridge;
- Charon Place – Craigie;
- Dampier Avenue – Kallaroo;
- Johnston Way – Padbury;
- Keppell Road – Marmion; and
- Ocean Reef Road – Ocean Reef.

Building works on:

- Joondalup Library – Photovoltaic system.

Park upgrade and road works in:

- Tom Simpson Park and Oceanside Promenade, Mullaloo.

ECONOMIC PROSPERITY, VIBRANCY AND GROWTH

Breakfast Business Forum

A Breakfast Business Forum, *Joondalup – Billion Dollar City*, was held on 20 March 2013 at the Joondalup Resort and Country Club, Connolly.

The Forum showcased the latest investment and commercial developments within the Joondalup CBD and raised awareness of Joondalup as a key Western Australian investment location.

Keynote speakers included:

- Mr Garry Hunt, Chief Executive Officer, City of Joondalup, who presented on the Billion Dollar City, highlighting the current and planned major commercial developments within the City Centre, Perth's investment hotspot, and the investment attraction initiatives being identified for the future; and

- Mr Lino Lacomella, Deputy Executive Director, The Property Council of Australia (WA), who spoke on the opportunity for Perth's Northern Growth Corridor to drive economic development, investment and construction for metropolitan Perth and the outlook for the industry throughout the State in the future.

The Forum also featured the launch of the bi-annual *Joondalup Business Edge* publication. This new publication highlights the latest news on business and investments in the City and profiles local, innovative businesses and research and development activity being undertaken.

The Forum attracted approximately 150 attendees and was very well received.

THE NATURAL ENVIRONMENT

World Wetland Week 2013

To celebrate World Wetland Week, the City delivered two *Creatures of the Dark* Night Stalks on 1 February 2013 in Yellagonga Regional Park. The tours, which were attended by over 50 people, were guided by local ecologists who provided participants with information on the fauna within the Yellagonga Wetlands.

Pathogen Management Plan

Council endorsed the City's Pathogen Management Plan at its February 2013 meeting. The Plan establishes the level of risk of pathogens within City parks and bushland areas and provides guidance on the management of pathogens within the City to minimise their spread and protect native vegetation. Strategies to engage the community to raise the awareness of pathogens within the City of Joondalup are also identified within the Plan.

COMMUNITY WELLBEING

Music in the Park

The final Music in the Park Concert was held on Saturday 12 January at Caledonia Park, Currambine. The Concert featured Jeff Lang, a singer song-writer, with special guest, Lucky Oceans and Felicity Groom. The event attracted approximately 4,000 people.

Valentine's Concert

The 2013 Valentine's concert was held on Thursday 13 February at the Joondalup Resort and Country Club. The concert featured the Perth Symphony Orchestra, playing a mix of classical favourites, movie themes and rock music. The concert also featured performances by soloist, Sara Macliver, and the combined Perth Ladies College and Scotch College Choir. This year's concert attracted a capacity attendance of 8,000 people.

Joondalup Festival

The Joondalup Festival was held on Saturday 23 and Sunday 24 March 2013 on a new site in and around Central Park with a new look program for all ages. Activities included magic acts, swing dance demonstrations, a circus, jazz performances, a fashion show, a cabaret, and a projections and illuminations show after dark. This year's festival also saw the introduction of a licensed festival tent with a program of events that hosted performances by local and international award-winning performers.

The City also commissioned composer, Alberto Caruso, and writer, Vivienne Glance, to create a new community choral work called Banuru Songs that was performed as a world premiere by individuals, ensembles, school groups and community choirs from Joondalup and beyond. The world premiere officially opened the Festival on Saturday 23 March and was followed by a Twilight Lantern Parade focussing on the theme of Lake Joondalup which involved approximately 600 participants. An aerial performance rounded off the festival finale on Sunday.

2013 City of Joondalup Annual Sports Awards

The 2013 City of Joondalup Annual Sports Awards event was held on 24 February 2013. The Awards are an opportunity for the City to showcase the achievements of local junior sports people and also form part of the City's Joondalup Sporting Achievement Grant Program. Over 180 people attended the Awards, with 60 junior sporting club members being recognised for achievements in their chosen sport over the past year. All athletes received a certificate of recognition. His Worship the Mayor, Troy Pickard, delivered the welcome address with Melissa Marsh, West Coast Wave Captain (Women's National Basketball League), delivering a motivational keynote address.

Mirror Park Skate Park

The City of Joondalup officially opened the Mirror Park Skate Park in Ocean Reef on Saturday 23 February with His Worship the Mayor, Troy Pickard, unveiling a commemorative plaque. Approximately 700 people turned out for a BMX, Skate and Scooter competition, along with a number of family activities, including face painting, a bouncy castle, a sausage sizzle and DJ. This event is the first of many competitions and community events that the skate park will host for the benefit of young people in the City.

Summer Sessions

Throughout January 2013 a series of Summer Sessions were held in various parks throughout the City to engage with and provide activities for young people during the school holiday period. Free activities on offer included archery, martial arts training, DJ workshops, stencilling workshops, and African drumming. Approximately 230 young people participated during the five events.
