## SUMMARY OF TENDER SUBMISSIONS

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Total Contract Price	Rank
		Demonstrated Understanding of the Required Tasks	Capacity	Demonstrated Experience in Providing Similar Services	Social and economic effects on the local community			
<p>The Watershed Water Systems</p> <p>All requirements have been met.</p>	Yes	<p>It demonstrated a thorough understanding and appreciation of the City's requirements. Its proposed methodology included an outline of tasks to be carried out, from inventory holding to delivery and invoicing. The company stated it operates an efficient internal transfer system between its various stores on a daily basis, providing overnight transfer for urgent requirements. Its Joondalup store is open 6 days per week and its Midland store is open 7 days per week and it can make emergency deliveries direct to site on a Sunday if required.</p>	<p>It commenced operation in 1989. It has approximately 20 full-time and six part-time staff. Details of proposed key personnel including their years of experience in the industry were provided. It has other stores and personnel to access additional resources if required. Details of specialised equipment that will be used to provide the services were supplied. It has its own quality management system and has a safety policy in place. Copies of its safety policy and statistics including after-hours contact details for emergency requirements were provided.</p>	<p>It has extensive experience in providing similar services. Examples were provided and included various local governments. The company is currently supplying PVC pipes, fitting and sprinklers for the Cities of Swan (since 1995), Wanneroo (since 2008) and Town of Cambridge (since 2010). It is also the City's current contractor for these supplies.</p>	<p>Its head office is located in Midland and has six stores across the metropolitan area including Joondalup.</p> <p>It will supply the goods from its store located in Joondalup. All its Joondalup staff reside within the City. It supports local businesses and organisations for their fund raising activities. It offered to donate a high pressure misting system (outdoor air-conditioning) to an aged care facility of the City's choice, if successful.</p>	80.5%	\$1,082,890	1

Total Eden Pty Ltd All requirements have been met.	Yes	It demonstrated a sound understanding of the required tasks. Its submission included its proposed methodology and an outline of tasks to be carried out. It will have an initial meeting with the City to set in place the structure of supplying, delivering of goods required and invoicing. It indicated that on receipt of order, it will deliver the goods to the City's Work Operations Centre no later than 24 hours for non urgent requirements or within two hours for urgent requirements. Its store in Joondalup allows for efficient delivery times in all cases.	It is a national company originally founded in WA about 30 years ago. It has more than 40 staff. An organisational chart and details of proposed key personnel (from its Joondalup store) including their years of industry experience were provided. However, it provided limited information on details of specialised equipment that will be used to provide the services. It has its own quality management system and a safety policy in place. Copies of its safety policy and statistics including after-hours contact details were provided.	It has extensive experience in providing similar services. The company has over the past 30 years serviced many WA local governments including the Cities of Belmont, Armadale and Gosnells. Examples of works recently completed for these Cities were provided however it did not include examples of current works.	Its WA office is located in Bibra Lake. It has 11 retail stores across the metropolitan areas including Joondalup. It will be supplying the goods from its Joondalup store. The company stated that it actively encourages its branches to sponsor local community sporting teams, provide donations to local charity groups and to source supplies from local suppliers for their respective stores.	71%	\$1,127,026	2
