SUMMARY OF TENDER SUBMISSIONS

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Total Contract Price	Rank
		Capacity	Demonstrated Experience in Providing Similar Services	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
The Trustee for the Fencewright Unit Trust trading as Fencewright	Yes	It was formed in 2010 and has over 25 employees. The company's business structure, details of key personnel, their positions, qualifications and years of industry experience were provided. A list of specialised equipment and after-hour contacts for emergency requirements were also supplied. It offers a 24/7 service. It operates with its own quality management system and has an OSH policy in place. A copy of its safety policy and procedures was supplied. It has had no lost time injuries in the past two years.	It has extensive experience providing fencing requirements to private organisations and government authorities including Main Roads, WA Planning Commission and Department of Defence. Examples of works, period and dates of when the works were undertaken and numerous references were provided. However, the examples of works and references supplied did not include local governments.	It demonstrated a thorough understanding of the required tasks. Its proposed methodology included an outline of tasks to be carried out, from the manufacturing / procurement of materials to installation and inspection of the completed fencing works.	The company is located in Malaga. It has a large portion of its workforce residing within the City. The company also sources materials and services from local businesses.	71.3%	\$216,456 (Group 1) \$1,184,403 (Group 2)	1

		Capacity	Demonstrated Experience in Providing Similar Services	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Wood Peter Family Trust trading as Peter Wood Fencing Contractors	Yes	It has been in the fencing industry for over 38 years. It currently has one part time and three fulltime employees. It has a store yard for plant and materials in Wangara. Its two key personnel have substantial experience in the fencing industry (38years and 45 years). It will provide additional personnel and resources if required. A list of equipment and after-hour contacts for emergency requirements were supplied. It has had no safety incidents for the past five years. A copy of its safety policy and procedures was not provided.	It has extensive experience providing similar services to landscape developers and local governments including the Cities of Stirling, Bayswater, Gosnells, Fremantle and Nedlands. It is also the City's current fencing contractor.	It demonstrated a sound understanding of the City's requirements. Its approach included arrangement of site meetings to discuss fencing requirements. It could commence work in approximately 10 days time after receipt of an order, providing materials are available from its suppliers and materials are usually on stock whenever possible.	The company is located in Ocean Reef. It is a local supplier and has employees residing within the City. It indicated the company will continue to contribute to local charities whenever possible.	65.6%	**N/A (Group 1) \$798,379 (Group 2)	2

NR & KP Henry trading as Reliable Fencing	Yes	It commenced operation in 1979 and has been installing various type of fencing in WA for approx. 35 years. The company's organisation chart and details of proposed key personnel. After-hour contacts for emergency requirements and a list of specialised equipment were provided. It did not indicate total number of staff currently employed by the company. It has its own quality management system and an OSH policy in place. A copy of its safety management plan was provided but did not include safety statistics.	It demonstrated experience providing fencing requirements to private organisations and local governments including the Cities of Wanneroo and Belmont. The examples of works provided were similar to the City's requirements but smaller projects (total contract value \$20,000 to \$300,000).	It demonstrated a thorough understanding of the City's requirements. Its proposed approach included an outline of tasks to be carried out prior to commencement of works.	The company is located in Henley Brook. It stated the company will always source local businesses first for products and equipment.	63%	\$261,846 (Group 1) \$1,170,524 (Group 2)	4

		Capacity	Demonstrated Experience in Providing Similar Services	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Marebar Pty Ltd trading as DBS Fencing	Yes	It has been operating in WA since 1967. It specialises in the manufacture, supply and installation of industrial and rural fencing and gates. It has 27 staff. Its Submission included the company's structure of business, details of two keys personnel and their years of experience. It operates with its own quality management system and has an OSH policy in place. A copy of its job safety analysis was provided. Safety statistics, after-hour contacts for emergency requirements and details of specialised equipment were not supplied.	The company did not adequately address this criterion specifically. It did not submit sufficient information to demonstrate experience in providing similar services. A list of projects and numerous company references were provided but the works undertaken were smaller projects (\$100k to \$300k) and did not include scope of requirements and dates of when the projects were undertaken.	It did not demonstrate its understanding of the required tasks. It did not specifically address this criterion and the information submitted was limited.	The company is located in Wangara. No response was supplied for this criterion.	29.8%	\$372,679 (Group 1) \$1,031,124 (Group 2)	6
All requirements have been met.

The Trustee for the AG Macdonald Family Trust trading as CAI Fences	Yes	The information provided in its Submission was limited and did not include period of time in business. It has 14 staff and a pool of experienced subcontractors to undertake fence installation works. Its Submission did not include details of personnel. It stated the company has the full range of plant and equipment, however no list supported this statement. It operates with its own quality management system but its Submission did not include information on its safety policy, procedures and statistics. Also, after-hour contacts for emergency requirements were not supplied.	It demonstrated some experience in providing similar services. Numerous examples of works recently undertaken for various organisations including the Cities of Swan and Joondalup were provided. However, these were smaller projects (\$6,700 to \$181,700). References or referee contacts were not provided.	It did not submit a response to this criterion and the general information provided in its Submission did not adequately demonstrate its understanding of the City's requirements.	The company is located in Embleton. No response was supplied for this criterion.	26%	*\$207,863 (Group 1) **N/A (Group 2)	7
