<p>A 111 signature petition requesting Council take prompt action to remedy the traffic issues in Castlegate Way, Woodvale by truncating the street at the northern end adjacent to the medical centre.</p> <p><b>RIS02713</b></p>	23 October 2012	Completed	<p><b><u>Update as at May 2013</u></b></p> <p>A report was presented to Council on 19 March 2013 (CJ033-03/13 refers).</p> <p><b><u>Update as at February 2013</u></b></p> <p>It is anticipated that a report will be presented to Council at its meeting to be held on 19 March 2013.</p> <p><b><u>Update as at December 2012</u></b></p> <p>It is anticipated that a report will be presented to Council at its meeting to be held on 19 March 2013.</p>

Petition details	Date of presentation to Council	Status	Comment
<p>A 101 signature petition requesting that the Council complete the Marri Park Play Ground Precinct by the installation of shade sails over the play equipment and BBQs to further enhance the area.</p> <p><b>RIS02774</b></p>	11 December 2012	Outstanding	<p><b><u>Update as at May 2013</u></b></p> <p>It is anticipated that a report will be presented to Council at its meeting to be held on 25 June 2013.</p> <p><b><u>Update as at February 2013</u></b></p> <p>It is anticipated that a report will be presented to Council at its meeting to be held on 16 April 2013.</p>
<p>A 41 signatutre petition requesting the removal of the 13 metre light poles installed within the small roundabout at the intersection of Iluka Avenue and Oceanside Promenade, Mullaloo.</p> <p><b>RIS02962</b></p>	19 March 2013	Outstanding	<p><b><u>Update as at May 2013</u></b></p> <p>The existing street lights on Oceanside Promenade have been maintained for the majority of the road upgrade works between Mullaloo Drive and Warren Way. To further enhance the traffic treatments for night time operations, four 12.5m streetlights were installed by Western Power within the central roundabout island at the intersection with Iluka Avenue in early January 2013.</p> <p>Upon review and at the City's request, Western Power removed two of the streetlight poles to reduce the number of structures within the central island. The two remaining streetlights are considered appropriate for the operation of the single lane roundabout and have been located outside potential roundabout vehicle conflict points and road clear zones for the 50km/h speed environment. With the focus on road safety, Western Power has also confirmed that the street light poles installed within the central island are classified as frangible and are designed to be impact absorbing.</p>

			The single Norfolk Island Pine has been planted within the central island to highlight the presence of the roundabout especially during night time operations and low visibility situations. The tree planting is consistent with many other roundabouts within the City and has previously been included as part of the Oceanside Promenade concept plan of May 2011. The Norfolk Island Pine is also considered the preferred species for the area and is consistent with similar tree species in Tom Simpson Park. The pine tree foliage is conical in shape and sparse in nature and when mature would limit any negative impact on residents' ocean views.
A 191 signature petition on behalf of residents of the City of Joondalup residents endorsing the application of the WASP Paramotor Club to be given access to suitable areas of the City of Joondalup's coastal land, so that they may safely participate in their sport. <b>RCS01552</b>	16 April 2013	Outstanding	<b><u>Update as at May 2013</u></b> Issue is currently being researched. It is anticipated that a report will be presented to Council at its meeting to be held on 20 August 2013.
A 475 signature petition on behalf of residents of the City of Joondalup with regard to providing 20 additional parking bays being developed on the Whitfords West Park area opposite the Whitford Shopping Centre and Whitfords Avenue Medical Centre. <b>RIS03078</b>	27 May 2013	Outstanding	<b><u>Update as at May 2013</u></b> It is anticipated that a report will be presented to Council at its meeting to be held on 24 September 2013.
A 21 signature petition on behalf of residents of the City of Joondalup with regard to permanently closing off access into Tyinga Crescent from the roundabout located at the north end of Tyinga Crescent and Grand Ocean Entrance, Burns Beach. - <b>RIS03079</b>	27 May 2013	Outstanding	<b><u>Update as at May 2013</u></b> It is anticipated that a report will be presented to Council at its meeting to be held on 8 October 2013.
