## SUMMARY OF TENDER SUBMISSIONS

Tenderer Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Estimated Contract Value*
		Capacity	Demonstrated Experience in Providing Similar Services	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community		
CQ & JM Dowsing Pty Ltd as Trustee for the Dowsing Family Trust T/As Dowsing Group	Yes	It was established in 1985 and currently has 55 employees. Its Submission included the company's organisational chart, details of 12 key personnel including their skills, qualifications and years of experience. Details of specialised equipment that will be used to undertake the works with brand and year of manufacture was supplied. Five contacts were nominated for any emergency requirements. The company has professional support team for OH&S, project management, finance and building management.  It operates with its own quality management system and has an OSH policy in place. Copies of its OSH policy and safety statistics (for the past two years) were provided.	It demonstrated extensive experience in providing services for numerous state and local government organisations. The company currently services 13 government contracts mainly for provision of concrete works within the Perth metropolitan area. Examples of works for 12 local governments including the Towns of Victoria Park and Cambridge and the Cities of South Perth, Belmont, Melville, Swan, Gosnells, Stirling, Kwinana, Cockburn, Rockingham and Wanneroo were supplied.	Dowsing Group demonstrated an understanding of the required tasks. The methodology addressed the scope of works, associated risks and concerns and timeframe. A capacity matrix is also being provided to indicate the company's capacity in earthworks, drainage, brick paving and reinstatement.	The company is located in Kewdale  It seeks to source supplies and labour from within the local community. The company has five employees residing within the City.	81%	\$2,422,493  * Assuming no change in historical usage
All requirements have been met.
