| Gecko Evolution Property Services Pty Ltd | Yes                        | It did not demonstrate any experience completing services of a similar nature and scale to the City's requirements. Three examples of work were supplied. Each was a single small location of an undisclosed business. No period and dates were provided. Insufficient information was supplied for references giving a first name, no business name, or email address and one mobile telephone was incomplete. | The business has been in operation for two years and has five staff. The structure of the organisation and specific skills and experience of the support team were not provided in adequate detail. Equipment was listed a Kaarcher brand only, no list of actual equipment was supplied. An after-hours contact was nominated. The business has three cleaners on call only. No information was provided on any safety policy or procedures. It stated that it has a folder of MSDS for chemicals and staff carry out JSAs. It has had no safety incidents since inception. | The statement provided did not address any work methodology or procedures. It only indicated that it would be likely to need to engage more cleaners and allocate them according to proximity to cleaning locations. | It stated that it would look into employing local people.<br><br>It is based in Barragup. | 1.76%             | 43.03%               | 44.8%       | \$1,548,233              | 16   |

| Value Clean<br>All requirements have been met. | Yes                        | The company demonstrated experience in performing cleaning services to variety of clients. The typical scope of work was supplied which can be applied to its current clients. The clients listed include five schools, eleven hospitality clients such as restaurants and taverns and nine IGA supermarket locations. While there were no local government clients, the cleaning services some had some element of similarity to the City's contract | The company has been in operation for 24 years. It has more than 200 cleaners. An organisational chart was supplied and supported by the role and experience of three key personnel. An adequate list of equipment was provided, with back-up in staff vehicles. Two after-hours contacts were provided. Any additional staff requirements can be sourced in-house. The company's safety policy was provided and it has not had a single lost time injury in the past five years. | No specific response was supplied to this criterion. A quality management plan was provided, but this did not address the specific work methodology that would be applied to the City's contract. | This criterion was not addressed.<br><br>It is based in Osborne Park. | 14.54%            | 23.65%               | 38.2%       | \$2,817,091              | 17   |
