<p>A 227 signature petition has been received from residents of the City of Joondalup opposing the location of a veterinary consulting room between two existing food outlets at the Sorrento Village Shopping Complex in Harman Road, Sorrento.</p> <p><b>RPC02722</b></p>	<p>17 August 2015</p>	<p>Complete</p>	<p><b><u>Update as at August 2015</u></b></p> <p>A change of land use from shop to 'Veterinary Hospital' and associated signage was approved under delegated authority on 22 June 2015 within tenancy 4 of the Seacrest Shopping Centre.</p> <p>The subject site is zoned 'Commercial' under the <i>City of Joondalup District Planning Scheme No. 2</i> and a 'Veterinary Hospital' is a permissible land use within this zone. The land use was assessed by the City and considered to fully comply with the requirements of the Scheme. The veterinary hospital will service the greater community and complies with the objectives of the 'Commercial' zone, which is to provide for a wide range of land uses including retailing, entertainment, professional offices, business services and residential. In addition sufficient car parking was provided across the site to accommodate the development and no external changes to the building were proposed (excluding signage). For these reasons the development was approved.</p> <p>The applicant, as a part of the application, addressed any potential noise from barking dogs, advising that all animals are proposed to be accommodated completely within the building and that the dog ward will be built with sound proof dry walling and solid brick walls to limit any possible noise pollution.</p> <p>In relation to the adjoining food businesses, all food businesses located within the City are required to comply with Standard 3.2.3 - Food Premises and Equipment of the Australia New Zealand Food Standards Code. The objective of this Standard is to ensure that the layout of the premises minimises opportunities for food contamination. A veterinary hospital located adjacent to a food business does not impact on existing food safety risks.</p>
