PURPOSE

For Council to establish a committee structure and appoint elected member representatives to those committees.

EXECUTIVE SUMMARY

In accordance with the *Local Government Act 1995* Council can establish committees to assist it with its decision-making functions and responsibilities. Following the biennial local government elections, it is usual practice for Council to appoint members to council-created committees.

At a recent workshop of elected members, it was suggested the committee structure that existed prior to the 2015 Local Government Elections be disbanded, and a new committee structure be established.

In view of this a structure of five committees is recommended and Council therefore is requested to establish an appropriate committee structure (with an appropriate role) and to make the necessary elected member appointments.

Council is also requested to call the first meeting of its new committees to:

- enable a Presiding Member and Deputy Presiding Member to be appointed
- establish meeting dates where necessary for the remainder of 2015 to determine matters prior to Council going into recess over the months of December and January
- establish meeting days, times and frequency for 2016.

BACKGROUND

At its meeting held on 12 December 2006 (CJ236-12/06 refers), Council introduced a rolling four-weekly meeting cycle, which enabled the fourth week to be used to hold additional information sessions, or for scheduling various committee meetings.

Council subsequently adopted a revised meeting cycle at its meeting held on 30 September 2008 (CJ196-09/08 refers), based on a monthly timeframe; that is each Tuesday was set aside for either a Strategy Session (first Tuesday), Briefing Session (second Tuesday) or Council meeting (third Tuesday). This allowed the fourth and fifth Tuesdays (when they occur) of the month to be available for various other non-standard meetings to be scheduled where required.

Over a number of years Council has established various committees, which all perform different functions in accordance with the role established for the particular committee. As at the 2015 Local Government Elections, Council had established the following committee structure:

- Art Collection and Advisory Committee (ACAC).
- Audit Committee.
- Capital Works Committee (CWC).
- Chief Executive Officer Performance Review Committee (CEOPRC).
- Joondalup Performing Arts and Cultural Facility – Steering Committee (JPACF Steering Committee).
- Ocean Reef Marina Committee (ORMC).
- Office Development Committee (ODC).
- Policy Committee.
- Strategic Financial Management Committee (SFMC).

The committee structure prior to the 2015 Local Government Elections required some committees to meet on a regular basis (such as the Capital Works Committee); some meeting at times where critical decisions are required to be made (such as the Audit Committee); or where projects evolve to a certain point of delivery (such as the Ocean Reef Marina Committee).

It has been a normal principle at the City that whenever a committee is formed, that an elected member representative from each of the City's six wards, plus the Mayor, is a member on a respective committee. Under the *Local Government Act 1995* the Mayor is entitled to be on a committee (where there is elected member representation and the Mayor so desires to be on the committee) and each Councillor is entitled to be on at least one committee.

Following a workshop of elected members, it was suggested that the committee structure be reviewed with a view of reducing the number of committees and streamlining their activities and role.

DETAILS

In view of the workshop held with elected members, the following five committees are suggested to be established with associated role and membership:

Finance Committee

Role

The role of the Finance Committee is to:

- oversee the progress of the City's annual capital works program and review of the City's *Five Year Capital Works Program*
- make recommendations to Council on modifications of capital works projects outside those projects of the Major Projects Committee
- make recommendations to Council on the services to be provided by the City and the standards of service delivery being cognisant of industry best practice
- oversee the City's financial management activities, funding proposals and long term strategic financial planning
- make recommendations to Council on reviews and impacts on the City's *20 Year Strategic Financial Plan*.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

Policy Committee

Role

The role of the Policy Committee is to:

- make recommendations to Council on the development and review of the City's policies and overall policy framework
- develop and maintain a visual art collection of significance and repute that reflects the cultural aspirations of the City of Joondalup and its expressed goals and policies
- collect works of visual art of demonstrable excellence by artists of significance, consistent with the perceived developments in West Australian contemporary art
- collect and commission selectively works of art which enhance the existing Collection and which foster an understanding, enjoyment and appreciation of the visual arts among the broader community and members of the general public
- review the criteria established to determine award winners
- oversee the strategic direction of the City's Art Award events, Visual Art Collection and Visual Art Programs.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

Major Projects Committee

Role

The role of the Major Projects Committee is to:

- oversee the progress of the Ocean Reef Marina, the Joondalup City Centre Office Development, the Joondalup Performing Arts and Cultural Facility and other major strategic capital projects as identified from time to time
- make recommendations to Council on various elements of the projects within the role of the Major Projects Committee, including but not limited to:
 - project scope
 - design elements and core project components
 - development models and financial structures
 - on-going management and utilisation models.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

Audit Committee

Role

The role of the Audit Committee is to provide guidance and assistance to Council as to:

- the carrying out of functions in relation to audits under the *Local Government Act 1995*
- the development of a process used to select and appoint a person to be the City's auditor
- matters to be audited and the scope of audits
- the carrying out of functions relating to other audits and other matters related to financial management
- the review, the appropriateness and effectiveness of the City's systems and procedures in relation to:
 - risk management
 - internal control
 - legislative compliance
 - internal and external audit reporting.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

Chief Executive Officer Performance Review Committee

Role

The role of the Chief Executive Officer Performance Review Committee is to:

- review the Chief Executive Officer's performance in accordance with the appropriate provisions contained within the Chief Executive Officer's Employment Contract
- prepare and table the concluded report, in accordance with the appropriate provisions within the Chief Executive Officer's Employment Contract to Council
- review the Chief Executive Officer's performance on an on-going basis as and when deemed necessary in accordance with the appropriate provisions contained within the Chief Executive Officer's Employment contract
- review the Key Performance Indicators to be met by the Chief Executive Officer
- review the Chief Executive Officer's remuneration package, in accordance with the appropriate provisions within the Chief Executive Officer's Employment Contract
- review the Chief Executive Officer's Employment Contract and make recommendations to Council in relation to varying the contract as and when necessary.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

Issues and options considered

Council can either:

- establish the committee structure as recommended
- amend the committee structure as recommended
or
- not establish the committee structure as recommended.

At the workshop of elected members, it was suggested that the function and role of both the Audit Committee and the Chief Executive Officer Performance Review Committee could be amalgamated into one committee (thereby reducing the recommended number of committees down from five to four).

In accordance with good governance principles and philosophies, it is considered appropriate that both the Audit Committee and the Chief Executive Officer Performance Review Committee remain as separate committees within any committee structure, due to their specific role and activities; legislative and contractual requirements; and general oversight function and program of works.

COMMENT

Some committees with the previous committee structure prior to the 2015 Local Government Elections had a range of external stakeholders as members. However there are alternative mechanisms outside of a formal committee structure (such as the establishment of project specific reference groups) that can be formed from time to time by Council to gain input and comment from stakeholders as the need arises.

The wording of the roles for the new committees has not changed the intent of the role wording that existed under the City's old committee structure. The intent of those old roles has been incorporated into the new roles, being cognisant of modern drafting standards.

Further to the establishment of the committees, it is recommended that a special meeting of each committee is called immediately after the Special Council meeting to elect a Presiding Member and Deputy Presiding Member, as well as to consider setting meeting dates for each committee.

Some committees will be required to meet and consider matters prior to Council going into recess. In addition, all committees will be requested to consider setting meeting dates for 2016, being cognisant of Council's preferred monthly meeting cycle. This will assist with forward planning for all Elected Members, management and staff and ensure synergy between committee and Council meeting dates.

AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.	

PURPOSE

For Council to appoint representatives to various external committees and boards where the City has representation.

EXECUTIVE SUMMARY

Following the biennial local government elections it is usual practice for Council to appoint representatives to various Council-created groups and panels, as well as other external committees or boards where the City has representation.

Council is therefore requested to make the necessary appointments as listed in the recommendation to this report.

BACKGROUND

Over a number of years Council has created a range of reference group and other panels (such as the Strategic Community Reference Group and the Joondalup Design Reference Panel) to assist it with its operations as well as technical and stakeholder reporting to City officers. Council also nominates representatives to other committees/boards created by external organisations.

At its meeting held on 26 June 2012 (CJ112-06/12 refers), Council resolved to disband the City's working groups and community forums and establish a Strategic Community Reference Group to provide advice to Council on matters of significant community interest and strategic initiatives. Council at its meeting held on 21 August 2012 (CJ156-08/12 refers) made various appointments to the group following an expression of interest process throughout the community.

Council at its special meeting held on 5 November 2013 (JSC06-11/13 refers) re-appointed existing community members to the group with the exception of the North Ward, where nominations were sought from the community for a vacant position.

At its Special Meeting held on 20 October 2015 (JSC01-10/15 refers), Council appointed representatives to the Mindarie Regional Council, Tamala Park Regional Council and the Western Australian Local Government Association North Metropolitan Zone.

Furthermore the Western Australian State Parliament enacted legislation that introduced Development Assessment Panels which are the decision-making body for a certain type, class and/or value of planning applications the City receives from time to time. Development Assessment Panels consist of three specialist independent members and two elected members from the City with all membership appointments made by the Minister for Planning.

At its meeting held on 17 February 2015 (CJ010-02/15 refers), Council nominated Crs Chester and Gobbert to represent the City of Joondalup on the North-West Metropolitan Joint Development Assessment Panel, with Cr Taylor being nominated as first alternate member and Cr Hamilton-Prime as second alternate member. These appointments remain in force until 26 April 2017.

DETAILS

Outside of the Council-created committees that are considered within a separate report, Council currently has two reference groups and a design reference panel. The City also has representation on two Regional Councils and 11 external committees or boards. Information on the roles of these committees and boards and their membership as at the time of the local government elections held on 17 October 2015 is provided in Attachment 1.

Some relevant considerations in relation to some committees, panels and groups is detailed below.

Joondalup Design Reference Panel

The Council endorsed the establishment of a Joondalup Design Advisory Panel (JDRP) at its meeting held on 30 September 2008 (CJ213-09/08 refers), now renamed to the Joondalup Design Reference Panel. Panel members were appointed for a two year period and have traditionally consisted of members from relevant professional institutions representing:

- architecture
- urban design planning
- town planning
- landscape architecture.

The panel has been instrumental in providing design advice to applicants, support to the City officers in their assessment of applications, support to staff in their negotiation with applicants to make changes to proposals and information to Council to assist in determining development proposals.

In order to avoid delays in the processing of major development applications for the City, Council re-appointed existing panel members from the professional institutions to the panel positions at its Special meeting held on 5 November 2013 (JSC06-11/13 refers).

The existing panel members have individually and collectively been instrumental in adding value to the application assessment and determination process. The City has been pleased with the performance of all members and sees no need in changing membership.

It is recommended that the City not go through the process of calling for nominations from relevant professional institutions but should instead look at re-appointing existing panel members from the professional institutions to the panel positions.

In addition, on 1 July 2011, the State's Development Assessment Panels (DAPs) commenced operation throughout Western Australia. DAPs are responsible for determining development applications where the likely cost of the development exceeds a specified dollar value. For the City of Joondalup, any proposal over \$10 million in value will be determined by the DAP. An applicant may also elect for a development with a value of between \$2 million and \$10 million to be determined by the DAP.

DAP applications need to be assessed, consulted on (where necessary) and reported to the DAP within tight statutory timeframes. These timeframes do not allow for assessment by the JDRP. It is also considered that, because the membership of the DAP includes three independent and specialist members, any referral to the JDRP would simply be a duplication of process.

At its meeting held on 24 June 2014 (CJ084-06/14 refers), Council resolved to change the terms of reference of the Design Reference Panel and is detailed in Attachment 2 to this Report.

Strategic Community Reference Group

At its meeting held on 26 June 2012 (CJ112-06/12 refers), Council considered options for future engagement with the community in reviewing the existing working group and community forum formats.

The Council supported the establishment of a Strategic Community Reference Group (SCRG) with the objective of providing advice to the Council on:

- matters of significant community interest
- strategic initiatives, as determined by Council.

The format of the group was to include:

- Council appointed community representatives from each Ward who were subject to a nomination process addressing their experience in strategic planning and decision-making
- up to four elected members one of whom acts as a Presiding Member.
- up to four temporary-appointed professionals to provide expert advice and information on specific matters as required.

Since its inception, the SCRG has provided the Council with advice on the following strategic matters:

- *Community Safety and Crime Prevention Plan.*
- *Environment Plan.*
- *Draft Waste Management Plan.*
- *Draft Bike Plan.*

The Community Members of the SCRG, up until October 2015 were as follows:

- North Ward Mrs Penny Gilpin
- North-Central Ward Mr Wes Buzza
- Central Ward Mr Bryan Saunders
- South-West Ward Mr Brian Yearwood
- South-East Ward Dr Zarrin Siddiqui
- South Ward Dr Susan King

In accordance with the Terms of Reference for the SCRG, the terms for members concluded in October in line with the ordinary Council election cycle. Community members were advised of this in September 2015 and were also advised that Council would consider the re-establishment of the SCRG and membership composition following the local government elections on 17 October 2015.

Members were invited to advise the City by 23 October 2015 whether they would remain as a ward representative on the group should Council resolve that the current membership be invited to continue for a further two years, until October 2017. Mr Bryan Saunders (Central Ward), Mr Wes Buzza (North Central Ward), Dr Susan King (South Ward), Mrs Penny Gilpin (North Ward) and Mr Brian Yearwood (South-West Ward) have advised that they would continue on the group if Council resolved as such.

However with the adjustment of the City's ward boundaries between the North and North Central Ward from the 2015 Local Government Elections (with the transfer of the suburb of Connolly from the North Ward to the North Central Ward), Mrs Penny Gilpin will no longer be able to represent the North Ward as she no longer resides in the North Ward.

In view of this, it is recommended that Council:

- endorse the current Terms of Reference of the Strategic Community Reference Group
- re-appoint the community representatives for the North-Central Ward, Central Ward, South Ward and South-West Ward.
- authorise the Chief Executive Officer to seek nominations to fill the vacant community representative positions for the North Ward and South-East Ward.

North-West Metropolitan Joint Development Assessment Panel (JDAP)

From 1 July 2011, 15 Development Assessment Panels (DAPs) commenced operation throughout Western Australia.

DAPs are responsible for determining development applications where the likely cost of the development exceeds a specified dollar value. For the City of Joondalup, any proposal over \$10 million in value would be determined by the JDAP (mandatory DAP application). An applicant may also elect for a development with a value of between \$2 million and \$10 million to be determined by the JDAP (opt-in DAP application).

The JDAP consists of the following members:

- Three members with specialist knowledge in the areas of town planning, architecture, or other related disciplines.
- Two Elected Members from the City of Joondalup, who sit on the panel for applications relating to the City of Joondalup only.

At its meeting held on 17 February 2015 (CJ010-02/15 refers), Council nominated Crs Chester and Gobbert to represent the City of Joondalup on the North-West Metropolitan Joint Development Assessment Panel, with Cr Taylor being nominated as first alternate member and Cr Hamilton-Prime as second alternate member. All appointments are made by the Minister for Planning and these appointments remain in force until 26 April 2017.
