<p>A 144 signature petition on behalf of the resident of the City of Joondalup requesting Council does not proceed with the refurbishment of Prince Regent Park to allow this to become the home ground of Joondalup United Football Club. <p>A 64 signature petition has been received from residents of the City of Joondalup requesting that Council reconsider the planning approval of the 21 Apartments in Multi-Use Residential, Lots 82, 83 and 84 Beach Road, Duncraig in light of its failure to meet design principles of R-Codes; specifically for parking spaces building height, lot sizes, wall lengths, boundary setbacks, dwelling size and landscaping. It should be noted that similar apartment complexes with less R-Code issues were recently deferred and rejected in Craigie and Edgewater, respectively. We demand that any similar developments that are proposed in Duncraig South are treated with the same vigorous vetting standards and rejected when found wanting.</p>	<p>21 November 2017</p>	<p>Completed</p>	<p><b><u>Update as at November 2017</u></b></p> <p>A development application for 21 multiple dwellings at Lots 82, 83 and 84 Beach Road, Duncraig was approved by the Metro North-West Joint Development Assessment Panel (JDAP) on 1 September 2017. The City of Joondalup was not the decision maker and therefore has no ability to reconsider the decision.</p> <p>During assessment of the application, it was determined that the development met all relevant requirements of the Residential Design Codes (R-Codes), <i>District Planning Scheme No. 2</i> and the <i>Residential Development Local Planning Policy</i> (RDLPP). The minor areas of discretion sought were considered to satisfy the relevant design principles of the R-Codes and/or the local housing objectives of the RDLPP.</p> <p>Any future development applications for multiple dwelling developments in Duncraig or in other areas within the City will be considered against the relevant planning framework and determined accordingly by the relevant decision maker.</p>

Vehicles regularly speed along this short section of dual carriageway (one of few opportunities to overtake along the coast road) which makes crossing the road by pedestrians a frightening experience.</p> <p><b>RCP00020 (Infrastructure Services)</b></p>	<p>21 November 2017</p>	<p>Completed</p>	<p><b><u>Update as at November 2017</u></b></p> <p>As Main Roads WA is responsible for designating speed limits on roads a request will be made to that agency to consider the request.</p>
