

SCHEDULE OF ITEMS

Item	Description	UOM
Supply and Delivery of Load 3.4 m³ Minimum		
1	25 MPa / 14 mm maximum aggregate size	m ³
2	25 MPa / 20 mm maximum aggregate size	m ³
3	Kerb mix (32 MPa / 7 mm - 10 mm aggregate size)	m ³
4	Additional cost for the rapid hardening additive (half)	m ³
5	Additional cost for the rapid hardening additive (full)	m ³
6	Cream coloured concrete 'cockburn crème' 25 MPa / 14 mm maximum aggregate size	m ³
7	Cream coloured concrete 'cockburn crème' 25 MPa / 20 mm maximum aggregate size	m ³
8	General Portland (GP) cement additive to mix	m ³
Supply and Delivery of Load less than 3.4 m³		
9	25 MPa / 14 mm maximum aggregate size	m ³
10	25 MPa / 20 mm maximum aggregate size	m ³
11	Kerb mix (32 MPa / 7 mm - 10 mm aggregate size)	m ³
12	Additional cost for the rapid hardening additive (half)	m ³
13	Additional cost for the rapid hardening additive (full)	m ³
14	Cream coloured concrete 'cockburn crème' 25 MPa / 14 mm maximum aggregate size	m ³
15	Cream coloured concrete 'cockburn crème' 25 MPa / 20 mm maximum aggregate size	m ³
16	General Portland (GP) cement additive to mix	m ³
Miscellaneous		
17	Standing Time	30 min

SUMMARY OF TENDER SUBMISSIONS

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Estimated Contract Value	Rank
		Capacity	Demonstrated experience in providing similar services	Demonstrated understanding of the required tasks	Social and economic effects on the local community			
<p>The Trustee for Ransberg Unit Trust trading as WA Premix</p> <p>All requirements have been met.</p>	Yes	<p>It is a subsidiary of WA Limestone that has been operating under the same management for forty years. It currently has over 35 employees. An organisation structure and details of key personnel including their years of industry experience were provided. It operates a fleet of 35 trucks and can usually be contacted afterhours. The ability to provide additional personnel and resources were not addressed. It has a quality management system accredited to ISO9001 and a safety policy in place. Copies of its safety policy and statistics were provided.</p>	<p>It demonstrated experience in providing similar services to private and public organisations. Examples of works included the City of Cockburn (completed 10 years supply of pre-mix concrete to footpath and kerbing and is the incumbent supplier) and Formstruct (concrete supply to large commercial and residential developments). Various referee contacts were provided and these included Doric Group, Pindan Pty Ltd, Mecon Constructions Pty Ltd and Portform Construction, though details of the services provided to these organisations were not supplied.</p>	<p>It demonstrated an understanding of the required tasks. It proposed a minimum 24 hour notice for delivery which meets the City's specified timeframe. However, it also stated that in most instances it may be able to provide same day delivery, if required.</p>	<p>Its head office and workshop is located in Bibra Lake. It has a new concrete plant in Neerabup and construction of another plant is commencing soon in Bayswater. It did not submit a response.</p>	57.8%	\$407,200 (assuming no change in historical usage)	1

<p>Holcim (Australia) Pty Ltd</p> <p>All requirements have not been met. It proposed amendments to the conditions of Contract.</p>	No	<p>It has been operating since 1901. It employs over 2,900 staff Australia wide. An organisation chart was not provided. Details of key personnel including their role and years of industry experience were supplied. It indicated the company is well equipped with a fleet of over 80 trucks. However, after-hours contacts and the ability to provide additional personnel and resources were not addressed. has a quality management system accredited to ISO9001 and a safety policy in place. Copies of its safety policy and statistics were provided.</p>	<p>It supplies over 40,000 m³ of concrete to minor civil works such as kerbing and footpath placement annually. The company has also been involved in many major projects in Perth including Northlink WA, Gateway WA, Elizabeth Quay, Crown Towers, Perth Busport, Graham Farmer Freeway and the Raine Square Development. It has in the past successfully supplied concrete to the Cities of South Perth, Melville, Nedlands and Joondalup. Referee contacts were not provided.</p>	<p>It submitted a brief response to demonstrate its understanding of the City's requirements. It merely stated the company has in the past supplied concrete to a number of local governments in WA including the City. Also, it proposed a minimum five business days' delivery time which does not meet the City's required timeframe (24 hours' notice) for delivery.</p>	<p>Its WA office is located in East Perth. It operates a sand quarry in Jandabup. It has two concrete plants in Gnangara and Wanneroo and employs over 20 local residents. It supports local contractors.</p>	57.5%	\$407,328 (assuming no change in historical usage)	2
