ATTACHMENT	Attachment 1 2016 and 2017 Committee Meeting Comparisons
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to establish a committee structure and appoint elected member representatives to those committees.

EXECUTIVE SUMMARY

In accordance with the *Local Government Act 1995* Council can establish committees to assist it with its decision-making functions and responsibilities. Following the biennial local government elections, it is usual practice for Council to appoint members to council-created committees.

Council is also requested to call the first meeting of its new committees to:

- enable a Presiding Member and Deputy Presiding Member to be appointed
- establish meeting dates where necessary for the remainder of 2017 to determine matters prior to Council going into recess over the months of December and January
- establish meeting days, times and frequency for 2018.

BACKGROUND

At its meeting held on 12 December 2006 (CJ236-12/06 refers), Council introduced a rolling four-weekly meeting cycle, which enabled the fourth week to be used to hold additional information sessions, or for scheduling various committee meetings.

Council subsequently adopted a revised meeting cycle at its meeting held on 30 September 2008 (CJ196-09/08 refers), based on a monthly timeframe; that is each Tuesday was set aside for either a Strategy Session (first Tuesday), Briefing Session (second Tuesday) or Council meeting (third Tuesday).

This allowed the fourth and fifth Tuesdays (when they occur) of the month to be available for various other non-standard meetings to be scheduled where required.

It has been a normal principle at the City that whenever a committee is formed, that an elected member representative from each of the City's six wards, plus the Mayor, is a member on a respective committee. Under the *Local Government Act 1995* the Mayor is entitled to be on a committee (where there is Elected Member representation and the Mayor so desires to be on the committee) and each Councillor is entitled to be on at least one committee.

DETAILS

The following five committees were established following the 2015 local government elections with associated role and membership:

Finance Committee

Role

The role of the Finance Committee is to:

- oversee the progress of the City's annual capital works program and review of the City's *Five Year Capital Works Program*
- make recommendations to Council on modifications of capital works projects outside those projects of the Major Projects Committee
- make recommendations to Council on the services to be provided by the City and the standards of service delivery being cognisant of industry best practice
- oversee the City's financial management activities, funding proposals and long term strategic financial planning
- make recommendations to Council on reviews and impacts on the City's *20 Year Strategic Financial Plan*.

- develop and maintain a visual art collection of significance and repute that reflects the cultural aspirations of the City of Joondalup and its expressed goals and policies
- collect works of visual art of demonstrable excellence by artists of significance, consistent with the perceived developments in West Australian contemporary art
- collect and commission selectively works of art which enhance the existing Collection and which foster an understanding, enjoyment and appreciation of the visual arts among the broader community and members of the general public
- review the criteria established to determine award winners
- oversee the strategic direction of the City's Art Award events, Visual Art Collection and Visual Art Programs.

 - project scope
 - design elements and core project components
 - development models and financial structures
 - on-going management and utilisation models.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

Audit Committee

Role

The role of the Audit Committee is to provide guidance and assistance to Council as to:

- the carrying out of functions in relation to audits under the *Local Government Act 1995*
- the development of a process used to select and appoint a person to be the City's auditor
- matters to be audited and the scope of audits
- the carrying out of functions relating to other audits and other matters related to financial management

Attachment 1 illustrates the following metrics associated with committee meetings during 2016 and 2017 to date:

- number of meetings
- duration of meetings
- number of items considered.

Proposed Changes to Committee structure

Further to recent legislative changes and in order to streamline committee meetings, a number of changes to the committee structure are suggested.

It is recommended that the Audit Committee now be known as the Audit and Risk Committee to better reflect that the committee will not only consider audit matters, but also risk issues that may impact on the City.

The role of the renamed committee will remain the same as the previous Audit Committee.

It is also recommended the previous Finance and Major Projects Committees be merged into one committee, to be named the Major Projects and Finance Committee. This change is recommended on the basis that items previously dealt with by the Major Projects Committee will not require as regular reporting due to the maturity or current position of various projects, as well as to reduce the time commitment of Elected Members in attending committee meetings.

It is recommended the role of the new Major Projects and Finance Committee will be to:

- oversee the progress of the City's annual capital works program and review of the City's *Five Year Capital Works Program*
- make recommendations to Council on modifications of capital works projects and major strategic capital projects
- make recommendations to Council on various elements of major strategic capital projects (such as the Ocean Reef Marina, City Centre Office Development and Joondalup Performing Arts and Cultural Facility), including but not limited to:
 - project scope
 - design elements and core project components
 - development models and financial structures
 - on-going management and utilisation models
- make recommendations to Council on the services to be provided by the City and the standards of service delivery being cognisant of industry best practice
- oversee the City's financial management activities, funding proposals and long-term strategic financial planning
- make recommendations to Council on reviews and impacts on the City's *20 Year Strategic Financial Plan*.

Issues and options considered

Council can either:

- establish the committee structure as recommended
- amend the committee structure as recommended
- or
- not establish the committee structure as recommended.

COMMENT

Further to the establishment of the committees, it is recommended that a special meeting of each committee is called immediately after the Special Council meeting to elect a Presiding Member and Deputy Presiding Member, as well as to consider setting meeting dates for each committee.

Some committees will be required to meet and consider matters prior to Council going into recess. In addition, all committees will be requested to consider setting meeting dates for 2018, being cognisant of Council's preferred monthly meeting cycle. This will assist with forward planning for all Elected Members, management and staff and ensure synergy between committee and Council meeting dates.

JSC04-11/17 APPOINTMENT OF REPRESENTATIVES TO EXTERNAL COMMITTEES AND BOARDS AND INTERNAL GROUPS AND PANELS

WARD	All
RESPONSIBLE DIRECTOR	Mr Jamie Parry Governance and Strategy
FILE NUMBER	02153, 101515
ATTACHMENTS	Attachment 1 Role of external committees and boards Attachment 2 Joondalup Design Reference Panel Terms of Reference Attachment 3 Strategic Community Reference Group Terms of Reference
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to appoint representatives to various external committees and boards where the City has representation.

EXECUTIVE SUMMARY

Following the biennial local government elections it is usual practice for Council to appoint representatives to various Council-created groups and panels, as well as other external committees or boards where the City has representation.

Council is therefore requested to make the necessary appointments as listed in the recommendation to this report.

BACKGROUND

Over a number of years Council has created a range of reference group and other panels (such as the Strategic Community Reference Group and the Joondalup Design Reference Panel) to assist it with its operations as well as technical and stakeholder reporting to City officers. Council also nominates representatives to other committees/boards created by external organisations.

At its meeting held on 26 June 2012 (CJ112-06/12 refers), Council resolved to disband the City's working groups and community forums and establish a Strategic Community Reference Group to provide advice to Council on matters of significant community interest and strategic initiatives. At its meeting held on 21 August 2012 (CJ156-08/12 refers), Council made various appointments to the group following an expression of interest process throughout the community. Appointments of community members from each ward of the City has been undertaken following the local government elections of 2013 and 2015.

At its Special Meeting held on 24 October 2017 (JSC02-10/17 refers), Council appointed representatives to the Mindarie Regional Council, Tamala Park Regional Council and the Western Australian Local Government Association North Metropolitan Zone.

The Western Australian State Parliament enacted legislation that introduced Development Assessment Panels which are the decision-making body for a certain type, class and/or value of planning applications the City receives from time to time. Development Assessment Panels consist of three specialist independent members and two elected members from the City with all membership appointments made by the Minister for Planning.

At its meeting held on 21 February 2017 (CJ006-02/17 refers), Council nominated Crs Hamilton-Prime and Taylor to represent the City of Joondalup on the North-West Metropolitan Joint Development Assessment Panel, with Cr Dwyer being nominated as first alternate member and Cr Jones as second alternate member. All appointments are made by the Minister for Planning and these appointments remain in force until 26 April 2020.

DETAILS

Outside of the Council-created committees that are considered within a separate report, Council currently has two reference groups and a design reference panel. The City also has representation on two Regional Councils and 11 external committees or boards. Information on the roles of these committees and boards and their membership as at the time of the local government elections held on 21 October 2017 is provided in Attachment 1.

Some relevant considerations in relation to some committees, panels and groups is detailed below.

Joondalup Design Reference Panel

Council endorsed the establishment of a Joondalup Design Advisory Panel (JDRP) at its meeting held on 30 September 2008 (CJ213-09/08 refers), now renamed to the Joondalup Design Reference Panel. Panel members are appointed for a two year period and have traditionally consisted of members from relevant professional institutions representing:

- architecture
- urban design planning
- town planning
- landscape architecture.

The panel has been instrumental in providing design advice to applicants, support to the City officers in their assessment of applications, support to staff in their negotiation with applicants to make changes to proposals and information to Council to assist in determining development proposals.

The existing panel members have individually and collectively been instrumental in adding value to the application assessment and determination process.

However, the Planning Institute of Australia (PIA) current deputy member, Ms Jane Bennett has now assumed the role of member; necessitating the appointment of a new deputy member.

An Expression of Interest has been received from Mr Chris Melsom for the position of deputy member on behalf of the Planning Institute of Australia. Chris Melsom is a qualified architect, planner, urban designer and strategist with 30 years experience encompassing private practice, state and local government; both in Australia and internationally.

Currently Mr Melsom is a senior practice leader with an international, multi-disciplinary practice. This involves leading and advising clients on complex, large scale commercial and mixed use projects from the initial strategic planning through site concept planning, planning framework development, business cases, design, obtaining approvals through to on-site delivery.

Mr Melsom has vast experience, mainly focussing on:

- large scale urban renewal projects
- concept planning and design for urban infill sites
- delivery of complex urban projects
- planning and designing the interface between various land use types and scales of community including industry, ports and surrounding urban communities
- landscape and architectural masterplanning.

Due to the unavailability of the current member and deputy member from the Australian Institute of Landscape Architects (AILA), advertising has been undertaken seeking nominations for these positions.

As a result of advertising a nomination has been received from Mr Robin Burnage. Mr Burnage is a full member of the AILA and a qualified landscape architect with 20 years experience in the profession, both internationally and locally. In addition, Mr Burnage is a qualified civil engineer.

Mr Burnage has been involved in a wide range of landscape and urban design projects ranging from large new subdivisions, being responsible for the management and expenditure of budgets up to \$50 million, to urban regeneration and environment improvement projects in Perth and surrounding regions.

It is recommended that Mr Burnage be appointed to the position of member – Australian Institute of Landscape Architects.

As outlined above, panel members are appointed for a two year period. Notwithstanding, the impending introduction of 'Design WA' may require a review of the JDRP prior to the culmination of the two year appointment.

The 'Design WA' suite of documents released by the State Government incorporates a 'Design Review Guide' which sets out guidelines for the establishment of design review panels and seeks to ensure consistency for panels of this nature across local governments.

A report was presented to Council at its meeting held on 21 February 2017 (CJ005-02/17 refers) which highlighted some key differences between the City's current JDRP and the proposed Design Review Guide.

The most recent advice from the Department of Planning, Lands and Heritage (DoPLH) indicates that the Design WA suite of documents will be implemented in the first quarter of the 2018 calendar. If this results, the City will need to review the current JDRP, including its Terms of Reference and panel composition to determine whether changes to the structure are required. If changes are recommended, this may result in a shorter appointment timeframe for the proposed panel, or may required the proposed panel members to re-nominate. In view of this the appointment of a deputy member for the Australian Institute of Landscape Architects is not recommended at this time and will remain vacant.

In addition, on 1 July 2011, the State's Development Assessment Panels (DAPs) commenced operation throughout Western Australia. DAPs are responsible for determining development applications where the likely cost of the development exceeds a specified dollar value. For the City of Joondalup, any proposal over \$10 million in value will be determined by the DAP. An applicant may also elect for a development with a value of between \$2 million and \$10 million to be determined by the DAP.

DAP applications need to be assessed, consulted on (where necessary) and reported to the DAP within tight statutory timeframes. These timeframes do not allow for assessment by the JDRP. It is also considered that, because the membership of the DAP includes three independent and specialist members, any referral to the JDRP would simply be a duplication of process.

At its meeting held on 24 June 2014 (CJ084-06/14 refers), Council resolved to change the terms of reference of the Design Reference Panel and is detailed in Attachment 2 to Report JSC04-11/17.

North West District Planning Committee

The North West District Planning Committee was established in accordance with the provisions of the *Planning and Development Act 2005*. At its meeting held on 25 August 2009, the Western Australian Planning Commission resolved that the North West District Planning Committee would become an advisory committee with meetings scheduled at the discretion and direction of the Western Australian Planning Commission. The committee has not met since 2009 and currently has no scheduled meetings.

Perth Region NRM – Local Government Reference Group

This group is no longer in existence, having last met in 2011.

Strategic Community Reference Group

At its meeting held on 26 June 2012 (CJ112-06/12 refers), Council considered options for future engagement with the community in reviewing the existing Working Group and Community Forum formats. As an alternative option, Council supported the establishment of a Strategic Community Reference Group (SCRG) with the objective of providing advice to Council on:

- matters of significant community interest
- strategic initiatives, as determined by Council.

At its meeting held on 5 November 2013 (JSC06-11/13 refers), Council adopted the following format for the SCRG:

- Council appointed community representatives from each Ward who were subject to a nomination process addressing their experience in strategic planning and decision-making.
- Up to four elected members, one of whom acts as a Presiding Member.
- Up to four temporary-appointed professionals to provide expert advice and information on specific matters as required.

Since its inception, the SCRG has provided Council with advice on the following strategic matters:

- Review of the City's *Community Safety and Crime Prevention Plan*.
- Review of the City's *Environment Plan*.
- Review of the City's *Community Development Plan*.
- Review of the City's *Waste Management Plan*.
- Review of the City's *Bike Plan*.
- Options for *Volunteer Recognition Program*.
- Major review of the City's *Strategic Community Plan – Joondalup 2022*.
- Review of the City's *Community Engagement and Communication Practices*.
- Options for the development of a *Community Leaders Program*.

The Community Members of the SCRG, up until October 2017 were as follows:

- North Ward Mr Adrian Hill.
- North Central Ward Mr Wes Buzza.
- Central Ward Mr Bryan Saunders.
- South-West Ward Mr Brian Yearwood.
- South-East Ward Ms Sonia Makoare.
- South Ward Dr Susan King.

In accordance with the SCRG Terms of Reference, the terms for community members concluded in October 2017 in line with the ordinary local government election cycle. Community members were advised of the conclusion of their current term in October 2017 and were also informed that Council would consider the re-establishment of the SCRG and membership composition following the local government elections held on 21 October 2017.

In view of this, it is recommended that Council:

- endorses the current Terms of Reference of the Strategic community Reference Group
- authorises the Chief Executive Officer to seek nominations to fill the vacant community representative positions for all wards.

North-West Metropolitan Joint Development Assessment Panel (JDAP)

From 1 July 2011, 15 Development Assessment Panels (DAPs) commenced operation throughout Western Australia.

DAPs are responsible for determining development applications where the likely cost of the development exceeds a specified dollar value. For the City of Joondalup, any proposal over \$10 million in value would be determined by the JDAP (mandatory DAP application). An applicant may also elect for a development with a value of between \$2 million and \$10 million to be determined by the JDAP (opt-in DAP application).

The JDAP consists of the following members:

- Three members with specialist knowledge in the areas of town planning, architecture, or other related disciplines.
- Two Elected Members from the City of Joondalup, who sit on the panel for applications relating to the City of Joondalup only.

At its meeting held on 21 February 2017 (CJ006-02/17 refers), Council nominated Crs Hamilton-Prime and Taylor to represent the City of Joondalup on the North-West Metropolitan Joint Development Assessment Panel, with Cr Dwyer being nominated as first alternate member and Cr Jones as second alternate member. All appointments are made by the Minister for Planning and these appointments remain in force until 26 April 2020.
