Wangara Greens Recycling Facility – Mulch Voucher

FREE MULCH

Valid while stocks last

One cubic metre or standard
6x4 box trailer load

Collect from Wangara
Greens Recycling Facility

Mulching your garden lowers
evaporation and saves water.

HEALTH WARNING

Garden mulch contains
**micro-organisms that may be
harmful to your health.**

Always wear gloves and wash your
hands afterwards. Keep mulch damp
while in use and avoid inhaling the mix.

Wangara Greens Recycling Facility

70 Motivation Drive, Wangara WA 6065

Each of the attached entry vouchers covers one standard entry for a car and trailer or a car with up to 500kg of clean greens.

A tonnage fee will be charged for additional clean greens.

Open 8.00am – 4.45pm weekends and public holidays only.

Closed Christmas Day, New Years Day and Good Friday.

Cash only.

Clean greens are:

- Small prunings
- Grass clippings
- Branches up to 1.5m long

No other materials will be accepted.

Contaminated loads consisting of sand, rocks and bricks will not be accepted.

See the City's website for full list of non-acceptable material.

Not valid at Tamala Park. Not for resale.

Your annual rates go towards a weekly collection of household waste, a fortnightly recycling service, to operate the WRC greens recycling service and bulk verge refuse/greens collection service.

Greenwaste tipping vouchers (see reverse)

The Greens Recycling Facility in Wangara processes clean loads of tree prunings and clean greenwaste. Without a free tipping voucher the cost is \$30.00 per trailer load (6x4).

Mulch (Free mulch voucher – see reverse)

A limited supply of free mulch is provided by the City of Wanneroo and is distributed on a first come first served basis. Alternatively mulch (recycled garden greenwaste) can be purchased from the Greens Recycling Facility at a cost of \$28.00 per cubic metre (approx 6x4 box trailer load). Call **9400 4255** to check supplies.

Recycling collections

The City offers each household a fortnightly yellow lid recycling collection service. Check the City's website for information on what to recycle and the collection schedule for your area.

Bulk verge collections

Collection dates and information on how to place your bulk refuse are advertised in the *Joondalup Weekender* newspaper. For advance information on scheduled dates and locations for the next eight weeks, phone **9400 4255** or visit the City's website.

Weekly household waste collections

Please place your waste bin and recycling bin on the nature strip (verge) 0.5 metres apart, next to the kerb, by 6.00am on your collection day. The lid should be closed and must contain less than 70kg.

Collection service for recycling and rubbish for Christmas Day, New Years Day and Good Friday will be provided on the day after your usual collection day.
