TENDER 036/18 SUPPLY, DELIVERY AND INSTALLATION OF GATES, BOLLARDS AND BUSHLAND FENCING (INCLUDING REPAIR OR REMOVAL OF EXISTING FENCING)

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Estimated Value	Rank
		Capacity	Demonstrated experience in providing similar services	Demonstrated understanding of the required tasks	Social and economic effects on the local community			
<p>Nickal Pty Ltd (Reliable Fencing Since 1974)</p> <p>All requirements have been met.</p>	Yes	<p>Though its submission did not include the company's organisational chart or address the number of full-time employees, it provided details of 12 key personnel including their roles and years of experience in the industry. It stated that additional staff from this list of key personnel will be assigned if works are impacted by unforeseen delays. A plant and equipment maintenance log/register and afterhours contacts were supplied. It has its own quality management system and a safety policy in place. A copy of its safety management plan was provided. Its submission did not include the company's safety statistics.</p>	<p>It has been in the fencing industry for many years and provides ongoing services to the Cities of Swan, Wanneroo, South Perth and Fremantle, Mirvac, Total Eden, DJ Macormack and many large and small organisations. Though a list of three similar works was provided, it did not include client names for which the works were undertaken.</p>	<p>It demonstrated a sound understanding of the required tasks. It has operated a fencing service for many years and has developed its methodology focus on safety, quality and timeliness. Its submission included a works process and an outline of tasks to be undertaken to complete the services, from assessment of site requirements to allocation of job and appropriate staff, commence work and quality assessment.</p>	<p>It is located in The Vines.</p> <p>It stated the company participates and encourages others to participate in the City Disability Access and Inclusion Plan consultation process.</p>	61.4%	\$800,096 (assuming no change in historical usage)	2

<p>Gopal &amp; Pindolia Family Trust &amp; Makrav Trading Trust trading as Treacy Fencing</p> <p>All requirements have not been met. Its pricing has no allowance for hard digging and prices are subject to review for manufacturer's price increases which is not in accordance with the City's contract terms.</p>	Yes	<p>It has been operating for over 30 years. It currently has approximately 55 staff. Its structure of business was supplied, though details of key personnel including their skills and experience were not provided. Afterhours contacts and the ability to provide additional personnel were not addressed. However, it indicated it has a large number of onsite crew capable of installing various types of fencing and with a well-balanced resource structure in place, has the capacity to handle large volumes of work. It operates with its own quality management system and has a safety policy in place. Though its submission included a safety policy statement, copies of its safety procedures and statistics were not supplied.</p>	<p>It demonstrated experience providing fencing services to various organisations including local governments. Examples of works were provided though only two of these were similar services for the supply and installation of fencing and gates for the Cities of Wanneroo and Stirling. Other examples of works included mainly estate fencing for various land developers such as Lend Lease, LWP Property Group, Peet Limited and Satterley Property Group. Periods and dates of when all these works were carried out were not provided.</p>	<p>It did not address this criterion specifically to demonstrate its understanding of the required tasks. However, it has been operating in the fencing industry for over 30 years providing fencing services to various organisations in WA including local governments which would suggest sufficient understanding of fencing installations and the City's requirements.</p>	<p>It is located in Wangara.</p> <p>It did not submit a response.</p>	57.4%	\$1,102,513 (assuming no change in historical usage)	3

<p>Donegan Enterprises Pty Ltd</p> <p>All requirements have been met.</p>	Yes	<p>It has been engaged in local government works for more than 35 years. Its Submission did not include an organisation chart or structure of business. It did not highlight the number of fulltime employees though details of three key personnel including their years of experience and length of service with the company were provided. It indicated the company has additional personnel and can access others if required. A list of equipment and afterhours contacts was supplied. It operates with its own quality management system in place. Its Submission included some information on its emergency accident procedure. Copies of its safety policy and procedures were not supplied. It indicated the company has a good safety record with only one lost time injury due to a strained muscle in the last two years.</p>	<p>It demonstrated experience providing fencing services to various local governments including the Cities of Stirling, Belmont, Cockburn, Vincent, Cambridge and Perth. Though period and dates of when these works were undertaken were not provided, it stated the company has a current contract with the City of Belmont that includes fencing.</p>	<p>It submitted a brief response demonstrating some understanding of the required tasks. Its proposed approach included working to a schedule to complete the works.</p>	<p>It is located in Morley.</p> <p>It stated that three of its employees are rate payers in the City of Joondalup.</p>	54.6%	\$927,817 (assuming no change in historical usage)	4
