Prestige Jointing and Electrical Pty Ltd	Yes	Prestige Jointing and Electrical Pty Ltd has been in business for more than 12 years. The company is located in Mundaring has an office in Karratha and employs over 20 staff. An organisation chart was provided along with brief information on 4 key site personnel. It stated that its subcontractor has not been sub-contracted for the same or similar services in the past 3 years. It provided brief information on four key site personnel and a basic register of equipment it will use. After hours contacts were provided and stated that on larger prospects they have the accessibility to additional staff members. The company did not fully demonstrate it has the capacity to deliver the service.	Prestige Jointing and Electrical Pty Ltd demonstrated some experience completing similar projects including constructing pathway lighting, feature lighting and shelter lighting, working with Densford Civil and the City of Perth at Wellington Square in Perth CBD and large gantry and led strip lighting with Environmental Industries and the City of Swan. The company also provided details of providing services at the Dampier Foreshore Redevelopment for Prestige Electrical, bringing together a large civil scope of trenching, conduiting and installing large rag bolt assemblies in rocky and hard to access areas, as well as over 70 light poles installed in the carparks and shelter areas to the foreshore pathways.	Prestige Jointing and Electrical Pty Ltd demonstrated an understanding of the requirements. It submitted a detailed process of how we will complete the project works through its methodology to replace existing light poles and luminaires however it did not specifically address night works. The Gantt Chart provided indicated completion of the works by January 2021, which is not achievable.	The company indicated it would use local wholesalers to provide all materials to site.	53.2%	\$2,499,258	N/A
