<p>Carcare Motor Company Pty Ltd (Carcare Joondalup)</p> <p>All requirements have been met.</p>	Yes	<p>It commenced operation in 1997 and though it changed ownership in 2013, it retained the same staff. It currently employs seven mechanics and two apprentices. It offers a one stop location for all motor vehicle requirements including manufacturers handbook and general servicing, all mechanical repairs, auto electrical, air conditioning, supply, fit and balance tyres, wheel alignments, electronic fuel injection, trailer maintenance, vehicle washing and vacuuming. An organisation chart was not supplied, however, details of key personnel including their qualifications, skills and years of industry experience were provided. It indicated it operates with a fully equipped workshop with modern and well-maintained equipment including eight hoists, wheel and tyre equipment, brake machining, mobile service vehicles for breakdowns and towing service for afterhours yard access. It also operates two fully equipped mobile service vehicles for breakdowns including tyre/wheel replacements, battery replacements and mechanical issues. Afterhours contacts for emergency requirements were provided and its service coordinator, who is also a qualified mechanic can be called upon when required</p>	<p>It demonstrated experience providing similar services to various organisations including local governments. It services and maintains many large WA fleet vehicles for the City of Wanneroo, Elliotts Irrigation, Duo Glass, Acclaimed Packaging, Fire Shield Services plus some very large fleet companies such as Fleetcare, SG Fleet and Fleet Plus. It has held the City light fleet contract since 2011 providing similar services for many years.</p>	<p>It demonstrated a thorough understanding and appreciation of the City's requirements. It proposed all parts and lubricants used will be suitable to maintain new vehicle warranties and all vehicle services will be carried out as per manufacturers logbook specifications and requirements. It indicated the company shall have all services completed at the allotted time and within the required timeframe</p>	<p>It is located in Joondalup.</p> <p>It stated It purchases a large percentage of its parts locally and its owners and staff all live locally. It is involved in local sport and is a sponsor of Joondalup United Junior Football Club.</p>	78.7%	\$589,191 (assuming no change in historical usage)	1

<p>The Trustee for Northside Nissan Unit Trust trading as Northside Nissan</p> <p>All requirements have been met.</p>	Yes	<p>It has been trading since 2006 and currently has 43 employees. Though an organisation chart and details of key personnel's qualifications, skills and experience were not provided, its service team comprised of a service manager, assistant service manager, senior service advisor, service receptionist, warranty clerk, 11 technicians and four apprentices. It indicated it has full diagnostic equipment on site for all brands with access to manufacturer equipment for all scheduled vehicles. However, it did not fully address specialised equipment that will be used, particularly for wheel alignment, wheel balancing and supply of tyres and batteries. It did not specifically address afterhours contacts for emergency requirements or the ability to provide additional personnel. However, it offers complimentary roadside assistance for all vehicles once serviced. It provides 24 hour breakdown and recovery services and complimentary loan vehicles when required.</p>	<p>It has experience providing fleet servicing to leasing organisations including Leaseplan, SG Fleet, Fleetcare, Smart Leasing and Fleet Partners. It also services larger private fleets including Total Eden, Centurion Building Products, Delta Group and Finesse Flooring. However, period and dates of contracts or when these services were undertaken were not supplied.</p>	<p>It demonstrated a good understanding of the required tasks. It stated it will agree to pick up, service to the log book requirement including quoting any additional repairs required and loan vehicles will be provided where required, at no additional cost, whilst the vehicles are in for repair. However, its response was brief and did not specify as part of its service the supply or replacement of tyres and batteries and cleaning of vehicles after servicing. These items were clarified and confirmed as an oversight and are provided.</p>	<p>It is located in Wangara.</p> <p>It indicated it utilises local suppliers (Repco, Tint-a-car) and many of its staff members reside within the City.</p>	62.6%	\$505,335 (assuming no change in historical usage)	2
