COUNCIL MEETINGS

The following procedures for the conduct of Council Meetings were adopted at the Council Meeting held on 21 April 2020:

INTRODUCTION

The modern role of Council is to set policy and strategy and provide goals and targets for the local government (the City). The employees, through the Chief Executive Officer, have the task of implementing the decisions of Council.

A well-structured decision-making process that has established protocols will provide the elected body with the opportunity to:

- have input into the future strategic direction set by Council
- seek points of clarification
- ask questions
- be given adequate time to research issues
- be given maximum time to debate matters before Council,

and ensures that the elected body is fully informed to make the best possible decisions for the City of Joondalup community.

PURPOSE OF COUNCIL MEETINGS

Council Meetings will involve Elected Members, employees as determined by the Chief Executive Officer and external advisors (where appropriate) and will be open to the public. Council Meetings are formal meetings where Elected Members consider and make decisions on matters.

PROCEDURES FOR COUNCIL MEETINGS

The following procedures will apply to Council Meetings that are conducted by the City.

- 1 Council Meetings will be open to the public except for matters of a confidential nature. The guide in determining those matters of a confidential nature shall be in accordance with the *Local Government Act 1995*.
- 2 Dates and times for Council Meetings will be set well in advance where practicable, and appropriate notice given to the public.
- 3 The Chief Executive Officer will ensure timely written notice and an agenda for each Council Meeting will be provided to all Elected Members, members of the public and external advisors (where appropriate).

- 4 The Mayor is to be the Presiding Member at Council Meetings. If the Mayor is unable or unwilling to assume the role of Presiding Member, then the Deputy Mayor may preside at the Council Meetings. If the Deputy Mayor is unable or unwilling, those Elected Members present may select one from amongst themselves to preside at the Council Meeting.
- 5 There is to be no debate among Elected Members on any matters raised during the Council Meeting.
- 6 Relevant employees of the City will be available to respond to questions on matters listed on the agenda for the Council Meeting.
- 7 All Elected Members will be given a fair and equal opportunity to participate in the Council Meeting.
- 8 The Presiding Member will ensure that time is made available to allow for all matters of relevance to be covered.
- 9 Good governance principles recommend that Elected Members, employees and relevant consultants shall disclose their interests on any matter listed for the Council Meetings. When disclosing an interest, the following provisions apply:
 - (a) Interests are to be disclosed in accordance with the provisions of the *Local Government Act 1995*, the *Local Government (Model Code of Conduct) Regulations 2021* and the City's *Code of Conduct*.
 - (b) Elected Members disclosing a financial interest, or a proximity interest will not participate in that part of the session relating to the matter to which their interest applies and shall depart the room.
 - (c) The remaining Elected Members may agree that an Elected Member disclosing a financial or proximity interest may participate in discussion on the matter if the remaining Elected Members agree:
 - (i) is so trivial or insignificant as to be unlikely to influence the disclosing Elected Member's conduct in relation to the matter
or
 - (ii) is common to a significant number of electors and ratepayers of the City,and a record of that agreement is to be made in the minutes kept for the Council Meeting.
 - (d) Employees with a financial interest in a matter may also consider it appropriate to depart the room when the matter is being considered, however there is no legislative requirement to do so.
- 10 A record shall be kept of all Council Meetings.

PROCEDURES FOR PUBLIC QUESTION TIME

Where a meeting of a committee is open to the public the procedures for public question time and public statement time apply. In this regard these procedures are amended by substituting "Council" with "Committee" to provide proper context.

Questions asked Verbally

- 1 Members of the public are invited to ask questions at Council Meetings.
- 2 Questions asked at an Ordinary Council meeting must relate to a matter that affects the City of Joondalup. Questions asked at a Special meeting of Council must relate to the purpose for which the meeting has been called.
- 3 A register will be provided for those persons wanting to ask questions to enter their name. The Presiding Member may call persons registered to come forward in an order that allows the maximum opportunity for as many people as possible to address the meeting on the widest range of matters that are listed in the agenda. Persons that come forward are to state their name and full address.
- 4 Public question time will be limited to two minutes per member of the public, with a limit of two verbal questions per person.
- 5 Statements are not to precede a question during public question time and questions must be succinct and to the point. Statements can only be made during public statement time.
- 6 Members of the public are encouraged to keep their questions brief to enable everyone who desires to ask a question to have the opportunity to do so.
- 7 Public question time will be allocated a minimum of 15 minutes and may be extended in intervals of up to 10 minutes by resolution of Council, but the total time allocated for public questions to be asked and responses to be given is not to exceed 35 minutes in total. Public question time is declared closed following the expiration of the allocated time period, or earlier than such time where there are no further questions.
- 8 Questions are to be directed to the Presiding Member and shall be asked politely, in good faith, and are not to be framed in such a way as to reflect adversely or be defamatory on a particular Elected Member or City employee. The Presiding Member shall decide to:
 - accept or reject any question and their decision is final
 - nominate a City employee to respond to the question
 - or
 - take a question on notice. In this case a written response will be provided as soon as possible and included in the agenda of the next Council meeting.

- 9 Where an Elected Member is of the opinion that a member of the public is:
- asking a question at a Council meeting, that does not relate to a matter affecting the City
 - or
 - making a statement during public question time,
- they may bring it to the attention of the Presiding Member who will make a ruling.
- 10 Questions and any response will be summarised and included in the minutes of the Council meeting.
- 11 It is not intended that question time should be used as a means to obtain information that would not be made available if it was sought from the City's records under Section 5.94 of the *Local Government Act 1995* or the *Freedom of Information Act 1992* (FOI Act 1992). Where the response to a question(s) would require a substantial commitment of the City's resources, the Chief Executive Officer (CEO) will determine that it is an unreasonable impost upon the City and refuse to provide it. The CEO will advise the member of the public that the information may be sought in accordance with the FOI Act 1992.

Questions in Writing – (Residents and / or ratepayers of the City of Joondalup only)

- 3 The City will accept a maximum of five (5) written questions per City of Joondalup resident / ratepayer. To ensure equity and consistency, each part of a multi-part question will be treated as a question in its own right.
- 4 Questions lodged by 9.00am on the day immediately prior to the scheduled Council meeting will be responded to, where possible, at the Council meeting. These questions, and their responses, will be distributed to Elected Members and made available to the public in written form at the meeting.
- 5 The Presiding Member shall decide to accept or reject any written question and their decision is final. Where there is any concern about a question being offensive, defamatory or the like, the Presiding Member will make a determination in relation to the question. Questions determined as offensive, defamatory or the like will not be published.
- 6 The Presiding Member may rule questions out of order where they are substantially the same as questions previously submitted and responded to.
- 7 Written questions unable to be responded to at a Council meeting will be taken on notice. In this case, a written response will be provided as soon as possible and included on the agenda of the next Council meeting.
- 8 A person who submits written questions may also ask questions at a Council meeting and questions asked verbally may be different to those submitted in writing.

- 9 Questions and any response will be summarised and included in the minutes of the Council meeting.
- 10 It is not intended that question time should be used as a means to obtain information that would not be made available if it was sought from the City's records under Section 5.94 of the *Local Government Act 1995* or the *Freedom of Information Act 1992* (FOI Act 1992). Where the response to a question(s) would require a substantial commitment of the City's resources, the Chief Executive Officer (CEO) will determine that it is an unreasonable impost upon the City and may refuse to provide it. PURPOSE

For Council to note the number and nature of applications considered under delegated authority during August 2021.

EXECUTIVE SUMMARY

Schedule 2 (deemed provisions for local planning schemes) of the *Planning and Development (Local Planning Schemes) Regulations 2015* (the Regulations) provide for Council to delegate powers under a local planning scheme to the Chief Executive Officer (CEO), who in turn has delegated them to employees of the City.

The purpose of delegating certain powers to the CEO and officers is to facilitate the timely processing of development and subdivision applications. The framework for the delegations of those powers is set out in resolutions by Council and is reviewed annually, or as required.

This Report identifies the development applications determined by the administration under delegated authority powers during August 2021 (Attachment 1 refers), as well as the subdivision application referrals processed by the City during August 2021 (Attachment 2 refers).

BACKGROUND

Clause 82 of schedule 2 (deemed provisions for local planning schemes) of the Regulations enables Council to delegate powers under a local planning scheme to the CEO, and for the CEO to then delegate powers to individual employees.

At its meeting held on 15 June 2021 (CJ079-06/21 refers), Council considered and adopted the most recent Town Planning Delegations.

DETAILS

COMMENT

Large local governments utilise levels of delegated authority as a basic business requirement in relation to town planning functions. The process allows for timeliness and consistency in decision-making for rudimentary development control matters. The process also allows the elected members to focus on strategic business direction for the Council, rather than day-to-day operational and statutory responsibilities.

All proposals determined under delegated authority are assessed, checked, reported on and cross checked in accordance with relevant standards and codes.

VOTING REQUIREMENTS

Simple Majority.

RECOMMENDATION

That Council NOTES the determinations and recommendations made under delegated authority in relation to the:

- 1 development applications described in Attachment 1 to Report CJ142-10/21 during August 2021;**
- 2 subdivision applications described in Attachment 2 to Report CJ142-10/21 during August 2021.**

CJ145-10/21**FINANCIAL ACTIVITY STATEMENT FOR THE PERIOD ENDED 31 AUGUST 2021**

ATTACHMENTS	Attachment 1 Financial Activity Statement Attachment 2 Investment Summary Attachment 3 Supporting Commentary
AUTHORITY/ DISCRETION	Information - includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the Financial Activity Statement for the period ended 31 August 2021.

EXECUTIVE SUMMARY

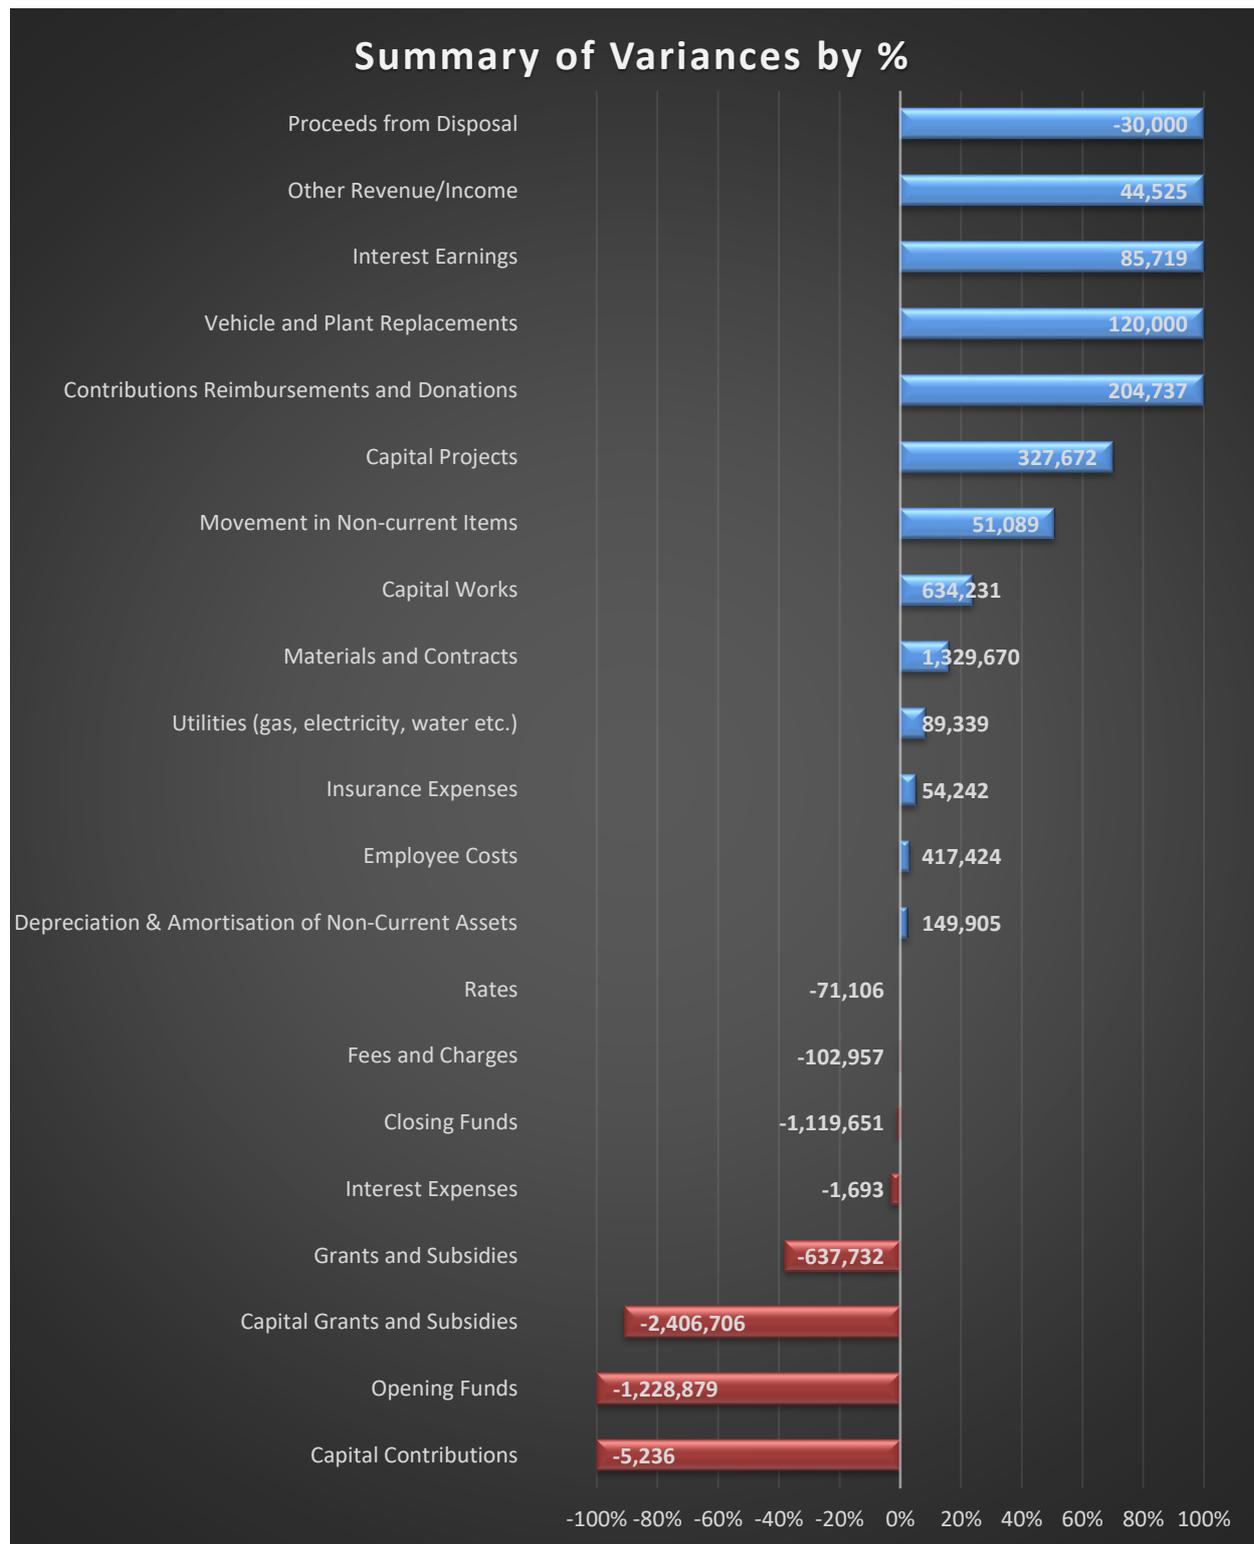

At its meeting held on 15 June 2021 (CJ092-06/21 refers), Council adopted the *2021-22 Annual Budget*. Council subsequently amended the budget at its meeting held on 17 August 2021 (CJ131-08/21 refers). The figures in the report are compared to the adopted budget (as amended).

The August 2021 Financial Activity Statement Report shows an overall unfavourable variance of (\$1,119,651) from operations and capital, after adjusting for non-cash items.

It should be noted that this variance does not represent a projection of the end of year position. It represents the year-to-date position to 31 August 2021 and results from a number of factors identified in the report, including the opening funds position which is subject to the finalisation of the *2020-21 Annual Financial Statements*.

There are a number of factors influencing the unfavourable variance, but it is predominantly due to timing of revenue and expenditure compared to the budget estimate in August and the finalisation of 2020-21 end of year process which has meant that the opening funds total is currently not included. The notes in Attachment 3 identify and provide commentary on the individual key material revenue and expenditure variances to date.

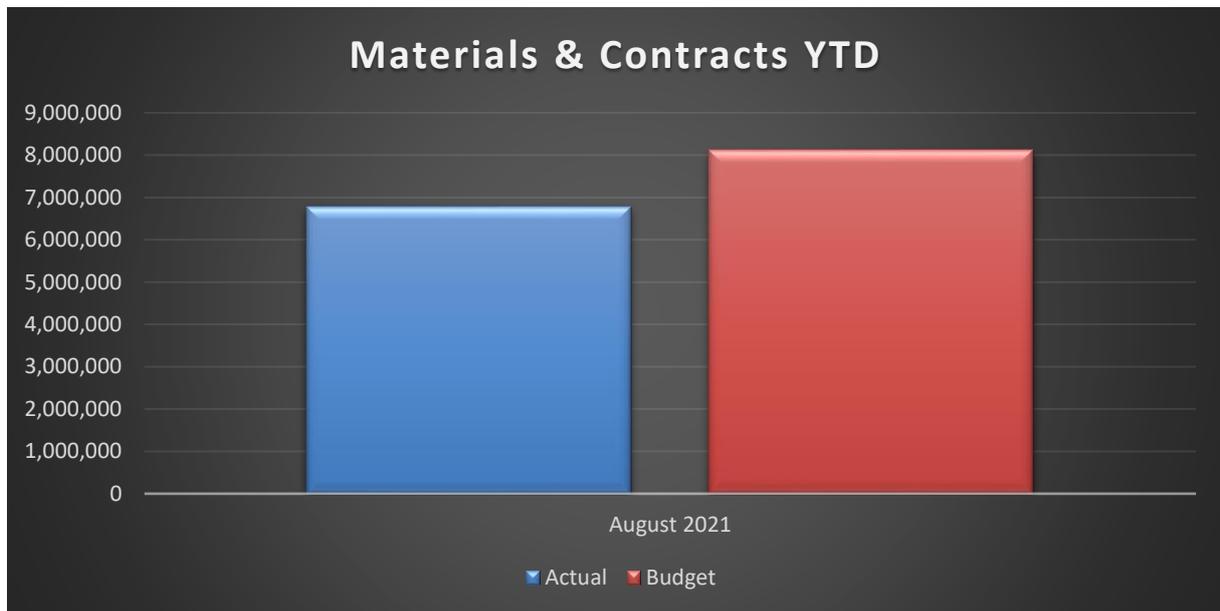

The key elements of the variance are summarised below:

The significant variances for August were:

Materials and Contracts

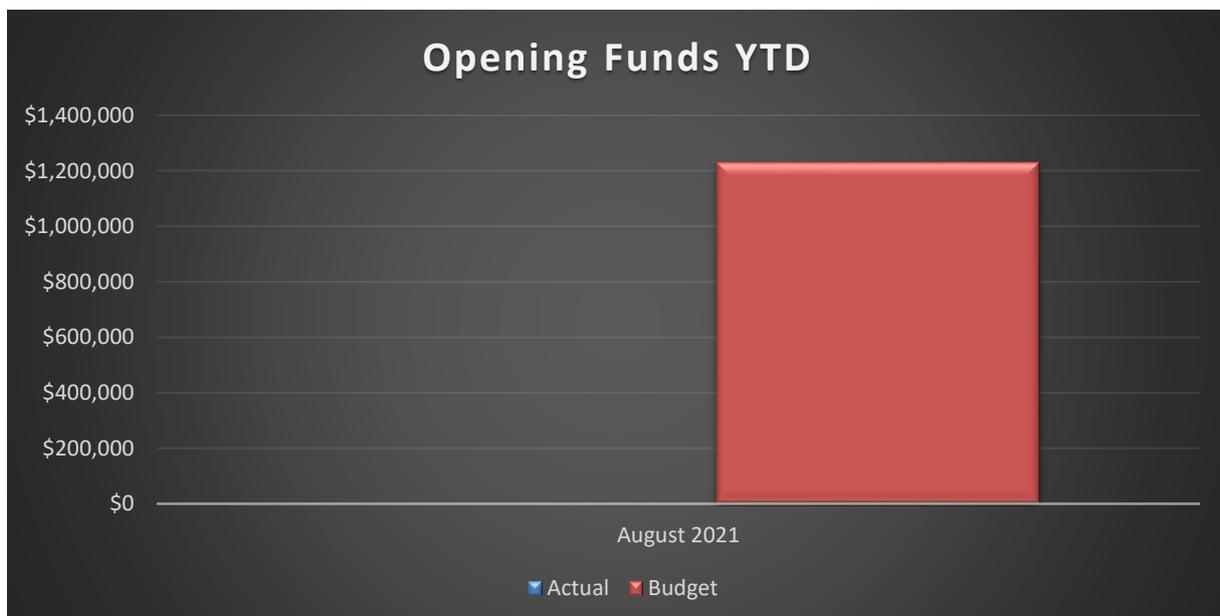

\$1,329,670

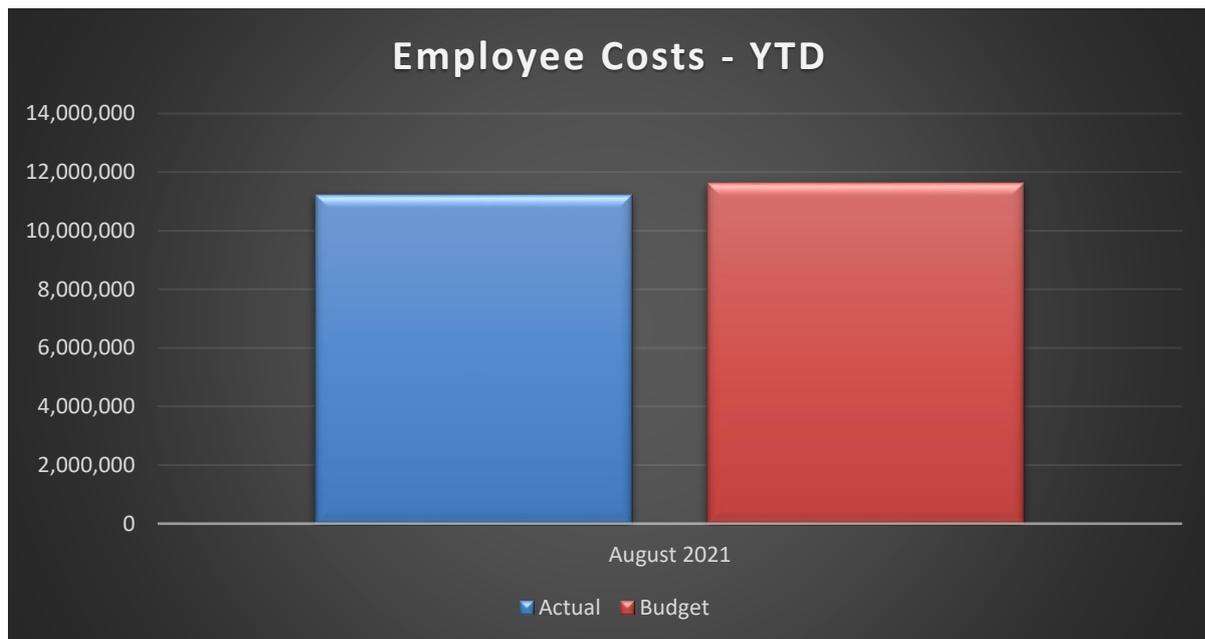

Materials and Contracts expenditure is \$1,329,670 below budget. This is spread across a number of different areas including External Service Expenses \$712,531, Other Materials \$125,173, Professional Fees and Costs \$91,692, Public Relations, Advertising and Promotions \$80,156, Travel Vehicles and Plant \$65,843 and Telephones and Communication \$63,221.

Opening Funds

(\$1,228,879)

Opening Funds for August 2021 is \$1,228,879 below budget. The variation in the Closing Funds for the period ended 30 June 2021 is prior to end of year adjustments being processed. The final balance will be available after the Financial Statements for 2020-21 have been audited.

Employee Costs**\$417,424**

Employee Costs expenditure is \$417,424 below budget. Favourable variances predominantly arose from vacancies in various areas.

It is therefore recommended that Council NOTES the Financial Activity Statement for the period ended 31 August 2021 forming Attachment 1 to Report CJ145-10/21.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* requires a monthly Financial Activity Statement. At its meeting held on 11 October 2005 (CJ211-10/05 refers), Council approved to accept the monthly Financial Activity Statement according to nature and type classification.

DETAILS**Issues and Options Considered**

The Financial Activity Statement for the period ended 31 August 2021 is appended as Attachment 1 to Report CJ145-10/21.

Legislation / Strategic Community Plan / Policy Implications**Legislation**

Section 6.4 of the *Local Government Act 1995* requires a local government to prepare an annual financial report for the preceding year and such other financial reports as are prescribed.

Consultation

In accordance with section 6.2 of the *Local Government Act 1995*, the Annual Budget was prepared having regard to the Strategic Financial Plan, prepared under Section 5.56 of the *Local Government Act 1995*.

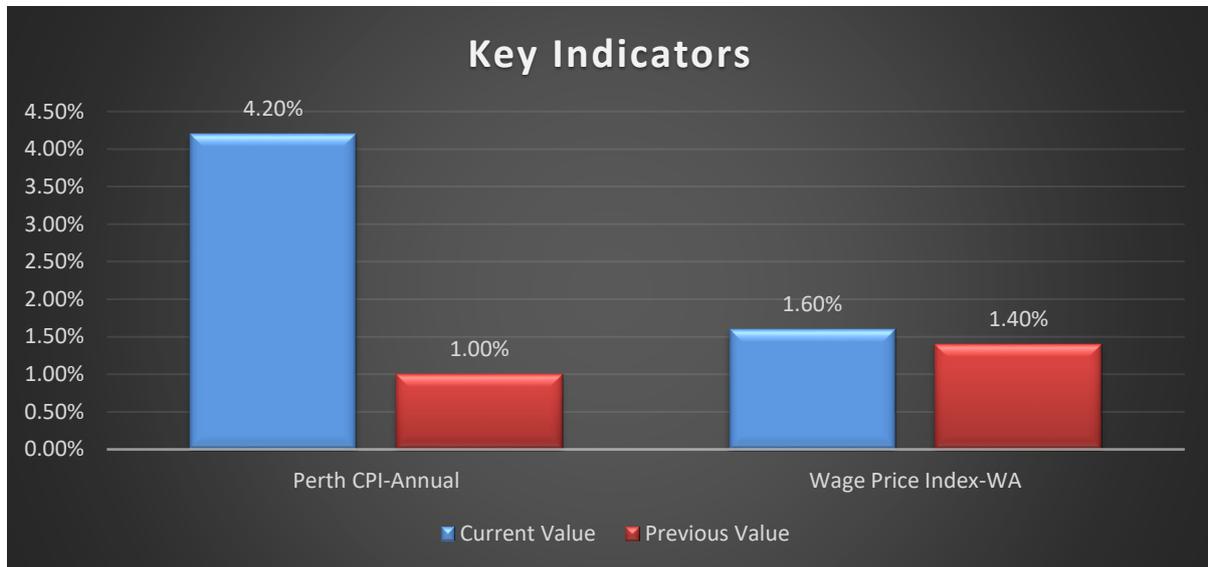

KEY INDICATORS

Rates Collection

Rates collections as a percentage of rates issued (debtors) is marginally higher than the prior year at the end of August.

Economic Indicators

During July the Perth CPI for the second quarter of 2021 was released. This saw a significant rebound that has been reflected across all other capital cities, although this may be the effect of coming off a very low index for the corresponding period in the previous year. The index published in the next quarter is likely to provide a clearer indication of inflationary pressure. The latest wages data from the WA Treasury also shows a lift in the year-on-year WA Wage Price Index at the end of the first quarter.

COMMENT

All expenditure included in the Financial Activity Statement is incurred in accordance with the provisions of the adopted *2021-22 Budget* (as amended) or has been authorised in advance by Council where applicable.

Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to accept the tender submitted by Surf Life Saving Western Australia Incorporated for the provision of beach lifeguard patrol services.

EXECUTIVE SUMMARY

Tenders were advertised on 31 July 2021 through state-wide public notice and published by Tenderlink for the provision of beach lifeguard patrol services. Tenders closed on 17 August 2021. A submission was received from Surf Life Saving Western Australia Incorporated.

The submission from Surf Life Saving Western Australia Incorporated represents value to the City. It demonstrated a thorough understanding and appreciation of the City's requirements. It has extensive experience providing similar beach lifeguard patrol services to various government agencies in Western Australia including the Department of Primary Industries and Regional Development (The Basin located at Rottnest Island, Meelup Beach and Bunker Bay), Town of Cambridge (City Beach) and Shire of Augusta-Margaret River (River Mouth Beach). It has been providing beach lifeguard patrol services for the City to beaches located in Sorrento, Hillarys Marina and Mullaloo since 2002. Surf Life Saving Western Australia Incorporated is well established with significant industry experience and proven capacity to provide the services to the City.

It is therefore recommended that Council ACCEPTS the tender submitted by Surf Life Saving Western Australia Incorporated for the provision of beach lifeguard patrol services as specified in Tender 017/21 for the fixed lump sum of \$213,179 (excluding GST) for the first season and submitted schedule of rates for additional services, with any price variations in seasons two and three subject to the percentage change in the Perth CPI (All Groups).

BACKGROUND

The City has a requirement for the provision of beach lifeguard patrol services to the City's beaches located in Sorrento, Hillarys Marina and Mullaloo. The services include identification and demarcation of designated swimming areas, the patrol of those areas, provision of advice to beach patrons, dealing with emergency situations and reporting offences at the following three patrol areas and hours:

- Patrol Area 1 – Sorrento Beach (8.00am to 5.00pm).
- Patrol Area 2 – Hillarys Marina Beach / Boat Harbour (8.00am to 6.00pm).
- Patrol Area 3 – Mullaloo Beach (8.00am to 5.00pm).

Each patrol area must have two staff on duty during the specified patrol hours. The hours of patrol may be varied to meet particular needs subject to the agreement of both parties. Maximum number of hours: 3,472 per season (total of all three beaches).

The patrol days are to occur Monday to Friday (excluding public holidays) within the following date range periods:

- Season 1 Monday 6 December 2021 to Friday 4 March 2022.
- Season 2 Monday 5 December 2022 to Friday 3 March 2023.
- Season 3 Monday 4 December 2023 to Friday 1 March 2024.

The City had a contract in place with Surf Life Saving Western Australia for beach lifeguard patrol services 2020-21 summer season via a unique / specialist supplier process and it had been contracted under this process since 2014. A tender process was undertaken this time to test the market.

Tender assessment is based on the best value for money concept. Best value is determined after considering whole of life costs, fitness for purpose, tenderers' experience and performance history, productive use of City resources and other environmental or local economic factors.

DETAILS

The tender for the provision of beach lifeguard patrol services was advertised through state-wide public notice and published by Tenderlink on 31 July 2021. The tender period was for two weeks and tenders closed on 17 August 2021.

Tender Submission

A submission was received from Surf Life Saving Western Australia Incorporated.

A summary of the tender submission including the location of the tenderer is provided in Attachment 1 to Report CJ146-10/21.

A confidential tender summary is provided in Attachment 2 to Report CJ146-10/21.

Evaluation Panel

The evaluation panel comprised three members, being:

- one with tender and contract preparation skills
- two with the appropriate operational expertise and involvement in supervising contracts.

The panel carried out the assessment of the submission in accordance with the City's evaluation process in a fair and equitable manner.

Evaluation Method and Weighting

The qualitative weighting method of tender evaluation was selected to evaluate the offer for this requirement. Prior to assessment of the submission, a determination was made, based on the selection criteria, of what would be an acceptable qualitative score that would indicate the ability of the tenderer to satisfactorily deliver the services.

The standard minimum acceptable qualitative score for tenders at the City is 50%, but the specific circumstances of tender requirements may, from time to time, require the minimum score to be set higher than 50%, where the specification has complex design or technical requirements. Due to the simple nature of the proposed services, the predetermined minimum acceptable qualitative score for this tender was therefore set at 50%.

The qualitative criteria and weighting used in evaluating the submission received were as follows:

Qualitative Criteria		Weighting
1	Capacity	40%
2	Demonstrated understanding of the required tasks	30%
3	Demonstrated experience in providing similar services	25%
4	Social and economic effects on the local community	5%

Compliance Assessment

The submission received was assessed as compliant and remained for further consideration.

Qualitative Assessment

Surf Life Saving Western Australia Incorporated scored 85.9% in the qualitative assessment. It has extensive experience providing similar beach lifeguard patrol services to various government agencies in Western Australia including the Department of Primary Industries and Regional Development (The Basin located at Rottnest Island, Meelup Beach and Bunker Bay), Town of Cambridge (City Beach) and Shire of Augusta-Margaret River (River Mouth Beach). It has been providing beach lifeguard patrol services for the City to beaches located in Sorrento, Hillarys Marina and Mullaloo since 2002. It demonstrated a thorough understanding and appreciation of the City's requirements. Surf Life Saving Western Australia Incorporated is well established with significant industry experience and proven capacity to provide the services to the City.

Given the minimum acceptable qualitative score of 50%, Surf Life Saving Western Australia Incorporated qualified for stage two of the assessment.

Price Assessment

The panel carried out a comparison of the lump sum prices offered by the tenderer and the previous contract rates for 2020-21 summer season in order to assess value for money to the City.

The lump sum price is fixed for the first season (first year of the contract) but is subject to a price variation in seasons two and three (years two and three of the contract) to a maximum of the Consumer Price Index (CPI) for the preceding year. For estimation purposes, a 2% CPI increase was applied to the rates in seasons two and three.

Tenderer	Year 1 (Season 1)	Year 2 (Season 2)	Year 3 (Season 3)	Total (Seasons 1, 2 and 3)
Surf Life Saving Western Australia Incorporated	\$213,179	\$217,443	\$221,792	\$652,414

During 2020-21, the City incurred \$202,097 for beach lifeguard patrol services. The City is expected to incur in the order of \$652,414 over the three-year contract period.

Evaluation Summary

Tenderer	Weighted Percentage Score	Qualitative Ranking	Estimated Total Price (Seasons 1, 2 and 3)	Price Ranking
Surf Life Saving Western Australia Incorporated	85.9%	Not applicable	\$652,414	Not applicable

Based on the evaluation result the panel concluded that the tender from Surf Life Saving Western Australia Incorporated provides value to the City and is therefore recommended.

Issues and Options Considered

The City has a requirement for the provision of beach lifeguard patrol services to the City's beaches located in Sorrento, Hillarys Marina and Mullaloo. The City does not have the internal resources to provide the required services and requires the appropriate external contractor to undertake the works.

Legislation / Strategic Community Plan / Policy Implications

Legislation

A state-wide public tender was advertised, opened and evaluated in accordance with regulations 11(1) and 18(4) of Part 4 of the *Local Government (Functions and General) Regulations 1996*, where tenders are required to be publicly invited if the consideration under a contract is, or is estimated to be more, or worth more, than \$250,000.

Objective

Community safety.

Strategic initiative

Build a community that works in partnership with government and non-government organisations to achieve real and long-lasting improvements in safety and wellbeing.

It is considered that the contract will represent a low risk to the City as the recommended tenderer is well established with significant industry experience and proven capacity to provide the services to the City.

Financial / Budget Implications

CJ147-10/21 2021-22 BUDGET AMENDMENT – GRANT FUNDING FOR CAPITAL WORKS

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Corporate Services
FILE NUMBERS	109072, 101515
ATTACHMENT	Nil
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting, and amending budgets.

PURPOSE

For Council to approve amendments to the adopted *2021-22 Budget* reflecting new grants arising from 2021 State Government Election Commitments.

BACKGROUND

At the recent State Government election, the State Government made several funding commitments for various projects within the City of Joondalup.

Grant funding agreements have now been received from the Department of Local Government, Sport and Cultural Industries (DLGSCI) reflecting the commitment made to some of these projects. Initial and progressive grant payments will be received according to the milestones set out in each separate agreement. None of these projects are currently listed within the *2021-22 Adopted Budget*. It is therefore necessary to amend the budget to include these projects into the 2021-22 capital expenditure to ensure they are completed within the timeframe stipulated within the grant agreements.

DETAILS

The City has received five DLGSCI grant separate agreements in respect of the projects listed below. A review of the agreements indicates that only one of the projects will require a contribution from the City. The remaining projects are expected to be fully funded by the grants allocated to each project.

Project Name	Required Completion Date	Grant Allocated	COJ / Club Contribution	Project Type	Total Project Budget
Sorrento Football Club Facility Upgrade	15 June 2023	\$1,000,000	\$0	Capital Works	\$1,000,000
Mobile CCTV Cameras	15 June 2022	\$150,000	\$0	Capital Projects	\$150,000
Windermere Park Upgrade cricket training nets and lighting	15 June 2022	\$80,000	\$0	Capital Works	\$80,000
Barridale Park Installation of additional cricket nets	15 June 2022	\$30,000	\$0	Capital Works	\$30,000
Kingsley Football Club Awning	15 June 2022	\$60,000	\$15,000 – COJ \$18,182 - Club	Capital Works	\$93,182
Total		\$1,320,000	\$33,182		\$1,353,182

As indicated in the table above the Kingsley Football Club Awning project will require a small contribution from the City towards the project to build an undercover area onto the existing club rooms. The City contribution is due to a request by the City to incorporate improved stormwater capture into the footprint of the proposed covered area.

The Sorrento Football Club Facility Upgrade the grant funds both the design and construction of the project. The FIFA Women's World Cup 2023 is being jointly hosted by Australia and New Zealand, and the Sorrento Football Club has been included as a training venue for participating teams. The proposed construction is scheduled to commence in July 2022 with completion anticipated in March 2023 prior to the FIFA Women's World Cup in July 2023.

Issues and Options Considered

Option 1 – Do not amend the adopted 2021-22 Budget

Council can choose not to amend the adopted 2021-22 Budget. This would restrict the City's ability to incur the necessary expenditure to complete these projects within the grant agreement timeframes.

This option is not recommended.

Option 2 – Amend the adopted 2021-22 Budget

Council can choose to amend the adopted 2021-22 Budget. This will allow the City to incur the necessary expenditure to complete the identified State Government Election Commitments within the grant agreement conditions.

This option is recommended.

Legislation / Strategic Community Plan / Policy Implications

Legislation

Section 6.8 of the *Local Government Act 1995*.

- (1) *A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —*
- (a) *is incurred in a financial year before the adoption of the annual budget by the local government; or*
 - (b) *is authorised in advance by resolution*;* or
 - (c) *is authorised in advance by the mayor or president in an emergency*
- (1a) *In subsection (1) — additional purpose means a purpose for which no expenditure estimate is included in the local government’s annual budget.*

** Absolute majority required*

Strategic Community Plan

Key theme	Financial Sustainability.
Objective	Effective management.
Strategic initiative	Not applicable.
Policy	Not applicable.

Risk Management Considerations

The City’s ability to complete the designated projects within the grant agreement timeframes will be impacted in without the approval to incur the necessary expenditure. The amendment is essential to ensure the City is able to meet the grant funding requirements.

Any delays in progressing the Sorrento Football Club facility upgrade may jeopardise the use of the facility as a training option for the FIFA Women’s World Cup 2023.

Financial / Budget Implications

The total additional expenditure required in 2021-22 for the designated projects is \$1,353,182 which comprises:

- \$1,203,182 to be added to *Capital Works Program* in the adopted *2021-22 Budget*
- \$150,000 to be added to *Capital Projects* in the adopted *2021-22 Budget*.

The value of grants approved to fund these projects is \$1,320,000. The remaining \$33,182 is a combination of a contribution of \$18,182 from the Kingsley Football Club and \$15,000 to be contributed by the City which is expected to be met by savings identified during the Mid-Year Budget Review.

COMMENT

The State Government has approved grants to be provided to the City for projects that were identified for support as part of state election commitments. The amendments proposed to the adopted *2021-22 Budget* will allow the City to incur the necessary expenditure to complete these projects as required under the grant agreements.

That Council BY AN ABSOLUTE MAJORITY:

- 1 **AMENDS** the adopted *2021-22 Budget* by the addition of \$1,203,182 to the *Capital Works Program* for the following projects:

URGENT BUSINESS

MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

NOTICE OF MOTION NO. 1 – CR HAMILTON-PRIME, JP – IMPLEMENT THE INSTALLATION OF WARNING SIGNS IN THE CITY OF JOONDALUP DURING MAGPIE SWOOPING SEASON

In accordance with Clause 4.6 of the *City of Joondalup Meeting Procedures Local Law 2013*, Cr Hamilton-Prime has given notice of her intention to move the following Motion at the Council meeting to be held on 12 October 2021:

That the Council REQUESTS the Chief Executive Officer to implement the installation of warning signs in the City of Joondalup during magpie swooping season, signs to be displayed in identified problem ‘hotspots’ to help residents to be informed and avoid dangerous incidents with magpies and potential injuries.

REASON FOR MOTION

With recent injuries to residents and children from swooping magpies protecting their young, it is appropriate from a community safety standpoint to install signs warning of active swooping areas in suburbs for the duration of the swooping season, and the signs are to be removed at the conclusion of each season.

The intent is to allow signage to be installed in response to residents contacting the City administration identifying problem hotspot locations.

The installation of signage in other local government areas has proven to be effective in helping residents and children avoid dangerous incidents with magpies by alerting them to dangerous hotspots.

OFFICER'S COMMENT

Given the short nesting season of the magpies (approximately six to eight weeks per year, between the months of August and November) it has been the City's preference not to install magpie warning signs on the road reserve or within parks. The City, however, currently has 20 confluence signs which have been utilised in the past and as such this request can be supported.

It should also be noted that the City provides a “native fauna awareness” public notice on its website at the beginning of spring; [Native fauna awareness](#) and has recently implemented a “Swooping Magpies” information page [Magpies - Swooping](#).
