- ask questions
- be given adequate time to research issues
- be given maximum time to debate matters before Council,

and ensures that the elected body is fully informed to make the best possible decisions for the City of Joondalup community.

Where the response to a question(s) would require a substantial commitment of the City's resources, the Chief Executive Officer (CEO) will determine that it is an unreasonable impost upon the City and may refuse to provide it. PURPOSE

For Council to note the number and nature of applications considered under delegated authority during August 2021.

EXECUTIVE SUMMARY

Schedule 2 (deemed provisions for local planning schemes) of the *Planning and Development (Local Planning Schemes) Regulations 2015* (the Regulations) provide for Council to delegate powers under a local planning scheme to the Chief Executive Officer (CEO), who in turn has delegated them to employees of the City.

The purpose of delegating certain powers to the CEO and officers is to facilitate the timely processing of development and subdivision applications. The framework for the delegations of those powers is set out in resolutions by Council and is reviewed annually, or as required.

This Report identifies the development applications determined by the administration under delegated authority powers during August 2021 (Attachment 1 refers), as well as the subdivision application referrals processed by the City during August 2021 (Attachment 2 refers).

BACKGROUND

Clause 82 of schedule 2 (deemed provisions for local planning schemes) of the Regulations enables Council to delegate powers under a local planning scheme to the CEO, and for the CEO to then delegate powers to individual employees.

At its meeting held on 15 June 2021 (CJ079-06/21 refers), Council considered and adopted the most recent Town Planning Delegations.

DETAILS

Subdivision referrals

The number of subdivision and strata subdivision referrals processed under delegated authority during August 2021 is shown in the table below:

Type of subdivision referral	Number of referrals	Potential additional new lots
Subdivision applications	3	4
Strata subdivision applications	10	15
TOTAL	13	19

Of the subdivision referrals, 10 were to subdivide in housing opportunity areas, with the potential for 14 additional lots.

Development applications

The number of development applications determined under delegated authority during August 2021 is shown in the table below:

	Number	Value (\$)

Of the 96 development applications, five were for new dwelling developments in housing opportunity areas, proposing a total of six additional dwellings.

The total number and value of development applications determined between August 2018 and August 2021 is illustrated in the graph below:

The number of development applications received during August 2021 was 103.

The number of development applications current at the end of August was 249. Of these, 29 were pending further information from applicants and 11 were being advertised for public comment.

In addition to the above, 257 building permits were issued during the month of August with an estimated construction value of \$36,003,773.

COMMENT

Large local governments utilise levels of delegated authority as a basic business requirement in relation to town planning functions. The process allows for timeliness and consistency in decision-making for rudimentary development control matters. The process also allows the elected members to focus on strategic business direction for the Council, rather than day-to-day operational and statutory responsibilities.

All proposals determined under delegated authority are assessed, checked, reported on and cross checked in accordance with relevant standards and codes.

VOTING REQUIREMENTS

Simple Majority.

RECOMMENDATION

That Council NOTES the determinations and recommendations made under delegated authority in relation to the:

- 1 development applications described in Attachment 1 to this Report during August 2021;**
- 2 subdivision applications described in Attachment 2 to this Report during August 2021.**

AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the list of accounts paid under the Chief Executive Officer's delegated authority during the month of August 2021.

EXECUTIVE SUMMARY

This report presents the list of payments made under delegated authority during the month of August 2021, totalling \$24,082,000.

It is therefore recommended that Council NOTES the Chief Executive Officer's list of accounts for August 2021 paid under delegated authority in accordance with Regulation 13(1) of the Local Government (Financial Management) Regulations 1996 forming Attachments 1, 2 and 3 to this Report, totalling \$24,082,000.

BACKGROUND

Council has delegated, to the Chief Executive Officer, the exercise of its power to make payments from the City's Municipal and Trust funds. In accordance with Regulation 13 of the *Local Government (Financial Management) Regulations 1996* a list of accounts paid by the Chief Executive Officer is to be provided to Council, where such delegation is made.

DETAILS

The table below summarises the payments drawn on the funds during the month of August 2021. Lists detailing the payments made are appended as Attachments 1 and 2 to this Report.

The vouchers for the month are appended as Attachment 3 to this Report.

This option is not recommended.

Option 2

That Council notes the list of payments paid under delegated authority. This option is recommended.

Legislation / Strategic Community Plan / Policy Implications

Legislation

The Council has delegated to the Chief Executive Officer the exercise of its authority to make payments from the Municipal and Trust Funds, therefore in accordance with Regulation 13(1) of the *Local Government (Financial Management) Regulations 1996*, a list of accounts paid by the Chief Executive Officer is prepared each month showing each account paid since the last list was prepared.

Strategic Community Plan

Key theme	Financial Sustainability.
Objective	Effective management.
Strategic initiative	Not applicable.
Policy	Not applicable.

Risk Management Considerations

In accordance with section 6.8 of the *Local Government Act 1995*, a local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure is authorised in advance by an absolute majority of Council.

Financial / Budget Implications

All expenditure from the Municipal Fund was included in the Annual Budget as adopted or revised by Council.

Regional Significance

Not applicable.

Sustainability Implications

Expenditure has been incurred in accordance with budget parameters, which have been structured on financial viability and sustainability principles.

Consultation

Changes in the treatment of bonds received and repaid, from being held in the Trust Fund to now being reflected in the Municipal Fund, have arisen from a directive by the Office of the Auditor General.

COMMENT

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Corporate Services
FILE NUMBERS	07882,101515
ATTACHMENTS	Attachment 1 Financial Activity Statement Attachment 2 Investment Summary Attachment 3 Supporting Commentary
AUTHORITY/ DISCRETION	Information - includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the Financial Activity Statement for the period ended 31 August 2021.

EXECUTIVE SUMMARY

At its meeting held on 15 June 2021 (CJ092-06/21 refers), Council adopted the *2021-22 Annual Budget*. Council subsequently amended the budget at its meeting held on 17 August 2021 (CJ131-08/21 refers). The figures in the report are compared to the adopted budget (as amended).

The August 2021 Financial Activity Statement Report shows an overall unfavourable variance of (\$1,119,651) from operations and capital, after adjusting for non-cash items.

It should be noted that this variance does not represent a projection of the end of year position. It represents the year-to-date position to 31 August 2021 and results from a number of factors identified in the report, including the opening funds position which is subject to the finalisation of the *2020-21 Annual Financial Statements*.

There are a number of factors influencing the unfavourable variance, but it is predominantly due to timing of revenue and expenditure compared to the budget estimate in August and the finalisation of 2020-21 end of year process which has meant that the opening funds total is currently not included. The notes in Attachment 3 identify and provide commentary on the individual key material revenue and expenditure variances to date.

The key elements of the variance are summarised below:

The significant variances for August were:

Materials and Contracts

\$1,329,670

Materials and Contracts expenditure is \$1,329,670 below budget. This is spread across a number of different areas including External Service Expenses \$712,531, Other Materials \$125,173, Professional Fees and Costs \$91,692, Public Relations, Advertising and Promotions \$80,156, Travel Vehicles and Plant \$65,843 and Telephones and Communication \$63,221.

Opening Funds

(\$1,228,879)

Opening Funds for August 2021 is \$1,228,879 below budget. The variation in the Closing Funds for the period ended 30 June 2021 is prior to end of year adjustments being processed. The final balance will be available after the Financial Statements for 2020-21 have been audited.

Employee Costs**\$417,424**

Employee Costs expenditure is \$417,424 below budget. Favourable variances predominantly arose from vacancies in various areas.

It is therefore recommended that Council NOTES the Financial Activity Statement for the period ended 31 August 2021 forming Attachment 1 to this Report.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* requires a monthly Financial Activity Statement. At its meeting held on 11 October 2005 (CJ211-10/05 refers), Council approved to accept the monthly Financial Activity Statement according to nature and type classification.

KEY INDICATORS

Rates Collection

Rates collections as a percentage of rates issued (debtors) is marginally higher than the prior year at the end of August.

Economic Indicators

During July the Perth CPI for the second quarter of 2021 was released. This saw a significant rebound that has been reflected across all other capital cities, although this may be the effect of coming off a very low index for the corresponding period in the previous year. The index published in the next quarter is likely to provide a clearer indication of inflationary pressure. The latest wages data from the WA Treasury also shows a lift in the year-on-year WA Wage Price Index at the end of the first quarter.

WARD	North-Central South-West
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Corporate Services
FILE NUMBERS	109589, 101515
ATTACHMENTS	Attachment 1 Summary of Tender Submission Attachment 2 Confidential Tender Summary
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to accept the tender submitted by Surf Life Saving Western Australia Incorporated for the provision of beach lifeguard patrol services.

EXECUTIVE SUMMARY

Tenders were advertised on 31 July 2021 through state-wide public notice and published by Tenderlink for the provision of beach lifeguard patrol services. Tenders closed on 17 August 2021. A submission was received from Surf Life Saving Western Australia Incorporated.

The submission from Surf Life Saving Western Australia Incorporated represents value to the City. It demonstrated a thorough understanding and appreciation of the City's requirements. It has extensive experience providing similar beach lifeguard patrol services to various government agencies in Western Australia including the Department of Primary Industries and Regional Development (The Basin located at Rottnest Island, Meelup Beach and Bunker Bay), Town of Cambridge (City Beach) and Shire of Augusta-Margaret River (River Mouth Beach). It has been providing beach lifeguard patrol services for the City to beaches located in Sorrento, Hillarys Marina and Mullaloo since 2002. Surf Life Saving Western Australia Incorporated is well established with significant industry experience and proven capacity to provide the services to the City.

It is therefore recommended that Council ACCEPTS the tender submitted by Surf Life Saving Western Australia Incorporated for the provision of beach lifeguard patrol services as specified in Tender 017/21 for the fixed lump sum of \$213,179 (excluding GST) for the first season and submitted schedule of rates for additional services, with any price variations in seasons two and three subject to the percentage change in the Perth CPI (All Groups).

BACKGROUND

The City has a requirement for the provision of beach lifeguard patrol services to the City's beaches located in Sorrento, Hillarys Marina and Mullaloo. The services include identification and demarcation of designated swimming areas, the patrol of those areas, provision of advice to beach patrons, dealing with emergency situations and reporting offences at the following three patrol areas and hours:

- Patrol Area 1 – Sorrento Beach (8.00am to 5.00pm).
- Patrol Area 2 – Hillarys Marina Beach / Boat Harbour (8.00am to 6.00pm).
- Patrol Area 3 – Mullaloo Beach (8.00am to 5.00pm).

Each patrol area must have two staff on duty during the specified patrol hours. The hours of patrol may be varied to meet particular needs subject to the agreement of both parties. Maximum number of hours: 3,472 per season (total of all three beaches).

The patrol days are to occur Monday to Friday (excluding public holidays) within the following date range periods:

- Season 1 Monday 6 December 2021 to Friday 4 March 2022.
- Season 2 Monday 5 December 2022 to Friday 3 March 2023.
- Season 3 Monday 4 December 2023 to Friday 1 March 2024.

The City had a contract in place with Surf Life Saving Western Australia for beach lifeguard patrol services 2020-21 summer season via a unique / specialist supplier process and it had been contracted under this process since 2014. A tender process was undertaken this time to test the market.

Tender assessment is based on the best value for money concept. Best value is determined after considering whole of life costs, fitness for purpose, tenderers' experience and performance history, productive use of City resources and other environmental or local economic factors.

DETAILS

The tender for the provision of beach lifeguard patrol services was advertised through state-wide public notice and published by Tenderlink on 31 July 2021. The tender period was for two weeks and tenders closed on 17 August 2021.

Tender Submission

A submission was received from Surf Life Saving Western Australia Incorporated.

A summary of the tender submission including the location of the tenderer is provided in Attachment 1 to this Report.

A confidential tender summary is provided in Attachment 2 to this Report.

Evaluation Panel

The evaluation panel comprised three members, being:

- one with tender and contract preparation skills
- two with the appropriate operational expertise and involvement in supervising contracts.

The panel carried out the assessment of the submission in accordance with the City's evaluation process in a fair and equitable manner.

Evaluation Method and Weighting

The qualitative weighting method of tender evaluation was selected to evaluate the offer for this requirement. Prior to assessment of the submission, a determination was made, based on the selection criteria, of what would be an acceptable qualitative score that would indicate the ability of the tenderer to satisfactorily deliver the services.

The standard minimum acceptable qualitative score for tenders at the City is 50%, but the specific circumstances of tender requirements may, from time to time, require the minimum score to be set higher than 50%, where the specification has complex design or technical requirements. Due to the simple nature of the proposed services, the predetermined minimum acceptable qualitative score for this tender was therefore set at 50%.

The qualitative criteria and weighting used in evaluating the submission received were as follows:

Qualitative Criteria		Weighting
1	Capacity	40%
2	Demonstrated understanding of the required tasks	30%
3	Demonstrated experience in providing similar services	25%
4	Social and economic effects on the local community	5%

Compliance Assessment

The submission received was assessed as compliant and remained for further consideration.

Qualitative Assessment

Surf Life Saving Western Australia Incorporated scored 85.9% in the qualitative assessment. It has extensive experience providing similar beach lifeguard patrol services to various government agencies in Western Australia including the Department of Primary Industries and Regional Development (The Basin located at Rottnest Island, Meelup Beach and Bunker Bay), Town of Cambridge (City Beach) and Shire of Augusta-Margaret River (River Mouth Beach). It has been providing beach lifeguard patrol services for the City to beaches located in Sorrento, Hillarys Marina and Mullaloo since 2002. It demonstrated a thorough understanding and appreciation of the City's requirements. Surf Life Saving Western Australia Incorporated is well established with significant industry experience and proven capacity to provide the services to the City.

Given the minimum acceptable qualitative score of 50%, Surf Life Saving Western Australia Incorporated qualified for stage two of the assessment.

Price Assessment

The panel carried out a comparison of the lump sum prices offered by the tenderer and the previous contract rates for 2020-21 summer season in order to assess value for money to the City.

The lump sum price is fixed for the first season (first year of the contract) but is subject to a price variation in seasons two and three (years two and three of the contract) to a maximum of the Consumer Price Index (CPI) for the preceding year. For estimation purposes, a 2% CPI increase was applied to the rates in seasons two and three.

Tenderer	Year 1 (Season 1)	Year 2 (Season 2)	Year 3 (Season 3)	Total (Seasons 1, 2 and 3)
Surf Life Saving Western Australia Incorporated	\$213,179	\$217,443	\$221,792	\$652,414

During 2020-21, the City incurred \$202,097 for beach lifeguard patrol services. The City is expected to incur in the order of \$652,414 over the three-year contract period.

Evaluation Summary

Tenderer	Weighted Percentage Score	Qualitative Ranking	Estimated Total Price (Seasons 1, 2 and 3)	Price Ranking
Surf Life Saving Western Australia Incorporated	85.9%	Not applicable	\$652,414	Not applicable

Based on the evaluation result the panel concluded that the tender from Surf Life Saving Western Australia Incorporated provides value to the City and is therefore recommended.

Issues and Options Considered

The City has a requirement for the provision of beach lifeguard patrol services to the City's beaches located in Sorrento, Hillarys Marina and Mullaloo. The City does not have the internal resources to provide the required services and requires the appropriate external contractor to undertake the works.

Legislation / Strategic Community Plan / Policy Implications

Legislation A state-wide public tender was advertised, opened and evaluated in accordance with regulations 11(1) and 18(4) of Part 4 of the *Local Government (Functions and General) Regulations 1996*, where tenders are required to be publicly invited if the consideration under a contract is, or is estimated to be more, or worth more, than \$250,000.

Strategic Community Plan

Key theme Community Wellbeing.

Objective Community safety.

Strategic initiative Build a community that works in partnership with government and non-government organisations to achieve real and long-lasting improvements in safety and wellbeing.

Policy Not applicable.

Risk Management Considerations

Should the contract not proceed, the risk to the City will be moderate as the City would have no lifeguard presence on the City's beaches during weekdays which may impact on the safety of beach patrons.

It is considered that the contract will represent a low risk to the City as the recommended tenderer is well established with significant industry experience and proven capacity to provide the services to the City.

Financial / Budget Implications

Account no.	443-A4408-3359-4020.
Budget Item	Beach Lifeguard Patrol Services.
Budget amount	\$ 206,138
Amount spent to date	\$ 0
Proposed cost	\$ 213,179
Balance	\$ (\$7,041)

The tender exceeds the budget amount of \$206,138. Additional funds to cover the funding gap will be sought at the 2021-22 Mid-Year Budget Review.

All amounts quoted in this Report are exclusive of GST.

Regional Significance

Not applicable.

Sustainability Implications

The provision of a mid-week beach lifeguard patrol service ensures the safety of beach patrons on City beaches.

Consultation

Not applicable.

COMMENT

ITEM 6 2021-22 BUDGET AMENDMENT – GRANT FUNDING FOR CAPITAL WORKS

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Corporate Services
FILE NUMBERS	109072, 101515
ATTACHMENT	Nil
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting, and amending budgets.

PURPOSE

For Council to approve amendments to the adopted *2021-22 Budget* reflecting new grants arising from 2021 State Government Election Commitments.

BACKGROUND

At the recent State Government election, the State Government made several funding commitments for various projects within the City of Joondalup.

Grant funding agreements have now been received from the Department of Local Government, Sport and Cultural Industries (DLGSCI) reflecting the commitment made to some of these projects. Initial and progressive grant payments will be received according to the milestones set out in each separate agreement. None of these projects are currently listed within the *2021-22 Adopted Budget*. It is therefore necessary to amend the budget to include these projects into the 2021-22 capital expenditure to ensure they are completed within the timeframe stipulated within the grant agreements.

DETAILS

The City has received five DLGSCI grant separate agreements in respect of the projects listed below. A review of the agreements indicates that only one of the projects will require a contribution from the City. The remaining projects are expected to be fully funded by the grants allocated to each project.

Project Name	Required Completion Date	Grant Allocated	COJ / Club Contribution	Project Type	Total Project Budget
Sorrento Football Club Facility Upgrade	15 June 2023	\$1,000,000	\$0	Capital Works	\$1,000,000
Mobile CCTV Cameras	15 June 2022	\$150,000	\$0	Capital Projects	\$150,000

Project Name	Required Completion Date	Grant Allocated	COJ / Club Contribution	Project Type	Total Project Budget
Windermere Park Upgrade cricket training nets and lighting	15 June 2022	\$80,000	\$0	Capital Works	\$80,000
Barridale Park Installation of additional cricket nets	15 June 2022	\$30,000	\$0	Capital Works	\$30,000
Kingsley Football Club Awning	15 June 2022	\$60,000	\$15,000 – COJ \$18,182 - Club	Capital Works	\$93,182
Total		\$1,320,000	\$33,182		\$1,353,182

As indicated in the table above the Kingsley Football Club Awning project will require a small contribution from the City towards the project to build an undercover area onto the existing club rooms. The City contribution is due to a request by the City to incorporate improved stormwater capture into the footprint of the proposed covered area.

The Sorrento Football Club Facility Upgrade the grant funds both the design and construction of the project. The FIFA Women's World Cup 2023 is being jointly hosted by Australia and New Zealand, and the Sorrento Football Club has been included as a training venue for participating teams. The proposed construction is scheduled to commence in July 2022 with completion anticipated in March 2023 prior to the FIFA Women's World Cup in July 2023.

Issues and Options Considered

Option 1 – Do not amend the adopted 2021-22 Budget

Council can choose not to amend the adopted 2021-22 Budget. This would restrict the City's ability to incur the necessary expenditure to complete these projects within the grant agreement timeframes.

This option is not recommended.

Option 2 – Amend the adopted 2021-22 Budget

Council can choose to amend the adopted 2021-22 Budget. This will allow the City to incur the necessary expenditure to complete the identified State Government Election Commitments within the grant agreement conditions.

This option is recommended.

Legislation / Strategic Community Plan / Policy Implications

Legislation

Section 6.8 of the *Local Government Act 1995*.

- (1) *A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —*
 - (a) *is incurred in a financial year before the adoption of the annual budget by the local government; or*
 - (b) *is authorised in advance by resolution*; or*

(c) *is authorised in advance by the mayor or president in an emergency*

(1a) *In subsection (1) — additional purpose means a purpose for which no expenditure estimate is included in the local government’s annual budget.*

** Absolute majority required*

Strategic Community Plan

Key theme Financial Sustainability.

Objective Effective management.

Strategic initiative Not applicable.

Policy Not applicable.

Risk Management Considerations

The City’s ability to complete the designated projects within the grant agreement timeframes will be impacted in without the approval to incur the necessary expenditure. The amendment is essential to ensure the City is able to meet the grant funding requirements.

Any delays in progressing the Sorrento Football Club facility upgrade may jeopardise the use of the facility as a training option for the FIFA Women’s World Cup 2023.

Financial / Budget Implications

The total additional expenditure required in 2021-22 for the designated projects is \$1,353,182 which comprises:

- \$1,203,182 to be added to *Capital Works Program* in the adopted *2021-22 Budget*
- \$150,000 to be added to *Capital Projects* in the adopted *2021-22 Budget*.

The value of grants approved to fund these projects is \$1,320,000. The remaining \$33,182 is a combination of a contribution of \$18,182 from the Kingsley Football Club and \$15,000 to be contributed by the City which is expected to be met by savings identified during the Mid-Year Budget Review.

Regional Significance

Not applicable.

Sustainability Implications

Not applicable.

Consultation

Not applicable.

COMMENT

The State Government has approved grants to be provided to the City for projects that were identified for support as part of state election commitments. The amendments proposed to the adopted *2021-22 Budget* will allow the City to incur the necessary expenditure to complete these projects as required under the grant agreements.

VOTING REQUIREMENTS

Absolute Majority.

RECOMMENDATION

That Council **BY AN ABSOLUTE MAJORITY:**

- 1 **AMENDS** the adopted *2021-22 Budget* by the addition of \$1,203,182 to the *Capital Works Program* for the following projects:
