Chivas Enterprises Pty Ltd (Mayday Services) All requirements have been met.	Yes	Chivas Enterprises Pty Ltd (Mayday Services) was established in 1992. Its head office is in Wangara and it has branches in Busselton and Northam and has been servicing local Shires, Civil and Earthmoving companies for almost three decades. An organisation chart and details of key personnel including their years of industry experience, skills and qualifications were provided. Its Submission included a list of major plant and equipment which consists of over 250 pieces of plant. It submitted information on afterhours contacts for emergency requirements, response time needed for non-programmed requests and it has alternative supply options should plant be not available. It did not address its ability to provide additional personnel if required.	The company demonstrated substantial experience in providing similar services to various local governments, currently providing plant hire and operators including provision of plant hire services to the City of Wanneroo, provision of trucks and tracked skid steer loaders to the City of Canning, hire of trucks and miscellaneous plant to the City of Vincent and wet and dry plant hire to the Shire of Serpentine. Dates, values and outcomes of all these projects were provided.	It demonstrated a good understanding of the requirements. It provided details of its delivery methods, systems and processes, availability of product, delivery operators and escort personnel, alternative supply options and safe working procedures were provided in its OHS manual. Four case studies were given, relating to remote breakdown response, fit-for-purpose equipment in extreme conditions, servicing regional customers and ability to meet urgent deadlines.	Mayday Services currently has 4 employees who live within the City's boundaries. It stated it will ensure that it uses all fuel and transport companies from within the area. It currently is a major sponsors of the Joondalup-Kinross Junior football club.	58.3%	\$773,195	1
