The substance of this petition will be considered as part of this process.</p> <p><b><u>Update as at November 2021</u></b>  At its meeting held on 21 July 2020, Council endorsed ceasing of the use of glyphosate within playspaces on City parks and reserves. The City, therefore, no longer uses this specific herbicide for the eradication of weeds within playspaces. In almost all instances, the City only uses a combination of mechanical control such as the use of whipper snippers and physical control by hand weeding.</p>

PETITION DETAILS	DATE OF PRESENTATION TO COUNCIL	STATUS	COMMENT
			<p>Only in circumstances, such as for the removal of couch grass which is very difficult to control, would the City consider using a selective herbicide which is approved by the Australian Pesticides and Veterinary Medicines, such as <i>Fluazifop</i> (Fusilade), for the control of grasses.</p> <p>The City is currently reviewing the <i>Weed Management Plan</i> which is scheduled to be considered by Council in 2022-23.
