City of Joondalup

minutes

Ordinary Meeting of Council

MEETING HELD ON **TUESDAY 22 JULY 2025**

Acknowledgement of Traditional Custodians

The City of Joondalup acknowledges the traditional custodians of the land, the Whadjuk people of the Noongar nation, and recognises the culture of the Noongar people and the unique contribution they make to the Joondalup region and Australia. The City of Joondalup pays its respects to their Elders past and present and extends that respect to all Aboriginal and Torres Strait Islander peoples.

TABLE OF CONTENTS

1 ACKNOWLEDGEMENT OF TRADITIONAL CUSTODIANS 5

2 DECLARATION OF OPENING AND ANNOUNCEMENT OF VISITORS 5

3 DECLARATIONS OF FINANCIAL INTEREST / PROXIMITY INTEREST / INTEREST THAT MAY AFFECT IMPARTIALITY.....6

4 DEPUTATIONS.....8

5 PUBLIC QUESTION TIME 8

6 PUBLIC STATEMENT TIME 21

7 APOLOGIES AND LEAVE OF ABSENCE 24

8 CONFIRMATION OF MINUTES 25

9 ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION.....26

10 IDENTIFICATION OF MATTERS FOR WHICH THE MEETING MAY BE CLOSED TO THE PUBLIC 28

11 PETITIONS 29

11.1 PETITION IN RELATION TO OPPOSING THE REDEVELOPMENT OF GLENGARRY SHOPPING CENTRE (DA25/0332) AT 59 ARNISDALE ROAD, DUNCRAIG.....29

12 REPORTS 30

12.1 DEVELOPMENT AND SUBDIVISION APPLICATIONS - MAY 2025 (WARD - ALL) 30

12.2 PROPOSED ROAD RESERVE MODIFICATIONS - OCEAN REEF ROAD, HEATHRIDGE AND WOODVALE (WARD - NORTH-CENTRAL, CENTRAL) 35

12.3 CONFIDENTIAL - STATUS OF LEGAL ACTIONS REPORT (WARD - ALL) 41

12.4 APPOINTMENT OF REPRESENTATIVES TO REGIONAL COUNCILS AND WALGA NORTH METROPOLITAN ZONE - WHEN TO CONSIDER (WARD - ALL) 42

12.5 STATUS OF COUNCIL DECISIONS - JULY 2025 (WARD - ALL).....46

12.6 MINUTES OF REGIONAL COUNCIL MEETINGS (WARD - ALL) 49

12.7 WESTERN AUSTRALIAN LOCAL GOVERNMENT ASSOCIATION 2025 ANNUAL GENERAL MEETING DELEGATES (WARD - ALL) 51

12.8 ELECTED MEMBER TRAINING AND DEVELOPMENT SCHEDULE 2024-25 (WARD - ALL).....55

12.9 LOCAL GOVERNMENT REFORM CONSULTATION - COMMUNICATIONS AGREEMENTS (WARD - ALL).....60

12.10 REVIEW OF PRESENTATION OF PETITIONS PROTOCOL (WARD - ALL)66

12.11 CONFIDENTIAL - SIGNIFICANT EVENT PLANNING 2026+ (WARD - ALL)76

12.12 LIST OF PAYMENTS MADE DURING THE MONTH OF MAY 2025 (WARD-ALL).....77

12.13 FINANCIAL ACTIVITY STATEMENT FOR MAY 2025 (WARD - ALL).....81

12.14 CARD TRANSACTIONS FOR THE MONTH OF MAY 2025 (WARD - ALL)..88

12.15 TENDER 009/25 PROVISION OF NON-CHEMICAL APPLICATION FOR CONTROL OF WEEDS TO NOMINATED LOCATIONS (WARD - ALL).....91

12.16 TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION - FIREBREAKS AND FUEL LOAD REDUCTION (WARD - ALL).....92

12.17 CITY OF JOONDALUP DRAFT ROAD SAFETY MANAGEMENT PLAN 2025 - 2035 (WARD - ALL).....101

13 REPORTS OF COMMITTEES.....108

14 REPORTS OF THE CHIEF EXECUTIVE OFFICER.....108

14.1 CONFIDENTIAL - TENDER 004/25 PROVISION OF LANDSCAPE AND IRRIGATION MAINTENANCE SERVICES - BURNS BEACH ESTATE (WARD - NORTH).....109

14.2 CONFIDENTIAL - TENDER 005/25 PROVISION OF LANDSCAPE AND IRRIGATION MAINTENANCE SERVICES - HARBOUR RISE ESTATE (WARD - SOUTH-WEST).....110

15 URGENT BUSINESS.....111

16 MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN.....111

16.1 NOTICE OF MOTION NO. 1 - CR DANIEL KINGSTON - ELECTED MEMBER DINNERS AND ELECTED MEMBERS' ENTITLEMENTS COUNCIL POLICY 111

CONFIDENTIAL REPORTS.....114

12.3 CONFIDENTIAL - STATUS OF LEGAL ACTIONS REPORT (WARD - ALL) 114

12.11 CONFIDENTIAL - SIGNIFICANT EVENT PLANNING 2026+ (WARD - ALL) 115

12.15 TENDER 009/25 PROVISION OF NON-CHEMICAL APPLICATION FOR CONTROL OF WEEDS TO NOMINATED LOCATIONS (WARD - ALL).....118

14.1 CONFIDENTIAL - TENDER 004/25 PROVISION OF LANDSCAPE AND IRRIGATION MAINTENANCE SERVICES - BURNS BEACH ESTATE (WARD - NORTH) 124

14.2 CONFIDENTIAL - TENDER 005/25 PROVISION OF LANDSCAPE AND IRRIGATION MAINTENANCE SERVICES - HARBOUR RISE ESTATE (WARD - SOUTH-WEST) 126

17 ANNOUNCEMENTS OF NOTICES OF MOTION FOR THE NEXT MEETING 129

18 CLOSURE 129

CITY OF JOONDALUP

COUNCIL MEETING HELD IN THE COUNCIL CHAMBER, JOONDALUP CIVIC CENTRE, BOAS AVENUE, JOONDALUP ON TUESDAY 22 JULY 2025

1 ACKNOWLEDGEMENT OF TRADITIONAL CUSTODIANS

2 DECLARATION OF OPENING AND ANNOUNCEMENT OF VISITORS

2.1 MEETING OPENING AND ATTENDANCE

The Deputy Mayor declared the meeting open at 6.31pm.

Deputy Mayor:

CR ADRIAN HILL

Councillors:

CR LEWIS HUTTON	North Ward	
CR DANIEL KINGSTON	North Central Ward	*absent from 8.40pm to 8.42pm*
CR CHRISTOPHER MAY, JP	Central Ward	*absent from 9.12pm to 9.15pm*
CR REBECCA PIZZEY	Central Ward	*absent from 7.38pm to 7.41pm*
CR RUSS FISHWICK, JP	South Ward	
CR CHRISTINE HAMILTON-PRIME, JP	South-West Ward	
CR PHILLIP VINCIULLO	South-West Ward	
CR JOHN CHESTER	South-East Ward	
CR ROHAN O'NEILL	South-East Ward	

Officers:

MR JAMES PEARSON	Chief Executive Officer	
MR JAMIE PARRY	Director Governance and Strategy	
MR MAT HUMFREY	Director Corporate Services	
MR NICO CLAASSEN	Director Infrastructure Services	
MR CHRIS LEIGH	Director Planning and Community Development	
MR RYAN FERTS	Manager Asset Management	
MRS KYLIE BERGMANN	Manager Governance	
MS HANNAH TAGORE	Manager Communications and Stakeholder Relations	*to 9.18pm*
MR STUART MCLEA	Media and Communications Officer	*to 8.39pm*
MRS VIVIENNE STAMPALIJA	Governance Coordinator	
MRS DEBORAH GOUGES	Senior Governance Officer	
MS CAITLIN WOOD	Governance Officer	

There were 33 members of the public and no member of the press in attendance.

2.2 REQUESTS FOR ELECTRONIC ATTENDANCE

Nil.

3 DECLARATIONS OF FINANCIAL INTEREST / PROXIMITY INTEREST / INTEREST THAT MAY AFFECT IMPARTIALITY

3.1 DISCLOSURES OF INTEREST AFFECTING IMPARTIALITY

Elected Members (in accordance with clause 22 of Schedule 1 of the *Local Government [Model Code of Conduct] Regulations 2021*) and employees (in accordance with the Code of Conduct) are required to declare any interest that may affect their impartiality in considering a matter. This declaration does not restrict any right to participate in or be present during the decision-making process. The Elected Member / employee is also encouraged to disclose the nature of their interest.

Name / Position	**Mr Chris Leigh, Director Planning and Community Development.**
Meeting Type	Ordinary Meeting of Council.
Meeting Date	22 July 2025.
Item No. / Subject	Item 11.1 – Petition in Relation to Opposing the Redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	The lead petitioner is known to Mr Leigh in a personal capacity.

Name / Position	**Cr Christine Hamilton-Prime, JP.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 12.11 - Confidential - Significant Event Planning 2026+ (Ward - All).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	The operator of the Joondalup Festival of Motoring is known to Cr Hamilton-Prime.

Name / Position	**Cr Lewis Hutton.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 12.11 - Confidential - Significant Event Planning 2026+ (Ward - All).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Cr Hutton's family operate a business in the Joondalup Central Business District (CBD).

Name / Position	**Cr John Chester.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 12.16 - Tender 012/25 Mechanical Bushfire Mitigation - Firebreaks and Fuel Load Reduction (Ward - All).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	The owners of Natural Area Holdings Pty Ltd are known to Cr Chester.

Name / Position	**Cr Rebecca Pizzey.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 12.17 - City of Joondalup Draft Road Safety Management Plan 2025 - 2035 (Ward - All).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Cr Pizzey has family who live on Burleigh Drive, Burns Beach.

Name / Position	**Cr Adrian Hill.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 14.1 - Confidential - Tender 004/25 Provision of Landscape and Irrigation Maintenance Services - Burns Beach Estate (Ward - North).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Cr Hill lives in the Burns Beach Special Area Rating (SAR) area.

Name / Position	**Cr Lewis Hutton.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 14.1 - Confidential - Tender 004/25 Provision of Landscape and Irrigation Maintenance Services - Burns Beach Estate (Ward - North).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Members of the Burns Beach Residents Association are known to Cr Hutton.

Name / Position	**Cr Rebecca Pizzey.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 14.1 - Confidential - Tender 004/25 Provision of Landscape and Irrigation Maintenance Services - Burns Beach Estate (Ward - North).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Cr Pizzey has family who live in Burns Beach.

Name / Position	**Cr Christine Hamilton-Prime, JP.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 14.2 - Confidential - Tender 005/25 Provision of Landscape and Irrigation Maintenance Services - Harbour Rise Estate (Ward - South-West).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Members of Harbour Rise Homeowners Association are known to Cr Hamilton-Prime.

Name / Position	**Cr Phillip Vinciullo.**
Meeting Type	Ordinary Council Meeting.
Meeting Date	22 July 2025.
Item No. / Subject	Item 14.2 - Confidential - Tender 005/25 Provision of Landscape and Irrigation Maintenance Services - Harbour Rise Estate (Ward - South-West).
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	Harbour Rise Estate Association members are known to Cr Vinciullo.

4 DEPUTATIONS

This item was dealt with at the Briefing Session.

5 PUBLIC QUESTION TIME

5.1 QUESTIONS ASKED PRIOR TO AND VERBALLY AT THE BRIEFING SESSION HELD ON 8 JULY 2025

Questions asked prior to and verbally at the Briefing Session held on 8 July 2025 are included in the Agenda for this Ordinary Meeting of Council.

5.2 QUESTIONS ASKED PRIOR TO AND VERBALLY AT THE COUNCIL MEETING HELD ON 22 JULY 2025

The following summarised questions were received prior to the Council meeting held on 22 July 2025:

S Thompson, Duncraig:

Re: Shade Sail Installation and Funding.

Q1 Can the City please provide a list of all City managed parks currently equipped with shade sails?

Q2 Can the City provide a breakdown of which installations were funded by the City, and which were funded or co-funded through State Government contributions (such as, via local members)? Please include the dollar value, year of installation and funding source for each.

A1&2 The current list of artificial shade provision within the City is provided below, which were funded by City unless otherwise indicated.

Park	Suburb	Install Date	Cost
Harbour View Park	Hillarys	Pre 2007	Developer
Blackall Park	Greenwood	November 2009	$11,000
Tom Simpson Park North	Mullaloo	October 2012	Part of a larger upgrade
McIntyre Park	Burns Beach	December 2014	Developer
Tom Simpson Park South	Mullaloo	December 2018	$50,000
Burns Beach Park	Burns Beach	December 2018	$50,000
Delamere Park	Currambine	December 2018	$50,000
Seacrest Park	Sorrento	November 2020	$58,000
Sir James McCusker Park	Iluka	November 2020	$50,000
Penistone Park	Greenwood	November 2021	$75,000
Braden Park	Marmion	April 2022	$25,000
Hillarys Beach Park	Hillarys	April 2022	$95,000
Beldon Park	Beldon	September 2022	$75,000
Iluka Beach Park	Iluka	March 2023	$50,000
Marri Park	Duncraig	February 2024	$50,000

Q3 *In regard to the 2025-26 Muni-funded Installations, can the City advise which playgrounds are scheduled to receive shade sails funded by Municipal funds in the 2025-26 Capital Works Program?*

A3 The FY2025-26 budget includes an amount of $50,000 for the installation of shade sails listed under project PEP2776. The location identified for FY2025-26 in Pinnaroo Point Beach Park playspace.

Q4 *In relation to question 3, is this list in addition to the Hillarys Beach Club shade sails recently announced by Caitlin Collins MLA as part of a State Election commitment?*

A4 In early July 2025, the City received confirmation from the State Government that a contribution of $50,000 each would be made for the installation of artificial shade at the Pinnaroo Point Beach Park and at Haddington Park.

Q5 *Can the City advise why has the Shade Sail Installation Program been removed from the 2027-28 Capital Works Budget?*

A5 The previously listed funding for FY2027-28 for PEP2776 Shade Sail Installation Program has been allocated to the Whitfords West Playspace Renewal Project (PEP2899) in 2027-28.

C Vermaak, Iluka:

Re: Item 12.15 – Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations.

Q1 In regard to renewing the non-chemical weeding contract, the new contract has exactly the three nominated locations as the previous contract for the last three years.

Can the City advise where is the intention to reduce reliance on the chemical weeding methods?

A1 As detailed in the City's *Weed Management Plan 2023-2033* (the Plan*)*, one of the objectives of the Plan is to reduce the reliance on herbicide use by increasing non-chemical weed control methods, where appropriate. The City's recommendation to Council to accept the tender submitted to Greensteam Australia Pty Ltd aligns with the goal in the Plan by using steam weeding in appropriate areas to treat weeds, therefore reducing chemical weed control reliance.

It must be noted that non-chemical treatments include manual/physical removal and steam/hot water treatments, which are selected to meet the characteristics of each area, which includes treatment area (scale) and terrain type. The City has a separate contract in place for manual hand weeding, which is widely used within natural areas where appropriate. However, manual removal is highly labour-intensive and not feasible for large-scale application. Similarly, while steam weeding is a non-chemical option, it is costly and unsuitable for uneven terrain and areas with dense vegetation, making it impractical for use across most of the City's natural areas.

Additionally, in alignment with Council's decision of 28 May 2024 (CJ117-05/24 refers), a consultant has been engaged by the City to undertake an assessment on the feasibility of reducing the amount of glyphosate and other pesticides over a three to five year period with options for targets of 50%, 70% and 90% reductions. A report is being prepared for consideration by Elected Members.

Re: Meeting Procedures.

Q2 Can the Council please consider not asking for addresses when Public Statements are being made for privacy reasons?

These requirements are preventing people with domestic violence and other personal circumstances to make statements so not all public members can be heard.

A2 Clause 5.8(3) of the *City of Joondalup Meeting Procedures Local Law 2013* provides that *'a member of the public wanting to make a public statement must first state their name and full address.'*

At its meeting held on 13 December 2022 (CJ218-12/22 refers), Council reviewed the City's *Meeting Procedures Local Law 2013* and resolved to:

"MOVED Cr Jones, SECONDED Cr Logan that Council:

1 NOTES the current review of the City of Joondalup Meeting Procedures Local Law 2013;

2 AGREES to make no changes to the City of Joondalup Meeting Procedures Local Law 2013, given the impending Local Government reforms, in particular the standardisation of meeting procedures."

At its meeting held on 23 April 2024 (CJ081-04/24 refers), Council endorsed its position regarding the (former) Department of Local Government, Sport and Cultural Industries' invitation to comment on proposed standardised meeting procedures and resolved in part to inform the Department that: *"the City is supportive of the requirement for members of the public to provide their name and suburb/locality only (not any other information) before asking a question";*

The Department has yet to advise of a proclamation date for the standardised meeting procedures.

Q3 Can the City advise why only a Christian and Aboriginal introduction to the meetings is appropriate and not other religions and beliefs that members of Joondalup Council have?

A3 Clause 4.3(1) of the *City of Joondalup Meeting Procedures Local Law 2013* provides for the order of business at an ordinary meeting of Council.

The opening prayer and acknowledgement of country is typically given prior to the opening of the meeting and is at the discretion of the Presiding Member.

P Thompson, Duncraig:

Re: Shade Sail Installation and Funding.

Q1 Can the City advise how it ensures equitable access to shaded playgrounds across suburbs?

A1 The City uses a prioritisation matrix to guide the installation of shade sails over playgrounds.

Q2 *What is the basis for the decisions made in choosing a playspace?*

A2 As per A1 above, the City uses a prioritisation matrix to guide decisions around the installation of shade sails over playgrounds. The matrix considers several factors, including the following:

- **Park classification** – Regional parks receive the highest weighting, followed by district and then neighbourhood parks. The City's *Public Open Space Framework* does not recommend artificial shade in local parks. Playspaces located in higher-classification parks are prioritised as they attract users from a wider catchment area, helping to maximise community benefit.

- **Other artificial shade in the suburb** – Suburbs that already have shaded play spaces are ranked lower to ensure a more equitable distribution of shade infrastructure across the City.

- **Existing natural shade** – Sites with significant tree canopy coverage are given lower priority.

- **Access to the site** – Sites with limited constructability or difficult access are given lower priority.

Q3 *In cases where shade sails are funded by State Government contributions, such as the recent commitment at Hillarys Beach Club, can the City advise if it had any input into the selection of sites for these installations or are Elected State representatives now identifying locations independently of City strategy, community need, or usage data?*

A3 The playspace at Pinnaroo Point Beach Park had previously been identified by the City for the installation of shade sails in FY 2025-26 under PEP2776 Shade Sail Installation Program.

Elected State Representatives prioritise community needs based on their own assessment which may or may not include liaising with the City.

Q4 *In relation to question 3, how does the City ensure that this approach does not undermine equitable distribution or shift ongoing maintenance responsibilities unfairly onto ratepayers?*

A4 The City can accept or decline grant funding offered to the City via Election Commitments or request changes to a project scope to better meet community needs. It should be noted that changes to the project location are generally not possible.

Where possible, the City seeks to align externally funded projects with its existing strategies and priorities, including the equitable distribution of infrastructure across suburbs.

T Maxted, Woodvale:

Re: Native Tree Planting and Survival.

Q1 Can the City advise how many native trees is the City of Joondalup planting around the district in the 2025 calendar year, in order to reduce the urban heat impact and provide shading to protect residents and ratepayers?

For example; in parks, reserves and on verges (excluding the seedlings given away to the public and those being planted by Friends Groups and public volunteers such as Friends of Yellagonga and Beenyup Channel).

A1 The City has commenced its 2025 tree planting program and is scheduled to plant over 760 Australian Native trees.

Q2 Can the City advise what is the annual number of new native trees that are actually needed to be planted in the City of Joondalup every year in order to align with and reach the Western Australian target of doubling the existing tree canopy across all of Perth's suburban areas, to be able to reduce the urban heat impact and provide shading to protect us from worsening heatwaves?

A2 The State Government has committed to increase Perth and Peel urban tree canopy to 30% by 2040. This is an approach across the whole of the Perth and Peel region including areas not managed by local governments including residential and commercial land.

While not able to advise an annual number of new native trees needed to be planted annually, the City has two significant programs to increase canopy coverage to assist in mitigating the urban heat impact and provide shading, within its budget and resource limitations, as follows:

Under the first program, residents are able to request a free tree from the City's Preferred Tree Species list (which includes both native and exotic species) to be planted on the verge adjacent to their property. Although the result is not a uniform avenue aesthetic, the mix of species supports a high level of environmental biodiversity.

The second tree planting program is the *Leafy City Program* which commenced in 2017. *The Leafy City Program*, delivered as a no opt-out program, is designed to specifically assist in combating the heat-island effect through increased tree canopy. Every two years, extensive heat and tree canopy mapping is undertaken throughout the City in order to identify the hot-spot suburbs and to monitor ongoing canopy gains and losses across the City. The *Leafy City Program* is rolling out through Joondalup's 22 suburbs, prioritising the hottest suburbs first. The *Leafy City Program* was launched in May 2017 and to date, over 6,700 new trees have been added to the urban canopy among the City's neighborhoods.

Q3 *Can the City advise what is the current survival rate of these plantings by the City of Joondalup?*

A3 The City tree planting survival rate is around 90%.

Q4 *Can the City advise what is the City of Joondalup's practical plan for 2025 and 2026 to increase survival of new plantings, ensuring these trees make it through our increasingly hotter and dry months?*

A4 Factors affecting survival rates include vandalism, meteorological conditions, geological conditions, individual and group tree species biology and batches, the changing climate and inputs such as watering planting detail and aftercare.

Although the City already achieves a high survival rate in a challenging environment, the City trials, as part of a continuous improvement regime, various nutrient and fertilizer products to assist in holding water and providing the trees with the required nutrients to ensure they are properly established. The City also orders stock from accredited nurseries well in advance of the planting programs to enable the inspection stock during the growing periods in the nurseries. This helps to guarantee the delivery of healthy, vigorous tree stock for planting.

A Clarke, Connolly:

Re: *Item 12.15 - Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations*

Q1 *Volunteers work for hours at a time and do not want to be subjected to any remaining chemical residue as marker dye is often not visible, and signs are removed.*

Will the City consider extending the non-chemical weed and grass control to Bush areas that are weeded by City's Friends groups?

A1 Non-chemical weed control methods in bushland such as the use of steam, particularly for grasses, are not feasible due to the high labour intensity and cost, limited effectiveness on established weeds, application restraints and non-selective nature which can impact adjacent native species.

In addition to the many hours of hand weeding conducted by our Friends Group volunteers, the City works with our Friends Groups to implement 'non-chemical' hand weeding by providing special purpose grant funding for the groups to engage contractors. The City also conducts hand weeding in natural areas with either staff or engaging contractors.

Q2 *Streetscapes, playgrounds and so on are treated with non-chemical spray. Can the City advise are people in the Central Business District, children in schools and playgrounds more important and protected than volunteers working in our natural areas?*

A2 The City uses a range of weed control methods tailored to each environment based on effectiveness, public use, and environmental impact. In high-use public spaces like streetscapes and playgrounds, non-chemical options may be prioritised where practical, due to the frequency of human contact and accessibility of the terrain.

However, the scale, complexity of vegetation communities, and prevalence of invasive species in natural areas make exclusive use of non-chemical weed control methods impractical and often ineffective in maintaining the biodiversity of our bushlands. These methods are significantly more labour intensive, may cause ground disturbance and negative impacts to native vegetation, and can be cost prohibitive without delivering the same level of control.

The City's integrated weed management approach is conducted in accordance with regulatory requirements and consideration of community wellbeing and public health.

Q3 *Could the City please consider implementing changes so that only non-chemical weed control is approved for all our natural areas?*

A3 As per A2 above, the City implements an integrated weed management approach with a range of weed control methods tailored to each environment based on effectiveness, public use, and environmental impact. Volunteer safety is a priority, and all chemical use in natural areas is undertaken in accordance with relevant safety guidelines and regulations, with notifications and signage provided.

B Gould, Iluka:

Re: *City of Joondalup WALGA Local Government Awards in 2025.*

Q1 *Can the City please advise which City of Joondalup Councillors or officers were nominated for WALGA Local Government Awards in 2025?*

A1 Mayor Albert Jacob, Councillor Jones and Councillor Hamilton-Prime.

Q2 *Can the City please advise* what roles or achievements were cited in those nominations?

A2 The nominations addressed the criteria required (refer to answer to Question 3) and were assessed by the WALGA awards panel. It is not the practice of the City to make the supporting statements for each nomination available for public review.

Q3 *Can the City please advise what the process is for deciding who is put forward for such awards and if the criteria and supporting statements for each nomination is available for public review?*

A3 Elected Members and officers are advised by the Administration of the opportunity to nominate for the Awards.

Nominations for awards can be made by either a Local Government which is a member of WALGA, or a WALGA State Councillor. Nomination forms must be signed by the person nominating and a second person supporting the nomination. For nominations of Elected Members by a Local Government, the Nominator and second person must be an Elected Member or CEO of the Local Government. For nominations made by a WALGA State Councillor, the second person must be another State Councillor or an Elected Member or the CEO from the Nominee's Local Government.

The criteria for the relevant awards are as follows:

Eminent Service Award (awarded to the Mayor and Cr Jones):

- Significant and distinguished participation and contribution to WALGA, Local Government and/or the Local Government sector.
- Demonstrated record of leadership and commitment to Local Government.

Troy Pickard Young Achievers Award (awarded to Cr Hamilton-Prime):

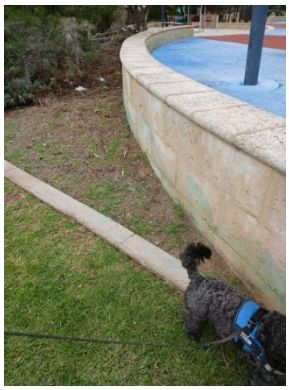

- Notable contributions to Local Government.
- Demonstrated ability to make sustained and significant contributions to Local Government.
- Demonstrated leadership.
- Commitment to ongoing self-development and professional learning.

It is not the practice of the City to make the supporting statements for each nomination available for public review.

Re: *Playground Overspray, Compliance and Reporting and Expanding Non-Chemical Weeding Across the City.*

Q4 *Recent photographs (taken on Friday 18 July 2025) from Delamere Park in Currambine show blue dye overspray inside the playground, including the internal play wall and surrounding boundary pavers. My understanding is that herbicide spraying is prohibited within playgrounds under current City policies.*

These images clearly demonstrate the unsuitability of chemical herbicides in such high-use, sensitive public spaces (in school holidays when visitation is even more frequent) and the potential benefit of non-chemical options such as steam. Given the high dog use of local parks, ongoing resident concerns, and increased interest in child-safe, nature-friendly weed control:

Can the City please confirm the current exclusion zones and spraying restrictions around playgrounds and other sensitive public areas (such as; dog parks); and outline contractor compliance measures, including how spraying is monitored and audited?

A4 The City confirms it uses alternative methods, such as steam/hot water, for weed control in the CBD, within 50 metres of school zones, and within the footprint of playspaces. Elcar Dog Park uses steam/hot water for the control of weeds on hardstand and mulch areas.

One of the supplied photos from Delamere Park appears to show chemicals being used inside the playspace footprint. This is contrary to contractors' scope of works and the City will investigate further with this contractor.

Q5 Can the City please advise how residents can report breaches and what response / feedback processes are in place?

A5 The City can be notified via email to info@joondalup.wa.gov.au. The City will undertake an investigation to substantiate the information provided and provide feedback as per its normal practice.

M Kwok, Ocean Reef:

Re: Positions Vacant Since 30 June 2022.

Q1 The City stated that 219 employees (casual, part time and full time) engaged under the City of Joondalup Inside Workforce Enterprise Agreement 2018 have left the City since 30 June 2022.

Can the City advise how many of these positions have been filled?

A1 The majority of the 161 positions which were permanent, part-time or full-time would have been filled to meet the City's operational requirements. Of the 58 casual positions, these would have been replaced on an as needed basis.

A specific response to the question is unable to be provided as the City does not have this information in an easily accessible format, and it would divert the local government's resources away from its other functions which the Council has endorsed as priority activities in the *Corporate Business Plan*. Section 5.95 of the *Local Government Act 1995* provides that a person's right to inspect information referred to in section 5.94 does not extend to the inspection of information:

(a) which is not current at the time of inspection; and
(b) which, in the CEO's opinion, would divert a substantial and unreasonable portion of the local government's resources away from its other functions.

The Chief Executive Officer has determined that in accordance with s5.95 of the *Local Government Act 1995* the information will not be researched and collated.

Q2 Can the City advise how many of these positions have not been filled?

A2 A specific response to the question is unable to be provided as the City does not have this information in an easily accessible format, and it would divert the local government's resources away from its other functions which the Council has endorsed as priority activities in the *Corporate Business Plan*. Section 5.95 of the *Local Government Act 1995* provides that a person's right to inspect information referred to in section 5.94 does not extend to the inspection of information:

(a) which is not current at the time of inspection; and
(b) which, in the CEO's opinion, would divert a substantial and unreasonable portion of the local government's resources away from its other functions.

The Chief Executive Officer has determined that in accordance with s5.95 of the *Local Government Act 1995* the information will not be researched and collated.

Re: HCL Australia Pty Ltd Contract for Enterprise Business Platform (EBP) Implementation Services.

Q3 Can the City provide the date of commencement of the service?

A3 18 November 2022.

Q4 Can the City advise what is the period (term) of the contract?

A4 Two years from the commencement date.

Re: Chemical Weed Management.

Q5 Given that the Federal Regulator, Australian Pesticides and Veterinary Medicines Authority (APVMA), is not responsible for the licensed pesticides listed after the point of sales.

Can the City advise who is liable for harm and injury as a result of exposure to these chemicals?

A5 The APVMA regulate the use of pesticides in Australia, which includes label instructions for application of the products. Any instances of harm or exposure to pesticides would require evidence to prove that the pesticide in question was applied contrary to label instructions. If this were the case, the user may be found liable. City staff and contractors who use pesticides apply each pesticide as per the label instructions, and the City has systems in place to ensure that this is done correctly, and pesticide use and application is monitored accordingly to ensure that label instructions are strictly followed at all times.

In Western Australia, the Department of Health plays a key role in ensuring the safe use of pesticides and managing public health risks associated with their application. The Department provides guidance and regulation on the public health aspects of pesticide use under the *Health (Pesticides) Regulations 2011*, ensuring pesticides are used safely in both public and private settings.

The following summarised questions were submitted verbally at the Council meeting held on 22 July 2025:

T Maxted, Woodvale:

Re: Tree Planting.

Q1 *How many native trees does the City plan to plant in 2026, excluding seedlings given away to the public and those planted by volunteers, in order to urgently reduce the urban heat impact and provide shading?*

A1 The Director Infrastructure Services responded that the question will be taken on notice to provide the specific number. The City plants approximately 1,500-2,000 trees under the Leafy City Program, which will continue in 2026. As part of the City's Street Tree Program, the City plants approximately 600-700 trees, with a similar number also planted in parks.

The question was taken on notice and the following response is now provided by the City:

The City is still in the planning phase for the 2026 winter tree planting program and the 2026 Leafy City Program, final numbers for both programs are due to be finalised by 31 August 2025. As of 24 July 2025, the City plans to plant 1,239 Australian native trees next winter.

Q2 *Is the City replacing the noticeable number of dead trees lost each year through record heat waves, brought on by man-made climate change?*

A2 The Director Infrastructure Services responded that the City does consistently replace street trees as they die. Street trees are lost for several reasons including excessive heat, the harsh environment in the road reserve and vandalism.

T Mijat, Kingsley:

Re: Twickenham Drive Wall Investigation.

Q1 *In relation to the City's Twickenham Drive wall investigation, given that the post construction noise monitoring at 3 Edmonton Place, Kingsley, does not comply with State Planning Policy 5.4, would the City be willing to request that Main Roads WA redo the monitoring in accordance with the policy's placement requirements?*

A1 The Director Planning and Community Development answered that the City has been engaging with Main Roads WA as the investigation into the noise wall along Twickenham Drive progresses. The City can request that Main Roads WA redo the monitoring if it is found to be not in adherence to *State Planning Policy 5.4*.

Q2 *Can the request to Main Roads WA be made this week, given the urgency of completing compliant monitoring before final reporting is due in August?*

A2 The Director Planning and Community Development answered that the City is willing to follow up on the matter in the week, subject to clarifying the details with the resident.

M Sideris, Mullaloo:

Re: Project Axiom - Availability of the Business Plan.

Q1 *Regarding the Axiom Project, and costs incurred of more than $6 million, can the City advise when the business plan will be made publicly available?*

A1 The Chief Executive Officer responded that the question will be taken on notice to confirm whether the business plan, which was previously made available to Council, can be made publicly available.

Q2 *As the $6 million costs are incurred by this City, it can be assumed that the business plan is a public document and the question remains, when will it be made publicly available?*

A2 The Chief Executive Officer responded that the question will be taken on notice.

The questions were taken on notice and the following response is now provided by the City:

A1-2 The 2021 Business Case for the Core Systems Refresh and Customer Service Enhancement Project, known as Project Axiom, is not readily available as a public document. Decisions on access to such documents are made via the *Freedom of Information Act 1992*, to ensure the appropriate release of information and documents. Online application forms and details of fees and charges can be found on the City's website.

S Apps, Woodvale:

Re: Petition for Extension of Hillary's Dog Beach/Dog Management Review.

Q1 *In November 2022, a petition with 600 signatures was presented for the extension of Hillarys' dog beach. At that time, the Council decided to roll this into the Dog Management Review. This report is to be presented in quarter 1, 2025-26. Can the City confirm if the Dog Management Review will be presented in August or September?*

A1 The Director Infrastructure Services responded that the report was presented to Elected Members at a confidential Strategy Session in July of this year. Following the feedback of that session, a draft plan will be developed for Elected Members' consideration.

6 PUBLIC STATEMENT TIME

The following summarised statements were submitted verbally at the Council meeting held 22 July 2025:

M O'Byrne, Kinross:

Re: Item 11.1 – Petition in Relation to Opposing the Redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.

Ms Mary O'Byrne raised concerns regarding the proposed development at Glengarry Shopping Centre. Ms O'Byrne emphasised that the development does not align with the City's Local Commercial Strategy as it will negatively impact on the viability of the neighbouring shopping centres. Ms O'Byrne explained that there are already six Woolworths supermarkets in under a 10-minute drive of Duncraig. Ms O'Byrne referenced *State Planning Policy 4.2*, describing the requirement that an activity centre network should meet community needs, not undermine established hierarchies. Ms O'Byrne stated that the large size of the development is unjustified.

Ms O'Byrne explained that Culloden Road will be hugely impacted, with Woolworths delivery trucks likely to cause disruption for those staying at the Sandalwood Palliative Care Unit. Ms O'Byrne warned the Council of the risks to community safety that will arise due to increased traffic that is unsupported by the area.

L Mansfield, Duncraig:

Re: Item 11.1 – Petition in Relation to Opposing the Redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.

Mrs Lisa Mansfield addressed the Council to express deep concern about the scale and design of the proposed development of Glengarry Shopping Centre. Mrs Mansfield described the structure as overwhelmingly large and imposing. Mrs Mansfield explained that the design contradicts the City's planning policies, which outline that building heights should respond to local context, and developments should enhance the streetscape. Mrs Mansfield noted that the design is out of character with the neighbourhood, which consists of single-story brick homes and a modest hospital, all set back with mature trees and well-maintained landscaping. Mrs Mansfield raised concerns over the proposed building's harsh and oversized concrete and metal facade, the minimal landscaping and an illuminated sign facing the residential street. Mrs Mansfield explained that the proposal spans 5000 square metres, exceeding the City's recommended 4000 square metre threshold. Mrs Mansfield requested a reduction to the building size, improved aesthetics and a greater setback to allow for more landscaping.

L Mansfield, Duncraig:

Re: Item 11.1 – Petition in Relation to Opposing the Redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.

Mr Luke Mansfield spoke on behalf of the residents of Culloden Road, Duncraig, to emphasise that Culloden Road is a quiet street, free from commercial intrusion, and not a Woolworths service road. Mr Mansfield stated that the proposal to open vehicle access from Culloden Road to the new shopping centre, particularly for trucks, is both poor planning and a breach of residents' trust. Mr Mansfield stated that the plan will shatter the character of the street and cause traffic congestion and increase the risk of traffic incidents. Mr Mansfield referred to Woolworths' statement in 2024 that the two access points existing on Arnisdale Road are sufficient. Mr Mansfield explained that the excessive size of the proposed development displaces its' operational burden onto the quiet street of Culloden Road. Mr Mansfield described the application as misleading and ambiguous and urged the Council to represent the residents and protect the character, safety and trust that define Culloden Road.

B Gould, Iluka:

Re: Public Participation in Public Question Time and Public Statement Time.

Ms Bettina Gould spoke to promote respectful communication during Council Meetings, particularly in relation to the treatment of community members during public question and statement times. Ms Gould expressed the hope that public participation could be strengthened through supporting improvements that create a welcoming experience for the community. Ms Gould acknowledged that rules and time limits are necessary for orderly meetings, however suggested that they be applied with compassion and kindness to foster a culture of mutual respect between Council and the community it serves. Ms Gould shared her experience as someone who is comfortable speaking publicly in many professional contexts and yet finds the Council environment intimidating. Ms Gould described many cases of community members being cut off whilst speaking and suggested that allowing sentences to be finished would create a more respectful culture.

M Kwok, Ocean Reef:

Re: Item 12.15 – Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations.

Ms Michele Kwok addressed the Council to emphasise community concern around the use of glyphosate in public spaces. Ms Kwok stated that since September 2019, following a petition of 1500 signatures asking Council to reduce glyphosate, there have been a further 517 questions to Council, 73 statements, 16 Annual General Meeting motions, 17 Deputations and a petition from residents of Burns Beach and Illuka supporting 24-hour signage for glyphosate use in Special Area Rates areas. Ms Kwok described progress within the City of Stirling, where a 5-year glyphosate reduction plan sets out the replacement of glyphosate with 100% steam by December of 2025. Ms Kwok compared this to the City of Joondalup, which has not expanded the contract for non-chemical weeding voted on by Council in 2021.

Ms Kwok requested that Council acknowledge ongoing concerns regarding the application of controversial chemicals in public open spaces, and adopt a proactive approach to expanding non-chemical weeding locations.

A Clarke, Connolly:

Re: Item 12.15 – Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations.

Mrs Ann Clarke, representative of the Friends of Carnaby Reserve group, spoke on behalf of residents of Connolly to request that the City consider expanding non-chemical weed and grass control further into natural areas. Mrs Clarke described that Friends Groups volunteers regularly work for several hours at a time, whilst trying to avoid areas that may have been sprayed with herbicides. Mrs Clarke noted insufficient markings, with signage being removed as soon as spraying is completed. Mrs Clarke explained that the continued use of herbicides affects soil health and its' ability to support plant life, reducing soil enzyme activity and disrupting beneficial microbial relationships that are particularly important for native orchids. Mrs Clarke explained that only using hand removal of weeds would result in a much healthier bush area and stop the systemic elimination of wildlife.

J Grorud, Joondalup:

Re: Item 12.15 – Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations.

Ms Joanne Grorud raised concerns regarding the use of glyphosate and emerging evidence revealing links to cancer. Ms Grorud emphasised that the City has a duty of care to ensure that weeding methods do not cause harm to people, pets or the environment. Ms Grorud referred to a comprehensive global study on glyphosate from Professor Michael Antoniou, published on the 10th of June in the Environmental Health Journal. The study confirms that glyphosate and glyphosate-based herbicides cause multiple types of cancer, even at exposures levels deemed to be safe by the EU. Ms Grorud urged the City to begin ceasing the use of glyphosate and other controversial chemicals immediately. Ms Grorud expressed the hope that the Council will support the expansion of the non-chemical weeding contract to include more locations, without delay.

T Fairlie, Hillarys:

Re: Item 12.15 – Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations.

Mrs Teresa Fairlie addressed the Council to promote non-chemical weed management by describing the results achieved by local volunteers who came together to hand weed on Deverall Square and Cumberland Drive, Hillarys. Mrs Fairlie stated that in October of 2024, six residents took part in a three-hour busy bee to clean up the excessive weeds that existed at the roundabout and entrance to Deverall Square. Mrs Fairlie explained that despite the weeds being removed, the City's contractors still arrived a week later to spray glyphosate. Mrs Fairlie described that fortunately one of the volunteers was present at the time to inform the contractor that it would no longer be necessary. Mrs Fairlie explained that after discussing the toxic effects of glyphosate, some of her neighbours adopted the use of non-toxic homemade weed killer for their driveways. Mrs Fairlie stated that when comparing the results of the hand-weeded roundabout with a roundabout on Cumberland Drive that had been sprayed with glyphosate, it was apparent that the location sprayed with glyphosate had more significant regrowth of weeds.

7 APOLOGIES AND LEAVE OF ABSENCE

7.1 LEAVE OF ABSENCE PREVIOUSLY APPROVED

Mayor Albert Jacob, JP	12 July to 27 July 2025 inclusive.
Cr John Raftis	23 July to 10 August 2025 inclusive.
Cr Nige Jones	27 July to 7 August 2025 inclusive.
Cr Daniel Kingston	5 August and 12 August 2025 inclusive.
Cr John Raftis	11 August to 14 August 2025 inclusive.
Cr Daniel Kingston	2 September, 9 September and 30 September 2025 inclusive.
Cr John Raftis	8 September to 11 September 2025 inclusive.
Cr Daniel Kingston	7 October 2025 inclusive.

7.2 APOLOGIES

Cr Nige Jones.
Cr John Raftis.

7.3 REQUEST FOR LEAVE OF ABSENCE – CR O'NEILL, CR HUTTON, CR KINGSTON AND CR MAY, JP
(Resolution No: CJ188-07/25)

MOVED Cr O'Neill, SECONDED Cr Hamilton-Prime that Council APPROVES the request for leave of absence from Council duties for:

1 Cr O'Neill covering the period 5 August to 8 August 2025 inclusive;

2 Cr Hutton covering the period 9 August to 31 August 2025 inclusive;

3 Cr Kingston covering the period 14 August 2025 inclusive;

4 Cr May covering the period 29 August 2025 inclusive.

The Motion was Put and CARRIED (10/0)

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

8 CONFIRMATION OF MINUTES

8.1 MINUTES OF THE ORDINARY COUNCIL MEETING HELD ON 24 JUNE 2025
(Resolution No: CJ189-07/25)

MOVED Cr O'Neill, SECONDED Cr Vinciullo that the Minutes of the Council Meeting held on 24 June 2025 be CONFIRMED as a true and correct record.

The Motion was Put and CARRIED (10/0)

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

9 ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION

Elected Member Recognition

Deputy Mayor Hill started by offering the Council and City's congratulations to Joondalup Mayor Albert Jacob, South West Ward Councillor Christine Hamilton-Prime and North Central Ward Councillor Nige Jones on their recognition at the Western Australia Local Government Association's 2025 Local Government Awards.

Deputy Mayor Hill said that these prestigious awards recognise the time, dedication, and commitment shown by individuals toward the continual advancement of the local government sector, in alignment with the needs of their community.

Deputy Mayor Hill announced that Mayor Jacob and Cr Jones both received Eminent Service Awards.

Deputy Mayor Hill shared that Cr Jones has been a North Central Ward Councillor for 10 years, while the Mayor, a former Councillor who also served as a State Member of Parliament and WA Environment Minister, is now in his eighth year leading our City.

Deputy Mayor Hill acknowledged that Councillor Hamilton-Prime, elected to Council aged 19, was awarded the Troy Pickard Young Achiever's Award, which recognises those aged 35 years or younger for notable contributions to local government, a strong commitment to community service and demonstrated potential for professional success.

Deputy Mayor Hill advised that the award is named in honour of the late Troy Pickard, who served a distinguished 11-year term as Mayor of the City of Joondalup from 2006 to 2017.

Joondalup 2050 – Investing in the Vision

Deputy Mayor Hill shared that the Hon Dr Anne Aly MP, Federal Minister for Small Business, International Development and Multicultural Affairs; and Member for Cowan, will provide the keynote address at the City's August Business Forum.

Deputy Mayor Hill advised that a panel discussion will follow to explore the theme: J*oondalup 2050 – Investing in the Vision.*

Deputy Mayor Hill said that about 200 members of the local business community and key City stakeholders are expected to attend the forum at Joondalup Resort on Thursday 14 August 2025 in recognition of our City as a destination of choice for business investment and development.

Deputy Mayor Hill commented that this event builds on the success of our last forum in December, which was themed *Joondalup 2050 – Realising the Vision,* and featured a keynote address by Premier, Roger Cook.

Deputy Mayor Hill advised that tickets are available at joondalup.wa.gov.au

Building Bridges

Deputy Mayor Hill announced that construction is set to begin on a new pedestrian bridge over Kingsley's Moolanda Boulevard, replacing the previous 37-metre timber structure, which was demolished in September 2022 due to structural concerns.

Deputy Mayor Hill stated that the new three-span bridge will be built using steel and concrete and is designed to last 100 years.

Deputy Mayor Hill advised that enhancements will include upgraded access ramps and path alignment and improved lighting to boost safety.

Deputy Mayor Hill noted that this critical infrastructure project is co-funded by the Federal Government's Thriving Suburbs Program, Main Roads WA and the City of Joondalup.

Burns Beach Upgrade

Deputy Mayor Hill announced that exciting changes are underway as the long-awaited Burns Beach foreshore upgrades officially begin.

Deputy Mayor Hill shared that the highlights of the revitalisation project include the following:

- A vibrant adventure playground.
- New barbecue and picnic facilities.
- A spacious gathering area for community events.
- Over 100 new parking bays.
- A striking two-storey café/restaurant.

Deputy Mayor Hill commented that more than 10 years in the making, this project reflects extensive community engagement and all work is expected to be completed in 2028.

10 IDENTIFICATION OF MATTERS FOR WHICH THE MEETING MAY BE CLOSED TO THE PUBLIC

- Item 12.3 – Confidential - Status of Legal Actions Report (Ward – All).
- Item 12.11 – Confidential - Significant Event Planning 2026+ (Ward – All).
- Confidential Attachment 12.15.3 - Item 12.15 - Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations (Ward - All).
- Confidential Attachment 12.16.3 - Item 12.16 - Tender 012/25 Mechanical Bushfire Mitigation - Firebreaks and Fuel Load Reduction (Ward - All).
- Item 14.1 – Confidential – Tender 004/25 Provision of Landscape and Irrigation Maintenance Services – Burns Beach Estate (Ward – North).
- Item 14.2 – Confidential - Tender 005/25 Provision of Landscape and Irrigation Maintenance Services – Harbour Rise Estate (Ward – South-West).

MOTION TO CHANGE ORDER OF BUSINESS
(Resolution No: CJ190-07/25)

MOVED Cr Hutton, SECONDED Cr Vinciullo that Council, in accordance with clause 14.1 of the *City of Joondalup Meeting Procedures Local Law 2013*, suspends the operation of clause 4.3 – Order of Business of the *City of Joondalup Meeting Procedures Local Law 2013*, to enable the consideration of:

1 Item 12.3 - Confidential – Status of Legal Actions Report (Ward – All);

2 Item 12.11 – Confidential – Significant Event Planning 2026+ (Ward – All);

3 Item 12.15 – Tender 009/25 Provision of Non-Chemical Application for Control of Weeds to Nominated Locations (Ward – All);

4 Item 14.1 – Confidential - Tender 004/25 Provision of Landscape and Irrigation Maintenance Services – Burns Beach Estate (Ward – North);

5 Item 14.2 – Confidential - Tender 005/25 Provision of Landscape and Irrigation Maintenance Services – Harbour Rise Estate (Ward – South-West),

to be discussed after "Motions of which previous notice has been given".

The Motion was Put and CARRIED (9/1)

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Cr Kingston.

11 PETITIONS

Disclosure of Interest affecting Impartiality

Name / Position	**Mr Chris Leigh, Director Planning and Community Development.**
Meeting Type	Ordinary Meeting of Council.
Meeting Date	22 July 2025.
Item No. / Subject	Item 11.1 – Petition in Relation to Opposing the Redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.
Nature of Interest	Interest that may affect impartiality.
Extent of Interest	The lead petitioner is known to Mr Leigh in a personal capacity.

11.1 PETITION IN RELATION TO OPPOSING THE REDEVELOPMENT OF GLENGARRY SHOPPING CENTRE (DA25/0332) AT 59 ARNISDALE ROAD, DUNCRAIG.

A 627 signature petition has been received from residents of the City of Joondalup in relation to opposing the redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ191-07/25)

MOVED Cr Fishwick, SECONDED Cr Vinciullo that the following petitions be RECEIVED and REFERRED to the Chief Executive Officer for action:

1 A 627 signature petition in relation to opposing the redevelopment of Glengarry Shopping Centre (DA25/0332) at 59 Arnisdale Road, Duncraig.

The Motion was Put and CARRIED (10/0)

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

12 REPORTS

12.1 DEVELOPMENT AND SUBDIVISION APPLICATIONS - MAY 2025 (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Chris Leigh Director Planning and Community Development
FILE NUMBER	07032, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the number and nature of applications considered under delegated authority during May 2025.

EXECUTIVE SUMMARY

Schedule 2 (deemed provisions for local planning schemes) of the *Planning and Development (Local Planning Schemes) Regulations 2015* (the Regulations) provide for Council to delegate powers under a local planning scheme to the Chief Executive Officer (CEO), who in turn has delegated them to employees of the City.

The purpose of delegating certain powers to the CEO and officers is to facilitate the timely processing of development and subdivision applications. The framework for the delegations of those powers is set out in resolutions by Council and is reviewed annually, or as required.

This Report identifies the development applications determined by the administration under delegated authority powers during May 2025 (Attachment 1 refers), as well as the subdivision application referrals processed by the City during May 2025 (Attachment 2 refers).

BACKGROUND

Clause 82 of schedule 2 (deemed provisions for local planning schemes) of the Regulations enables Council to delegate powers under a local planning scheme to the CEO, and for the CEO to then delegate powers to individual employees. At its meeting held on 27 May 2025 (CJ113-05/25 refers), Council considered and adopted the most recent Town Planning Delegations.

DETAILS

Subdivision Referrals

The number of subdivision and strata subdivision referrals processed under delegated authority during May 2025 is shown in the table below:

Type of subdivision referral	Number of referrals	Potential additional new lots
Subdivision applications	2	1
Strata subdivision applications	15	20
TOTAL	**17**	**21**

Of the subdivision referrals, 12 were to subdivide in housing opportunity areas, with the potential for 17 additional lots.

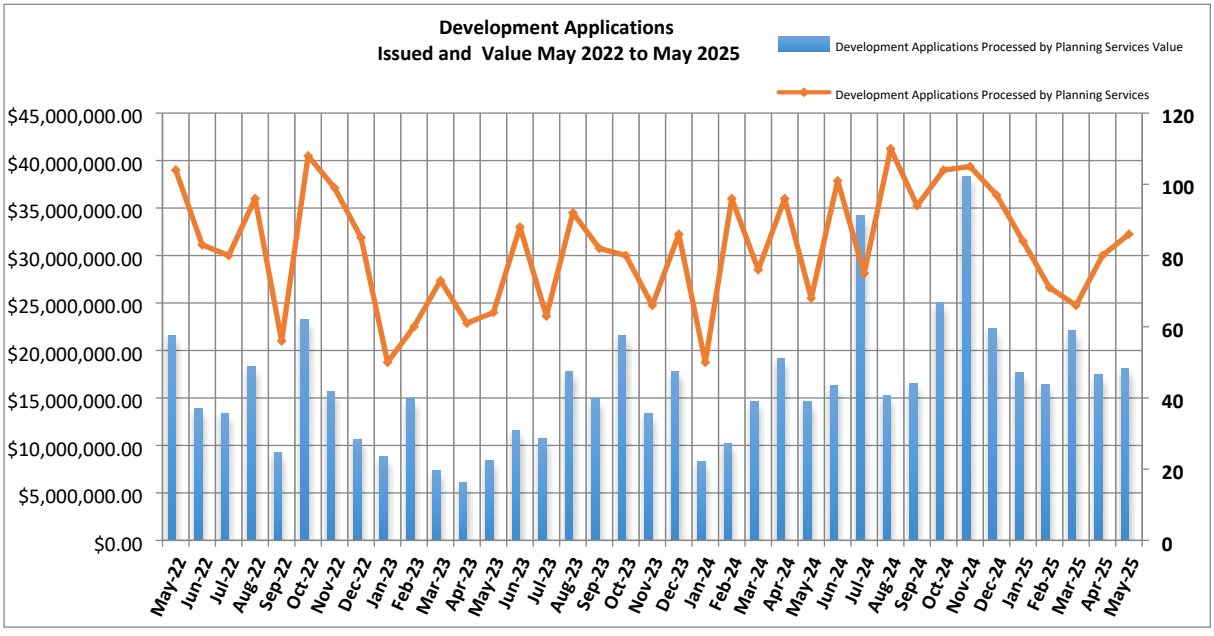

Development Applications

The number of development applications determined under delegated authority during May 2025 is shown in the table below:

	Number	Value ($)
Development applications processed by Planning Services	86	$18,077,859.84

Of the 86 development applications, 11 were for new dwelling developments in housing opportunity areas, proposing a total of 15 additional dwellings.

The total number and value of development applications determined between May 2022 and May 2025 is illustrated in the graph below:

The number of development applications received during May 2025 was 80.

The number of development applications current at the end of May was 182. Of these, 13 were pending further information from applicants and 12 were being advertised for public comment.

In addition to the above, 215 building permits were issued during the month of May with an estimated construction value of $44,152,619.79.

Issues and options considered

Not applicable.

Legislation / Strategic Community Plan / Policy implications

Legislation *City of Joondalup Local Planning Scheme No. 3.*
Planning and Development (Local Planning Schemes) Regulations 2015.

10-Year Strategic Community Plan

Key theme 3. Place.

Outcome 3-2 Well-planned and adaptable - you enjoy well-designed, quality buildings and have access to diverse housing options in your neighbourhood.

Policy Not applicable.

Clause 82 of Schedule 2 of the Regulations permits the local government to delegate to a committee or the local government CEO the exercise of any of the local government's powers or the discharge of any of the local government's duties. Development applications were determined in accordance with the delegations made under Clause 82 of Schedule 2 of the Regulations.

All subdivision applications were assessed in accordance with relevant legislation and policies, and a recommendation made on the applications to Western Australian Planning Commission.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	DECISIONS	REPUTATION
Risk Event Description	Ineffective / improper decision making	Loss of community trust
Risk Responsibility	Director Governance and Strategy	Chief Executive Officer
Residual Risk	High	
Control Effectiveness	Strong	
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.	
Risk Control	The relevant control, to mitigate risk, is the detailed practices within the delegation process including supported by peer review, to ensure decisions taken are lawful, proper and consistent.	

Financial / budget implications

A total of 86 development applications were determined for the month of May with a total amount of $57,735.07 received as application fees.

All amounts quoted in this report are exclusive of GST.

Regional significance

Not applicable.

Sustainability implications

Not applicable.

Consultation

Consultation may be required by the provisions of the R-Codes, any relevant policy and/or LPS 3 and the Regulations.

COMMENT

Large local governments use levels of delegated authority as a basic business requirement in relation to town planning functions. The process allows for timeliness and consistency in decision-making for rudimentary development control matters. The process also allows the elected members to focus on strategic business direction for the Council, rather than day-to-day operational and statutory responsibilities.

All proposals determined under delegated authority are assessed, checked, reported on and cross checked in accordance with relevant standards and codes.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ192-07/25)

MOVED Cr Hutton, SECONDED Cr Fishwick that Council NOTES the determination and recommendations made under delegated authority in relation to the:

1 development applications described in Attachment 1 to this Report during May 2025;

2 subdivision applications described in Attachment 2 to this Report during May 2025.

The Motion was Put and CARRIED (10/0) by Exception Resolution after consideration of Item 12.17.

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

2. Subdivision Referrals - May 2025 [**12.1.2** - 1 page]

12.2 PROPOSED ROAD RESERVE MODIFICATIONS - OCEAN REEF ROAD, HEATHRIDGE AND WOODVALE (WARD - NORTH-CENTRAL, CENTRAL)

WARD	North-Central Central
RESPONSIBLE DIRECTOR	Mr Chris Leigh Director Planning and Community Development
FILE NUMBER	10831, 101515
AUTHORITY / DISCRETION	Administrative - Council administers legislation and applies the legislative regime to factual situations and circumstances that affect the rights of people. Examples include town planning applications, building licences and other decisions that may be appealable to the State Administrative Tribunal.

PURPOSE

For Council to consider a proposal to rectify two identified road reserve anomalies associated with Ocean Reef Road.

EXECUTIVE SUMMARY

Main Roads WA manages the extent of Ocean Reef Road in the City of Joondalup and has advised that it is seeking to rectify two identified anomalies associated with existing Ocean Reef Road infrastructure in Heathridge and Woodvale. In both cases, the location of the existing road infrastructure does not align with the formal road reserve, and it is proposed to rectify the anomalies by increasing the road reserve.

Section 56 of the *Land Administration Act 1997* allows the Minister for Lands to dedicate land as a road. Public advertising is not required for these proposals.

The proposals are administrative in nature, and it is recommended that Council advises Main Roads WA that it supports a request for the Minister for Lands for dedicate additional portions of land as Ocean Reef Road road reserve.

BACKGROUND

Suburb/Location		Ocean Reef Road, Heathridge and Woodvale.
Applicant		Main Roads WA.
Owner		Crown.
Zoning	**LPS**	Public Open Space; Other Regional Road.
	MRS	Urban; Other Regional Road.

DETAILS

Ocean Reef Road, Heathridge

Main Roads WA has identified that a portion of the existing roundabout and associated footpath at Ocean Reef Road and Craigie Drive is located outside of the existing road reserve boundary. It is proposed to extend the road reserve to accommodate the existing infrastructure within a 323m^2 portion of land currently designated as Conidae Park which is under a management order to the City of Joondalup (Attachment 1 refers).

Although the City will be required to concede 323m^2 of Conidae Park (currently 20,828m^2 in area), given that the area is already utilised for the road infrastructure, there is not considered to be any impact on Conidae Park, or its use as a park, and the proposal is therefore supported.

It is noted that an amendment to the Metropolitan Region Scheme is currently being progressed by the Department of Planning, Lands and Heritage to reclassify the identified portion of land required for road reserve from 'Urban' to 'Other Regional Road' in line with the rest of Ocean Reef Road.

Ocean Reef Road, Woodvale

Main Roads WA has identified that a portion of the existing Ocean Reef Road is located within a portion of land that is managed by the Department of Biodiversity, Conservation and Attractions (DCBA). It is proposed to correct the road reserve by incorporating 1,025m^2 of land which accommodates the existing road infrastructure. It is noted that a fence is already located on the proposed road reserve boundary alignment. The proposal is supported by DCBA (Attachment 2 refers).

It is noted that the portion of land required for road reserve is already reserved as 'Other Regional Road' under the Metropolitan Region Scheme.

Issues and options considered

Council may choose to:

- support the proposals to rectify the Ocean Reef Road road reserve anomalies
  or
- not support the proposals to rectify the Ocean Reef Road road reserve anomalies.

Legislation / Strategic Community Plan / Policy implications

Legislation *Land Administration Act 1997.*

10-Year Strategic Community Plan

Key theme 3. Place.

Outcome 3-1 Connected and convenient - you have access to a range of interconnected transport options.

Policy Not applicable.

Land Administration Act 1997 – Section 56

In accordance with Section 56 of the *Land Administration Act 1997*, the Minister for Lands can dedicate land as a road. There are no requirements to advertise proposals under this section.

Main Roads WA has advised that it will progress the proposed road reserve modifications to the Department of Planning, Lands and Heritage who will manage the dedication of the portions of land as a road.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**
Risk Event Description	Ineffective / improper decision making
Risk Responsibility	Director Governance and Strategy
Residual Risk	High
Control Effectiveness	Strong
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.
Risk Control	The relevant control, to mitigate risk, is the provision of a report detailing administrative requirements to align the road reserve with existing road infrastructure.

Financial / budget implications

Main Roads WA manages the extent of Ocean Reef Road within the City of Joondalup.

There are no financial implications for the City as Main Roads WA has confirmed that they will be responsible for survey and other related costs associated with road dedication process.

Regional significance

Not applicable.

Sustainability implications

Not applicable.

Consultation

There is no requirement under Section 56 of the *Land Administration Act 1997* to advertise proposals to dedicate land is a road.

COMMENT

The proposal will rectify the identified anomalies to the Ocean Reef Road road reserve only, and no physical changes are proposed to the existing Ocean Reef Road infrastructure. It is therefore recommended that Council support the proposals.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION

That Council:

1 SUPPORTS the dedication of the land shown in Main Roads Land Dealing 2560-009 (Attachment 1 refers) as a road pursuant to Section 56 of the *Land Administration Act 1997;*

2 SUPPORTS the dedication of the land shown in Main Roads Land Dealing 2560-011 (Attachment 2 refers) as a road pursuant to Section 56 of the *Land Administration Act 1997;*

3 ADVISES Main Roads WA of the above.

ALTERNATE RECOMMENDATION / COUNCIL RESOLUTION

MOVED Cr May, SECONDED Cr Pizzey that Council:

1 SUPPORTS the dedication of the land shown in Main Roads Land Dealing 2560- 009 (Attachment 1 refers) as a road pursuant to Section 56 of the *Land Administration Act 1997*;

2 SUPPORTS the dedication of the land shown in Main Roads Land Dealing 2560- 011 (Attachment 2 refers) as a road pursuant to Section 56 of the *Land Administration Act 1997*;

3 REQUESTS that Main Roads WA investigates the need for a noise wall parallel to Fleetwood Circuit, Woodvale;

4 ADVISES Main Roads WA of Council's decision.

During debate it was requested that Parts 3 and 4 be voted upon separately.

ALTERNATE RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ193-07/25)

MOVED Cr May, SECONDED Cr Pizzey that Council:

1 SUPPORTS the dedication of the land shown in Main Roads Land Dealing 2560- 009 (Attachment 1 refers) as a road pursuant to Section 56 of the *Land Administration Act 1997*;

2 SUPPORTS the dedication of the land shown in Main Roads Land Dealing 2560- 011 (Attachment 2 refers) as a road pursuant to Section 56 of the *Land Administration Act 1997*;

12.3 CONFIDENTIAL - STATUS OF LEGAL ACTIONS REPORT (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr James Pearson Chief Executive Officer
FILE NUMBER	72574
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

This item was dealt with later in the meeting, after 'Motions of which previous notice has been given', page 114 refers.

12.4 APPOINTMENT OF REPRESENTATIVES TO REGIONAL COUNCILS AND WALGA NORTH METROPOLITAN ZONE - WHEN TO CONSIDER (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr James Pearson Chief Executive Officer
FILE NUMBER	03149, 44155, 00033, 101515
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to consider when to appoint representatives to the Mindarie Regional Council (MRC), Catalina Regional Council (CRC) and WALGA North Metropolitan Zone following the 2025 local government elections.

EXECUTIVE SUMMARY

Following the local government elections to be held on Saturday 18 October 2025, consideration is required to be given to the appointment of representatives to various Council created and external committees / boards.

The City of Joondalup has representation on the MRC, CRC and the WALGA North Metropolitan Zone. Council is required to appoint two elected members to the MRC, and two elected members to the CRC.

Council is also required to appoint four Elected Members to the WALGA North Metropolitan Zone, as well as first, second, third and fourth deputy members.

It has been requested that a report be presented to Council to consider when to present the report for the appointment of representatives to the MRC, CRC and WALGA North Metropolitan Zone.

It is therefore recommended that Council CONSIDERS the appointment of representatives to the MRC, CRC and WALGA North Zone, at the Special Meeting of Council tentatively scheduled for Monday 3 November 2025.

BACKGROUND

A Special Meeting of Council was held on 25 October 2023, following the Local Government election on 21 October 2023, to elect the Deputy Mayor and appoint representatives to the MRC, CRC and WALGA North Metropolitan Zone.

The appointment of representatives to the MRC , CRC and WALGA North Zone was deferred to the Special Meeting of Council held on 6 November 2023, to allow newly elected members sufficient time to consider the appointments.

DETAILS

The 2025 local government elections will be held on Saturday, 18 October 2025.

The elections will be to elect six Councillors whose terms all expire in 2025, (being Councillors Hill, Chester, Fishwick, Hamilton-Prime, May and Kingston), and the Mayor Hon Albert Jacob.

The 2025 Swearing-in Ceremony and Special Meeting of Council, to elect the Deputy Mayor and appoint representatives to the MRC, CRC and WALGA North Metropolitan Zone, is tentatively scheduled for Wednesday 22 October 2025.

In previous years the Council has elected representatives to the MRC, CRC and WALGA North Zone at this first Special Council Meeting. However, in 2023 this item was deferred to the Special Council meeting held later in November.

A second Special Meeting of Council is tentatively scheduled for Monday 3 November 2025 to appoint representatives to Council-created committees, to appoint Presiding and Deputy Presiding Members of those committees, and to appoint representatives to external committees and boards.

Given there are no meetings held by the regional councils in late October, and on the understanding there is a need for Elected Members to discuss suitable appointments, it is recommended that this item be presented to the Special Council meeting to be held on Monday 3 November 2025.

Issues and options considered

Council may choose to:

- consider the appointment of representatives to the MRC, CRC and WALGA North Metropolitan Zone at the Special meeting of Council tentatively scheduled for Wednesday 22 October 2025
  or
- consider the appointment of representatives to the MRC, CRC and WALGA North Metropolitan Zone at the Special meeting of Council tentatively scheduled for Monday 3 November 2025 (recommended).

Legislation / Strategic Community Plan / Policy implications

Legislation *Local Government Act 1995*.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-1 Capable and effective - you have an informed and capable Council backed by a highly-skilled workforce.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**
Risk Event Description	Ineffective / improper decision making
Risk Responsibility	Director Governance and Strategy
Residual Risk	High
Control Effectiveness	Strong
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.
Risk Control	The relevant control, to mitigate risk, is the provision of a report recommending timing for the appointment of representatives Council created and external committees / boards.

Other risk information

There is no legislative requirements on when to consider the appointment of representatives to the MRC, CRC and WALGA North Metropolitan Zone. However, it is preferable to make the appointments before each of the Regional Councils and WALGA North Zone hold meetings following the 2025 local government elections.

If the Council does not appoint representatives to the MRC, CRC and the WALGA North Metropolitan Zone, this may hinder the overall decision-making process.

Financial / budget implications

Not applicable.

Regional significance

The MRC and CRC are significant organisations within the northern metropolitan corridor, dealing with waste treatment / disposal and land development, respectively.

The WALGA North Metropolitan Zone deals with issues that affect the Zone members both regionally and operationally as local governments.

Sustainability implications

Not applicable.

Consultation

Not applicable.

COMMENT

The timely appointment of the City of Joondalup's representatives to the MRC, CRC and the WALGA North Metropolitan Zone will ensure the City is represented on these organisations, enabling them to participate in decision-making that may impact the City.

VOTING REQUIREMENTS

Simple Majority.

Cr Pizzey left the Chamber at 7.38pm.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ194-07/25)

MOVED Cr Hutton, SECONDED Cr Chester that Council CONSIDERS the appointment of representatives to the Mindarie Regional Council, Catalina Regional Council and WALGA North Zone, at the Special Meeting of Council tentatively scheduled for Monday 3 November 2025.

The Motion was Put and CARRIED (9/0)

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill and Cr Vinciullo.
Against the Motion: Nil.

12.5 STATUS OF COUNCIL DECISIONS - JULY 2025 (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Jamie Parry Director Governance and Strategy
FILE NUMBER	48638, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

To inform Council of the action taken in relation to Council decisions.

EXECUTIVE SUMMARY

At its meeting held on 22 August 2023 (CJ169-08/23 refers), Council endorsed a monthly report to Council on all outstanding matters that direction has been given on, including an update on any legal action that may have a contingent liability and are unresolved.

It is therefore recommended that Council NOTES the Status of Council Decisions Report for the month of July 2025, as provided in Attachment 1 to this Report.

BACKGROUND

At its meeting held on 22 August 2023 (CJ169-08/23 refers), Council resolved as follows:

"That Council REQUESTS the Chief Executive Officer to prepare a monthly report to Council, on all outstanding matters that direction has been given on, including an update on any legal action that may have a contingent liability and are unresolved."

A monthly report on all outstanding Council decisions and any action that has been taken in relation to them has been presented to the Council from 1 July 2023.

The content and format of outstanding legal matters is the subject of a separate report to Council.

DETAILS

The Status of Council Decisions Report (Actions Register) is included as Attachment 1 to this Report.

The Status of Council Decisions Report details all outstanding items where a decision has been made by Council and/or a Committee and a status update has been provided by relevant officers.

The Status of Council Decisions Report is run through Doc Assembler, which went live on 1 July 2023. Any actions that were outstanding prior to 1 July 2023, have been added into the system manually (historical actions). It is to be noted that these items do not have a date displayed in the 'Meeting Date' column. Rather, it is included under the 'Action Required' heading. From 1 July 2023, all actions will appear in the Register in date order.

The Status of Council Decisions Report also includes the completed items for the prior month.

Issues and options considered

Council may choose to:

- accept the Status of Council Decisions Report
  or
- not accept the Status of Council Decisions Report.

Legislation / Strategic Community Plan / Policy implications

Legislation Not applicable.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-1 Capable and effective - you have an informed and capable Council backed by a highly-skilled workforce.
5-3 Engaged and informed - you are able to actively engage with the City and have input into decision-making.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**	**EXPECTATIONS**	**REPUTATION**
Risk Event Description	Ineffective / improper decision making	Inability to understand community expectations	Loss of community trust
Risk Responsibility	Director Governance and Strategy		Chief Executive Officer
Residual Risk	High		
Control Effectiveness	Strong		
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.		
Risk Control	The relevant control, to mitigate risk, is the provision of an accurate monthly report to Council to inform on the progression of the implementation of Council decisions, by the responsible Director. In order to remain transparent, and to facilitate timely and appropriate decision making, it is recommended that action items be reviewed at each Council meeting.

12.7 WESTERN AUSTRALIAN LOCAL GOVERNMENT ASSOCIATION 2025 ANNUAL GENERAL MEETING DELEGATES (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Jamie Parry Director Governance and Strategy
FILE NUMBER	00033, 101515
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to give consideration to nominating delegates for the 2025 Annual General Meeting (AGM) of the Western Australian Local Government Association (WALGA) to be held on Tuesday 23 September 2025.

EXECUTIVE SUMMARY

The Annual General Meeting of WALGA will be held on Tuesday 23 September 2025 during the 2025 WA Local Government Convention.

All member local governments are entitled to be represented by two voting delegates at the Annual General Meeting, and delegates must register their attendance in advance.

The deadline for the registration of voting delegates is Monday 8 September 2025.

It is therefore recommended that Council NOMINATES:

1 Two voting delegates for the 2025 Annual General Meeting of the Western Australian Local Government Association to be held on Tuesday 23 September 2025;

2 Two proxy voting delegates for the 2025 Annual General Meeting of the Western Australian Local Government Association to be held on Tuesday 23 September 2025 in the event that Council's appointed representatives are unable to attend.

BACKGROUND

The Western Australian Local Government Association (WALGA) is an independent, member based, not-for-profit organisation representing and supporting the WA Local Government sector.

WALGA was formed on 6 December 2001 to provide a representative and united voice for Local Government in Western Australia. Prior to this, a number of membership-based representative structures existed to represent Local Government.

WALGA holds an Annual General Meeting for its members every year for the purpose of promoting local government issues of importance across the sector.

DETAILS

The 2025 WALGA Annual General Meeting will be held from 2.15pm on Tuesday 23 September 2025 at the Perth Convention and Exhibition Centre. Attendance at the Annual General Meeting is free of charge to all Elected Members and staff from Member Local Governments, of which the City of Joondalup is a member.

The full Notice of Meeting is detailed in Attachment 1 to this Report. The Guidelines for submission of member motions is detailed in Attachment 2 to this Report. A 2025 AGM member motion template is also provided at Attachment 3.

In order to participate in voting on matters received at the Annual General Meeting, each member Council must register its voting delegates by Monday 8 September 2025. Pursuant to the WALGA constitution, all member Councils are entitled to be represented by two voting delegates. Voting delegates may be either elected members or serving officers. Proxy voting is available where the Council's appointed representatives are unable to attend.

The current City of Joondalup members of the WALGA North Metropolitan Zone are as follows:

Members	Deputy Members
Mayor Albert Jacob JP	Cr Adrian Hill
Cr Russ Fishwick JP	Cr Christine Hamilton-Prime JP
Cr Lewis Hutton	
Cr John Raftis	

Cr Hutton and Cr Raftis are the City's delegate and deputy delegate respectively, to the WALGA State Council.

Issues and options considered

Not applicable.

Legislation / Strategic Community Plan / Policy implications

Legislation Not applicable.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-2 Proactive and represented- you are confident that the City is advocating on your behalf for initiatives that benefit the community.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**LEGISLATION**
Risk Event Description	Inability to influence or effectively advocate for statutory change
Risk Responsibility	Director Planning and Community Development
Residual Risk	Medium
Control Effectiveness	Strong
Risk Appetite	Medium risk is acceptable without variation to existing control activities.

Other risk information

If the City of Joondalup does not submit its voting members, it will not be able to vote on the matters to be debated as part of the Annual General Meeting of WALGA.

Financial / budget implications

Not applicable.

Regional significance

Not applicable.

Sustainability implications

Not applicable.

Consultation

Not applicable.

COMMENT

The North Metropolitan Zone Committee of WALGA, consisting of the Cities of Joondalup, Stirling and Wanneroo, is the main link the City has in considering matters relating to WALGA activities.

It is considered prudent to designate two voting delegates for the 2025 Annual General Meeting of WALGA to ensure the City is represented and is able to vote on matters affecting the City and the broader local government sector.

VOTING REQUIREMENTS

Simple Majority.

Cr Pizzey entered the Chamber at 7.41pm.

OFFICER'S RECOMMENDATION

That Council NOMINATES:

1 Two voting delegates for the 2025 Annual General Meeting of the Western Australian Local Government Association to be held on Tuesday 23 September 2025;

2 Two proxy voting delegates for the 2025 Annual General Meeting of the Western Australian Local Government Association to be held on Tuesday 23 September 2025 in the event that Council's appointed representatives are unable to attend.

ALTERNATE RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ197-07/25)

MOVED Cr Hutton, SECONDED Cr Fishwick that Council NOMINATES:

1 Mayor Albert Jacob, JP and Cr Lewis Hutton as the two voting delegates for the 2025 Annual General Meeting of the Western Australian Local Government Association to be held on Tuesday 23 September 2025;

2 Cr Russ Fishwick, JP as the voting delegate for the 2025 Annual General Meeting of the Western Australian Local Government Association to be held on Tuesday 23 September 2025 in the event that Council's appointed representatives are unable to attend.

The Alternate Motion was Put and CARRIED (9/1)

12.8 ELECTED MEMBER TRAINING AND DEVELOPMENT SCHEDULE 2024-25 (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Jamie Parry Director Governance and Strategy
FILE NUMBER	00427, 109290, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to receive a report on the training and development undertaken by Elected Members during the 2024-25 financial year.

EXECUTIVE SUMMARY

Sections 5.126 and 5.127 of the *Local Government Act 1995* (the Act) requires that local governments must prepare a report for each financial year on the training completed by Elected Members in that financial year. The report must be placed on the City's website within one month after the end of the financial year in which the report relates.

This report highlights the training and development undertaken by Elected Members during the 2024-25 financial year, and details not only the mandatory training required under the Act, but also any conference and training events attended by elected members under the City's *Elected Members' Entitlements Council Policy.*

It is therefore recommended that Council:

1 NOTES the training and development undertaken by Elected Members during the 2024-25 financial year, as detailed in Attachment 1 to this Report;

2 NOTES the 2024-25 Elected Member Training and Development Schedule, as detailed in Attachment 1 to this Report, will be placed on the City's website.

BACKGROUND

On 16 September 2019, new provisions were introduced within the Act, requiring local governments to prepare a report for each financial year on the training completed by elected members in that financial year.

Sections 5.126 and 5.127 of the Act relate to elected member training and reporting, as follows:

*"**5.126 Training for council members***

(1) Each council member must complete training in accordance with regulations.

(2) Regulations may –

a) prescribe a course of training; and

b) prescribe the period within which training must be completed; and

c) prescribe circumstances in which a council member is exempt from the requirement in subsection (1); and

d) provide that contravention of subsection (1) is an offence and prescribe a fine not exceeding $10,000 for the offence.

5.127 Report on training

(1) A local government must prepare a report for each financial year on the training completed by council members in the financial year.

(2) The CEO must publish the report on the local government's official website within 1 month after the end of the financial year to which the report relates.".

The *Local Government (Administration) Regulations 1996* prescribes the *Council Member Essentials* training as being the mandatory training (as per section 5.126(1) of the Act) that elected members must complete within their first 12 months of office. The *Council Member Essentials* training consists of the following modules:

- Understanding Local Government.
- Serving on Council.
- Meeting Procedures.
- Conflicts of Interest.
- Understanding Financial Reports and Budgets.

To enable Elected Members to develop and maintain skills and knowledge relevant to their role, the City also has an *Elected Members' Entitlements Council Policy* that includes provisions around elected member attendance at conference and training events within Australia and overseas.

DETAILS

For the 2024-25 financial year, the mandatory training undertaken by respective Elected Members, and the training and development undertaken by elected members under the provisions of the City's *Elected Members' Entitlements Council Policy* is detailed in Attachment 1 to this Report.

Issues and options considered

Outcome 5-1 Capable and effective - you have an informed and capable Council backed by a highly-skilled workforce.

Policy *Elected Members' Entitlements Council Policy.*

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**
Risk Event Description	Ineffective / improper decision making
Risk Responsibility	Director Governance and Strategy
Residual Risk	High
Control Effectiveness	Strong
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.
Risk Control	The relevant control, to mitigate risk, is the provision of a report informing of undertaken elected member training in compliance with section 5.127 the Act

Financial / budget implications

The attendance of conferences and other training events for elected members is accommodated in the City's operational budget (an allocation of $143,200 in the 2024-25 budget). The cost of elected member attendance to various conference and training events for the 2024-25 financial year (Attachment 1 refers) is summarised as follows:

Description	Amount $ (incl. GST)
Mandatory Training *	$495.00
Interstate/Overseas Conferences**	$28,116.59
WA Training and Development Events	$20,708.52
TOTAL	**$49,320.11**

* Cost of one in-person attendance for Understanding Financial Reports. The remainder of mandatory training was completed online using the e-learning subscription which was accounted for in the 2023-24FY at a cost of $9,702.

** Does not include costs for attendance at the 2025 ALGA National General Assembly from 25-30 June 2025 which is yet to be acquitted.

COMMENT

Local Government is a complex entity and makes significant decisions that affect the local government's continued sustainability and community outcomes. Like any board or management structure, it is imperative that Elected Members have the appropriate skills to be able to undertake their roles to the best of their ability. Such skills are enhanced through the training and development offered to elected members throughout their term of office.

The Minister for Local Government and the WA State Parliament recognise the need for elected members to undertake continual professional development in fulfilling their role of public office. The introduction of mandatory training requirements into the Act and the need for local governments to adopt a policy in relation to Elected Member continual professional development, support these views.

It should also be noted that the City's *Elected Members' Entitlements Council Policy* provides that Elected Members can undertake their own personal and professional development outside of the training and development offered by the City.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ198-07/25)

MOVED Cr Hutton, SECONDED Cr Fishwick that Council:

1 NOTES the training and development undertaken by elected members during the 2024-25 financial year, as detailed in Attachment 1 to this Report;

2 NOTES the 2024-25 Elected Member Training and Development Schedule, as detailed in Attachment 1 to this Report, will be placed on the City's website.

The Motion was Put and CARRIED (10/0) by Exception Resolution after consideration of Item 12.17.

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

12.9 LOCAL GOVERNMENT REFORM CONSULTATION - COMMUNICATIONS AGREEMENTS (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Jamie Parry Director Governance and Strategy
FILE NUMBER	103278, 101515
AUTHORITY / DISCRETION	Advocacy - Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.

PURPOSE

For Council to endorse the City of Joondalup submission to the Department of Local Government, Sport and Cultural Industries (DLGSCI) on the draft communication agreements between local government council members and Chief Executive Officer's (CEO's).

EXECUTIVE SUMMARY

The *Local Government Amendment Act 2023* (2023 Amendment Act) was passed by Parliament in May 2023. The *2023 Amendment Act* inserts section 5.92A – 5.92C into the *Local Government Act 1995* which require that:

- each local government must have a communications agreement which deals with the matters required by the Act and regulations
- a local government may adopt a communications agreement by the CEO and council both agreeing to its terms
- if a local government does not adopt or is unable to adopt a communications agreement, the default communications agreement set out in a Ministerial order applies.

It is noted that sections 5.92A – 5.92C of the Act have not yet been proclaimed however, it is expected that these sections will be proclaimed before the 2025 local government elections in October.

The communications agreement supports governance within each local government by setting out minimum expectations for formal communications between council members and employees of the local government.

A consultation process is now open, inviting feedback on draft regulations and orders that would require local governments to establish a communications agreement between their council and the CEO. The consultation period is open until Friday 22 August 2025.

It is therefore recommended that Council ENDORSES the City of Joondalup submission on the draft regulations and orders requiring local governments to establish a communications agreement between council members and Chief Executive Officer's, provided as Attachment 5 to this Report.

BACKGROUND

Communications Agreements were outlined in the Minister for Local Government's reform proposals released in 2022.

On Thursday 5 June 2025, the Department of Local Government, Sport and Cultural Industries (DLGSCI) released a paper inviting submissions on proposed regulations and orders that would require local governments to establish a communications agreement between their council and the CEO.

A copy of the Communications Agreement Consultation Paper is provided at Attachment 1 to this Report. Along with a copy of the proposed Local Government Regulations Amendment Regulations 2025, and proposed Local Government Default Communications Agreement Order 2025 provided as Attachments 2 and 3 to this Report.

The following changes are part of the implementation of the *2023 Amendment Act* which require that:

- Each local government must have a communications agreement which deals with the matters required by the Act and regulations.
- A local government may adopt a communications agreement by the CEO and council both agreeing to its terms.
- If a local government does not adopt or is unable to adopt a communications agreement, the default communications agreement set out in a Ministerial order applies.

The draft Regulations prescribe the minimum requirements for all communications agreements and provide the mechanism to require compliance by Local Government employees, Council Members and Committee Members.

The Draft Order sets out what is proposed to be the default communications agreement in Schedule 1. As all Local Governments will be subject to this default agreement on a regular basis (at least every two years after each caretaker period and after a CEO's employment ends) as well as at any time an agreement cannot be reached between Council and the CEO, it is critical that the default agreement is fit for purpose.

Submissions can be submitted to the DLGSCI until Friday 22 August 2025. Feedback received will be used to inform the finalisation of the draft regulation and proposed default communications agreement order.

In addition, WALGA is seeking feedback from Local Governments to assist in the composition of a sector-wide response to the DLGSCI consultation on the proposed draft communication agreements between local government council members and CEO's.

A WALGA InfoPage and brief Discussion Paper summarising the proposed regulatory amendments, is provided at Attachment 4 to this Report. The discussion paper provides preliminary WALGA comments and questions on the Draft Regulations and Draft Order for consideration by Local Governments.

WALGA feedback is requested by 28 July 2025 in order to meet the DLGSCI deadline of 22 August 2025. If endorsed, it is proposed that the Council endorsed submission to the DLGSCI be provided to WALGA for inclusion in their response to the DLGSCI.

DETAILS

The City has prepared draft responses to the proposed amendments which take into consideration the following:

- Previous City / Council positions related to local government reform proposals, and in particular:
  - The City's Local Government Reform Phase 1 response (CJ012-02/18 refers).
  - The City's Local Government Reform Phase 2 response (CJ023-03/19 refers).
  - The City's Local Government Reform consultation submissions (CJ012-02/22 refers).
- Practical application of the proposed reforms.
- Consideration of the City's current procedures and processes related to communications between council members and the CEO / local government employees.

With regard to the City of Joondalup Local Government Reform Phase 2 response (CJ023-03/19 refers) – the following comment was provided with regard to access to information for Elected Members:

> *'Elected members have a specific role under the Act, one of which relates to participating in the local government's decision-making processes at council and committee meetings. The decision review mechanism proposed in the discussion paper is not supported and section 5.92 of the Act, as it currently stands, should remain. Elected members should not be given an unfettered right to access information of the local government, however it is considered unlikely that a Chief Executive Officer would deny such access to information, on balance with the need for the information to perform an elected member's role, and the resources and effort it would take for a local government's administration to supply that information. It should also be noted that in is rule of conduct that an elected member must not misuse the resources of the local government or undertaking a task that contributes to the administration of the local government, unless authorised by council or the Chief Executive Officer. Notwithstanding, information can be obtained under the Freedom of Information Act 1992 and this mechanism can be used to obtain information that may be denied, rather than using the Council meeting process to determine such minor administrative matters. Having a council to decide on such matters that are considered insignificant could cause tension between the elected body and a Chief Executive Officer, overly burden an administration to prepare a report, and take up value meeting and debate time at council meetings.*
>
> *The following position was supported by Council:*
>
> *DOES NOT SUPPORT section 5.92 of the Act being amended to include a review mechanism of a decision to deny access to information requested by an elected member."*

With regard to the City of Joondalup Local Government Reform consultation submissions 2022 (CJ012-02/22 refers) – the following comment was provided with regard to access to information for elected members:

> City of Joondalup Local Government Reform consultation submissions 2022 (CJ012-02/22 refers).

The following comment was provided with regard to access to information for Elected Members:

"The City has an Elected Member Communications Policy which outlines the principles to the appropriate use of and access to communication systems and information managed and retained by the City. Notwithstanding the City's Elected Member Communications Policy the matter of access to information can become contentious in the absence of a clear legislative statement in support of the function the Elected Member is performing. This can place CEOs in the unenviable position of ruling on the availability of a record of the Local Government, when it is also their function under Section 5.41(h) of the Act to 'ensure that records and documents of the local government are properly kept for the purposes of this Act and any other written law'. Consistent availability of information motivates this proposed reform, and it does not appear that individual Council Communication Agreements will be a means to that end. There is a better case for a uniform approach in the form of a regulated Agreement.

The following position was supported by Council:

The City of Joondalup:

1. *SUPPORT the proposed reforms related to 5.3 Council Communication Agreements.*

2. *REQUEST the Minister to provide clarity as to whether s5.92 of the Act is proposed to be amended to include any review mechanism of a decision to deny access to information requested by an elected member."*

A draft City of Joondalup submission is provided at Attachment 5 to this Report.

Issues and options considered

Council may choose to:

- endorse the City's submission, as provided at Attachment 5 to this Report
- endorse the City's submission, as provided at Attachment 5 to this Report, with amendments
  or
- not endorse the City's submission, as provided at Attachment 5 to this Report.

Legislation / Strategic Community Plan / Policy implications

Legislation *Local Government Act 1995.*
Local Government Amendment Act 2023.
Local Government Regulations Amendment Regulations 2025.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-2 Proactive and represented- you are confident that the City is advocating on your behalf for initiatives that benefit the community.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**LEGISLATION**
Risk Event Description	Inability to influence or effectively advocate for statutory change
Risk Responsibility	Director Planning and Community Development
Residual Risk	Medium
Control Effectiveness	Strong
Risk Appetite	Medium risk is acceptable without variation to existing control activities.

Other risk information

Providing a response to the Minister's consultation paper enables the City to contribute to the review and potential amendments to the *Local Government Act 1995,* and therefore the future purpose and role of local government.

A response ensures the community is aware of the City's position regarding the proposed reforms and is an active participant in reform proposals that affect the governance of the City/Council.

Financial / budget implications

Not applicable.

Regional significance

Not applicable.

Sustainability implications

Not applicable.

Consultation

The City has prepared draft responses to the proposed amendments which take into consideration the following:

- Previous City / Council positions related to local government reform proposals, and in particular:
  - The City's Local Government Reform Phase 1 response (CJ012-02/18 refers).
  - The City's Local Government Reform Phase 2 response (CJ023-03/19 refers).
  - The City's Local Government Reform consultation submissions
  - (CJ012-02/22 refers).
- Practical application of the proposed reforms.
- Consideration of the City's current procedures and processes related to communications between council members and the CEO / local government employees.

The City has not engaged with the community on its submission due to not only time constraints but that members of the community are entitled to make their own submissions to the DLGSCI.

COMMENT

The City has been an active and cooperative participant in all legislative and reform reviews, surveys and analysis of the local government sector, including the WA Local Government Association Systemic Sustainability Study in 2006, the Ministerial-initiated voluntary Local Government reform initiative in 2009, and Metropolitan Local Government Reform Process 2011-13.

Through the Phase 1 and Phase 2 consultation processes, the Minister and the DLGSCI have stated the review attempts to modernise the *Local Government Act 1995* to empower local governments to better deliver for their communities, as well as to remove red tape and overly burdensome bureaucracy. Local governments, due to their existence as being a product of statute, are bureaucratic in nature and are required to comply with numerous reporting and oversight regimes.

Overall, the Act should remain principle-based in which local governments have the flexibility and ability to operate in, with good governance principles and standards in mind. Considering the capacity of different local governments, a size and scale compliance regime is welcomed based on possible banding methodology, similar to that used by the Salaries and Allowances Tribunal for allowance and salaries for local governments.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ199-07/25)

MOVED Cr Kingston, SECONDED Cr O'Neill that Council ENDORSES the City of Joondalup submission on the draft regulations and orders requiring local governments to establish a communications agreement between council members and Chief Executive Officer's, provided as Attachment 5 to this Report.

The Motion was Put and CARRIED (8/2)

In favour of the Motion: Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hill, Cr Hutton, Cr May, Cr Pizzey and Cr Vinciullo.
Against the Motion: Cr Kingston and Cr O'Neill.

12.10 REVIEW OF PRESENTATION OF PETITIONS PROTOCOL (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Jamie Parry Director Governance and Strategy
FILE NUMBER	05386, 101515
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to consider the request to review the *Presentation of Petitions Protocol* to include deferral of works on infrastructure projects where a petition has been submitted to the City of Joondalup about the works.

EXECUTIVE SUMMARY

At the Council meeting held on 25 February 2025 (CJ032-02/25 refers) a Notice of Motion was considered requesting a review of the *Presentation of Petitions Protocol*, where it was resolved as follows:

> *MOVED Cr Fishwick, SECONDED Cr O'Neill that Council REQUESTS the Chief Executive Officer to prepare a report reviewing the protocol for petitions with particular reference for the administration deferring works on infrastructure (the works) that will impact on affected residents where a petition has been submitted to the* City of *Joondalup about the works until such time as the Council has made a determination.*

The motion was raised as a result of a petition to cease the footpath works in Megiddo Way, Duncraig being submitted to the City in December 2024. The petition was not considered by the Council until its meeting of 25 February 2025, due to the Council being in recess over the December/January break. The works were completed on 21 February 2025.

The intent of the *Presentation of Petitions Protocol* is to detail the process related to the presentation of petitions to the Council rather than a mechanism for petitioners to bring to a halt or to defer infrastructure works until a review is undertaken by the Council.

Given the significant implications of initiating such a mechanism to halt/defer infrastructure works, as detailed in the report, it is not proposed that the Protocol be amended and that other mechanisms to initiate a review of works projects on receipt of a petition be examined.

It is therefore recommended that Council:

1 NOTES the review of the Presentation of Petitions Protocol and AGREES to retain the Protocol in its current form, as provided in Attachment 1 to this Report;

2 NOTES the following administrative mechanisms will be initiated in order to address the concerns raised in the Notice of Motion:

2.1 Any petitions received during Council recess that might call on the Council to defer/halt infrastructure work be circulated to all Elected Members at the earliest opportunity;

2.2 The administration contact the relevant Ward Councillors and Mayor to the petition and options for resolution taking into account any safety/legal/financial implications;

2.3 Meetings with affected residents be considered by Ward Councillors to understand different perspectives and mediate the matter to examine suitable options;

2.4 Elected Members be granted the opportunity to initiate a Notice of Motion; or call a Special Meeting of the Council to consider the petition where a resolution cannot be agreed.

BACKGROUND

At the Council meeting held on 25 February 2025 (CJ032-02/25 refers) a Notice of Motion was considered requesting a review of the *Presentation of Petitions Protocol*.

The motion was as a result of a petition being submitted to the City in December 2024 to cease the footpath works in Megiddo Way, Duncraig. The petition was not considered by the Council until its meeting of 25 February 2025, due to the Council being in recess over the December/January break. The works were completed on 21 February 2025.

This Report examines the implications of initiating a mechanism to halt/defer infrastructure works and alternate ways of managing opposition to works.

DETAILS

At the Council meeting held on 25 February 2025 (Item CJ032-02/25 refers) a Notice of Motion was considered requesting a review of the *Presentation of Petitions Protocol*. The reason for the motion was provided as follows:

> *"An e-petition was submitted on 30 December 2024 signed by the residents from Megiddo Way Duncraig in relation to the Megiddo Way footpath installation requesting that the City not remove the existing crossover apron as part of the works.*
>
> *The petition states that:*
>
> *"We the undersigned respectfully request that the Council does not remove the existing crossover apron during the Megiddo road footpath upgrade as is done throughout the entire suburb and allow the driveway run to the road.*

Megiddo Way is getting a footpath upgrade, but it is being done differently to the rest of the suburb because the driveways are being removed 1.8 metres from the curb and being poured in concrete rather than the driveway running to the curb. This makes the houses feel detached from the street and is unsightly and not in the style of the neighbourhood."

The Council is entrusted with representing the community's interests. When residents take the initiative to voice their concerns—such as in the case of the Megiddo Way petition—their input must be given due consideration before irreversible decisions are made. Allowing infrastructure works to proceed without prior debate undermines the democratic process and the trust residents place in their elected representatives.

The current situation exposes a critical flaw in the existing petition protocol. With the Council recess in January causing delays in addressing petitions, irreversible works such as the Megiddo Way footpath are being completed before residents' concerns can be properly reviewed. A thorough review of the protocol is necessary to ensure that resident petitions are considered timely and effectively.

The petition clearly articulates residents' dissatisfaction with the planned changes to the Megiddo Way footpath installation, emphasizing both functional and aesthetic concerns. The removal of the existing crossover apron, as undertaken in the infrastructure works, has according to the petitioners' significant implications for neighbourhood character and resident comfort. By deferring such works until the petition is fully debated, the Council can consider project outcomes for the community's vision and the neighbourhood's identity.

Infrastructure projects, once completed, are not easily reversed. The current timeline risks finalising changes before the community's concerns are addressed. By reviewing and potentially amending the petition protocol to defer works until a decision has been reached, the Council can avoid implementing changes that may later be contested or require costly remedial measures. This proactive approach is essential for ensuring that all voices are heard before irreversible decisions are made.

Deferring the implementation of infrastructure works until a petition is properly debated reinforces the principles of transparency and inclusiveness. It demonstrates a commitment to ensuring that all stakeholder perspectives are considered in the decision-making process. This not only strengthens community trust in local government but also ensures that decisions are made in a holistic and well-informed manner.

Conclusion

In light of these points, the Notice of Motion to request the Chief Executive Officer to prepare a report reviewing the petition protocol is both necessary and timely. By deferring works until the Council has determined the merit of affected residents' petitions, the City of Joondalup can better honour its commitment to democratic governance, procedural fairness, and community well-being."

Council resolved as follows:

MOVED Cr Fishwick, SECONDED Cr O'Neill that Council REQUESTS the Chief Executive Officer to prepare a report reviewing the protocol for petitions with particular reference for the administration deferring works on infrastructure (the works) that will impact on affected residents where a petition has been submitted to the City of Joondalup about the works until such time as the Council has made a determination.

Presentation of Petitions Protocol

In accordance with clause 5.11(1)(b) of the City of Joondalup's *Meeting Procedures Local Law 2013,* a petition can either be delivered to an Elected Member or the Chief Executive Officer for presentation at a Council meeting. Petitions are then presented at a Council meeting.

The *Presentation of Petitions Protocol* (January 2022) is an informal Protocol of the Council to detail the process related to the presentation of petitions to the Council; allowing sufficient time for the administration to check the petition for adherence to the *Meeting Procedures Local Law 2013* and to provide additional information to Elected Members on previous Council resolutions on similar petitions (Attachment 1 refers).

Elected Members considered a review of the Protocol in February 2023 and agreed to maintain the Protocol in its current form. It is important to note that the Protocol is an informal document only, and any amendments made by the Council as a result of the Notice of Motion would necessitate it becoming a formal Council Policy or Guideline.

Petition - Megiddo Way, Duncraig

The petition was presented to Council on 25 February 2025, where it was received and referred to the Chief Executive Officer for action.

By way of background, a Petition of Electors was received by the City on 19 April 2024, requesting footpaths on the side streets adjoining Beach Road in the Proximity of Poynter Primary School. The petition was presented to Council at its meeting held on 28 May 2024 (CJ106-05/24 refers). Residents' key concern regarding this petition was the lack of a footpath on Megiddo Way, which would provide an important link to Poynter Primary School and Carine Senior High School for students who commute to and from school on foot, bikes, or scooters. Safety concerns were also raised for those pushing prams, using wheelchairs, or walking aids who had no option but to walk on the road as there was no footpath on Megiddo Way. At this meeting, the Council resolved that the petition be received and referred to the Chief Executive Officer for action.

Council, at its meeting held on 17 September 2024 (CJ239-09/24 refers), was advised of the action taken in relation to the petition and noted that Council had adopted the 2024-25 Budget at its meeting held on 25 June 2024 (CJ156-06/24 refers), which included a capital project FPN2321 for the construction of a path on the northern verge of Megiddo Way, from Poynter Drive to Quilter Drive and that construction of the footpath was scheduled to commence in December 2024. As per the *Notification of Public Works Council Policy*, residents on Megiddo Way were advised the footpath works were to commence in January 2025 by letter sent in mid-December.

The petition received by the City on 30 December 2024 did not oppose the construction of the footpath, rather it requested that the existing crossover apron not be removed to allow the driveway to run to the road as it makes the houses feel detached from the street and is unsightly and not in the style of the neighbourhood.

When undertaking new or replacement footpath works, the standard used by the City is for the footpath to be continuous to reinforce the priority that pedestrians have over vehicles entering or leaving the carriageway as outlined in the *Road Traffic Code 2000* (Regulations under the *Road Traffic Act 1974* which came into operation on 1 December 2000):

Part 7 - Division 3 – r.57 – 'Giving way when entering carriageway from land abutting carriageway or road' states the following:

> *"A driver entering a carriageway from land abutting the carriageway, without a traffic-control signal or a "stop" sign, stop line, "give way" sign or give way line, shall give way to —*
>
> (*c) any vehicle or pedestrian on any land abutting the carriageway (including a path) that the driver crosses to enter the carriageway"*

Further to this, r.58 'Giving way when entering land abutting carriageway or road from carriageway 'also states:

> *"A driver entering land abutting a carriageway or road from a place on a carriageway without a traffic-control signal or a "stop" sign, stop line, "give way" sign or give way line, shall give way to —*
>
> *(b) any vehicle or pedestrian on any land abutting the carriageway that the driver crosses or enters;"*

This is reinforced in the City's Crossover Guidelines to advise residents of these requirements when constructing their crossovers.

Any instance where footpaths do not continue through crossovers or driveways would indicate that those works likely pre-dated the City's current guidelines/standard detail or *Road Traffic Code 2000.*

The City is obligated to comply with current standards and legislation to ensure the safety of all road users and pedestrians. In relation to Megiddo Way, the City removed the crossovers installed by homeowners and replaced it with a grey concrete footpath which is in alignment with the City's standard for footpath construction as detailed above. The continuous footpath provides safe passage for pedestrians, in this case mostly school aged children.

The construction of the footpath on Megiddo Way commenced on Tuesday 28 January 2025 and the works were completed by Friday 21 February 2025.

Notification of Public Works Council Policy

The Council's *Notification of Public Works Council Policy* (refer Attachment 2) details the City's commitment to notifying the community about upcoming public works which may affect them. It does not include consultation with the community to inform decision-making.

The Policy provides the following principles in relation to notification:

> *"To ensure notifications are effective, timely and transparent, the following principles will apply, unless bound by statutory or legislative requirements.*
>
> *a The City will identify stakeholders to be notified by considering any persons, groups or organisations that could be affected by the public works.*
>
> *b The City will identify and implement the most appropriate communication methodology to meet the needs of stakeholders. Communication methods could include letters, on-site signage, newspaper advertisements, website information, eNewsletter items, media announcements, or social media posts, amongst others.*
>
> *c The City will ensure that the timing of notifications has due regard for the potential disruption caused by the public works."*

The residents of Megiddo Way were notified of the proposed works in accordance with the Policy and its principles by letter sent in mid-December 2024.

Community Consultation Council Policy

The Council's *Community Consultation Council Policy* (Attachment 3 refers) details the City's commitment to effective, transparent and accessible community consultation to inform decision-making. The City will consult with the community whenever it is required to do so under legislation, or whenever it is considered valuable to inform decision-making. This could include major policy changes, new community facilities and venues, or changes to City services, amongst others.

Implications of adoption of a position that infrastructure works be halted/deferred on receipt of a petition

It is considered that the intent of the resolution is for the administration to defer, or halt, works on infrastructure that will impact on affected residents where a petition has been submitted to the City of Joondalup about the works, until such time as the Council has considered the content and reasons for the petition and made a formal determination.

The implications of formally adopting such a policy principle will need to be carefully considered by the Council given the current adopted definition of public works/infrastructure as detailed in the *Notification of Public Works Council Policy* which provides as follows:

> *"means any works to assets such as, but not limited to, City-owned or managed buildings, roads, footpaths, lighting, play spaces, sporting infrastructure, parks, sumps and car parks, carried out by the City or agents of the City."*

By definition infrastructure works has a very broad and extensive meaning.

The likely consequences which may be encountered by deferring/halting infrastructure works immediately following receipt of a petition are considered significant, and include, but are not limited to the following:

- It may allow any group of residents that oppose an infrastructure project (whether directly affected or not) to cause it to be deferred/halted and reconsidered by Council – this might include significant infrastructure works that already have consultants/contractors engaged and materials committed for its undertaking.
- It may have the effect of deferring/halting works that are of a safety concern, therefore exposing the City to unnecessary risk outcomes, particularly if the works are halted mid-construction.
- It may have the effect of deferring/halting works that have already been endorsed by the Council as a significant project with beneficial social, economic or environmental outcomes for the community/businesses.
- It may have the effect of the City having to terminate a contract with a supplier/contractor who has been engaged to carry out the works until such time as the decision is reviewed by the Council, therefore potentially having financial/legal/contractual implications.
- It may have the effect of the project not meeting particular grant funding timelines/ milestones if deferred/halted.
- It may have the effect of required Legislation, Codes, Standards of construction and safety being objected to, therefore exposing the City to unnecessary risk outcomes.
- Whether the ability to defer/halt a works project should be limited to receipt of a petition such as if there is a multi-signatory letter or receipt of say 25 individual letters of opposition.

A further consideration is that the time taken to report back to Council following receipt of a petition can vary and will depend on the complexity of the content matter of the petition. Timeframes of even a few months could have a significant impact on the works and the ability to recommence or alter the works to meet the petitioner's request.

Consideration was also given to potentially amending the *Notification of Public Works Council Policy* or the *Community Consultation Council Policy* rather than the *Presentation of Petitions Protocol.* Acknowledging the currently endorsed intent of these policies, any potential amendment to accommodate the request will likely impact on the following:

- Timeliness of decision-making and implementation of projects (with extended project timeframes) as the consultation and its outcomes would need to be considered by the Council.
- Resourcing of the City to undertake additional consultations and reporting.
- Increasing the risk of consultation fatigue, particularly where projects have previously been consulted on and an approach agreed - consulting again can undermine this process.
- Where projects are part of the CWP and have been considered through the budget and Corporate Business Plan processes, additional consultation would add unnecessary delays.
- Some works being subject to lengthy approvals processes and further consultation potentially delaying the finalisation of projects.
- Assessment of consultation outcomes such as opposition from residents closest to a project site does not have stronger weighting in terms of consultation as the infrastructure benefits the wider community.

Based on these identified impacts it is not considered practical to amend the identified policies.

Issues and options considered

It is considered that there are three options the Council might consider:

Option 1 – Amend the Presentation of Petitions Protocol

This option would formalise the *Presentation of Petitions Protocol* as a Council Policy or Guideline therefore taking away the flexibility of the Protocol to meet its current intent to inform Elected Members of the validity of the petition and previous decisions related to it.

It is considered that if the intent of the Notice of Motion is to be implemented it be a Council Policy given the implications and risks, as detailed in the Report.

As such, this option is not recommended.

Option 2 – Amend the Notification of Public Works Council Policy

This option would require the Policy Committee (and Council) to give consideration to reviewing the *Notification of Public Works Council Policy* to limit the types of works that the City would notify residents on that were intended to be undertaken. If the Council wished to amend the *Notification of Public Works Council Policy* it would also need to consider the impact on the *Community Consultation Council Policy* and the types of works that the City might need to consult residents on prior to works commencing.

It is important to note that the *Community Consultation Council Policy* has been established to provide a high-level approach to how consultations should be undertaken. It does not prescribe when or how consultation should be undertaken, other than those with statutory requirements. Consultation should be considered on a project-by-project basis.

The effect of reviewing these policies is that the efficiency of Council decision-making is likely to be impacted as consultation on projects would be required to be undertaken and reviewed by the Council prior to works commencing. The City would also need to undertake a review of resourcing required to undertake additional consultation requirements. Based on the potential impacts as detailed in this Report, it is the City's view that amending these policies will not achieve the intent of the Notice of Motion and is not recommended.

Option 3 – Retain the Status Quo

To the City's knowledge a petition of the nature of Megiddo Way has not been received in recent times and as such, it is not considered necessary to review well-functioning practices that have served the City well due to one instance.

Rather than amending or adopting policies to manage such instances in the future an option is to allow the status quo to remain, however, continue the following administrative mechanisms:

- Any petitions received during Council recess that might call on the Council to defer/halt infrastructure work be circulated to all Elected Members at the earliest opportunity.
- The administration contact the relevant Ward Councillors and Mayor and consider options for resolution taking into account any safety/legal/financial implications.
- Meetings with affected residents be considered by Ward Councillors to understand different perspectives and mediate the matter to examine suitable options.
- Elected Members be granted the opportunity to initiate a Notice of Motion; or call a Special Meeting of the Council to consider the petition where a resolution cannot be agreed.

This is the recommended option.

Legislation / Strategic Community Plan / Policy implications

Legislation *Local Government Act 1995.*
City of Joondalup Meeting Procedures Local Law 2013.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-2 Proactive and represented- you are confident that the City is advocating on your behalf for initiatives that benefit the community.

Policy *Community Consultation Council Policy.*
Notification of Public Works Council Policy.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	DECISIONS	EXPECTATIONS	REPUTATION
Risk Event Description	Ineffective / improper decision making	Inability to understand community expectations	Loss of community trust
Risk Responsibility	Director Governance and Strategy		Chief Executive Officer
Residual Risk	High		
Control Effectiveness	Strong		
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.		
Risk Control	The relevant control, to mitigate risk, is the provision of a report detailing administrative process changes where works may need to be deferred as a result of a petition.		

Other risk information

The risks for each option have been identified within the report.

Financial / budget implications

Nil, unless the Council makes a determination to implement a change in Policy or practice.

Regional significance

Not applicable.

Sustainability implications

Not applicable.

Consultation

Not applicable.

COMMENT

The *Presentation of Petitions Protocol* is an information Protocol of the Council detailing the process related to the presentation of petitions to the Council; allowing sufficient time for the administration to check the petition for adherence to the *Meeting Procedures Local Law 2013* and to provide additional information to Elected Members on previous Council resolutions on similar petitions (Attachment 1 refers).

Whilst the Notice of Motion from Cr Fishwick has called for the review of the Protocol with particular reference for the administration deferring works on infrastructure (the works) that will impact on affected residents where a petition has been submitted to the City of Joondalup during Council recess, it is considered there may be more appropriate mechanisms for the Council to consider, noting the unintended and potentially negative impacts as identified within the Report.

As identified within the Report, it is considered that the Protocol is retained in its current form, whilst initiating a range of administrative mechanisms to address the concerns raised in the Notice of Motion.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ200-07/25)

MOVED Cr Fishwick, SECONDED Cr O'Neill that Council:

1 NOTES the review of the Presentation of Petitions Protocol and AGREES to retain the Protocol in its current form, as provided in Attachment 1 to this Report;

2 NOTES the following administrative mechanisms will be initiated in order to address the concerns raised in the Notice of Motion:

2.1 Any petitions received during Council recess that might call on the Council to defer/halt infrastructure work be circulated to all Elected Members at the earliest opportunity;

2.2 The administration contact the relevant Ward Councillors and Mayor to the petition and options for resolution taking into account any safety/legal/financial implications;

2.3 Meetings with affected residents be considered by Ward Councillors to understand different perspectives and mediate the matter to examine suitable options;

2.4 Elected Members be granted the opportunity to initiate a Notice of Motion; or call a Special Meeting of the Council to consider the petition where a resolution cannot be agreed.

The Motion was Put and CARRIED (9/1)

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Cr Kingston.

12.12 LIST OF PAYMENTS MADE DURING THE MONTH OF MAY 2025 (WARD-ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Director Corporate Services
FILE NUMBER	09882, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the list of accounts paid under the Chief Executive Officer's delegated authority during the month of May 2025.

EXECUTIVE SUMMARY

This report shows the list of payments made under delegated authority during May 2025 totaling $21,718,712.40.

It is therefore recommended that Council NOTES the Chief Executive Officer's list of accounts for May 2025 paid under delegated authority in accordance with Regulation 13(1) of the Local Government (Financial Management) Regulations 1996 forming Attachments 1, 2 and 3 to this Report, totaling $21,718,712.40.

BACKGROUND

Council has delegated, to the Chief Executive Officer, the exercise of its power to make payments from the City's Municipal and Trust funds. In accordance with Regulation 13 of the *Local Government (Financial Management) Regulations 1996* a list of accounts paid by the Chief Executive Officer is to be provided to Council, where such delegation is made.

DETAILS

The table below summarises the payments drawn on the funds during the month of May 2025. Lists detailing the payments made are appended as Attachments 1 and 2 to this Report.

The vouchers for the month are appended as Attachment 3 to this Report.

FUNDS	DETAILS	AMOUNT
Municipal Account	Municipal Cheques & EFT Payments 113446 – 113463 & EF128975 - EF128978 & EF128982 - EF129310 & EF129314 -EF130273 Net of cancelled payments	$15,666,701.81
	Vouchers 4014A-4030A	$6,042,389.99
	Bond Refund Cheques & EFT Payments EF128979 – EF128981 & EF129311 – EF129313 & EF130274 - EF130276 Net of cancelled payments.	$9,620.60
	Total	$21,718,712.40

Issues and options considered

There are two options in relation to the list of payments.

Option 1

That Council declines to note the list of payments paid under delegated authority. The list is required to be reported to Council in accordance with Regulation 13(1) of the *Local Government (Financial Management) Regulations 1996*, and the payments listed have already been paid under the delegated authority. This option is not recommended.

Option 2

That Council notes the list of payments paid under delegated authority. This option is recommended.

Legislation / Strategic Community Plan / Policy implications

Legislation *Local Government (Financial Management) Regulations 1996.*

The Council has delegated to the Chief Executive Officer the exercise of its authority to make payments from the Municipal and Trust Funds, therefore in accordance with Regulation 13(1) of the *Local Government (Financial Management) Regulations 1996*, a list of accounts paid by the Chief Executive Officer is prepared each month showing each account paid since the last list was prepared.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-4 Responsible and financially sustainable - you are provided with a range of City services which are delivered in a financially responsible manner.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**	**FINANCIAL**
Risk Event Description	Ineffective / improper decision making	Lack of financial sustainability
Risk Responsibility	Director Governance and Strategy	Director Corporate Services
Residual Risk	High	Medium
Control Effectiveness	Strong	
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.	Medium risk is acceptable without variation to existing control activities.
Risk Control	The relevant control, to mitigate risk, is the provision of an accurate monthly report of the list of payments made under delegated authority to Council by the responsible Director.	

Financial / budget implications

All expenditure from the Municipal Fund was included in the Annual Budget as adopted or revised by Council.

Regional significance

Not applicable.

Sustainability implications

Expenditure has been incurred in accordance with budget parameters, which have been structured on financial viability and sustainability principles.

Consultation

Changes in the treatment of bonds received and repaid, from being held in the Trust Fund to now being reflected in the Municipal Fund, have arisen from a directive by the Office of the Auditor General.

COMMENT

All Municipal Fund expenditure included in the list of payments is incurred in accordance with the City of Joondalup *2024-25 Revised Budget* as adopted by Council at its meeting held on 25 February 2025 (CJ028-02/25 refers) or has been authorised in advance by the Mayor or by resolution of Council as applicable.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ201-07/25)

MOVED Cr Hutton, SECONDED Cr Fishwick that Council NOTES the Chief Executive Officer's list of accounts for May 2025 paid under Delegated Authority in accordance with Regulation 13(1) of the *Local Government (Financial Management) Regulations 1996* forming Attachments 1, 2 and 3 to this Report, totaling $21,718,712.40.

The Motion was Put and CARRIED (10/0) by Exception Resolution after consideration of Item 12.17.

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

12.13 FINANCIAL ACTIVITY STATEMENT FOR MAY 2025 (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humphrey Director Corporate Services
FILE NUMBER	07882, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the Financial Activity Statement for the period ended 31 May 2025.

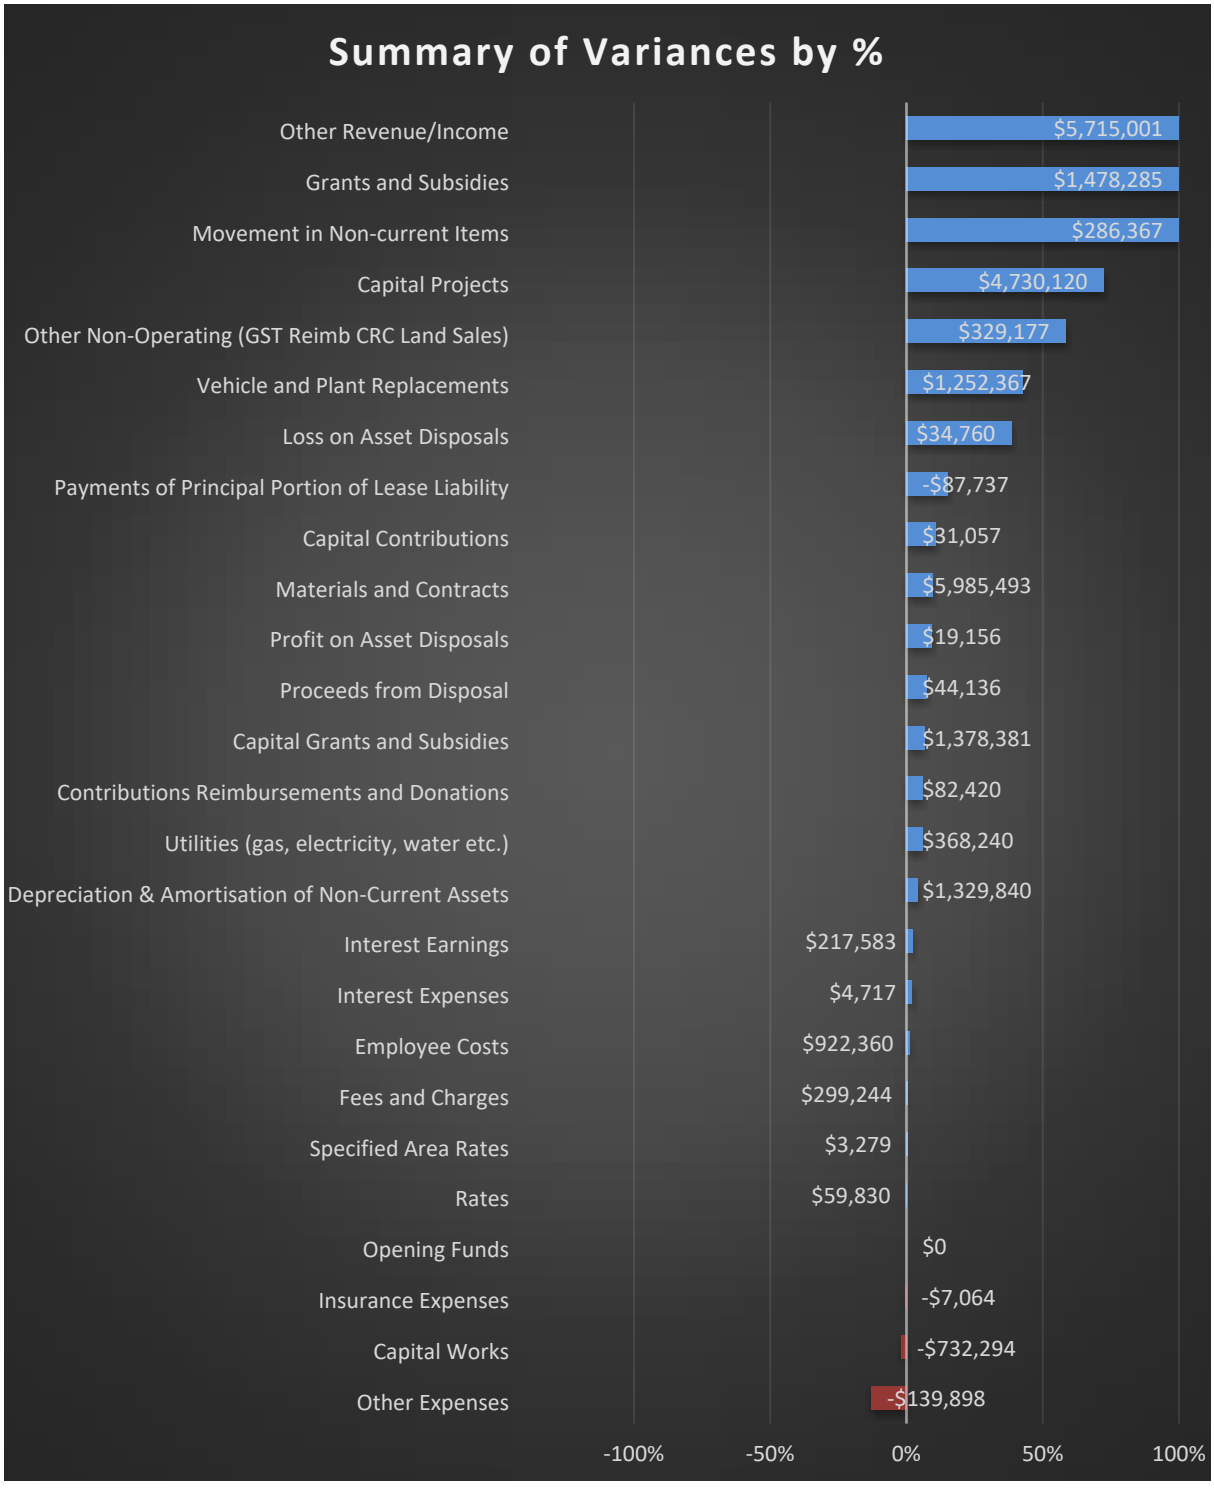

EXECUTIVE SUMMARY

At its meeting held on 25 June 2024 (CJ156-06/24 refers), Council adopted the *2024-25 Annual Budget*. Council subsequently amended the budget at its meeting held on the 22 October 2024 (CJ280-10/24 refers). Council subsequently revised the budget at its meeting held on 25 February 2025 (CJ028-02/25 refers). The figures in this report are compared to the revised budget.

The May 2025 Financial Activity Statement Report shows an overall variance of $21,302,535, from operations and capital, after adjusting for non-cash items.

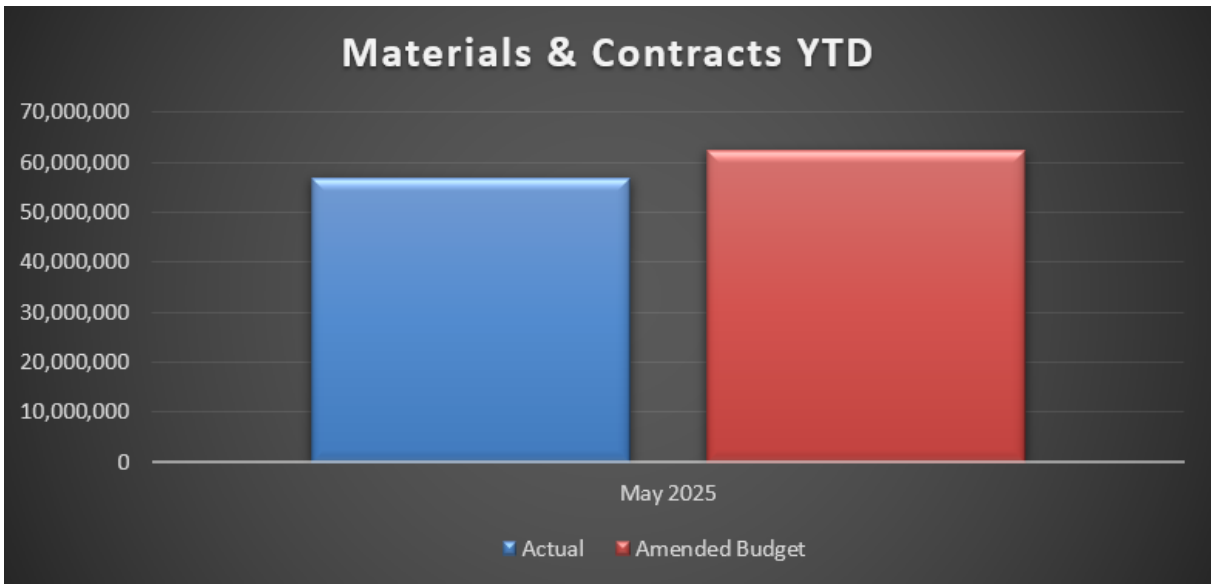

There are a number of factors influencing the favourable variance, but it is predominantly due to timing of revenue and expenditure compared to the budget estimate at the end of May. The notes in Attachment 4 to this Report identify and provide commentary on the individual key material revenue and expenditure variances to date.

The key elements of the variance are summarised below:

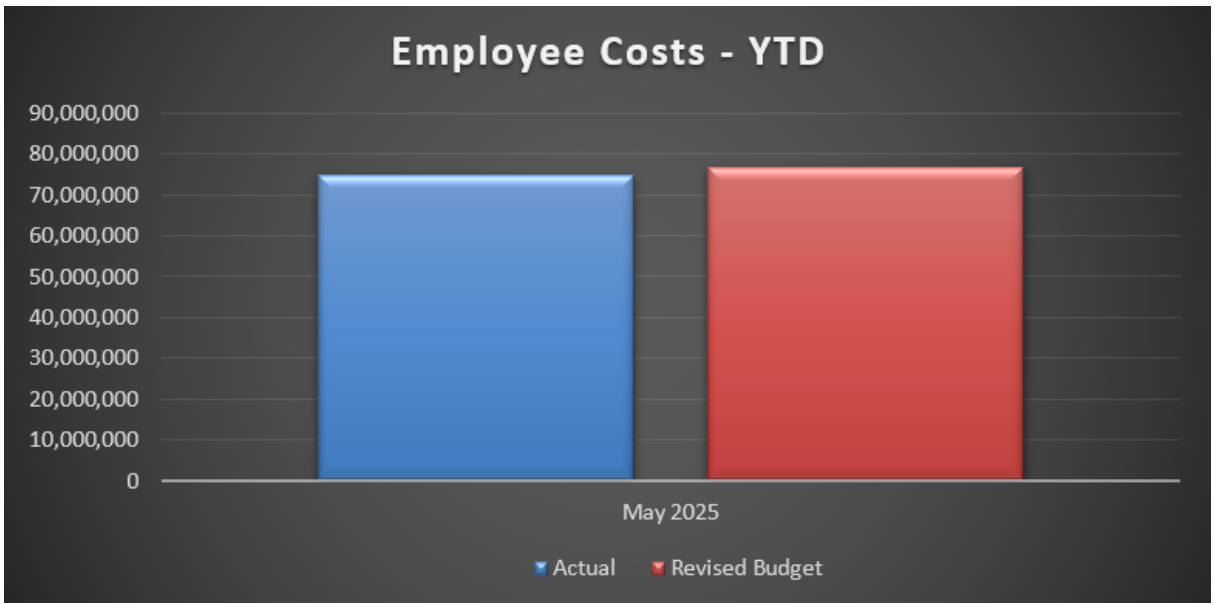

Key variances for May were:

Materials and Contracts **$5,985,493**

Materials and Contracts expenditure is $5,985,493 below budget. This is spread across a number of different areas External Service Expenses $3,532,722, Professional Fees and Costs $1,043,966, Furniture and Equipment and Artwork $633,208, Contributions and Donations $470,627, Waste Management Services $320,276, Other Materials $279,948, Administration $263,388 and Public Relations, Advertising and Promotions $246,601.

Employee Costs **$922,360**

The variance is due to vacancies across various teams.

It is therefore recommended that Council NOTES the Financial Activity Statement for the period ended 31 May 2025 forming Attachment 1 to this Report.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* require a monthly Financial Activity Statement to be prepared according to nature classification and a monthly Financial Position Statement.

DETAILS

Issues and options considered

The Financial Activity Statement for the period ended 31 May 2025 is appended as Attachment 1 to this Report and the Financial Position Statement at 31 May 2025 is appended as Attachment 2 to this Report.

Legislation / Strategic Community Plan / Policy implications

Legislation Section 6.4 of the *Local Government Act 1995* requires a local government to prepare an annual financial report for the preceding year and such other financial reports as are prescribed.

Regulation 34(1) of the *Local Government (Financial Management) Regulations 1996* requires the local government to prepare each month a statement of financial activity reporting on the revenue and expenditure as set out in the annual budget.

Regulation 35(1) of the *Local Government (Financial Management) Regulations 1996* requires the local government to prepare each month a statement of financial position reporting on the financial position as at the reporting date.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-4 Responsible and financially sustainable.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**	**FINANCIAL**
Risk Event Description	Ineffective / improper decision making	Lack of financial sustainability
Risk Responsibility	Director Governance and Strategy	Director Corporate Services
Residual Risk	High	Medium
Control Effectiveness	Strong	Strong
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.	Medium risk is acceptable without variation to existing control activities.
Risk Control	The relevant control, to mitigate risk, is the provision of an accurate monthly Financial Activity Statement – according to nature classification – and a monthly Financial Position Statement to Council by the responsible Director.	

Financial / budget implications

All amounts quoted in this report are exclusive of GST.

Regional significance

Not applicable.

Sustainability implications

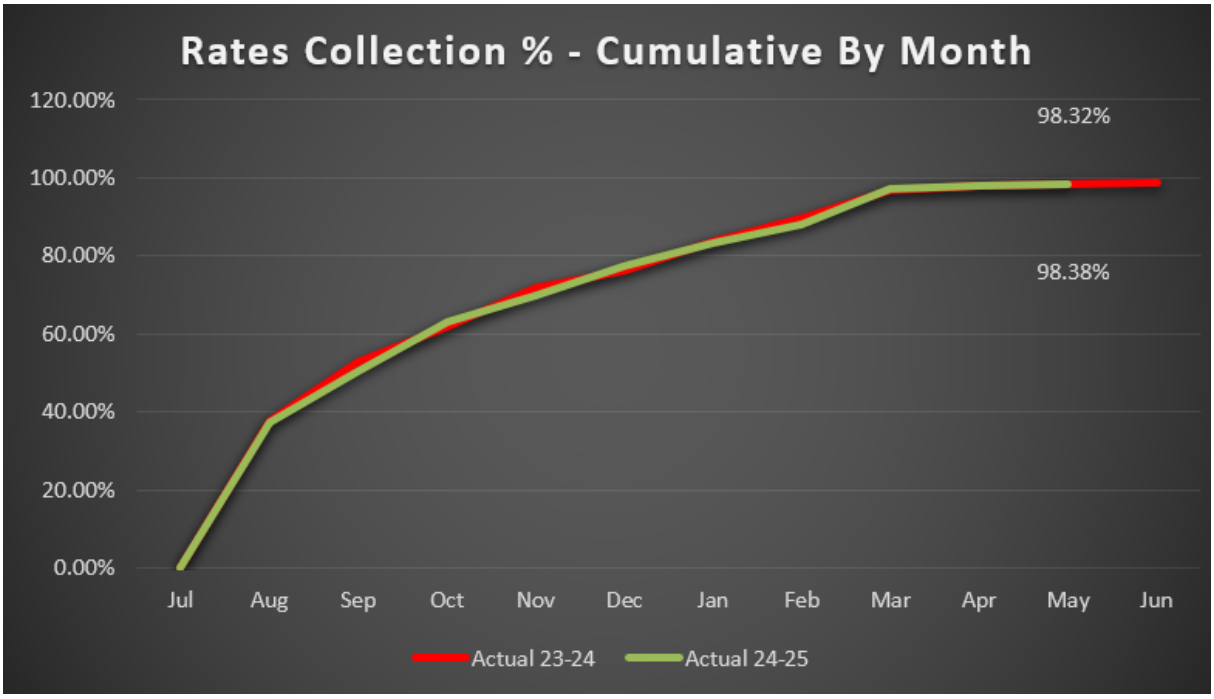

Expenditure was incurred in accordance with budget parameters, structured on financial viability and sustainability principles.

Consultation

In accordance with section 6.2 of the *Local Government Act 1995*, the *Annual Budget* was prepared having regard to the Strategic Financial Plan, prepared under Section 5.56 of the *Local Government Act 1995.* The Mid Year Review Budget was prepared in accordance with Regulation 33A of the *Local Government (Financial Management) Regulations 1996*.

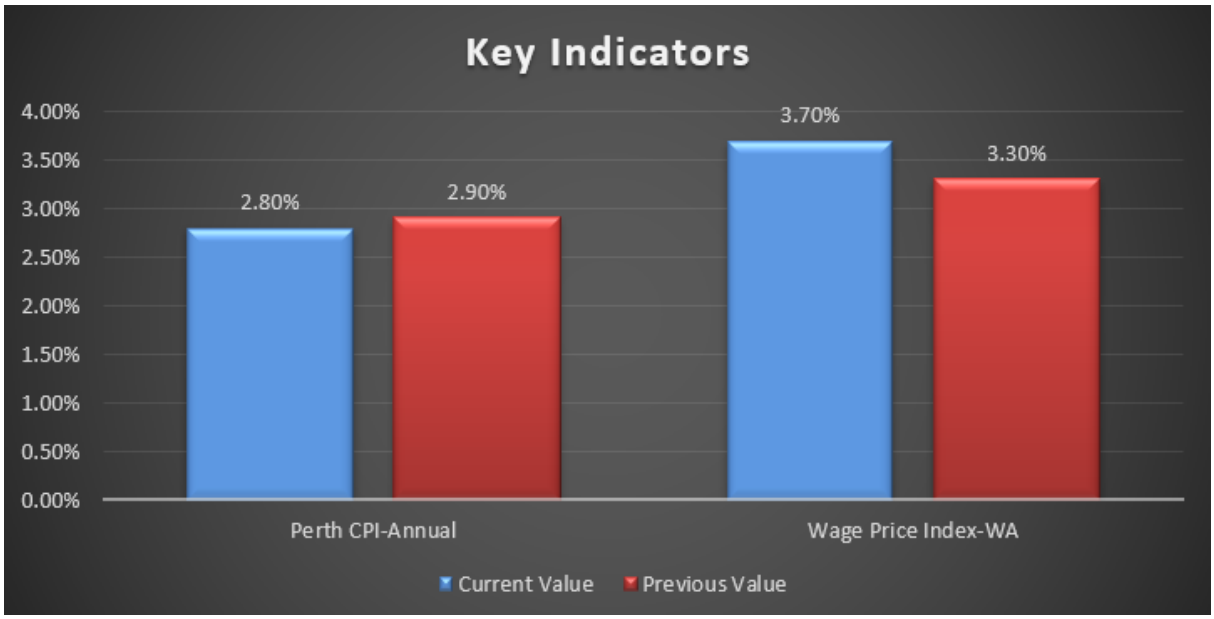

KEY INDICATORS

Rates Collection

Rates collections as a percentage of rates issued (debtors) is almost at par with the previous financial year at the end of May. Collection levels at the end of this financial year are projected to compare favourably with the prior year.

Economic Indicators

Note: Perth CPI and Wage Price Index figures are released by Australian Bureau of Statistics on a quarterly basis. Current values reflect annual percentages as at March 2025 and previous values reflect data as of December 2024.

Western Australia saw the fastest unadjusted quarterly wages growth among the states, with a 1.0% increase driven by state-based public sector enterprise agreements. Western Australian wages also saw the strongest annual gain of 3.7%.

COMMENT

All expenditure included in the Financial Activity Statement is incurred in accordance with the provisions of the 2024-25 revised budget or has been authorised in advance by Council where applicable.

The Investment Report in support of the monthly Financial Activity Statement is appended as Attachment 3 to this Report.

The City is currently reviewing its existing Chart of Accounts while preparing for transitioning to the new finance system. During the review process, it was identified that the following expenditure historically reported as 'Materials and Contracts' are required to be reported as 'Other Expenditure' nature classification to comply with the prescribed reporting requirement under the *Local Government (Financial Management) Regulations 1996:*

- Elected members fees and allowances.
- Contribution and donations to community groups.
- State Taxes and FESA levies.
- Provision for Bad Debt.

This change in reporting was undertaken commencing February 2025 and is reflected in the attached Financial Activity Statement.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ202-07/25)

MOVED Cr Hutton, SECONDED Cr Fishwick that Council NOTES the Financial Activity Statement for the period ended 31 May 2025 forming Attachment 1 to this Report and the Financial Position Statement at 31 May 2025 forming Attachment 2 to this Report.

The Motion was Put and CARRIED (10/0) by Exception Resolution after consideration of Item 12.17.

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

12.14 CARD TRANSACTIONS FOR THE MONTH OF MAY 2025 (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Director Corporate Services
FILE NUMBER	09882, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note card transactions incurred during the month of May 2025.

EXECUTIVE SUMMARY

This report presents the card transactions incurred during the month of May 2025, comprising of corporate credit card and fuel card transactions.

It is therefore recommended that Council NOTES the list of card transactions for the month ended 31 May 2025 in accordance with Regulation 13A(1) of the Local Government (Financial Management) Regulations 1996 as shown in Attachments 1 and 2 to this Report.

BACKGROUND

Council has delegated, to the Chief Executive Officer, the exercise of its power to make payments from the City's Municipal and Trust funds. According to Regulation 13A of the Local *Government (Financial Management) Regulations 1996* a list of payments made by credit, debit, purchasing or other cards by employees is required to be provided to Council.

The Department of Local Government, Sport and Cultural Industries has advised the City that the intent of Regulation 13A is to present transactions incurred in a month, whether payment, that is, transfer of funds from the City to a supplier, has taken place or not.

DETAILS

The City incurred the following card transactions during the month of May 2025.

Corporate credit card transactions	$33,753.52
Fuel card transactions	$61,618.80
Total for the month	**$95,372.32**

Details of transactions from corporate credit cards and fuel cards are contained in Attachments 1 and 2 to this Report respectively.

The City's corporate credit cards are issued and managed in accordance with the Corporate Credit Cards Policy. Suppliers from whom goods or services are procured using the corporate credit cards are paid at the time of purchase by the card issuer who the City subsequently pays for all card transactions during the month. Payment to the card issuer typically occurs at the end of the transaction month or early in the following month. All the City's corporate credit cards have been issued by the City's bankers, Westpac.

Fuel cards are attached to specific vehicles and plant items, such as ride-on mowers, that require fuel. The City has a contract with Ampol engaged through the State Government Common Use Arrangements. Fuel cards are utilised at Ampol outlets under the terms of the contract and record the cost of fuel supplied at the time of the transactions. Ampol invoices the City at the end of each month for all fuel charges incurred via the issued fuel cards. Invoices are typically paid the month after the fuel charges are incurred.

Issues and options considered

Council has the option to:

- decline to note the list of card transactions for the month of May 2025. The list is required to be reported to Council in accordance with Regulation 13A(1) of the *Local Government (Financial Management) Regulations 1996*. This option is not recommended
  or
- note the list of card transactions for the month of May 2025. This option is recommended.

Legislation / Strategic Community Plan / Policy implications

Legislation *Local Government (Financial Management) Regulations 1996.*

In accordance with Regulation 13A of the *Local Government (Financial Management) Regulations 1996,* a list of card transactions is prepared each month showing each amount incurred since the last list was prepared.

10-Year Strategic Community Plan

Key theme 5. Leadership.

Outcome 5-4 Responsible and financially sustainable - you are provided with a range of City services which are delivered in a financially responsible manner.

Policy Not applicable.

12.16 TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION - FIREBREAKS AND FUEL LOAD REDUCTION (WARD - ALL)

WARD All

RESPONSIBLE DIRECTOR Mr Mat Humfrey
Director Corporate Services

FILE NUMBER 112055, 101515

AUTHORITY / DISCRETION Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to accept the tender submitted by Natural Area Holdings Pty Ltd for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction.

EXECUTIVE SUMMARY

Tenders were advertised on 3 May 2025 through statewide public notice and published by Tenderlink for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction. Tenders closed on 22 May 2025. A submission was received from each of the following:

- Bormaz Contracting Pty Ltd.
- Environmental Industries Pty Ltd.
- Fire Mitigation Services Pty Ltd.
- GreenSteam Australia Pty Ltd.
- Indigenous Contracting Western Australia Pty Ltd as Trustee for Indigenous Contracting Western Australia.
- Martins Environmental Services Pty Ltd.
- Natural Area Holdings Pty Ltd.

The submission from Natural Area Holdings Pty Ltd represents best value to the City. The company demonstrated ample capacity and extensive experience to undertake the works with substantial local and state government experience including the City of Joondalup. As the incumbent contractor for these services, it has been providing bushfire mitigation, fire break maintenance and fuel load reduction services to the City's operational team for the past three years. The company provided a comprehensive methodology and had the capacity in terms of personnel and equipment to supply these services to meet the City's operational requirements.

It is therefore recommended that Council ACCEPTS the tender submitted by Natural Area Holdings Pty Ltd for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction as specified in Tender 012/25 for a period of three years with the option of two further terms of one year each, at the submitted schedule of rates, with any price variations subject to the percentage change in the Perth CPI (All Groups).

BACKGROUND

The City has a requirement to engage an experienced contractor to undertake bushfire mitigation works. Bushfire risk management is a key responsibility for local government. Bushfires have the potential to cause injury and threaten lives, damage property and assets, significantly degrade natural areas and harm wildlife. Planning for bushfire and the implementation of prevention and recovery strategies will minimise the risk to people, property and the environment.

The City's bushfire mitigation program currently incorporates annual monitoring and coordination of an established works program for the installation and maintenance of firebreaks and fire accessways, installation and management of strategic access points to bushland reserves and weed management including herbicide treatments. The program manages bushfire hazard within bushland natural areas, parks and public reserves, road verges and various other land parcels that contain native vegetation that is either owned or managed by the City.

The objectives of the 'Mechanical Bushfire Mitigation – Firebreaks and Fuel Load Reduction' are to:

- protect life and nearby critical infrastructure, property and assets from bushfire
- reduce the frequency, impact and area of unplanned bushfires
- protect the landscape, ecological and amenity values of the natural area (bushland and coastal)
- protect the flora and fauna diversity and populations within natural areas.

The contractor shall carry out mechanical bushfire mitigation works (firebreaks and fuel load reduction) to reduce the risk of impact by bushfire to surrounding infrastructure assets (home and property) and to the environment.

The services are to be provided on an 'as and when required' basis as directed by the superintendent. The City does not make any representation that it will procure or seek to procure the services, or any particular volume of services from the contractor.

The City has a contract in place with Natural Area Holdings Pty Ltd for bushfire mitigation – firebreaks and fuel reduction which expired on 30 June 2025. This contract was formed in 2022 to provide bushfire mitigation services for a period of three years. Prior to this contract, quotations were sought for each bushfire season or specific urgent requirement.

The tender assessment is based on the best value for money concept. Best value is determined after considering whole of life costs, fitness for purpose, tenderers' experience and performance history, productive use of City resources and other environmental or local economic factors.

DETAILS

The tender for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction was advertised through statewide public notice and published by Tenderlink on 3 May 2025. The tender period was for two weeks and tenders closed on 22 May 2025.

Tender Submission

A submission was received from each of the following:

- Bormaz Contracting Pty Ltd.
- Environmental Industries Pty Ltd.
- Fire Mitigation Services Pty Ltd.
- GreenSteam Australia Pty Ltd.
- Indigenous Contracting Western Australia Pty Ltd as Trustee for Indigenous Contracting Western Australia.
- Martins Environmental Services Pty Ltd.
- Natural Area Holdings Pty Ltd.

The schedule of items listed in the tender is provided in Attachment 1 to this Report.

A summary of the tender submissions including the location of the tenderer is provided in Attachment 2 to this Report.

A confidential tender summary is provided in Attachment 3 to this Report.

Evaluation Panel

The evaluation panel comprised three members, being:

- one with tender and contract preparation skills
- two with the appropriate operational expertise and involvement in supervising contracts.

The panel conducted the assessment of the submissions in accordance with the City's evaluation process in a fair and equitable manner.

Evaluation Method and Weighting

The qualitative weighting method of tender evaluation was selected to evaluate the offer for this requirement. Prior to assessment of the submission, a determination was made, based on the selection criteria, of what would be an acceptable qualitative score that would indicate the ability of the tenderer to satisfactorily deliver the services.

The standard minimum acceptable qualitative score for tenders at the City is 50%, but the specific circumstances of tender requirements may, from time to time, require the minimum score to be set higher than 50%, where the specification has complex design or technical requirements. Due to the simple nature of the proposed services, the predetermined minimum acceptable qualitative score for this requirement was therefore set at 50%.

The qualitative criteria and weighting used in evaluating the submissions received were as follows:

Qualitative Criteria		**Weighting**
1	Demonstrated experience in providing similar services	40%
2	Capacity	30%
3	Demonstrated understanding of the required tasks	25%
4	Social and economic effects on the local community	5%

Compliance Assessment

The following offers received were assessed as fully compliant:

- Environmental Industries Pty Ltd.
- Fire Mitigation Services Pty Ltd.
- GreenSteam Australia Pty Ltd.
- Indigenous Contracting Western Australia Pty Ltd as Trustee for Indigenous Contracting Western Australia.
- Martins Environmental Services Pty Ltd.
- Natural Area Holdings Pty Ltd.

The following offer received was assessed as partially compliant:

- Bormaz Contracting Pty Ltd – It did not provide any details of its internal quality control systems. The submission also lacked a completed safety questionnaire. The submission was included for assessment on the basis that the missing responses could be sought if the offer progressed to stage two of the assessment.

On this basis, all submissions were considered for further evaluation.

Qualitative Assessment

Bormaz Contracting Pty Ltd scored 37% and was ranked seventh in the qualitative assessment. The company did not demonstrate sufficient experience providing similar services. Although it did demonstrate suitably experienced staff and adequate specialised equipment, capacity was limited by its human resources. There are only four fulltime employees, with no resource contingency and no after-hours emergency contact arrangements mentioned. It demonstrated only a basic understanding of the required tasks omitting the need to have all firebreaks cleared by 31 October each year.

Indigenous Contracting Western Australia Pty Ltd as Trustee for Indigenous Contracting Western Australia scored 45.8% and was ranked sixth in the qualitative assessment. The Company's capacity is limited both by the number of staff number and its equipment pool. It has four staff and one machine capable of mechanical fuel load reduction (a positrack with both mulcher and slasher attachments). Additional personnel would be sourced from two casuals and labour hire. It demonstrated limited experience providing similar services. The company demonstrated only a basic understanding of the required tasks, omitting the need to have all firebreaks cleared by 31 October each year.

Fire Mitigation Services Pty Ltd scored 46.3% and was ranked fifth in the qualitative assessment. The company demonstrated a basic understanding of the required tasks, omitting the need to have all firebreaks cleared by 31 October each year. It demonstrated adequate experience providing similar services. Several past contracts were described in detail including their value and time periods. Most involved working under the WALGA Mitigation Activity Fund program, servicing some of the more bushfire prone local governments and state-owned sites within the metropolitan, wheatbelt and southwest regions of Western Australia. Capacity is limited by a full-time staff of eight and having to mobilise from its base of operation in Northam.

GreenSteam Australia Pty Ltd scored 47.6% and was ranked fourth in the qualitative assessment. It demonstrated limited experience in providing similar services in previous contracts. The company's capacity to carry out the work is adequate. It has been in operation for 20 years, is based in Osborne Park and has 40 staff including 18 full-time employees. Some specialised equipment is lacking which would need to be procured if awarded the contract. It provided a methodology that demonstrated an understanding of the required tasks including the need to have all fire breaks cleared by 31 October each year. However, it indicated that chemical woody weed control would be performed in separate mobilisations by a subcontractor, an arrangement that is unsatisfactory to the City.

Martins Environmental Services Pty Ltd scored 61.9% and was ranked third in the qualitative assessment. The company demonstrated extensive experience in providing similar services. The submission indicated previous natural area management contracts with six state government departments and 17 local governments including the Cities of Kalamunda, and Armadale . The capacity of the company is adequate with a staff of 12, a base of operations in Byford and an extensive inventory of specialised equipment. It demonstrated a sound understanding of the required tasks, providing a detailed methodology in line with the specifications including completion of all firebreak maintenance by 31 October each year, a commitment to the protection of ecologically sensitive areas and an understanding of the relevant ecological legislation and guidelines.

Environmental Industries Pty Ltd scored 67.4% and was ranked second in the qualitative assessment. It demonstrated a broad range of experience in providing similar services with a list of recent and current contracts with state government departments and local governments including the Cities of Rockingham, Stirling and Gosnells. The company's capacity is large. It has been in operation for nearly 40 years, its principal base of operation is in Canning Vale and it has approximately 100 employees. It's personnel have ample experience and there is a dedicated human resources department. It has sufficient specialised equipment supported by in-house maintenance. It demonstrated a thorough understanding of the required tasks including completion of all firebreak maintenance by 31 October each year, compliance with environmental legislation, protection of flora and fauna, pathogen management, fire safety, reporting and emergency protocols.

Natural Area Holdings Pty Ltd scored 77.1% and was ranked first in the qualitative assessment. It has been in operation for 22 years and has 106 full-time employees and 20 casual employees. It has bases in Whiteman, Malaga and Beeliar. Key personnel have ample experience and it has an extensive pool of specialised equipment, serviced in-house. It demonstrated extensive experience providing similar services with clients including the Cities of Joondalup, Gosnells and Wanneroo. It demonstrated a thorough understanding and appreciation of the City's requirements including the need to have all firebreaks cleared by 31 October each year with strong focus on environmental protection and adherence to relevant environmental legislation and guidelines. It engages Trentech Automotives in Joondalup to service its vehicle fleet. Ten of its staff members reside within the City and it regularly donates plants and seed to local community groups.

Given the minimum acceptable qualitative score of 50%, Natural Area Holdings Pty Ltd, Environmental Industries Pty Ltd and Martins Environmental Services Pty Ltd qualified to progress to the stage two assessment.

Price Assessment

The panel conducted a comparison of the rates offered by the tenderers to assess value for money to the City.

The estimated expenditure over a three-year period will vary based upon demand and is subject to change in accordance with operational requirements. For the purposes of comparison of the financial value of the tender, the tendered rates offered by each tenderer have been applied to the actual historical usage data across three scheduled items. This provides a value for comparative evaluation purposes based on the assumption that this pattern of usage is maintained. There is no guarantee that this will occur, and actual costs will be paid on the actual usage in the future.

The rates are fixed for the first year of the contract but are subject to a price variation in years two to three, and four to five (if the two optional extension terms were exercised), of the contract to a maximum of the CPI for the preceding year. For estimation purposes, a 3% CPI increase was applied to the rates in years two to five.

Tenderer	Year 1	Year 2	Year 3	Total
Natural Area Holdings Pty Ltd	$160,000	$164,800	$169,744	$494,544
Martins Environmental Services Pty Ltd	$166,500	$171,495	$176,640	$514,635
Environmental Industries Pty Ltd	$340,500	$350,715	$361,236	$1,052,451

During 2024-25 the City incurred $121,748 expenditure for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction.

It is anticipated that the City will incur an estimated expenditure of $494,544 during the three-year contract term, on the basis it requires similar quantities to 2024 and up to $849,462 over the five-year term, should the City exercise both one-year optional extensions.

Evaluation Summary

The following table summarises the results of the qualitative and price evaluation as assessed by the evaluation panel:

Tenderer	Weighted Percentage Score	Qualitative Ranking	Estimated Total Comparative Price	Price Ranking
Natural Area Holdings Pty Ltd	77.1%	1	$494,544	1
Martins Environmental Services Pty Ltd	61.9%	3	$514,635	2
Environmental Industries Pty Ltd	67.4%	2	$1,052,451	3

Based on the evaluation result the panel concluded that the offer from Natural Area Holdings Pty Ltd provides best value to the City and is therefore recommended.

Issues and options considered

The City has a requirement for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction. The City does not have the internal resources to provide the required services and requires the appropriate external contractor to undertake the works.

Legislation / Strategic Community Plan / Policy implications

Legislation A state-wide public tender was advertised, opened and evaluated in accordance with regulations 11(1) and 18(4) of Part 4 of the *Local Government (Functions and General) Regulations 1996*, where tenders are required to be publicly invited if the consideration under a contract is, or is estimated to be, more, or worth more, than $250,000.

Aboriginal Heritage Act 1972.
Biodiversity Conservation Act 2016.
Environment Protection and Biodiversity Conservation Act 1999 (Cwlth).
Environmental Protection Act 1986.

10-Year Strategic Community Plan

Key theme 2. Environment.

Outcome 2-1 Managed and protected - you value and enjoy the biodiversity in local bushland, wetland and coastal areas.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	**DECISIONS**	**EXPECTATIONS**	**REPUTATION**	**ENVIRONMENT**
Risk Event Description	Ineffective / improper decision making	Inability to understand community expectations	Loss of community trust	Unsustainable environmental and natural resource management
Risk Responsibility	Director Governance and Strategy		Chief Executive Officer	Director Infrastructure Services
Residual Risk	High			
Control Effectiveness	Strong			
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.			
Risk Control	The relevant control, to mitigate risk, is the provision of the opportunity to appoint a contractor for essential work not currently within operational capacity to allow compliance with legislative requirements.			

Other risk information

The risk to the City is considered extreme as bushfire risk management is a key responsibility for local government and the City will not be able to undertake planning for bushfires and the implementation of prevention, preparedness and recovery strategies to minimise the risk to people, property and the environment.

It is considered that the contract will represent low risk to the City as the recommended tenderer is well established with significant industry experience and proven capacity to provide the services to the City.

Financial / budget implications

Current financial year impact

Account no.	623-N3740-3359-6012, 623-N3642-3359-6451
Budget Item	Bushfire mitigation – firebreaks and fuel reduction
Budget amount	$ 173,260
Amount spent to date	$ 0
Proposed cost	$ 160,000
Balance	$ 13,260

All amounts quoted in this report are exclusive of GST.

Regional significance

Not applicable.

Sustainability implications

The provision of bushfire mitigation reduces the risk of bushfire while protecting the social, economic and environmental values of the City's reserves and nearby assets.

Consultation

Not applicable.

COMMENT

The evaluation panel carried out the evaluation of the submissions in accordance with the City's evaluation process and concluded that the offer submitted by Natural Area Holdings Pty Ltd represents best value to the City.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ204-07/25)

MOVED Cr Hutton, SECONDED Cr Fishwick that Council ACCEPTS the tender submitted by Natural Area Holdings Pty Ltd for the provision of mechanical bushfire mitigation – firebreaks and fuel load reduction as specified in Tender 012/25 for a period of three years with the option of two further terms of one year each, at the submitted schedule of rates with any price variations subject to the percentage change in the Perth CPI (All Groups).

The Motion was Put and CARRIED (10/0) by Exception Resolution after consideration of Item 12.17.

In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Motion: Nil.

Extent of Interest	Cr Pizzey has family who live on Burleigh Drive, Burns Beach.

12.17 CITY OF JOONDALUP DRAFT ROAD SAFETY MANAGEMENT PLAN 2025 - 2035 (WARD - ALL)

WARD All

RESPONSIBLE DIRECTOR Mr Nico Claassen
Director Infrastructure Services

FILE NUMBER 56534, 101515

AUTHORITY / DISCRETION Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to endorse the draft City of Joondalup Road Safety Management Plan 2025 - 2035.

EXECUTIVE SUMMARY

Road Safety Management Plans help local governments to understand their road safety risks at a local level, identify key areas of focus, develop an action plan and monitor safety outcomes in relation to the State Road Safety Strategy targets.

The State's new road safety strategy for Western Australia *'Driving Change 2020-2030'* was launched in late 2020 with a strong focus on reducing the numbers of people killed, severely or seriously injured by 50-70% by 2030, and to zero by 2050. The target of zero by 2050 is ambitious and requires commitment by Federal, State, local governments, and the wider community.

Main Roads WA (MRWA) developed a Road Safety Management Plan template on behalf of the Western Australian Government. The template and supporting tools were developed to assist local governments to develop and operate their own plan, ensure local governments are fully committed to the target of zero deaths and serious injuries by 2050, and to ensure that there will eventually be a unified format for all local governments.

The City of Joondalup draft Road Safety Management Plan 2025-2035 (Plan 2035) (Attachment 1 refers) has been drafted based on the MRWA template to align with the Safe System Approach as per the State's road safety strategy. The safe system approach, while still modelled on the four cornerstones detailed in Plan 2011 and Plan 2020, now recognises that responding to crashes quickly can also ensure a higher rate of survivability.

It is therefore recommended that Council:

1 NOTES the outcomes and achievements of the Road Safety Action Plan 2016 - 2020;

2 ENDORSES the draft City of Joondalup Road Safety Management Plan 2025 - 2035 provided as Attachment 1 to this Report.

BACKGROUND

Road Safety Management Plans help local governments to understand their road safety risks at a local level, identify key areas of focus, develop an action plan and monitor safety outcomes in relation to the State Road Safety Strategy targets. The plans can also support resource planning and can be used as a method of communicating to local government customers and other stakeholders about road safety at a local level.

The City of Joondalup *Road Safety Action Plan 2011 – 2015* (Plan 2011) was developed to assist with the delivery of road safety programs and provide focus to achieve positive outcomes within the framework of the Safe Systems Approach adopted by the national and state authorities.

The *Road Safety Action Plan 2016 – 2020* (Plan 2020), was developed to provide guidance to comprehensively address road safety in the City of Joondalup with the vision of reducing the number of vehicle related crashes, reducing road trauma and highlighting the ways the City addressed road safety.

Throughout the implementation of Plan 2020, the City achieved a reduction in crash severity while effectively managing an extensive transport network comprising 1,084 kilometers of roads and 955 kilometers of pathways. Over the life of this plan, there has been a consistent decline in incidents involving cyclists and pedestrians, indicating notable progress in safeguarding vulnerable road users.

Some of the key achievements during the span of Plan 2020, in line with key objectives, are as follows:

Safe Roads and Roadsides

- Road construction projects addressing road safety issues through the City's Local Traffic Management, Black Spot, Major Road Construction, Road Preservation and Resurfacing Programs.

Safe Speed

- The "Please Slow Down Consider Our Kids" bin sticker program for residents involves placing stickers on domestic waste bins in local roads and around selected school precincts.
- Requests to the WA Police for speed enforcement to encourage speed compliance on local roads by utilising the city's traffic count program.

Safe Road Use

- Liaison with schools regarding traffic management concerns and responding to enquiries by members of the community about road safety issues.
- Road safety promotion to encourage safe road use at city events, such as the Joondalup Festival in 2019.
- Promoting and encouraging safe road use during holiday periods, such as the WA Local Government Association RoadWise's Road Ribbon for Road Safety campaign during the Christmas holiday period.

Safe Vehicles

- Continuing the purchase of five-star ANCAP (Australasian New Car Program) rated vehicles where possible.

The timeframe for Plan 2020 is now completed and a new plan has been developed using the Road Safety Management Plan template developed and provided by Main Roads WA (MRWA) on behalf of the Western Australian Government. The template and supporting tools were developed to assist local governments to develop and operate their own plan, ensure local governments are fully committed to the target of zero deaths and serious injuries by 2050, and to ensure that there will eventually be a unified format for all local governments.

This template is based on the *Austroads Local Government Road Safety Management Guidance* which sets out a road safety management planning framework and action plan that gives effect to higher-order documents, including the National and State Road Safety Strategies to assist local governments tackle the key road safety issues in their local area.

DETAILS

The City's *Integrated Transport Plan 2024 – 2034* was adopted by Council at its meeting held on 23 April 2024 (CJ090-04/24 refers) which identifies "road and transport safety" as one of the outcomes which is guided by the principles of the State's road safety strategy.

The State's road safety strategy for Western Australia *'Driving Change 2020-2030'* was launched in late 2020 with a strong focus on reducing the numbers of people killed, severely or seriously injured by 50-70% by 2030, and to zero by 2050. The target of zero by 2050 is ambitious and requires commitment by federal, state, local governments, and the wider community.

To ensure that these targets can be met, the State Government identified that they needed to engage with local governments as local governments manage a significant portion of the road network throughout the state, with a high number of crashes occurring on these roads.

The City of Joondalup draft Road Safety Management Plan 2025-2035 (Plan 2035) (Attachment 1 refers) has been drafted based on the MRWA template to align with the Safe System Approach as per the State's road safety strategy. The safe system approach, while still modelled on the four cornerstones detailed in Plan 2011 and Plan 2020, now recognises that responding to crashes quickly can also ensure a higher rate of survivability. The main elements of the safer system now include:

- Safe roads – designing and building safe roads and roadsides to have a more forgiving road system.
- Safe road users – Supporting positive cultural change by focusing on improving driver behaviours through education, enforcement and awareness campaigns.

- Safe speeds – Setting appropriate speed limits and partaking in strategies so speeds are suitable for the road environment.
- Safe vehicles – Encouraging and promoting the uptake of safety technology.
- Post crash response – Ensuring timely and effective medical response and care for those involved in crashes.

Plan 2025-2035 will be reviewed during the life of the plan to:

- enable the evaluation of proposed actions to confirm efficiency utilising the City's
- holistic Joondalup Area Model (JAM), specific to major road corridors
- incorporate additional actions or advice from the Office of Road Safety and the WALGA Roadwise Program.

A five-year review will be conducted in 2030 in addition to the conclusion of the management plan in 2035. This review will determine the effectiveness of the City's road safety actions and its outcome in relation to the State Government's road safety strategies.

Issues and options considered

Council may choose to:

- endorse the draft Road Safety Management Plan 2025-2035
- endorse the draft Road Safety Management Plan 2025-2035 with changes
  or
- not endorse the draft Road Safety Management Plan 2025-2035.

Point 1 is the preferred option as it will guide the City's actions towards a safer transport network.

Legislation / Strategic Community Plan / Policy implications

Legislation *Road Traffic Code 2000.*

10-Year Strategic Community Plan

Key theme 1. Community.

Outcome 1-1 Healthy and safe - you feel healthy and safe in your local community.

Key theme 3. Place.

Outcome 3-1 Connected and convenient - you have access to a range of interconnected transport options.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City's long-term objectives.

Strategic Risk Relationship

Risk	DECISIONS	EXPECTATIONS	REPUTATION
Risk Event Description	Ineffective / improper decision making	Inability to understand community expectations	Loss of community trust
Risk Responsibility	Director Infrastructure Services		Chief Executive Officer
Residual Risk	High		
Control Effectiveness	Strong		
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.		
Risk Control	The relevant control, to mitigate risk, is the provision of a plan that demonstrates an ongoing commitment to road safety and meeting strategic objectives.		

Risk	ATTRACTION
Risk Event Description	Lack of desirability as a place to visit live, work, invest and do business
Risk Responsibility	Director Infrastructure Management
Residual Risk	Medium
Control Effectiveness	Strong

Financial / budget implications

The basis of the plan is to enable infrastructure improvements and road safety initiatives to be undertaken with funding for these being subject to the city's annual budget development process. Projects identified as existing within the plan are approved within existing service levels and have budgets allocated within existing operating or capital works budgets.

Regional significance

The MRWA road safety action plan template provides the basis to ensure a consistent approach for all local governments to work towards achieving the State Governments road safety strategy for Western Australia *'Driving Change 2020-2030'.*

Sustainability implications

Not applicable.

Consultation

Not applicable.

COMMENT

Everyone is a road user in some way, which also means that there is a shared responsibility when it comes to safety on the road network.

It is acknowledged that a goal of zero people killed, severely or seriously injured on the road network is ambitious, however, the City is well along the way in achieving this, as crash results indicate that the average of these major, life-changing events on our roads have reduced over time.

Plan 2035 will show a strong commitment to improving the City's road network, reducing injury related crashes and therefore assisting Western Australia to achieve the targets set in the State's road safety strategy '*Driving Change 2020-2035*'.

The implementation of Plan 2035 will ensure that actions are completed in a timely and cost-effective manner and will put the City in a position to adopt a proactive approach towards road safety and work towards the goal of zero deaths, severely or seriously injured by 2050 in alignment with the State Government's road safety targets.

While infrastructure road projects will always be a key component of improving road safety, Plan 2035 provides transparency to the wider community and ensures the City maintains its credibility in its ability to address road safety.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ205-07/25)

MOVED Cr Hutton, SECONDED Cr Pizzey that Council:

1 NOTES the outcomes and achievements of the *Road Safety Action Plan 2016 - 2020*;

16 MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

16.1 NOTICE OF MOTION NO. 1 - CR DANIEL KINGSTON - ELECTED MEMBER DINNERS AND ELECTED MEMBERS' ENTITLEMENTS COUNCIL POLICY

In accordance with Clause 4.6 of the *City of Joondalup Meeting Procedures Local Law 2013*, Cr Daniel Kingston has given notice of his intention to move the following Motion at the Council meeting to be held on 22 July 2025:

That Council AMENDS the *Elected Members' Entitlements Council Policy*, as provided in Attachment 1, as follows:

1 that clause 11.1 - Elected Member dinners - of the Policy be deleted.

REASON FOR MOTION

The motion seeks to amend the *Elected Members' Entitlements Council Policy*.

OFFICER'S COMMENT

The *Elected Members' Entitlements Council Policy* provides as follows in relation to Elected Member Dinners:

"11 Other entitlements:

11.1 Elected Member Dinners:

a To provide an avenue to facilitate networking possibilities and for Elected Members to undertake discussions with various representatives of the community, the Council has agreed to host Elected Member dinners.

b The Mayor is entitled to host six dinners per calendar year, and each Ward a total of 12 each year, based on six dinners per Ward Councillor.

c Each table will allow for the Elected Member as host, plus up to a maximum of nine guests. Except for the Elected Member's spouse or partner, all guests invited are to have a relationship with the City or be a stakeholder of the City. Prior to an Elected Member dinner, Elected Members are to advise the City the details of their invited guests and their relationship with the City. Details of invited guests that attend Elected Member dinners are to be reported to the Audit and Risk Committee on a quarterly basis."

As has been published previously (refer Council resolution CJ053-03/25) the Elected Member Dinners Budget is approximately $15,000 per annum (estimate based on previous attendance/ costs) exclusive of GST, with a budget per person of approximately $100 comprising salaries; food and refreshments.

At the Council meeting held on 25 March 2025 (refer Council resolution CJ053-03/25) the matter of Elected Member Dinners was considered as part of the response to AGM motions, whereby it was resolved as follows:

"In relation to Motion No. 21 carried at the Annual General Meeting of Electors:

21.1 DOES NOT SUPPORT the request to publish the guest lists and expenditure for all Elected Member Dinners and all Formal City Dinners on the City's website, given the provisions of the Local Government Act 1995 and Freedom of Information Act 1992 and availability of expenditure information on request;

21.2 REQUESTS that the Policy Committee give consideration to the Elected Members' Entitlements Council Policy as it relates to Elected Member Dinners in its proposed 2025-26 review of the Policy."

It is at the Council's discretion whether to amend the Policy in relation to the provision of Elected Member Dinners at this juncture or wait until after the 2025 local government election when the Policy is proposed to be reviewed, and in alignment with the Council direction.

It is also important to note that the Council has established a Policy Committee, the role of which includes to *make recommendations to Council on the development and review of the City's policies and overall policy framework*.

12.11 CONFIDENTIAL - SIGNIFICANT EVENT PLANNING 2026+ (WARD - ALL)

WARD All

RESPONSIBLE DIRECTOR Mr Jamie Parry
Director Governance and Strategy

FILE NUMBER 10922

AUTHORITY / DISCRETION Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

This report is confidential in accordance with the s5.23(2) of the *Local Government Act 1995*, which permits the meeting to be closed to the public for business relating to the following:

(c) a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting.

A full report is provided to Elected Members under separate cover. The report is not for publication.

Cr Kingston entered the Chamber at 8.42pm.

OFFICER'S RECOMMENDATION

That Council:

1 NOTES the outcomes presented in the 2025 Joondalup Festival of Motoring post event report;

2 CONSIDERS AND ENDORSES a preferred approach for the future direction of the City's Significant Events program, selecting one of the following options:

2.1 AGREES to extend the Joondalup Festival of Motoring sponsorship agreement for a further period of three years, with a 10 per cent increase in budget, based on an exclusive arrangement with the event organiser, Justin Hunt Management, and a post event report being provided outlining outcomes based on key performance indicators;
or
2.2 AGREES to call for expressions of interest, testing the marketing for a significant event, for a three-year period;
or
2.3 AGREES not to continue with a significant event and explore opportunities to reallocate funding to events and promotions that more directly align to the City's Strategic direction and the current event market;

3 NOTES that an amount of $350,000 is included in the 2025-26 Budget for a significant event in 2026.

ALTERNATE RECOMMENDATION / COUNCIL RESOLUTION

MOVED Cr Hutton, SECONDED Cr Hill that Council:

1 NOTES the outcomes presented in the 2025 Joondalup Festival of Motoring post event report;

2 AGREES to prepare an Expressions of Interest, inviting suitably qualified event management groups to host a significant event or a series of regular events, for up to three-years;

3 NOTES that an EOI process will include testing the market for either a single event or series of regular events to be held in the City Centre;

4 NOTES that an amount of $350,000 is included in the 2025-26 Budget for a significant event in 2026.

Cr May left the Chamber at 9.12pm and returned at 9.15pm.

During debate it was requested that Parts 3 and 4 of the Motion be voted upon separately.

12.15 TENDER 009/25 PROVISION OF NON-CHEMICAL APPLICATION FOR CONTROL OF WEEDS TO NOMINATED LOCATIONS (WARD - ALL)

WARD	All
RESPONSIBLE DIRECTOR	Mr Mat Humfrey Director Corporate Services
FILE NUMBER	112104, 101515
AUTHORITY / DISCRETION	Executive - The substantial direction setting and oversight role of Council, such as adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.

PURPOSE

For Council to accept the tender submitted by Greensteam Australia Pty Ltd for the provision of non-chemical application for the control of weeds to nominated locations.

EXECUTIVE SUMMARY

Tenders were advertised on Saturday 10 May 2025 through statewide public notice and published by Tenderlink for the provision of non-chemical application for the control of weeds to nominated locations. Tenders closed on Thursday 29 May 2025. A submission was received from Greensteam Australia Pty Ltd.

The submission from Greensteam Australia Pty Ltd represents good value to the City. It demonstrated a thorough understanding of the City`s requirements and a very good level of experience providing similar services to local governments including non-chemical weed control services to the City of Fremantle, City of Subiaco, City of Stirling, City of Canning, Town of Bassendean and Town of Victoria Park. It is the incumbent contractor for non-chemical weed control services for the City of Joondalup. The panel is confident Greensteam Australia Pty Ltd has sufficient capacity and resources to provide the service for the City.

It is therefore recommended that Council ACCEPTS the tender submitted by Greensteam Australia Pty Ltd for the Provision of Non-Chemical Application for the Control of Weeds to Nominated Areas as specified in Tender 009/25 for a period of one year at the fixed lump sum of $552,000 (excluding GST), with the option to extend the Term of the Contract by two further terms of one year each, with any price variations subject to the percentage change in the Perth CPI (All Groups).

BACKGROUND

The City has a requirement to engage a contractor to supply and apply non-chemical treatments to nominated locations for the control of weeds in play spaces, kerbs, footpaths, hardstand (paved), median islands, mulched median islands and general paved areas within the City.

The City has a contract in place with Greensteam Australia Pty Ltd for the provision of non-chemical application for control of weeds to nominated locations which expired on 30 June 2025.

Tender assessment is based on the best value for money concept. Best value is determined after considering whole of life costs, fitness for purpose, tenderers' experience and performance history, productive use of City resources and other environmental or local economic factors.

DETAILS

The tender for non-chemical application for the control of weeds to nominated areas was advertised through statewide public notice and published by Tenderlink on Saturday 10 May 2025. The tender period was for two weeks and tenders closed on Thursday 29 May 2025.

Tender Submission

A submission was received from Greensteam Australia Pty Ltd.

The schedule of items listed in the tender is provided in Attachment 1 to this Report.

A summary of the tender submissions including the location of the tenderer is provided in Attachment 2 to this Report.

A confidential tender summary is provided in Attachment 3 to this Report.

Evaluation Panel

The evaluation panel comprised three members:

- one with tender and contract preparation skills
- two with appropriate operational expertise and involvement in supervising contracts.

The panel conducted the assessment of the submissions in accordance with the City's evaluation process in a fair and equitable manner.

Evaluation Method and Weighting

The qualitative weighting method of tender evaluation was selected to evaluate the offer for this requirement. Prior to assessment of the submission, a determination was made, based on the selection criteria, of what would be an acceptable qualitative score that would indicate the ability of the tenderer to satisfactorily deliver the services.

The standard minimum acceptable qualitative score for tenders at the City is 50%, but the specific circumstances of tender requirements may, from time to time, require the minimum score to be set higher than 50%, where the specification has complex design or technical requirements. Due to the simple nature of the proposed services, the predetermined minimum acceptable qualitative score for this requirement was therefore set at 50%.

The qualitative criteria and weighting used in evaluating the submissions received were as follows:

Qualitative Criteria		Weighting
1	Capacity	45%
2	Demonstrated experience in providing similar services	30%
3	Demonstrated understanding of the required tasks	20%
4	Social and economic effects on the local community	5%

Compliance Assessment

The offer from Greensteam Australia Pty Ltd was assessed as fully compliant:

Qualitative Assessment

Greensteam Australia Pty Ltd scored 73.1% in the qualitative assessment. The company demonstrated a very good level of experience completing projects that contain similar aspects to the requirements. A current work schedule showing several projects where it is delivering non-chemical weed control services to the City of Fremantle, City of Stirling, City of Subiaco, City of Canning, Town of Bassendean and Town of Victoria Park was included. It is the incumbent service provider for the City of Joondalup. The company demonstrated its capacity to perform the services and provided an organisational chart along with the names of key personnel who will be directly involved in these works including their position in the company, experience, education, and/or trade qualifications. Details of the plant and equipment that will be used to deliver the services were provided along with its machinery maintenance statement. It demonstrated a thorough understanding of the City`s requirements, providing an in-depth response and proposed methodology. Greensteam Australia Pty Ltd has sufficient capacity to provide the service for the City.

Given the minimum acceptable qualitative score of 50% Greensteam Australia Pty Ltd qualified to progress to the stage two assessment.

Price Assessment

The panel conducted a comparison of the prices offered by the tenderer to assess value for money to the City.

The lump sum price is fixed for the initial 12 months of the Contract. Variations will be in accordance with changes to the Australian Bureau of Statistics` Perth All Groups Consumer Price Index (CPI).

The estimated expenditure over the one-year period will vary based upon demand and is subject to change in accordance with operational requirements. For the purposes of comparison of the financial value of the tender, the tendered rates offered by the tenderer have been applied to the actual historical usage data across three scheduled items.

The rates are fixed for the first year of the contract but are subject to a price variation if the two optional extension terms were exercised in years two to three of the contract to a maximum of the CPI for the preceding year. For estimation purposes, a 3% CPI increase was applied to the rates in years two and three.

Tenderer	Lump Sum (exclusive of GST)
Greensteam Australia Pty Ltd	$552,000

During 2024-25 the City incurred $409,753 expenditure for the Provision of Non-Chemical Application for the Control of Weeds to Nominated Locations.

It is anticipated that the City will incur an estimated expenditure of $552,000 during the one-year contract term, and up to $1,706,177 over the three-year term, should the City exercise both one-year optional extensions.

Evaluation Summary

The following table summarises the results of the qualitative and price evaluation as assessed by the evaluation panel:

Tenderer	Weighted Percentage Score	Qualitative Ranking	Lump Sum Price	Price Ranking
Greensteam Australia Pty Ltd	73.1%	1	$552,000	1

Based on the evaluation result, the panel concluded that the offer from Greensteam Australia Pty Ltd provides good value to the City and is therefore recommended.

Issues and options considered

The City has a requirement to effectively manage seasonal weed infestations within public open spaces and streetscapes. The City has no capacity to undertake the provision of non-chemical application for the control of weeds to nominated areas and requires an appropriate qualified and resourced contractor to undertake the work.

Legislation / Strategic Community Plan / Policy implications

Legislation A state-wide public tender was advertised, opened and evaluated in accordance with regulations 11(1) and 18(4) of Part 4 of the *Local Government (Functions and General) Regulations 1996*, where tenders are required to be publicly invited if the consideration under a contract is, or is estimated to be, more, or worth more, than $250,000.

10-Year Strategic Community Plan

Key theme 3. Place.

Outcome 3-3 Attractive and leafy - you have access to quality public open spaces and enjoy appealing streetscapes.

Policy Not applicable.

Risk management considerations

Risk management considerations in reports to Council consider the relevant strategic risk(s).

This category of risk requires input from Council and is managed by the Chief Executive Officer and relevant Director(s).

Strategic risks are external or internal risks that affect the achievement of the City’s long-term objectives.

Strategic Risk Relationship

Risk	DECISIONS	EXPECTATIONS	REPUTATION	ENVIRONMENT
Risk Event Description	Ineffective / improper decision making	Inability to understand community expectations	Loss of community trust	Unsustainable environmental and natural resource management
Risk Responsibility	Director Governance and Strategy		Chief Executive Officer	Director Infrastructure Services
Residual Risk	High			
Control Effectiveness	Strong			
Risk Appetite	High risk requires close monitoring with assurance of the highest levels of controls – strong – including plans for improving effectiveness levels.			
Risk Control	The relevant control, to mitigate risk, is the provision of the opportunity to appoint a contractor for essential work not currently within operational capacity.			

Other risk information

The risk to the City is considered moderate, as the CBD, playspaces and 50m school zones are high profile locations, and the maintenance utilising non-chemical treatment in these areas is highly sensitive to political factors.

It is considered that the contract will represent low risk to the City as the recommended tenderer is a well-established company with significant industry experience and has the capacity to provide the services to the City.

Financial / budget implications

Current financial year impact

Account no.	633 Various Parks, Streetscapes
Budget Item	Various Parks, Streetscapes
Budget amount	$ 536,968
Amount spent to date	$ 0
Proposed cost	$ 552,000
Balance	$ 15,032

All amounts quoted in this report are exclusive of GST.

Regional significance

Not applicable.

Sustainability implications

Environmental

The effective management of seasonal weeds enhances the amenity of public open spaces and streetscapes.

Consultation

Not applicable.

COMMENT

The evaluation panel carried out the evaluation of the submissions in accordance with the City's evaluation process and concluded that the offer submitted by Greensteam Australia Pty Ltd represents good value to the City.

VOTING REQUIREMENTS

Simple Majority.

OFFICER'S RECOMMENDATION

That Council ACCEPTS the Tender submitted by Greensteam Australia Pty Ltd for the provision of non-chemical application for the control of weeds to nominated locations as specified in Tender 009/25 for a period of one year at the fixed lump sum of $552,000 (excluding GST), with the option to extend the Term of the Contract by two further terms of one year each, with any price variations subject to the percentage change in the Perth CPI (All Groups).

ALTERNATE RECOMMENDATION / COUNCIL RESOLUTION
(Resolution No: CJ211-07/25)

MOVED Cr Pizzey, SECONDED Cr Hutton that Council:

1 ACCEPTS the Tender submitted by Greensteam Australia Pty Ltd for the provision of non-chemical application for the control of weeds to nominated locations as specified in Tender 009/25 for a period of one year at the fixed lump sum of $552,000 (excluding GST), with the option to extend the Term of the Contract by two further terms of one year each, with any price variations subject to the percentage change in the Perth CPI (All Groups);

2 REQUESTS the Chief Executive Officer to investigate the in-house provision of non-chemical application for the control of weeds and to investigate other locations within the City that may be suitable for the use of non-chemical application for the control of weeds.

The Alternate Motion was Put and CARRIED (10/0)

In favour of the Alternate Motion: Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hill, Cr Hutton, Cr Kingston, Cr May, Cr O'Neill, Cr Pizzey and Cr Vinciullo.
Against the Alternate Motion: Nil.

Hi [redacted]
Please find attached the amended Land Development Plan that shows the fence alignment along Mitchell Freeway.
This boundary will be surveyed along with the land required along Ocean Reef Road.

Can you please get confirmation that DBCA are happy for Main Roads to proceed.

regards

[redacted]

	Audit and Risk Committee	2.2	REQUESTS FOR REPORTS FOR FUTURE CONSIDERATION	Completed	Action from Minutes - Report Request - Audit & Risk Committee - 1 March 2022 Risk Management Process: Cr Fishwick requested a report on the risk management processes undertaken by the City, particularly when upgrading parks or the installation of basketball pads.	**17/10/2023** Report currently on hold awaiting outcome of the proposed guidelines for community basketball facilities from DWER. **08/10/2024** At its meeting held on 17 September 2024 (CJ237-09/24 refers) Council resolved as follows: "2 REQUESTS the Chief Executive Officer to prepare a report to Council on the progress of the Department of Water and Environmental Regulation (DWER) guidelines for community basketball facilities; 3 Subject to Part 2, should the DWER guidelines not be released or publicised, REQUESTS the Chief Executive Officer to prepare a report on the development of a policy or guidelines for the management of community basketball facilities." Progress of Parts 2 and 3 above will be reported on under resolution CJ237-09/24.		
	Major Projects and Finance Committee	1.11	ITEM 2 - STATUS REPORT ON CITY FREEHOLD PROPERTIES PROPOSED FOR DISPOSAL AND POTENTIAL CROWN LAND ACQUISITIONS	Not yet started	That the Major Projects and Finance Committee: 3 SUPPORTS investigations with the Department of Planning Lands and Heritage into the City's concessional acquisition of Lot 2277 (15) Selkirk Drive, Kinross, Lot 14564 (5) Ascot Way, Currambine and an area yet to be defined on the northern boundary of Lot 15074 (46) Warwick Road, Duncraig;	**24/03/2025** Due to current project priorities, investigations regarding the potential acquisition and optimisation of Lot 2277 (15) Selkirk Drive, Kinross and Lot 14564 (5) Ascot Way, Currambine have been deferred to July 2026 however, these investigations can be initiated anytime bore this date if resources and circumstances allow. During the MPFC of 21 July 2021, EMs noted the investigations into the potential acquisition of part of Lot 14077 (40) Warwick Road, Duncraig were discontinued - this part of the action is now closed.	14-07-2026	
	Ordinary Meeting of Council	1.3	C125-11/21 - NOTICE OF MOTION NO. 1 – CR MAY – PROVISION OF BASKETBALL FACILITIES	Completed	Action from Minutes - Report Request - Council Meeting - 16 November 2021 That Council: 1 REQUESTS the Chief Executive Officer to investigate and prepare a report on the best location for the provision of a basketball pad at one of the following parks in Craigie: a Otago Park, Craigie; b Camberwarra Park, Craigie; or c Albion Park, Craigie; 2 REQUESTS the Chief Executive Officer to investigate and prepare a report on the provision of a basketball pad at one of the following parks in Kallaroo: a Whitfords-West Park, Kallaroo; or b Bridgewater Park, Kallaroo; 4 Considers the provision of a basketball pad at either Bridgewater Park, Kallaroo or Whitfords-West Park, Kallaroo in the context of the Youth Outdoor Recreation Strategy and Business Case for Interconnected Mountain Bike Trails.	**15/09/2023** Report due TBA **23/10/2023** Following Council's decision regarding the provision of a basketball facility at Braden Park, Marmion (CJ133-08/22 refers), this report is on hold enabling the consideration of the DWER Guidelines on basketball facilities in public open spaces. **08/10/2024** At its meeting held on 17 September 2024 (CJ237-09/24 refers) Council resolved as follows: "2 REQUESTS the Chief Executive Officer to prepare a report to Council on the progress of the Department of Water and Environmental Regulation (DWER) guidelines for community basketball facilities; 3 Subject to Part 2, should the DWER guidelines not be released or publicised, REQUESTS the Chief Executive Officer to prepare a report on the development of a policy or guidelines for the management of community basketball facilities." Progress of Parts 2 and 3 above will be reported on under resolution CJ237-09/24. The policy or guidelines will guide the provision of basketball facilities within the City.		
	Ordinary Meeting of Council	1.4	CJ185-12/21 - INSTALLATION OF UNDERGROUND POWER AND LED UPGRADES	In Progress	Action from Minutes - Report Request - Council Meeting - 14 December 2021 8 REQUESTS the Chief Executive Officer to prepare a business case detailing:	**15/09/2023** Report due TBA **16/04/2024**		

Meeting Date	Document	Item No.	Item	Status	Action Required	Action Taken	Due Date	Completed (Overdue)
					8.1 Converting an area to smart-metered, LED City owned streetlights; 8.2 Converting an area from overhead power lines to underground power including the installation of smartmetered, LED City owned streetlights.	The City has commenced the development of a business case as requested by Council. To inform the options identified, the City included two projects, being STL2140 Relighting Dampier Avenue, Mullaloo and STL2142 Relighting of Venturi Drive, in the 2023-24 Capital Works Program and the draft 2024-25 Capital Works Program to convert two small areas to smart-metered, LED City owned streetlights. The purpose of these projects is to develop a handover process between Western Power (current owner) and the City of Joondalup. Western Power has now indicated that they are no longer supportive of handing over these assets to the City. The City is currently reviewing the assumptions underpinning the business case. **26/02/2025** Following the approval of the WALGA Power Purchase Agreement by Council at its meeting held on 25 February 2025, the business case will be updated using these new tariffs to determine the most viable option to be progressed.		
	Ordinary Meeting of Council	1.5	C56-05/22 - NOTICE OF MOTION NO. 2 - CR CHRISTOPHER MAY - MITCHELL FREEWAY WIDENING WORKS	In Progress	Action from Minutes - Report Request - Council Meeting - 17 May 2022 5 REQUESTS the CEO to prepare a report regarding adopting the position of supporting the retention of all existing land between the Mitchell Freeway and residential areas, acting as a buffer, and encourage Main Roads WA to adopt the efficient use of land minimising the footprint of future infrastructure such as cycle paths and noise walls to preserve vegetation;	**15/09/2023** Report due 26/03/2024 **06/11/2023** The City is progressing the investigation into the matter raised in the Notice of Motion and compiling information to inform a report to Council in 2024. **05/06/2024** The City is continuing to work with Main Roads WA (MRWA) during the Mitchell Freeway widening works in an attempt to retain as much as possible of the existing vegetation and to agree on a revegetation plan post the completion of the civil works. **21/05/2025** A report on Protection and Enhancement of Native Vegetation by External Agencies is being prepared for consideration by Council during Q1 of 2025-26.		
	Ordinary Meeting of Council	1.6	CJ133-08/22 - BRADEN PARK BASKETBALL FACILITY	Completed	Action from Minutes - Report Request - Council Meeting - 6 August 2022 4 REQUESTS the Chief Executive Officer to investigate alternate age appropriate infrastructure for Braden park and report back to Council for its consideration if noise compliance as per Part 2 above cannot be achieved.	**15/09/2023** Report due TBA **18/10/2023** Report currently on hold pending the outcome of the proposed guidelines for community basketball facilities from DWER. **08/10/2024** At its meeting held on 17 September 2024 (CJ237-09/24 refers) Council resolved as follows: "2 REQUESTS the Chief Executive Officer to prepare a report to Council on the progress of the Department of Water and Environmental Regulation (DWER) guidelines for community basketball facilities; 3 Subject to Part 2, should the DWER guidelines not be released or publicised, REQUESTS the Chief Executive Officer to prepare a report on the development of a policy or guidelines for the management of community basketball facilities." Progress of Parts 2 and 3 above will be reported on under resolution CJ237-09/24. The policy or guidelines will guide the provision of basketball facilities within the City.		
	Ordinary Meeting of Council	1.7	C150-12/22 - NOTICE OF MOTION NO.2 – CR	Completed	Action from Minutes - Report Request - Council – 13 December 2022	**15/09/2023** Report due 28/11/2023		

Meeting Date	Document	Item No.	Item	Status	Action Required	Action Taken	Due Date	Completed (Overdue)
			CHRISTOPHER MAY – PEDESTRIAN ACCESSIBILITY		MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN C150-12/22 NOTICE OF MOTION NO.2 – CR CHRISTOPHER MAY – PEDESTRIAN ACCESSIBILITY That Council: That Council REQUESTS the Chief Executive Officer to prepare a report on options to consider a Pedestrian Accessibility and Amenity Improvement Program within higher density areas, particularly infill (HOA) areas, considering the following: 1 Missing footpath connections and pedestrian refuges on distributor roads leading to neighbourhood centres, parks, high frequency bus routes and other amenities; 2 Footpath width in areas considered to have higher pedestrian usage – such as outside of major parks/sporting ovals, schools and neighbourhood centres; 3 Analysis of what additional budgetary impact to prioritise additional footpath and pedestrian infrastructure within high density areas would have.	**27/10/2023** Report currently being prepared for Quarter 3 of 2023-24. **30/04/2024** Report rescheduled to Quarter 1 of 2024-25 due to resourcing requirements. **05/09/2024** Report prepared for consideration by Council at its meeting to be held on 17 September 2024. **08/10/2024** Council, at its meeting held on 17 September 2024 (CJ248-09/24 refers) considered a report in response to the Notice of Motion.		
	Ordinary Meeting of Council	1.16	CJ149-09/22 Petition in relation to Extension of Animal Exercise Areas in Hillarys	In Progress	Action from Minutes - Actions - Council - 20 September 2022 That Council: 3 REQUESTS the City to undertake a holistic review of its animal exercise areas and develop a framework to guide the planning, identification and delivery of animal exercise areas to be presented to Council by June 2023;	**06/11/2023** A presentation was made and workshop held with Elected Members at the Strategy Session on 6 June 2023 to seek their feedback on community expectations, dog exercise parks and the proposed way forward. The first step in developing a Dogs in Public Open Space Strategy is to seek the views of the residents via a City-wide consultation. The City is currently preparing a consultation package which will be circulated to Elected Members and then residents. The results will then help inform the strategy which the City is aiming to provide to Elected Members during the third quarter of 2023-24. **05/12/2023** The City proposed the inclusion of a Dog Management Plan in the Corporate Business Plan 2023 – 2027 to provide transparency regarding the development of this Plan which will provide clear direction to the City and confirm the position of the City on dogs in public open spaces. At the Council meeting held on 28 November 2023, Council under item 12.9 was requested to consider the inclusion of a project and milestones for the development of a Dog Management Plan within the City's Corporate Business Plan 2023 – 2027 which Council subsequently endorsed. In line with the adopted milestones by Council, the City is currently preparing a specification and request for quotation for the engagement of a specialist consultant to assist the City in the preparation of the Plan. 16/04/2024 Coordinator Directorate Support In line with the adopted milestones by Council in the City's Corporate Business Plan 2023 - 2027, the City has appointed an external consultant to assist the City in developing a draft Dog Management Plan. 05/06/2024 Manager Governance		

Meeting Date	Document	Item No.	Item	Status	Action Required	Action Taken	Due Date	Completed (Overdue)
						In line with the Strategic Community Reference Group (SCRG) adopted work plan, the development of a draft Dog Management Plan is scheduled to be considered by the SCRG at its meeting on 27 May 2024. 19/06/2024 Coordinator Directorate Support SCRG Meeting held on 27 May 2024. Meeting 1 Report — Dog Management Plan available on the City's website - SCRG-2024-Meeting-1-Outcomes-Report.pdf (joondalup.wa.gov.au) 08/10/2024 Coordinator Directorate Support The City has prepared the consultation material to undertake community consultation as per the endorsed milestones for the development of a new Dog Management Plan within the Corporate Business Plan. 27/11/2024 Coordinator Directorate Support Two stage community consultation to inform development of the Dog Management Plan commenced: • A random telephone survey of 600 City residents from 4 November to 13 November 2024. • A standard consultation open to all City residents and the wider community from 14 November to 11 December 2024. 18/03/2025 Coordinator Directorate Support The City received in excess of 3,000 responses for the online community survey, the outcomes of which will be presented to Elected Members at the Strategy Session scheduled for 6 May 2025. 29/04/2025 Coordinator Directorate Support The City will present the consultation outcomes and proposed way forward to the Elected Members in quarter 1 of 2025-26.		
	Policy Committee	1.6	REQUESTS FOR REPORTS FOR FUTURE CONSIDERATION	In Progress	Action from Minutes - Report Request - Policy Committee - 3 August 2020 An elected member called for a report on the review of the City's Naming of Public Facilities Policy. Refer to RPC03944	**15/09/2023** Report due 20/11/2023 **24/11/2023** A review is being undertaken for presentation to a Policy Committee meeting at the beginning of 2024. **22/01/2024** The City has recently engaged a consultant to assist in progressing the renaming of Rev John Smithies Park and Blackboy Park, and the naming of Sorrento Laneways. It is planned to defer presentation of amendments to the Naming of Public of Public Facilities Policy to ensure any revisions can have regard to the principles considered in these projects. It is anticipated a revised Policy will be presented to Council in the second half of 2024. **19/03/2024** It is still intended to present a revised Policy to Council in the second half of 2024. **30/08/2024** A report on the proposed renaming of Rev John Smithies Park and Blackboy Park is expected to be presented in late 2024. A report on the Naming of Public Facilities Policy is now expected to be presented to Council in the first half of 2025. **28/01/2025**	17-11-2025	

Meeting Date	Document	Item No.	Item	Status	Action Required	Action Taken	Due Date	Completed (Overdue)
						A report was tabled at the December 2024 council meeting on the consideration of renaming of Blackboy Park, Mullaloo (CJ326-12/24 refers). The proposal will be advertised for 30 days in early February 2025. **25/04/2025** A report on the renaming of Blackboy Park, following public consultation, will be considered at the May Council meeting **21/05/2025** A report on the Naming of Public Facilities Policy is scheduled to be presented to Policy Committee in November 2025.		
19-09-2023	19 September 2023 - Ordinary Meeting of Council - MINUTES	16.9.1	13.1.1 - CONFIDENTIAL - BURNS BEACH FOOD AND BEVERAGE FACILITY OPERATOR - EXPRESSION OF INTEREST (WARD - NORTH)	In Progress	The Original Motion as Amended being / COUNCIL RESOLUTION (Resolution No: CJ191-09/23) MOVED Cr Hill, SECONDED Cr McLean that Council: 1 NOTES the information provided by respondents to the Expression of Interest for the operation of the proposed food and beverage facility at Burns Beach and the assessment by the Evaluation Panel contained within this report; 2 DETERMINES that Australian Venue Co. Ltd, General Public Investments Pty Ltd, Gastevski Group Pty Ltd and Laika Group Pty Ltd (Young Folk Co) are the Stage One preferred respondents for the operation of the proposed food and beverage facility at Burns Beach; 3 REQUESTS the Chief Executive Officer to invite Stage Two detailed proposals from Australian Venue Co. Ltd, General Public Investments Pty Ltd, Gastevski Group Pty Ltd and Laika Group Pty Ltd (Young Folk Co); 4 REQUESTS the Chief Executive Officer to provide a further report to Council at the conclusion of the evaluation of Stage Two detailed proposals. The Motion was Put and CARRIED (12/1) In favour of the Motion: Mayor Jacob, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hill, Cr Jones, Cr Logan, Cr May, Cr McLean, Cr Poliwka, Cr Raftis and Cr Thompson. Against the Motion: Cr Kingston.	**02/10/2023** The resolution was noted and a report on the progress is intended for March 2024 Council. **10/04/2024** The second stage request for detailed proposals is scheduled to commence in quarter two of 2024. A report will be presented to Council following evaluation of the proposals. **28/10/2024** The stage 2 process will be initiated after the responses to the Public Advertising of the Burns Beach Restaurant Business Plan have been considered. It is expected that a status report be provided to the EMs in the 3rd or 4th quarter of 2024-25.	30-06-2025	
20-11-2023	20 November 2023 - Policy Committee - MINUTES	8.6	PROPOSED LOCAL GOVERNMENT AND PUBLIC PROPERTY LOCAL LAW 2023 - CONSENT TO ADVERTISE (WARD – ALL)	In Progress	PROCEDURAL MOTION – THAT THE ITEM BE REFERRED BACK TO THE CHIEF EXECUTIVE OFFICER MOVED Cr Kingston, SECONDED Cr Raftis that Item 8.6 – Proposed Local Government and Public Property Local Law 2023 – Consent to Advertise, be REFERRED BACK to the Chief Executive Officer to consider the following matters: 1 Amending clause 10.6(2) from 3 to 24 hours; 2 Redrafting Part 9 – Advertising Signs – to: 2.1 Impose conditions under a policy in accordance with Clause 12.6 rather than under conditions that are in the text of the local law; 2.2 Remove clauses 9.3, 9.4, 9.5, 9.6, 9.7, 9.8 and 9.9;	**29/11/2023** The report will be reviewed and presented to the Committee for further consideration at a date to be determined in 2024. **28/08/2024** A meeting was held with Cr Kingston on 14 August 2024 to clarify some aspects of the request made at the Policy Committee meeting held on 20 November 2023. **27/11/2024** Work is continuing on amendments required to the draft Local Government and Public Property Local Law. It is anticipated that the revised local law will be presented to the Policy Committee for further consideration in the first half of 2025. **24/03/2025** The City is currently awaiting for WALGA to release revised guidelines with regard to election signage.		

Meeting Date	Document	Item No.	Item	Status	Action Required	Action Taken	Due Date	Completed (Overdue)
					2.3 Provide an additional clause to empower the local government to issue permits for signage with conditions imposed under a policy; 2.4 Create a new policy 'Local Government and Public Property Signage Policy'; 2.5 Review the definitions for types of signage; 2.6 Provide additional clauses for permit conditions for different types of signage reflecting clauses 9.3, 9.4, 9.5, 9.6, 9.7, 9.8 and 9.9; 2.7 Review signage definitions at 9.1 and appropriate conditions to be imposed under a policy to take into account the Implied freedom of political communication which may operate outside of elections. Signage that is political communication can only be regulated but not prohibited by the local law; 3 Consolidating determinations from the register of determinations into Schedule 2 (see Register-of-Determinations-City-of-Joondalup.pdf); 4 Removing footnotes regarding 2019 amendments from the consolidated law on pages 9, 16, and 17; 5 Reviewing current authorised persons and whether current authorisations are valid. The Motion was Put and CARRIED (6/0) In favour of the Motion: Cr Kingston, Cr Chester, Cr Hutton, Cr Pizzey, Cr Raftis and Cr Vinciullo. Against the Motion: Nil.	**22/04/2025** Updated WALGA Guidelines on Implied Freedom of Political Communication were released on 17 April 2025. The updated guidelines will be considered in light of the changes requested to Part 9 of the proposed local law around advertising signs.

Meeting Date	Document	Item No.	Item	Status	Action Required	Action Taken	Due Date	Completed (Overdue)
26-03-2024	26 March 2024 - Ordinary Meeting of Council - MINUTES ONLY	13 1.4	PROPOSED ANIMALS LOCAL LAW 2024 - CONSENT TO ADVERTISE (WARD - ALL)	Completed	MOVED Cr May SECONDED Cr Kingston, that Council: 1 NOTES the review undertaken by the City in relation to the City of Joondalup Animals Local Law 1999; 2 BY AN ABSOLUTE MAJORITY MAKES the proposed City of Joondalup Animals Local Law 2024, as detailed in Attachment 6 to this Report, for the purposes of public advertising, subject to the following amendment: 2.1 The modified penalties listed in Schedule 1 of the proposed City of Joondalup Animals Local Law 2024 be increased to $250 for all offences; 3 in accordance with section 3.12(3)(a) of the Local Government Act 1995, gives local public notice stating that: 3.1 the City of Joondalup proposes to make the City of Joondalup Animals Local Law 2024, and a summary of its purpose and effect is as follows: Purpose: to provide for the regulation, control and management of the keeping of animals within the City of Joondalup. Effect: to establish the requirements with which owners and occupiers of land within the district must comply in order to keep animals and provides the means of enforcing the local law. 3.2 copies of the proposed local law may be inspected at or obtained from the City's Administration office, public libraries of the City's website; 3.3 submissions about the proposed local law may be made to the City within a period of not less than six weeks after the notice is given; 4 in accordance with s3.12(3)(b) of the Act, as soon as the notice is given a copy of the proposed local law be sent to the Minister for Local Government; 5 in accordance with s3.12(3)(c) of the Act, a copy of the proposed local law be supplied to any person requesting it; 6 the results of the public consultation be presented to Council for consideration of any submissions received. The Motion was Put and CARRIED D (11/1) In favour of the Motion: Cr Hill, Cr Chester, Cr Fishwick, Cr Hamilton-Prime, Cr Hutton, Cr Jones, Cr Kingston, Cr May, Cr O'Neill, Cr Raftis and Cr Vinciullo. Against the Motion: Cr Pizzey.	**12/04/2024** The City will arrange advertising of the Animals Local Law in accordance with Council's resolution. **09/05/2024** Public consultation on the proposed Animals Local Law 2024 will commence on 22 May 2024 and close 11 July 2024. **17/07/2024** Public consultation on the proposed Animals Local Law 2024 closed on 11 July 2024 with nearly 200 responses received. The responses will be reviewed and presented to a future Policy Committee meeting. **18/09/2024** The City is awaiting a response from the Department of Local Government (DLG) with regard to the proposed Animals Local Law 2024. The feedback from the DLG is crucial as the legislation team will review for any drafting errors, which provides the City with an opportunity to correct any errors prior to adoption. **29/10/2024** The City has received feedback from the DLG and highlighted three areas of concern with the proposed local law, in particular with the proposed cat prohibited areas and control of cats. The City is currently reviewing the advice received from the DLG and considering next steps. It is unlikely a report will be ready for the Policy Committee meeting in November, and will therefore be presented in February next year. **02/01/2025** Green Paper sent to Elected Members on Friday 20 December 2024, seeking feedback with regard to the proposed cat prohibited areas. Feedback requested by 17 January 2025, to inform a future report to the Policy Committee. **17/03/2025** The proposed Animals Local Law has been re-drafted based on feedback received through the Community Consultation process, and feedback received from the DLGSC. A further report is expected to be presented to the Policy Committee in Q4. **22/04/2025** A report was presented to the Policy Committee on 14 April 2025, with a revised version of the proposed Animals Local Law. This report will be presented to Council in May 2025 seeking approval for public advertising of the revised draft. **25/04/2025** A report on the proposed Animals Local Law, following public consultation, will be considered at the May Council meeting. **10/06/2025** At its meeting held on 27 May 2025, Council endorsed the revised Animals Local Law 2025 for public consultation. Public consultation will take place from 5 June 2025 to 25 July 2025.

15. DECISION TO MOVE TO CONFIDENTIAL SESSION

Moved Cr Hutton, Seconded Cr Cutler.

That the Council:

Moves into Closed Session and excludes members of the press and public from the meeting of the Closed Session and access to the correspondence and reports relating to the items considered during the course of the Closed Session be withheld. This action is taken in accordance with Section 5.23 of the *Local Government Act 1995*, as items 15.1 Annual Plan FYE 2026, 15.2 Residential Gardens Landscaping Tender 03/2025, 15.3 EOI – Sale of Lot 2401 Portofino Promenade 04/2025 and 15.4 Report on Implementation – CRC Risk Management Framework deal with:

c) A contract entered into, or which may be entered into, by the CRC and which relates to a matter to be discussed at a meeting (section 5.23(2)(c)); and

e) A matter that if disclosed, would reveal -
i) information that has a commercial value to a person; or
ii) information about the business, professional, commercial, or financial affairs of a person;
where the information is held by, or is about, a person other than the CRC (section 5.32(2)(e)).

The Motion was put and declared CARRIED (10/0).

For: Councillors Berry, Chester, Cutler, Doshi, Krsticevic, Hutton, Migdale, Perkov, Seif and Wallace.
Against: Nil.

At 6:04pm the meeting was closed to the public, and all attendees who were not required left the meeting prior to consideration of Items 15.1 – 15.4.

15.1 CONFIDENTIAL: ANNUAL PLAN FYE 2026

Moved Cr Berry, Seconded Cr Seif.

Recommendation in the Agenda:

That the Council:

1. **PROCEEDS with the confidential recommendation as outlined in the Confidential Agenda.**

2. **RESOLVES that this report, attachments and resolution remain confidential in accordance with section 5.23(2)(c) and (e) of the *Local Government Act 1995*.**

The Motion was put and declared CARRIED (10/0) by exception resolution.

For: Councillors Berry, Chester, Cutler, Doshi, Krsticevic, Hutton, Migdale, Perkov, Seif and Wallace.
Against: Nil.

15.2 CONFIDENTIAL: RESIDENTIAL GARDENS LANDSCAPING SERVICES TENDER 03/2025

Moved Cr Berry, Seconded Cr Seif.

Recommendation in the Agenda:

That the Council:

1. **PROCEEDS with the confidential recommendation as outlined in the Confidential Agenda.**

2. **RESOLVES that this report, attachments and resolution remain confidential in accordance with section 5.23(2)(c) and (e) of the *Local Government Act 1995*.**

The Motion was put and declared CARRIED (10/0) by exception resolution.

For: Councillors Berry, Chester, Cutler, Doshi, Krsticevic, Hutton, Migdale, Perkov, Seif and Wallace.
Against: Nil.

15.3 CONFIDENTIAL: EXPRESSION OF INTEREST – SALE OF LOT 2401 PORTOFINO PROMENADE, MINDARIE – BEACH COMMERCIAL SITE (04/2025)

Moved Cr Berry, Seconded Cr Seif.

Recommendation in the Agenda:

That the Council:

1. **PROCEEDS with the confidential recommendation as outlined in the Confidential Agenda.**

2. **RESOLVES that this report, attachments and resolution remain confidential in accordance with section 5.23(2)(c) and (e) of the *Local Government Act 1995*.**

The Motion was put and declared CARRIED (10/0) by exception resolution.

For: Councillors Berry, Chester, Cutler, Doshi, Krsticevic, Hutton, Migdale, Perkov, Seif and Wallace.
Against: Nil.

15.4 CONFIDENTIAL: REPORT ON IMPLEMENTATION - CRC RISK MANAGEMENT FRAMEWORK

Moved Cr Berry, Seconded Cr Seif.

Recommendation in the Agenda:

That the Council:

1. **PROCEEDS with the confidential recommendation as outlined in the Confidential Agenda.**

2. **RESOLVES that this report, attachments and resolution remain confidential in accordance with section 5.23(2)(c) and (e) of the *Local Government Act 1995*.**

The Motion was put and declared CARRIED (10/0) by exception resolution.

For: Councillors Berry, Chester, Cutler, Doshi, Krsticevic, Hutton, Migdale, Perkov, Seif and Wallace.
Against: Nil.

Moved Cr Cutler, Seconded Cr Berry.

That the meeting be REOPENED to the public.

The Motion was put and declared CARRIED (10/0).

For: Councillors Berry, Chester, Cutler, Doshi, Krsticevic, Hutton, Migdale, Perkov, Seif and Wallace.
Against: Nil.

16. FORMAL CLOSURE OF MEETING

The Chair declared the meeting closed at 6:05pm.

2025 Notice of WALGA Annual General Meeting

TUESDAY, 23 SEPTEMBER 2025
2:15PM
AT PERTH CONVENTION AND EXHIBITION CENTRE
21 MOUNTS BAY RD, PERTH WA

The Annual General Meeting (AGM) of the Western Australian Local Government Association (WALGA) will be held at the Perth Convention and Exhibition Centre on **Tuesday, 23 September 2025 at 2:15pm**.

Attendance at the AGM is free for all Elected Members and officers from Member Local Governments. Voting Delegates and Proxies must be registered (registration information below).

The AGM is being held in conjunction with the Local Government Convention 2025 (the Convention). Further information on the Convention will be announced shortly.

VOTING INFORMATION

Voting entitlement

Each Member Local Government is entitled to be represented by two Voting Delegates. A Voting Delegate is entitled to one vote.

A Proxy is entitled to vote in the absence of a Voting Delegate.

Voting Delegates and Proxies may be Elected Members or officers.

Registration of Delegates and Proxies

Voting Delegates and Proxies must be registered by the Local Government Chief Executive Officer.

The Chief Executive Officer of each Member Local Government will be sent the Delegate registration link via email. We ask that registration be completed via the link provided prior to 5:00pm on Monday, 8 September 2025. However, Delegate registrations can be completed or amended up until the start of the AGM at 2:15pm on Tuesday, 23 September 2025.

Voting process

Information on how voting will be conducted at the AGM will be sent to all registered Voting Delegates and Proxies prior to the AGM.

MEMBER MOTIONS

Submission

Member Local Governments are invited to submit motions for inclusion in the Agenda for consideration at the AGM.

Motions should be submitted by the Chief Executive Officer of the Member Local Government to the Chief Executive Officer of WALGA via email at associationgovernance@walga.asn.au.

Closing date
Member motions must be submitted prior to **5:00pm on Friday, 8 August 2025.**

Guidelines for motions
Please refer to the *Guideline for the submission of Member Motions* for detailed information on the submission of motions.

MEETING DOCUMENTS
Notice of proposed amendments to the Association Constitution
The Chief Executive Officer of WALGA will give not less than 60 days notice of any proposal to amend the Association Constitution. This notice will be given via email to all Local Government Chief Executive Officers by 5:00pm Wednesday, 23 July 2025.

Agenda
The Chief Executive Officer of WALGA will publish the Agenda of the AGM not less than 30 days prior to the AGM. The Agenda will be published by 5.00pm Friday, 22 August 2025 on the WALGA website. All Elected Members and CEOs will by advised of the availability of the Agenda via email.

Hardcopy meeting documents will not be distributed.

The Order of Business shall be:
1. Record of attendance and apologies
2. Announcements
3. Confirmation of minutes of previous meetings
4. President's report
5. Financial report for the financial year
6. Consideration of Executive and Member Motions

MEETING CONDUCT
The AGM will be conducted in accordance with the WALGA AGM Standing Orders.

QUERIES
Please direct all enquiries relating to the registration of Delegates or the submission of Member motions to Meghan Dwyer, State Council Governance Officer on (08) 9213 2050 or at associationgovernance@walga.asn.au**.**

WALGA President

Nick Sloan
WALGA Chief Executive Officer

2025 WALGA Annual General Meeting

Guideline for the submission of Member Motions

GENERAL PRINCIPLES

The following principles should be followed by Members in the formulation of Member Motions (Motions):

- Motions should focus on policy matters rather than issues which could be dealt with by the WALGA State Council with minimal delay.
- Due regard should be given to the relevance of the Motion to the total membership and to Local Government in general. Some Motions are of a localised or regional interest and might be better handled through other forums.
- Due regard should be given to the timeliness of the Motion. Will it still be relevant come the AGM or would it be better handled immediately by the Association?
- The likely political impact of the motion should be carefully considered.
- Due regard should be given to the educational value to Members i.e. does awareness need to be raised on the particular matter?
- The potential media interest of the subject matter should be considered.

CRITERIA

Motions will be included in the Agenda where they:

1. Are consistent with the objects of the Association (refer to clause 3 of the Association Constitution);
2. Demonstrate that the issue/s raised will concern or are likely to concern a substantial number of Local Governments in WA;
3. Seek to advance the Local Government policy agenda of the Association and/or improve governance of the Association;
4. Have a lawful purpose (a motion does not have a lawful purpose if its implementation would require or encourage non-compliance with prevailing laws); and
5. Are clearly worded and unambiguous in nature.

Motions will not be included where they are:

6. Consistent with current Association advocacy/policy positions as per the Advocacy Positions Manual (as the matter has previously been considered and endorsed by WALGA).

Motions of similar objective:

7. Will be consolidated as a single item.

Prior to the finalisation of the Agenda, the WALGA President and Chief Executive Officer will determine whether Motions submitted by Members abide by the criteria.

Members submitting Motions will be advised of the determinations.

SPECIAL URGENT BUSINESS[1]

No Motion shall be accepted for debate at the AGM after the closing date unless the motion:

- Relates to special urgent business, and
- Is approved for debate by an absolute majority.[2]

Where practicable, prior notice of the Motion should be provided to the President.

The Delegate is to have sufficient copies of the Motion in writing for distribution to all Delegates at the meeting.

COUNCIL RESOLUTION

Motions should be submitted with the support of a resolution of Council.

When submitting a Motion, the Member Local Government should advise that the Motion to be considered has been endorsed by Council.

MOTION TEMPLATE

A template has been prepared to assist Member Local Governments in submitting proposed Motions. The template Is available on the WALGA website.

Motions submitted by Member Local Governments must be accompanied by fully researched and documented supporting comment.

SUBMISSION

Who can submit a Member Motion

As per clause 22(5) of the Constitution, an AGM Motion may only be submitted by the WALGA State Council or an Ordinary Member.

How to submit a Member Motion

Motions should be submitted by the Chief Executive Officer of the Member Local Government to the Chief Executive Officer of WALGA via email at associationgovernance@walga.asn.au.

CLOSING DATE

Motions must be submitted before **5:00pm on Friday, 8 August 2025**.

[1] WALGA AGM Standing Orders, clause 8
[2] "Absolute Majority" means a majority of delegates of the Association whether present and voting or not.

Motion Template

This template has been prepared to assist Member Local Governments in submitting proposed Member Motions for the 2025 WALGA Annual General Meeting.

Please refer to the Guideline for the Submission of Member Motions when preparing Member Motions.

Motion Title: ***Insert the title of the motion***

Local Government Name: *Insert the name of the Member Local Government*

Date: *Insert the date your Council resolved to support the motion*

MOTION

Insert the motion

IN BRIEF

- *The In Brief section should contain brief dot points*
- *Provide an Executive Summary of the main information and issues in the Member Comment*

MEMBER COMMENT

Insert the Local Governments comments. AGM motions submitted by Member Local Governments must be accompanied by fully researched and documented supporting comment.

GOVERNMENT OF WESTERN AUSTRALIA

Communications Agreement Consultation Paper

Local Government Reforms

Background

The *Local Government Amendment Act 2023* (2023 Amendment Act) was passed by Parliament in May 2023 and made a series of amendments to the *Local Government Act 1995* (the Act). The 2023 Amendment Act implements several key reforms, including those relating to local government elections, as well as some changes which are yet to commence. These include the requirement for a communications agreement between the council and the administration of a local government.

To implement these reforms, the Western Australian (WA) Government has prepared the draft Local Government Regulations Amendment Regulations 2025 and the draft Local Government (Default Communications Agreement) Order 2025.

These proposed draft regulations and the draft order are published on the Department of Local Government, Sport and Cultural Industries (DLGSC) website and are available for public comment until **Friday 22 August 2025**. This consultation paper sets out the aims of these reforms and the proposed legislative requirements.

DLGSC invites local governments, council members, CEOs, local government employees and members of the community to consider the proposed regulations and provide feedback. The feedback received will inform the finalisation of draft regulations and the draft order and the implementation of these changes.

Submissions can be made to DLGSC's Act Review team by:

1. email to actreview@dlgsc.wa.gov.au

2. post to:
   DLGSC Act Review
   PO Box 8349
   PERTH BUSINESS CENTRE WA 6849

Your say and your privacy

Submissions will be treated as public documents unless explicitly requested otherwise.

If you do not consent to your submission being treated as a public document, you should mark it as confidential, or specifically identify the confidential information, and include an explanation.

Please note, even if your submission is treated as confidential by DLGSC, it may still be disclosed in accordance with the requirements of the *Freedom of Information Act 1995* (WA) or any other applicable written law.

DLGSC reserves the right to redact any content that could be regarded as racially vilifying, derogatory or defamatory to an individual or an organisation.

Establishing regulations for communications agreements

The communications agreement is intended to function as a fundamental governance instrument within each local government to set out minimum expectations for formal communications between council members and employees of the local government.

Communications agreements currently exist between each Minister of the WA Government and the agencies that support them. These agreements set out who Ministers and their staff may contact within an agency, what they may request, how they can expect their request to be dealt with and when they can expect a response.

In a local government context, new sections 5.92A – 5.92C inserted by the 2023 Amendment Act provide that:

- each local government must have a communications agreement which deals with the matters required by the Act and regulations
- a local government may adopt a communications agreement by the council and the CEO **both agreeing** to its terms
- if a local government does not adopt or is unable to adopt a communications agreement, the default communications agreement set out in a ministerial order applies.

The draft Local Government Regulations Amendment Regulations 2025 seek to address minimum requirements for and enforcement of communications agreements.

Administration Regulations (amending regulations 3 to 8)

Amending regulations 3 to 8 set out a series of amendments to the Local Government (Administration) Regulations 1996 to deal with communications agreements.

Amending regulation 4 inserts a definition of communications agreements into the regulations.

Amending regulation 5 clarifies that the regulations regarding the employee code of conduct apply to employees of the local government, not contractors.

Amending regulation 6 requires the employee code of conduct to require a local government employee to comply with the communications agreement.

Amending regulation 7 inserts new regulations 28C and 28D.

Regulation 28C provides that in addition to the matters set out in the to be proclaimed section 5.92A of the Act, a communications agreement needs to set out the circumstances in which correspondence sent by the Mayor or President on behalf of the local government must be provided to all council members by the CEO.

Regulation 28D provides that there must be certain minimum content in a communications agreement adopted by a local government and its CEO.

Subregulation (1) provides definitions of an administrative matter and a request for information.

Subregulation (2) provides that a communications agreement must address:

- how council members and committee members can make requests for information
- the time within which a response to a request for information must be given
- the way in which information must be provided in response to a request for information
- a dispute resolution process
- which local government employees, council members and committee members may communicate or have dealings with relating to requests for information.

Subregulation (3) clarifies that the communications agreement does not apply to:

- deliberations at a council or committee meeting
- the process that needs to be undertaken for the recruitment, performance review or employment termination of the CEO.

This recognises that a Mayor or President and duly authorised council members may need to communicate with employees or contractors of the local government other than through the CEO to facilitate the recruitment, performance review or termination process.

Subregulation (4) provides that a communications agreement must address:

- how council members and committee members can make request for administrative assistance
- the time within which a response to a request for administrative assistance must be given
- the way in which information must be provided in response to a request for administrative assistance
- which local government employees, council members and committee members may communicate or have dealings with relating to administrative matters.

Subregulation (5) provides for circumstances where commissioners are administering the local government. This regulation provides that the commissioner may request information or assistance in the manner determined by the commissioner from any local government employee and that, if requested, it must be provided to the commissioner as soon as practicable. Where there is a dispute, it is resolved by the commissioner (or the chair commissioner if there is more than one commissioner).

This reflects that the circumstances that require the appointment of commissioners are unique, and as a result a commissioner should typically not be constrained by a communications agreement when undertaking the process required to restore good government to a local government district.

Regulation 8 provides for the default communications agreement ministerial order to be made prior to 19 October 2025.

Model code of conduct (amending regulations 9 & 10)

To ensure council and committee members comply with the communications agreement, it is proposed that contraventions of the agreement be dealt with under the code of conduct for council members, committee members and candidates.

Amending regulation 10(1) provides that a contravention of section 5.92(3) of the Act, which states that a council member or committee member must comply with the communications agreement, will be a behavioural breach. This means that the breach is dealt with internally by the local government, rather than through the Local Government Standards Panel process. Circumstances where a council member involves themselves in the administration of the local government without authority, or where a council member seeks to direct a local government employee, will remain a rule of conduct breach.

Amending 10(2)-(3) makes an amendment to clause 20 of the model code of conduct. Clause 20 currently provides that a council member or candidate cannot direct a local government employee. This amendment clarifies that the rule of conduct against directing a local government employee does not apply where the council member is acting consistently with the communications agreement in seeking information or administrative assistance.

Default Communications Agreement Order

The 2023 Amendment Act inserted new section 5.92B, which provides for the Minister for Local Government, by order, to set out a form of default communications agreement. This will be considered the communications agreement of the local government at any time that the local government has not adopted a communications agreement of its own or the agreement has expired.

A local government's communications agreement will expire at the end of the local government's caretaker period following an ordinary election, or otherwise at the end of the employment of the CEO who agreed to that communications agreement.

It is important to note the range of circumstances where a local government will fall onto this default agreement. If unable to form an agreement of their own, a local government will be bound by this default agreement. If local governments and CEOs wish to alter something contained in the default agreement, they will need to reach an agreement on an alternative communications agreement.

The proposed default communications agreement is contained in Schedule 1 of the draft Local Government (Default Communications Agreement) Order 2025.

Preliminary provisions (Division 1 of the draft order)

The preliminary components of the agreement include definition and application clauses which address how the agreement is to be interpreted and applied.

The definition of an 'administrative matter' is important in that it clarifies what is considered an administrative matter for a council members' potential request.

Clause 3 (Application) provides that this agreement does not apply to:

- deliberations at a council or committee meeting (which to be dealt with by standardised meeting procedures)
- the process of CEO recruitment, performance reviews or termination of employment, in accordance with the CEO employment standards of the local government.

This covers practical situations, such as the Mayor or President needing to engage closely with the local government's human resources function and consultants in relation to certain instances of managing the employment of the CEO.

General provisions (Division 2 of the draft order)

Clauses 4 to 7 provide a series of general provisions.

Clause 4 addresses the general principles of the agreement:

- That the CEO supports council and committee members to fulfill their functions, including by providing information and administrative assistance that allows them to do so, and ensuring that employees communicate with council members in accordance with the agreement.
- That the council and committee members conduct themselves in accordance with the agreement to ensure the orderly running of the local government.

Clause 5 provides that, in general, all council members should receive a copy of formal correspondence sent by the Mayor or President on behalf of the local government. This reflects the Mayor or President's role of as a spokesperson of the local government, consistent with the decisions of the council. In exceptional circumstances the Mayor or President can decide it is not appropriate to provide such correspondence to all council members. If this is done where exceptional circumstances do not exist, it may constitute a breach of the agreement by the Mayor or President.

Clause 6 clarifies that requests for information or administrative should not be made during social or incidental dealings with employees or contractors, as these interactions are not an appropriate time to seek information.

Clause 7 clarifies that this agreement does not prevent social or incidental dealings or communications between council members and employees.

Clause 8 provides for the nomination of employees by the CEO, which is an important aspect of this agreement as it provides for who within the local government council members may speak with. This is similar to the approved contacts list used for WA Government communications agreements between Ministers and their agency(s).

These employees should be the most relevant employees for the council members to appropriately interact with, such as a local government's governance team, their directors (or equivalents), the executive assistant to the CEO, the communications manager or similar roles.

The clause specifies the number of employees to be nominated for each class of local government, reflecting the size of those local governments. It further clarifies that a CEO may specify that the employee is nominated for particular types of enquiries, such as nominating a communications manager for media enquiries. The CEO is required to maintain an up to date register for council and committee members of these employees and what they are able to be contacted for.

Clause 9 makes clear that the CEO determines who responds to a request for information.

Clause 10 further clarifies that nothing in this agreement requires a CEO or any other employee to respond to a request outside of office hours.

Requests for information generally (Division 3 of the draft order)

Clauses 11 to 16 deal with general requirements that apply to all requests for information.

Clause 11 provides for council and committee members to make requests for information.

Clause 12 sets out the types of information a member may request and the types of additional information a Mayor or President may request from the local government; however, this clause does not limit what information may be sought.

Clause 13 addresses certain things a council member must provide to assist the local government to respond to the request. This includes an appropriate scope, or a copy of correspondence received by the council member where they are seeking advice that relates to the correspondence.

Clause 14 deals with the circumstances where information does not need to be provided to a member, being:

- where the agreement has not been followed
- if the council member is not entitled to that information
- if the information is not held by the local government and unable to be reasonably obtained
- if in the CEO’s view, preparing or providing the information would require substantial diversion of the local government’s resources.

Clause 15 deals with disputes regarding the provision of information. This provision provides that a council member who is unhappy with a refusal of information may dispute the matter. Initially this should be sought to be resolved at a meeting between the council member, Mayor or President and CEO. If this does not resolve the matter, the council member should refer the matter to the council to resolve whether the information should be provided or not.

Clause 16 clarifies that the Mayor or President may discuss a media enquiry with the CEO or an appropriate nominate employee without making a request for information. This reflects that media enquiries often require urgent responses that are best dealt with promptly.

Responding to requests for information (Division 4 of the draft order)

Clause 17 to 24 deal with responding to requests for information that do not relate to administrative assistance.

Clause 17 provides that this division does not relate to an administrative request for information.

Clause 18 provides that a request for information is to be made to the CEO or an appropriate nominated employee in writing by email or such other electronic means approved by the CEO (such as a portal or similar).

Clause 19 requires the CEO to ensure that a request is acknowledged in writing within 2 working days of the request being made. This does not require the CEO to personally acknowledge the request, just ensure that a mechanism is established for their acknowledgement.

Clause 20 provides that for the purpose of responding to a request for information the CEO or other appropriate employee can discuss the request with the member for the purpose of clarifying the scope or subject of the request and enabling the request to be considered amended as a result of those discussions.

Clause 21 deals with the provision of a response to a request by providing:

- The request must be dealt with as soon as practicable.
- If a request relates to a matter on the agenda of an upcoming council or committee meeting, best endeavours are made to provide the response before that meeting.
- Requests are dealt with within 10 working days by either providing a final response or providing notice of when the final response will be given.
- Final responses should be in writing and include any advice or information relating to the request.
- If the final response is to refuse or partially refuse the request, the reasons for the refusal are given to the council member.

Clause 22 provides that a response to a request for information should generally be provided to all council members and relevant committee members, ensuring all members receive the same information. However, there are proposed exceptions to this where:

- The request is for advice on correspondence received by an individual council member. In these cases, the advice should only be given to the member or members who received the correspondence.
- The request relates to matters that only the Mayor or President can request; in which case those replies should only be given to the Mayor or President.
- The council member and the CEO agree that the matter should be treated confidentially because it is appropriate in the particular circumstances.

Clause 23 provides that the member may discuss the response to their request with the CEO or an appropriate nominated employee in order to clarify or address queries with the response.

Clause 24 provides that the CEO may arrange for a briefing, meeting or other discussion for members on the particular information requested. Members may be provided with information through these avenues, including members being able to seek further information following a briefing, meeting or other discussion.

Responding to administrative requests (Division 5 of the draft order)

Clause 25 to 28 deal with responding to administrative requests.

Clause 25 provides that administrative requests encompass an administrative request for information or a request for administrative assistance.

Clause 26 provides that a member may request administrative assistance regarding an administrative matter.

Clause 27 provides that these requests are:

- To be made to the CEO or the appropriate nominated employee.
- These requests may be made verbally, but the CEO or employee can refuse to deal with the request unless it is in writing.
- If a request is made in writing it must be made via email or other electronic means approved by the CEO (such as a portal).

Clause 28 deals with the provision of a response to an administrative request by providing:

- The request must be dealt with as soon as practicable.
- Requests are dealt with within 10 working days by either providing a final response or providing notice of when the final response will be given.
- Final responses to an administrative request may be verbally or in writing.

Commissioners (Division 6 of the draft order)

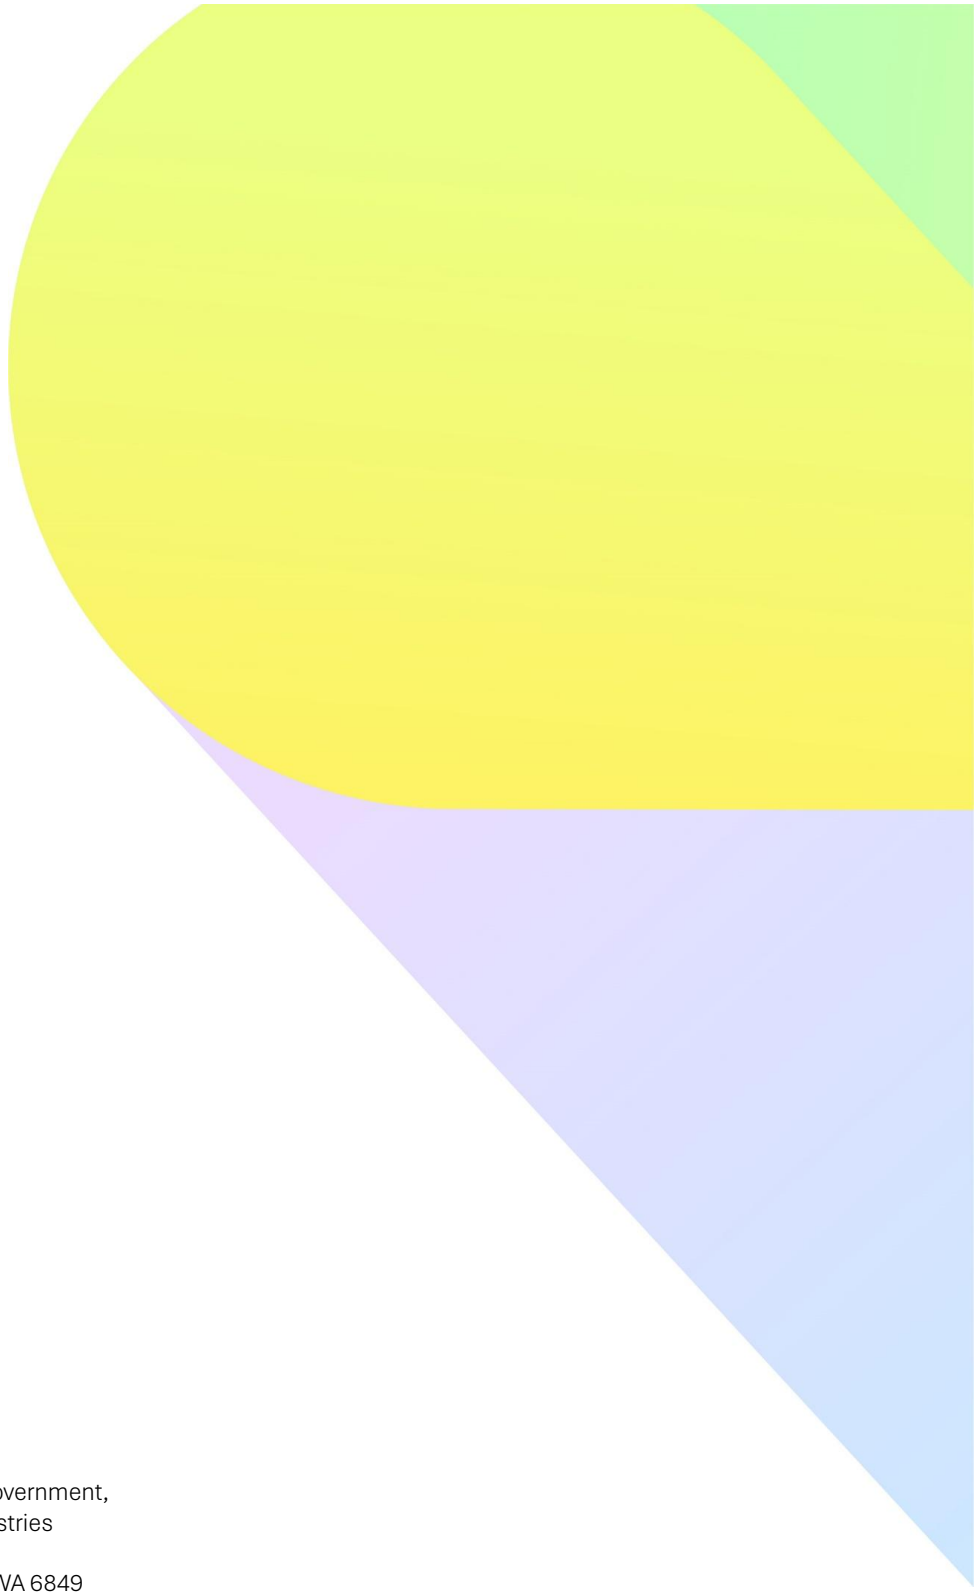

Clauses 29 and 30 deal with this agreement in relation to a commissioner appointed to administer a local government.

Clause 29 provides that the agreement applies to a commissioner as if the commissioner were the council and the Mayor or President.

Clause 30 provides that the commissioner:

- may request information from any local government employee for provision to the commissioner as soon as practicable
- where there is a dispute, it is to be resolved by the commissioner or the chair commissioner (if there is more than one commissioner).

This reflects that the circumstances that require the appointment of commissioners are unique, and as a result a commissioner should typically not be constrained by a communications agreement when undertaking the process required to restore good government to a local government district.

Consultation Draft

Local Government Act 1995

Local Government Regulations Amendment Regulations 2025

Made by the Governor in Executive Council.

Part 1 — Preliminary

1. Citation

These regulations are the *Local Government Regulations Amendment Regulations 2025*.

2. Commencement

These regulations come into operation as follows —

(a) Part 1 — on the day on which these regulations are published on the WA legislation website (***publication day***);

(b) Part 2 (but only regulations 3 and 8) — on the day after publication day;

(c) the rest of the regulations — on 19 October 2025.

Consultation Draft

Part 2 — *Local Government (Administration) Regulations 1996* amended

3. Regulations amended

This Part amends the *Local Government (Administration) Regulations 1996*.

4. Regulation 3 amended

In regulation 3(1) insert in alphabetical order:

communications agreement, in relation to a local government, means —

(a) the default communications agreement that is taken to be the local government's communications agreement under section 5.92B; or

(b) the communications agreement adopted by the local government that has effect as the local government's communications agreement under section 5.92C;

5. Regulation 19AA amended

In regulation 19AA delete the definition of ***local government employee*** and insert:

local government employee means an employee of the local government;

Consultation Draft

6. Regulation 19ADA inserted

After regulation 19AD insert:

19ADA. Compliance with communications agreement

A code of conduct must contain a requirement that a local government employee must (when acting in their capacity as such) comply with the local government's communications agreement.

7. Regulations 28C and 28D inserted

At the beginning of Part 7 insert:

28C. Additional matters regulated by communications agreement (Act s. 5.92A(2)(d))

For the purposes of section 5.92A(2)(d), the circumstances in which correspondence sent by the mayor or president on behalf of the local government must be provided to all council members by the CEO is a prescribed matter.

28D. Content of communications agreement (Act s. 5.92A(4))

(1) In this regulation —

administrative matter, in relation to a council member or committee member, means the following —

(a) the scheduling of council meetings or committee meetings;

(b) the council member's or committee member's compliance obligations under the Act, including in relation to disclosure of financial interests and gifts;

Consultation Draft

(c) information technology support for the council member or committee member;

(d) arrangements for the council member or committee member to attend training or a conference;

(e) event invitations received by the council member or committee member;

(f) the council member's or committee member's entitlement to a fee, allowance, reimbursement or superannuation contribution payment under the Act;

(g) any other matter of an administrative nature;

request for information, in relation to a local government, means a request for —

(a) access to information held by the local government under section 5.92 or otherwise; or

(b) other information.

(2) A local government's communications agreement must include content providing for —

(a) council members and committee members to make requests for information; and

(b) the way in which, and the employees of the local government to whom, a request for information must be made; and

(c) time limits within which a response to a request for information must be given; and

(d) the way in which information must be provided in response to a request for information; and

(e) the way in which disputes regarding the response given to a request for information are to be resolved; and

Consultation Draft

(f) the employees of the local government with whom council members and committee members may communicate or have dealings in relation to a request for information.

(3) A local government's communications agreement must include content providing for the agreement not to apply to anything that a council member, committee member or employee of the local government does as part of —

(a) the deliberations at a council or committee meeting; or

(b) recruiting, reviewing the performance of or terminating the employment of the CEO in accordance with the adopted standards.

(4) A local government's communications agreement must include content providing for —

(a) council members and committee members to make requests for assistance regarding administrative matters; and

(b) the way in which, and the employees of the local government to whom, a request for assistance regarding an administrative matter must be made; and

(c) time limits within which a response to a request for assistance regarding an administrative matter must be given; and

(d) the way in which information must be provided in response to a request for assistance regarding an administrative matter; and

(e) the employees of the local government with whom council members and committee members may communicate or have dealings in

Consultation Draft

relation to a request for assistance regarding an administrative matter.

(5) A local government's communications agreement must include content providing for the following —

(a) a request for information or a request for assistance regarding an administrative matter by a commissioner of the local government may be made to the CEO or another employee of the local government in the manner determined by the commissioner;

(b) the CEO must ensure that the commissioner is given a response to the request for information or request for assistance regarding an administrative matter —

(i) as soon as practicable; and

(ii) in the manner requested by the commissioner (which may include in writing or in a briefing);

(c) disputes regarding the request for information or request for assistance regarding an administrative matter must be resolved by —

(i) if there are joint commissioners and 1 of them is appointed to be the chairperson — the chairperson; or

(ii) otherwise — the commissioner who made the request.

Consultation Draft

8. Regulation 29E inserted

At the end of Part 7 insert:

29E. Transitional provision for *Local Government Regulations Amendment Regulations 2025*

For the purposes of Schedule 9.3 clause 62(2), regulations 28C and 28D, as to be inserted by the *Local Government Regulations Amendment Regulations 2025* regulation 7, apply in relation to the exercise before 19 October 2025, under the *Interpretation Act 1984* section 25(2), of the Minister's power to make an order under section 5.92B, as to be inserted by the *Local Government Amendment Act 2023* section 74.

Consultation Draft

Part 3 — *Local Government (Model Code of Conduct) Regulations 2021* amended

9. Regulations amended

This Part amends the *Local Government (Model Code of Conduct) Regulations 2021*.

10. Schedule 1 amended

(1) After Schedule 1 clause 10 insert:

10A. Communications agreement

A council member or committee member must not contravene section 5.92A(3) of the Act.

(2) In Schedule 1 clause 20(1) insert in alphabetical order:

administrative matter, in relation to a council member or committee member, means the following —

(a) the scheduling of council meetings or committee meetings;

(b) the council member's or committee member's compliance obligations under the Act, including in relation to disclosure of financial interests and gifts;

(c) information technology support for the council member or committee member;

(d) arrangements for the council member or committee member to attend training or a conference;

(e) event invitations received by the council member or committee member;

(f) the council member's or committee member's entitlement to a fee, allowance, reimbursement or superannuation contribution payment under the Act;

(g) any other matter of an administrative nature;

Consultation Draft

communications agreement, in relation to a local government, means —

(a) the default communications agreement that is taken to be the local government's communications agreement under section 5.92B of the Act; or

(b) the communications agreement adopted by the local government that has effect as the local government's communications agreement under section 5.92C of the Act;

request for information, in relation to a local government, means a request for —

(a) access to information held by the local government under section 5.92 of the Act or otherwise; or

(b) other information.

(3) In Schedule 1 clause 20(1) in the definition of ***local government employee*** paragraph (b) delete "services." and insert:

services;

(4) Delete Schedule 1 clause 20(3) and insert:

(3) Subclause (2)(a) does not apply to anything that a council member does as part of —

(a) the deliberations at a council or committee meeting; or

(b) making a request for information or a request for assistance regarding an administrative matter in accordance with the local government's communications agreement.

Local Government Act 1995

Local Government (Default Communications Agreement) Order 2025

Made by the Minister under section 5.92B of the Act.

1. Citation

This order is the *Local Government (Default Communications Agreement) Order 2025*.

2. Commencement

This order comes into operation on 19 October 2025.

3. Default communications agreement

For the purposes of section 5.92B(1) of the Act, the form of communications agreement is set out in Schedule 1.

Note for this clause:

Under section 5.92B(2) of the Act, for the purposes of section 5.92A of the Act, the form of communications agreement set out in Schedule 1 is taken to be a local government's communications agreement at any time when the local government does not have a communications agreement of its own under section 5.92C of the Act.

Consultation Draft

Schedule 1 — Default communications agreement

[cl. 3]

Division 1 — Preliminary provisions

1. Introduction

For the purposes of section 5.92A of the *Local Government Act 1995* (the ***Act***), this is the local government's communications agreement between the council of the local government (the ***council***) and the chief executive officer of the local government (the ***CEO***).

2. Terms used

(1) In this agreement —

Act has the meaning given in clause 1;

administrative matter, in relation to a council member or committee member, means the following —

(a) the scheduling of council meetings or committee meetings;

(b) the council member's or committee member's compliance obligations under the Act, including in relation to disclosure of financial interests and gifts;

(c) information technology support for the council member or committee member;

(d) arrangements for the council member or committee member to attend training or a conference;

(e) event invitations received by the council member or committee member;

(f) the council member's or committee member's entitlement to a fee, allowance, reimbursement or superannuation contribution payment under the Act;

(g) any other matter of an administrative nature;

administrative request has the meaning given in clause 25;

administrative request for information means a request for information that relates only to an administrative matter;

Consultation Draft

adopted standards means —

(a) the standards adopted by the local government under section 5.39B of the Act; or

(b) if the local government has not adopted standards under section 5.39B of the Act — the standards taken under section 5.39B(5) of the Act to be the local government's adopted standards;

appropriate nominated employee means the following —

(a) in relation to a request for information — an employee nominated under clause 8(1) and (3) in relation to —

(i) all requests for information; or

(ii) a type of request for information that includes the request for information;

(b) in relation to a media enquiry to be discussed under clause 16(1) — an employee nominated under clause 8(1) and (4)(a) in relation to —

(i) all media enquiries; or

(ii) a type of media enquiry that includes the media enquiry;

(c) in relation to a request for administrative assistance — an employee nominated under clause 8(1) and (4)(b) in relation to —

(i) all requests for administrative assistance; or

(ii) a type of request for administrative assistance that includes the request for administrative assistance;

CEO has the meaning given in clause 1;

class 1 local government has the meaning given in the *Local Government (Constitution) Regulations 1998* regulation 2A(a);

class 2 local government has the meaning given in the *Local Government (Constitution) Regulations 1998* regulations 2A(b) and 2B(3);

class 3 local government has the meaning given in the *Local Government (Constitution) Regulations 1998* regulations 2A(c) and 2B(4);

Consultation Draft

class 4 local government has the meaning given in the *Local Government (Constitution) Regulations 1998* regulations 2A(d) and 2B(5);

committee means a committee of the council;

council has the meaning given in clause 1;

employee means an employee of the local government;

mayor or president includes a councillor performing the functions of the mayor or president under Part 5 Division 3 of the Act;

request for administrative assistance has the meaning given in clause 26;

request for information has the meaning given in clause 11;

requesting member, in relation to a request for information or a request for administrative assistance, means the council member or committee member who made the request;

working day means a day other than —

(a) a Saturday or a Sunday; or

(b) a public holiday throughout the State; or

(c) a public holiday in an area that is or includes the district or any part of the district.

(2) If any other term used in this agreement is given a meaning in section 1.4 of the Act or the *Interpretation Act 1984* section 5, it has the same meaning in this agreement.

(3) A reference in this agreement to a council member or committee member performing a function under a written law other than the Act does not include a reference to the council member or committee member performing a function in a capacity other than that of council member or committee member under the Act.

3. Application

(1) This agreement applies to a person who is a council member, committee member or employee when acting in their capacity as such.

(2) Despite subclause (1), this agreement does not apply to anything that a council member, committee member or employee does as part of —

(a) the deliberations at a council or committee meeting; or

Consultation Draft

(b) recruiting, reviewing the performance of or terminating the employment of the CEO in accordance with the adopted standards.

Division 2 — General provisions

4. General principles

The council and the CEO agree to the following general principles —

(a) the CEO will support council members and committee members to perform their functions under the Act and any other written law;

(b) without limiting paragraph (a), the CEO will ensure that —

(i) requests for information and requests for administrative assistance made by council members and committee members are responded to in accordance with this agreement; and

(ii) employees deal and communicate with council members and committee members in accordance with this agreement;

(c) council members and committee members will ensure that —

(i) their dealings and communications with employees are in accordance with this agreement; and

(ii) their requests for information and requests for administrative assistance are made in accordance with this agreement; and

(iii) they only request information that is relevant to their functions under the Act or any other written law.

5. Correspondence sent by mayor or president on behalf of local government

(1) Correspondence sent by the mayor or president on behalf of the local government must be provided to all council members by the CEO.

(2) Subclause (1) does not apply to correspondence if the mayor or president is satisfied that, because of particular circumstances, it is appropriate not to provide the correspondence to all council members.

Consultation Draft

6. Requests must not be made during social or incidental dealing or communication

A council member or committee member must not make a request for information or a request for administrative assistance during a social or incidental dealing or communication with an employee.

7. Incidental or social interactions permitted

Subject to clause 6, nothing in this agreement prohibits social or incidental dealings or communications between —

(a) a council member or committee member; and

(b) an employee.

8. Nominated employees

(1) The CEO may nominate employees for the purposes of this agreement.

(2) The CEO must nominate at least the following number of employees under subclause (1) —

(a) if the local government is a class 1 local government — 4 employees;

(b) if the local government is a class 2 local government — 3 employees;

(c) if the local government is a class 3 local government — 2 employees;

(d) if the local government is a class 4 local government — 1 employee.

(3) An employee nominated under subclause (1) must be nominated in relation to —

(a) all requests for information; or

(b) a type of request for information.

(4) An employee nominated under subclause (1) may be nominated in relation to either or both of the following —

(a) all media enquiries or a type of media enquiry;

(b) all requests for administrative assistance or a type of request for administrative assistance.

Consultation Draft

(5) The CEO must ensure that —

(a) an up-to-date register of employees nominated under subclause (1) is available to council members and committee members; and

(b) the register specifies, for each employee nominated under subclause (1), the matters in relation to which the employee is nominated under subclauses (3) and (4).

9. CEO may direct who responds

Despite anything else in this agreement, the CEO may direct which employee is to respond to a particular request for information or request for administrative assistance.

10. No response required out of hours

Nothing in this agreement requires the CEO or another employee to respond to a request for information or a request for administrative assistance outside of office hours.

Division 3 — Requests for information generally

11. Council member or committee member may make request for information

A council member or committee member may make a request (a ***request for information***) for —

(a) access to information held by the local government under section 5.92 of the Act or otherwise; or

(b) other information.

12. Information that may be requested

(1) A request for information may be for advice or other information regarding any of the following —

(a) a service, project or initiative being delivered by the local government;

(b) how the local government usually manages a particular matter, issue, service or query;

Consultation Draft

(c) budgeting or financial information, including details of the costs of any service, project or initiative delivered or proposed to be delivered by the local government;

(d) an issue or situation of broad public concern or interest within the district;

(e) preparing a motion to council or a committee;

(f) correspondence received by the council member or committee member;

(g) an administrative matter.

(2) The mayor or president may make a request for information for advice or other information regarding any of the following —

(a) publicly representing the local government at a media appearance or other event (including advice or other information in the form of a briefing or speaking notes);

(b) correspondence to be sent by the mayor or president;

(c) arranging a formal meeting or an official event.

(3) This clause does not limit what information may be the subject of a request for information.

13. Requirements applicable to requests for information

(1) The information the subject of a request for information must be relevant to the functions of the requesting member under the Act or another written law.

(2) A request for information must be —

(a) limited in scope to the specific information that the council member or committee member requires; and

(b) accompanied by any supporting information that may assist the local government to respond to the request.

(3) A request for information regarding correspondence received by the council member or committee member must include a copy of the correspondence.

Consultation Draft

14. Certain information not required to be provided

Nothing in this agreement requires information to be provided to a council member or committee member in response to a request for information if —

(a) the request for information is not made in accordance with this agreement; or

(b) the information is information mentioned in section 5.92(4) of the Act; or

(c) the information —

(i) is not held by the local government; and

(ii) is held by a person or body other than the local government; and

(iii) cannot reasonably be obtained by the local government;

or

(d) the CEO decides that preparing or providing the information would divert a substantial and unreasonable portion of the local government's resources away from its other functions.

15. Disputes regarding final response to request for information

(1) If the final response to a request for information includes a refusal to provide some or all of the information the subject of the request, the requesting member may notify the CEO in writing that there is a dispute regarding the final response.

(2) A dispute regarding the final response to a request for information must be discussed at a meeting between the mayor or president, the CEO and the requesting member.

(3) If the dispute is not resolved at the meeting —

(a) the requesting member may refer the dispute to the council; and

(b) the council may determine the dispute.

Consultation Draft

(4) The council's determination of the dispute —

(a) may override a decision made by the CEO under clause 14(d); and

(b) is final.

16. Mayor or president may discuss media enquiry without making request for information

(1) The mayor or president may discuss a media enquiry with the CEO or an appropriate nominated employee, either verbally or in writing, without making a request for information.

(2) Subclause (1) does not prevent the mayor or president from making a request for information in relation to a media enquiry.

Division 4 — Requests for information other than administrative requests for information

17. Application

This Division does not apply to or in relation to an administrative request for information.

18. Making a request for information

(1) A request for information must be made to the CEO or an appropriate nominated employee.

(2) A request for information must be made in writing by —

(a) email; or

(b) other electronic means approved by the CEO.

19. Receipt of request must be acknowledged

The CEO must ensure that receipt of a request for information is acknowledged in writing within 2 working days after the day on which the request is made.

Consultation Draft

20. Request may be discussed and amended

For the purposes of responding to a request for information, the CEO or an appropriate nominated employee may do either or both of the following —

(a) discuss the request for information with the requesting member, including for the purpose of clarifying the scope of the information the subject of the request;

(b) if the requesting member requests an amendment to the scope of the information the subject of the request for information — deal with the request for information as if it were so amended.

21. Responding to a request for information

(1) The CEO must ensure that the requesting member is given a final response to their request for information as soon as practicable.

(2) If a request for information relates to a matter included in the agenda for an upcoming council or committee meeting, the CEO must make best endeavours to ensure that the requesting member is given a final response to the request before the meeting.

(3) Without limiting subclause (1) or (2), the CEO must ensure that, within 10 working days after the day on which a request for information is made, the requesting member is given —

(a) a final response to the request; or

(b) notice that a final response cannot be given within that period and an estimate as to when a final response will be given.

(4) The final response to a request for information must —

(a) be in writing; and

(b) include any advice or other information provided in response to the request for information.

(5) If the final response includes a refusal to provide some or all of the information the subject of the request for information, the response must set out the reasons for that refusal.

Consultation Draft

22. When final response must be provided to other members

(1) A copy of the final response to a request for information given to the requesting member must be provided to —

(a) all council members; and

(b) if the final response is relevant to the work of a committee — any members of the committee who are not council members.

(2) Subclause (1) does not apply if —

(a) the request for information is a request for advice regarding correspondence and the final response is provided to all council members and committee members who received the correspondence; or

(b) the request for information is for advice or other information regarding any of the matters mentioned in clause 12(2); or

(c) the requesting member and the CEO agree that —

(i) the final response is confidential; or

(ii) because of particular circumstances, it is appropriate not to provide the final response to all council members and relevant committee members under subclause (1).

23. Requesting member may discuss final response

(1) The requesting member may discuss the final response to their request for information with the CEO or an appropriate nominated employee, either verbally or in writing.

(2) During a discussion under subclause (1), the requesting member may be provided with additional information for the purpose of clarifying, or addressing queries in relation to, the final response.

24. CEO may arrange for briefing, meeting or discussion in relation to final response

(1) The CEO may arrange for some or all council members and committee members to attend a briefing, meeting or other discussion in relation to a final response to a request for information.

Consultation Draft

(2) During a briefing, meeting or other discussion arranged under subclause (1), council members and committee members may be provided with additional information for the purpose of clarifying, or addressing queries in relation to, the final response.

Division 5 — Administrative requests for information and requests for administrative assistance

25. Term used: administrative request

In this Division —

administrative request means a request that is either or both of the following —

(a) an administrative request for information;

(b) a request for administrative assistance.

26. Council member or committee member may request assistance regarding administrative matter

A council member or committee member may make a request (a ***request for administrative assistance***) for assistance regarding an administrative matter.

27. Making an administrative request

(1) An administrative request must be made to the CEO or an appropriate nominated employee.

(2) Subject to subclause (3), an administrative request may be made verbally or in writing.

(3) If an administrative request is made verbally, the CEO or an appropriate nominated employee may refuse to deal with the request unless it is made in writing.

(4) An administrative request that is in writing must be made by —

(a) email; or

(b) other electronic means approved by the CEO.

Consultation Draft

28. Responding to an administrative request

(1) The CEO must ensure that the requesting member is given a final response to their administrative request as soon as practicable.

(2) Without limiting subclause (1), the CEO must ensure that, within 10 working days after the day on which an administrative request is made, the requesting member is given —

(a) a final response to the request; or

(b) notice that a final response cannot be given within that period and an estimate as to when the response will be given.

(3) A final response to an administrative request may be given verbally or in writing.

Division 6 — Provision in relation to commissioner

29. Application of agreement to commissioner

This agreement applies to a commissioner of the local government as if the commissioner were the council and the mayor or president.

30. Requests for information by commissioner

(1) Despite clause 29, a commissioner of the local government may make a request for information or a request for administrative assistance to the CEO or another employee in the manner determined by the commissioner.

(2) The CEO must ensure that the commissioner is given a final response to the request made under subclause (1) —

(a) as soon as practicable; and

(b) in the manner requested by the commissioner (which may include in writing or in a briefing).

(3) A dispute regarding a request made under subclause (1) must be determined by —

(a) if there are joint commissioners and 1 of them is appointed to be the chairperson — the chairperson; or

(b) otherwise — the commissioner who made the request.

Consultation Draft

(4) The chairperson's or commissioner's determination of the dispute —

(a) may override a decision made by the CEO under clause 14(d); and

(b) is final.

Minister for Local Government

Communications Agreements

Discussion Paper

June 2025

Local Government Submissions to WALGA are requested by **4pm, Monday 28 July 2025** to **governance@walga.asn.au**

For more information, please contact Tony Brown on 9213 2051 or Felicity Morris on 9213 2093.

Submission Format

This Discussion Paper has been designed to enable Local Governments to insert responses in the form field provided for each section of the Discussion Paper.

Local Governments can choose to respond to only some sections or questions, and are also welcome to provide a submission in an alternative format.

Please also provide your Local Government details below.

Local Government Name:		Click or tap here to enter text.
Submission was prepared and endorsed by:		
☐	**Council Resolution / Meeting Date:**	Click or tap here to enter text.
☐	**Council Member Workshop / Forum** (without Council resolution)	
Contact Name:		Click or tap here to enter text.
Contact email address:		Click or tap here to enter text.

1. Background

Communications Agreements were outlined in the Minister for Local Government's Reform Proposals released in 2022.

Following sector consultation, WALGA adopted the following advocacy position in relation to Communication Agreements:

> *2.5.3 Council Communication Agreements*
>
> *The Local Government sector supports the introduction of a consistent, regulated Communications Agreement between Councils and the CEO within Local Governments.*

Amendments to achieve this reform were included in the *Local Government Amendment Act 2023* but are yet to take effect:

- Amendments to Section 5.92 of the *Local Government Act 1995* (the Act) to provide that the right of a Council Member or Committee Member to access information under that section must be exercised in accordance with the Local Government's communications agreement.
- New section 5.92A requiring every Local Government to have a communications agreement between the Council and the CEO regulating the matters specified in the Act and regulations.
- New section 5.92B requiring the Minister to make Ministerial Order setting out a default communications agreement which applies at any time a Local Government does not have its own communications agreement.
- New section 5.92C enabling Local Governments to adopt and amend its own communications agreement with the agreement of the CEO, which will expire at the end of every caretaker period, and upon the end of the CEO's employment with that Local Government.

On 5 June 2025, the Department of Local Government, Sport and Cultural Industries (the Department) published the draft Local Government Regulations Amendment Regulations 2025 (the Draft Regulations) and draft Local Government (Default Communications Agreement) Order 2025 (the Draft Order). The Department has also published a Communications Agreement Consultation Paper (the DLGSC Consultation Paper) which explains the Draft Regulations and Draft Order.

The Draft Regulations prescribe the minimum requirements for all communications agreements and provide the mechanism to require compliance by Local Government employees, Council Members and Committee Members.

The Draft Order sets out what is proposed to be the default communications agreement in Schedule 1. As all Local Governments will be subject to this default agreement on a regular basis (at least every two years after each caretaker period and after a CEO's employment ends) as well as at any time an agreement cannot be reached between Council and the CEO, it is critical that the default agreement is fit for purpose.

2. Discussion paper

The following discussion paper provides preliminary WALGA comments and questions on the Draft Regulations and Draft Order for consideration by Local Governments.

Part 2.1 of this paper deals with the Draft Regulations. Where the corresponding content of the Draft Order is relevant to the discussion of the issue, it is included in this part.

Part 2.2 deals with matters that appear only in the Draft Order.

All clause references are to Schedule 1 of the Draft Order.

2.1. Draft Regulations

2.1.1. General drafting approach

WALGA Comment

The Draft Regulations and Draft Order are quite detailed and prescriptive. Some detail may be necessary to provide clarity and achieve an appropriate balance. It is essential that all parties understand their responsibilities, as breaches would constitute a breach of the Code of Conduct for Council Members, Committee Members and Candidates, or the Employee Code of Conduct. However, the level of prescriptive detail in the Draft Regulations and Draft Order may be restrictive for Local Governments seeing to develop locally appropriate approaches.

Questions

1. Do the Draft Regulations and Draft Order have an appropriate level of detail, or could they be simplified?

Local Government Response:
Click or tap here to enter text.

2.1.2. Commencement and implementation

The Draft Regulations state that they will commence on 19 October 2025, the day after the Ordinary Local Government Elections. This means that the default communications agreement set out in the finalised Ministerial Order would apply to all Local Governments from this date.

WALGA comment

The lead up to Local Government elections is a very busy time for Local Governments. Many Local Governments devote considerable resources to preparing induction materials for new Council Members. These materials and any induction programs will need to provide both commencing and continuing Council Members with an understanding of the default communications agreement. In addition, Local Governments will need to establish the appropriate administrative processes to

implement the default communications agreement. To complete these preparations, Local Governments will need to know the final content of the regulations and order.

Questions

2. What would be a reasonable period to allow Local Governments to prepare for implementation of the default communications agreement after publication of the final regulations and order?

Local Government Response:
Click or tap here to enter text.

2.1.3. Providing correspondence sent by Mayor or President to all Council Members

Draft Regulations

Regulation 7 of the Draft Regulations would insert a new Regulation 28C in the *Local Government (Administration) Regulations 1996* prescribing that communications agreements must regulate the circumstances in which correspondence sent by the Mayor President on behalf of the Local Government must be provided to all Council Members. This is an additional matter that was not specified in the Act amendments.

Draft Order

To meet this requirement, clause 5 of the Draft Order requires correspondence sent by the Mayor or President on behalf of the Local Government to be provided to all Council members, unless the Mayor or President is satisfied that particular circumstances mean it is appropriate not to provide the correspondence. The DLGSC Consultation Paper advises that this should only occur in "exceptional circumstances" and could otherwise constitute a breach of the communications agreement by the Mayor or President.

WALGA Comment

Depending on the Local Government, Mayors or Presidents may send a high volume of correspondence that could be understood as being on behalf of the Local Government. Providing copies of all this correspondence to all Council Members may be burdensome for the Administration, and for Council Members in receiving high volumes.

To avoid breaching the communications agreement, the Mayor or President would need to have a record of each decision and the circumstances that make it appropriate not to provide correspondence to all Council Members.

Questions

3. Is it necessary for all communications agreements to address the provision of Mayor / President correspondence to Council Members?
4. Is clause 5 of the Draft Order appropriate and workable for your Local Government? Are any changes required?

5. Would it be useful for the Draft Order to:
    a. specify types of correspondence that must be provided to all Council members, unless decided by the Mayor or President? For example, correspondence that relates to advocacy, communications with government agencies or elected representatives, major stakeholders, or communicating Council decisions.
    b. allow the Mayor or President to decide that certain categories of correspondence do not need to be provided? For example, letters of appreciation and congratulations.
    c. allow for alternative methods of making the correspondence available to Council Members rather than providing a copy? For example, allow Local Governments to provide a list of correspondence that Council Members may access on request, or publish correspondence on an Elected Member portal.

Local Government Response:
Click or tap here to enter text.

2.1.4. Requests for information – definition and scope

Draft Regulations

Regulation 7 of the Draft Regulations would insert a new Regulation 28D in the *Local Government (Administration) Regulations 1996* which prescribes the content of communications agreements. The regulation distinguishes between administrative matters and requests for information and prescribes definitions as well as the content that must be included in relation to each type of request.

The definition of request for information in regulation 28D(1) is as follows:

> ***request for information***, in relation to a local government, means a request for —
>
> (a) access to information held by the local government under section 5.92 or otherwise; or
> (b) other information.

This definition is also used in regulation 10(2) of the Draft Regulations for a consequential amendment to the *Local Government (Model Code of Conduct) Regulation 2021*.

As this definition is prescribed in the Draft Regulations, it will apply to all communications agreements, not just the default agreement.

Draft Order

Clause 3(1) provides that the default communications agreement applies to a person only when acting in their capacity as a Council Member, Committee Member or employee.

Clause 4 provides general principles, including that Council and Committee Members will ensure they only request information that is relevant to their functions under the Act or any other written law.

Division 3 sets out the requirements regarding requests for information. Clause 11 of the Draft Order repeats the prescribed definition when stating that a Council Member or Committee Member may make a request for information. Clause 14 specifies that nothing in the agreement requires certain information to be provided, including "information mentioned in section 5.92(4) of the Act".

WALGA comment

Section 5.92(1) of the Act allows a Council Member or Committee Member to "have access to any information held by the local government that is relevant to the performance by the person of any of the person's functions under this Act or under any other written law" (emphasis added). This is a broad right of access, requiring only relevance to the performance of a statutory function.

Section 5.92(4) clarifies that the section does not give a Council Member or Committee Member the right to access specified information, including certain employee information, any personal information about individuals that is not relevant to a Council or Committee decision, information the Local Government is prohibited or restricted from disclosing to the Council Member or Committee Member under a written law, and information that is not relevant to the functions of the Council Member or Committee Member under the Act or any written law.

The definition of ***request for information*** expands significantly beyond requests under section 5.92. It is unclear what is intended by "or otherwise" in part (a) of the definition. Further, the inclusion of "other information" in part (b) is so open-ended, it may make any limitations imposed by (a) almost meaningless.

As the Draft Order only applies when a person is acting in their capacity as a Council Member or Committee Member, it is difficult to understand what "other information" could be required that is not relevant to a statutory function.

Council Members may interact with the Local Government in their personal capacity and request and gain access to information as customers of the Local Government. These ordinary citizen transactions would not be subject to the communications agreement. Similarly, all members of the public have a right to inspect and receive copies of Local Government information in accordance with s5.94, 5.95, 5,96 and 5.96A of the Act, and public information prescribed under other written laws. These public access rights would not be subject to the communications agreement.

The expansive definition appears to be inconsistent with other provisions of the Draft Order. Clause 4 uses the wording of section 5.92, stating that Council and Committee Members agree to only request information that is relevant to their functions under law. Clause 14(b) of the Draft Order confirms that a Council Member or Committee Member is not required to be provided with information mentioned in section 5.92(4) of the Act. As noted above, section 5.92(4)(f) refers to information that is not relevant to the performance of a function under law.

The result may be that a Council Member or Committee Member may *request* information under clause 11 that they must agree not to request under clause 4(c)(iii), that they do not have a statutory right to access, and that clause 14 confirms that they are not required to be provided.

Questions

6. Should the words "or otherwise" and "other information" be deleted from the definition of ***request for information***?
7. Do Local Governments identify any risks arising from the definition of ***request for information*** in its current form?

8. Does the definition of ***request for information*** create inconsistency with section 5.92 of the Act and clauses 4 and 14 of the Draft Order?
9. Should the definition of ***request for information*** be revised to refer only to requests made under s.5.92?
10. Are there any other comments on the scope or definition of ***request for information***?

Local Government Response:
Click or tap here to enter text.

2.1.5. Administrative matters – definition and scope

Draft Regulations

Regulation 7 of the Draft Regulations would insert a new Regulation 28D in the *Local Government (Administration) Regulations 1996* which provides definitions and prescribes the content of communications agreements. The regulation distinguishes between administrative matters and requests for information and prescribes definitions as well as the content that must be included in relation to each type of request. The definition of administrative matter lists the scheduling of council or committee meetings, compliance obligations under the Act, IT support, training and conference arrangements, event invitations, entitlements and "any other matter of an administrative nature".

Regulation 10(2) of the Draft Regulations would insert the proposed definition of administrative matter into clause 20(1) of the Model Code of Conduct for Council Members, Committee Members and Candidates (Sch 1 of the *Local Government (Model Code of Conduct) Regulations 2021)*.

Draft Order

Clause 2 of the Draft Order repeats the definition of administrative matter and defines administrative request for information. Clause 25 defines administrative request as either or both of an administrative request for information or a request for administrative assistance. Clause 26 defines a request for administrative assistance.

Division 5 of the Draft Order deals with administrative requests for information and requests for administrative assistance. Clause 26 provides that a Council Member or Committee Member may make a request for administrative assistance, while clause 27 provides the process for making an administrative request. Administrative requests may be made verbally or in writing

WALGA Comment

Local Government officers regularly provide routine information and support to Council Members and Committee Members. It seems reasonable to provide for a separate category of requests that may be dealt with in a simplified way, and with no requirement to provide responses to all Council or Committee Members.

The definition of administrative matter prescribed in the Draft Regulations may not be suitable for all Local Governments. WALGA suggests that an alternative definition could be as follows:

administrative matter in relation to a council member or committee member, means support or assistance provided to an individual council member or individual committee member to facilitate an administrative process related to that member, and may include:

(i) council and committee meeting scheduling, attendance, apologies, leave of absence, committee deputy member attendance, drafting a notice of motion or alternative motion.
(ii) attendance at professional development, training or events, associated speech writing, ceremonial protocols, travel, accommodation and incidental expense arrangements,
(iii) entitlements to a fee, allowance, reimbursement or superannuation,
(iv) personal compliance with obligations under the Act, Regulations, code of conduct, conflict of interest or gift disclosure requirements, record keeping,
(v) information and communication technology software or hardware provided by the local government,
(vi) any other matters specified as administrative matters in a local government's communications agreement.

Alternatively, the Draft Regulations could state that administrative matters are to be defined in the local government's communications agreement. The above alternative definition could be modified for use in the Draft Order.

Consideration could also be given to simplifying the language used in the Draft Order regarding these requests. It seems unnecessarily complex to have four defined terms to deal with simple day to day enquiries.

Questions

11. Do Local Governments support a separate process for administrative matters?
12. Is the Draft Regulation definition of ***administrative matter*** suitable for your Local Government?
13. Do you support the alternative WALGA definition above and/or have any other suggestions for the definition?
14. Should the regulations avoid a prescribed definition and allow ***administrative matter*** to be defined entirely in the communications agreement?
15. Are there any other comments on administrative matters?

Local Government Response:
Click or tap here to enter text.

2.1.6. Exclusions from application of communications agreement

Draft Regulations

The new Regulation 28D(3), to be inserted in the *Local Government (Administration) Regulations 1996* by Draft Regulation 7, provides that a communications agreement must specify it does not apply to anything a Council Member, Committee Member or Employee does as part of deliberations at a Council Meeting, or CEO employment processes.

Draft Order

Clause 3(2) of the Draft Order gives effect to these requirements.

WALGA Comment

These exclusions enable Council Members and Committee Members to communicate with employees under certain circumstances without being subject to the communications agreement. The respective codes of conduct would continue to apply to employees and Council or Committee Members.

Questions

16. Are these exclusions appropriate?

Local Government Response:
Click or tap here to enter text.

2.1.7. Commissioners

Draft Regulations

New Regulation 28D(5) will require all communications agreements to include content enabling commissioners to make requests to any employee, to determine the manner information is to be provided and to resolve disputes.

Draft Order

Clause 29 provides that the communications agreement applies to a commissioner as if they were the Mayor or President and the Council of the Local Government. Clause 30 then modifies the application of the communications agreement to allow a commissioner to make a request to the CEO or any employee, in the manner determined by the commissioner and to specify the manner in which as response is to be provided. It also provides for a commissioner to resolve disputes.

WALGA Comment

Section 2.38 of the Act provides that any reference to Council, Council Member, Mayor or President in the Act or other written law applies to a commissioner. A Local Government's communications agreement would apply to commissioners on that basis, and a commissioner could adopt a new agreement with the CEO. It does not seem appropriate for a commissioner to direct requests to any employee of the Local Government.

Questions

17. Should the rights and responsibilities of commissioners under a communications agreement be consistent with the rights and responsibilities of Council, Council Members, Mayors and Presidents?
18. Is it inappropriate for a commissioner to make requests to any employee of the Local Government?

Local Government Response:
Click or tap here to enter text.

2.1.8. Amendments to Model Code of Conduct

Draft Regulations

Regulation 10(4) of the Draft Regulations will amend clause 20 of the Model Code of Conduct for Council Members, Committee Members and Candidates (Sch 1 of the *Local Government (Model Code of Conduct) Regulations 2021)*. As a result, the prohibition on a Council Member directing or attempting to direct a local government employee will not apply to anything that a Council Member does as part of making a request in accordance with a communications agreement.

WALGA comment

Model Code of Conduct clause 20(2)(a) prohibits a Council Member from directing or attempting to direct a Local Government employee to do or not to do anything in their capacity as a Local Government employee.

This prohibition does not apply to anything done during deliberations at a Council or Committee meeting. The proposed amendment would expand the circumstances in which a Council Member may direct an employee.

The proposed amendment implies that a request for information or administrative request may be made in a manner that is an attempt to *direct* a local government employee and has the effect of allowing such direction without breaching Code of Conduct provisions.

Questions

19. Is it necessary or appropriate for a Council Member to be able to direct a local government employee when making a request in accordance with a communications agreement?

Local Government Response:
Click or tap here to enter text.

2.3. Draft Order

2.3.1. Clause 4 General principles

Draft Order

Clause 4 of the Draft Order provides general principles for both the Council and the CEO, largely relating to acting and communicating in accordance with the agreement. This includes that the CEO will support Council Members and Committee Members in performing their functions under law, and that Council Members and Committee Members will only request information relevant to their functions under law.

Questions

20. Are there any additional principles that should be referenced in this clause?
21. Would it be beneficial to include a principle requiring that the communications agreement be applied in a manner that is consistent with the respective roles and responsibilities of Council and the CEO under the Act?

Local Government Response:
Click or tap here to enter text.

2.3.2. Clause 8 Nominated employees

Draft Order

Clause 8(1) enables the CEO to nominate employees for the purposes of the agreement.

Clause 8(2) requires the CEO to nominate minimum numbers of employees, depending on the Class of the Local Government.

Clause 8(3) allows employees to be nominated for all requests for information, or a type of request for information. Clause 8(4) allows employees to be nominated for media enquiries, requests for administrative assistance, or types of either of these.

Under clauses 16, 18, 20, 23 and 27 of the Draft Order, Council Members or Committee Members must make and discuss their various requests with an “appropriate nominated employee”, defined in clause 2(1). In summary, an appropriate nominated employee is an employee who has been nominated for that type of request.

Clause 9 allows the CEO to direct which employee responds to a request.

WALGA Comment

The minimum numbers of nominated employees specified in clause 8 will only apply while the default communications agreement applies to a Local Government. However, these requirements must still be fit for purpose when applying to all Local Governments at least every two years, or at any time an agreement has not been reached.

It is unlikely that all Local Governments of a particular class will have the same requirements or capacity.

CEOs are likely to be best placed to establish a sufficient number of nominated employees to service the level of requests in appropriate timeframes. This could include an administrative system of internal referrals, which could allow requests to be made to any nominated employee, rather than only an "appropriate nominated employee".

The requirement to make the request to an appropriate nominated employee may be challenging if a request for information addresses multiple subjects. It may be more efficient for responses to be coordinated by a single nominated employee.

Similarly, it may be sufficient to state that a CEO can nominate an employee generally or for the purposes of specified types of requests and that Council and Committee Members are provided with an up-to-date list.

Questions

22. Should the default communications agreement allow the CEO to nominate employees generally or for the purposes of any specified requests?
23. Should the minimum number of nominated employees be deleted or are they suitable?
24. Is it necessary to specify that requests must be made to an appropriate nominated employee, or could a nominated employee who receives a request refer and coordinate internally, subject to direction from the CEO?

Local Government Response:
Click or tap here to enter text.

2.3.3. Clause 12 Information that may be requested

Draft Order

Clause 12(1) lists matters that may be the subject of requests for information, clause 12(2) provides examples of information that may be requested by a Mayor or President, while clause 12(3) specifies that the clause does not limit what information may be requested.

WALGA Comment

It appears that this clause simply provides indicative examples of suitable subject matter for requests for information. As discussed above, the right of access to information under section 5.92 requires a link to a statutory function. It is possible that the examples provided in clause 12 could be the subject of a request for information that is relevant to a statutory function as well as a request that is not relevant or is excluded under s.5.92(4). Clause 12(3) confirms that the clause does not limit requests for information. Presumably it also does not expand what may be subject to a request for information, so it is unclear whether it is useful.

Questions

25. Is it useful for the default communications agreement to list matters that may be the subject of requests for information? Do Local Governments have any suggestions for inclusion?
26. Do Local Governments have any comments on the matters listed in clause 12?
27. Do Local Governments have examples of how the matters listed in clause 12 are or are not relevant to Council Member and Committee Member functions under the Act or other written law?

Local Government Response:
Click or tap here to enter text.

2.3.4. Clause 13 Requirements applicable to requests for information

Draft Order

Clause 13 sets out the requirements applicable to a request for information, including relevance to a statutory function (as discussed above), limited in scope and accompanied by supporting information or correspondence.

WALGA Comment

In many circumstances, the nature of information requested by Council or Committee Members is self-evidently related to performance of a function under the Act or other written law, consistent with s.5.92(1). However, some requests for information are not self-evident as being consistent with s.5.92.

Questions

28. Do Local Governments have any comments on these requirements?
29. Should clause 13 include a requirement for a request for information to explain the relevance of the request to the performance of a function under the Act or any written law?

Local Government Response:
Click or tap here to enter text.

2.3.5. Clause 14 Certain information not required to be provided

Draft Order

Clause 14 provides that information is not required to be provided in response to a request for information if:

- the request is not made in accordance with the agreement,
- the information is mentioned in section 5.92(4) of the Act,
- the information is not held by the Local Government, is held by another person or body and cannot be reasonably obtained by the Local Government,
- the CEO decides that preparing or providing the information would divert a substantial and unreasonable portion of the Local Government's resources.

WALGA Comment

The exclusion of information referred to in section 5.92(4) (see cl.14(b)) is discussed above.

Clause 14(c) appears somewhat convoluted. It is not clear if this is intended to require Local Governments to undertake research to identify and obtain information that they do not currently hold. Further, if the information is not held by the Local Government and cannot be reasonably obtained, it is not clear why it is relevant whether the information is held by another person or body.

Questions

30. Should clause 14(c) be simplified to state that information is not required to be provided if it is not held by the Local Government?

Local Government Response:
Click or tap here to enter text.

2.3.6. Clause 15 Disputes

Draft Order

Clause 15 sets out the process for dealing with disputes regarding a final response to a request for information that includes a refusal to provide some or all of the information requested. In the first instance the dispute must be discussed between the Mayor or President, the CEO and the requesting member. If this does not resolve the dispute, the requesting member may refer the dispute to Council for determination. Council's determination is final, and may override a decision by the CEO that the request would divert unreasonable resources.

WALGA Comment

The Draft Order does not appear to contemplate disputes where the Mayor or President is the requesting member.

The Draft Order specifies that Council may override a decision of the CEO under clause 14(d) that a request would divert unreasonable resources. In considering such a dispute, Council should have the benefit of the CEO's advice regarding the impact on the Local Government's functions and budget.

As only clause 14(d) is referenced in this way, it may be that Council does not have the capacity to overturn a refusal on the grounds set out in clause 14(a) – (c).

Questions

31. Should the default communications agreement specify that if the Mayor or President is the requesting member, the deputy Mayor or President should attend the meeting with the CEO in the event of a dispute?
32. Would it be beneficial to have disputes determined by the Inspector rather than Council?
33. Is it appropriate that Council can overturn the CEO decision under clause 14(d)?
34. Are there any other comments on disputes?

Local Government Response:
Click or tap here to enter text.

2.3.7. Clause 16 Mayor/President discuss media enquiry

Draft Order

Clause 16 allows the Mayor or President to discuss a media enquiry with the CEO or an appropriate nominated employee without making a request for information.

WALGA Comment

In many cases, media enquiries are directed to the Administration, and the Administration then contacts the Mayor or President to coordinate a response. Media enquiries that are not provided to the Local Government could be directed to the Mayor or President, but could also be directed to individual Council Members. It is not clear that this clause is necessary to enable these enquiries to be discussed as needed.

Questions

35. Does this clause meet the needs of Local Governments in managing media enquiries?

Local Government Response:
Click or tap here to enter text.

2.3.8. Division 4 Requests for information - processes

Draft Order

Division 4 of the Draft Order sets out the processes for making, acknowledging, discussing and responding to requests for information other than administrative requests.

Clause 18 requires that a request for information must be made to the CEO or an appropriate nominated employee in writing, by email or other electronic means approved by the CEO. Clause 19 requires the CEO to acknowledge the request within 2 working days after the day it is made.

Clause 20 allows the CEO or an appropriate nominated employee to discuss the request with the requesting member, who may request an amendment to the scope of the request in these discussions.

Clause 21 provides the requirements for responding to a request for information. As a starting point, the CEO must ensure the requesting member is given a final response as soon as practicable. Where a request relates to an agenda item, the CEO must use best endeavours to provide a final response before the meeting. In any case, the CEO must ensure that the requesting member is given a final response within 10 working days after the request is made, or notice that the final response cannot be given within that period and estimating when it will be provided. The final response must be in writing. The final response must include reasons for any refusal to provide any of the information requested.

Under clause 22(1), final responses will generally be provided to all Council Members and members of the relevant committee. Clause 22(2) provides exceptions, including where the request for information is one made by the Mayor or President in relation to representing the Local Government, correspondence or arranging a formal meeting or event. Clause 22(2) also allows the CEO and requesting member to agree that the final response is confidential or because of particular circumstances it is appropriate not to provide to all members.

Clause 23 allows the requesting member to discuss the final response with the CEO or an appropriate nominated employee, and may be provided with additional information in these discussions. Clause 24 allows the CEO to arrange a briefing, meeting or discussion with some or all Council or Committee Members in relation to a final response to a request for information.

WALGA Comment

The definition and scope of requests for information are discussed in part 2.1.4 of this discussion paper.

WALGA seeks sector feedback on whether the detailed processes and requirements in Division 4 are suitable for all Local Governments. It is not clear whether it is necessary for a communications agreement to specify that a Council or Committee Member may discuss a request or response with the CEO or appropriate nominated employee, or that the CEO may organise a briefing. In contrast, it may be helpful for a communications agreement to state what will occur if the CEO and requesting member do not agree on whether a response should be provided to all members.

Questions

36. Are there any comments on the processes and requirements in Division 4, including:
    - (i) Is it suitable that all requests for information must be made in writing by email or other electronic means approved by the CEO?
    - (ii) Is 2 working days an appropriate period for acknowledgement of a request?
    - (iii) Does clause 20 provide an appropriate method for discussing and clarifying requests for information?
    - (iv) Are the timeframes for response specified in clause 21 a reasonable baseline for all Local Governments?

(v) Does clause 22(2) provide a suitable method for deciding when a response does not need to be provided to all Council or Committee Members?
(vi) Should clause 22(2) state what would occur if the CEO and requesting member do not agree on whether a response is confidential or not to be provided to other members?
(vii) Is clause 23 unnecessary or does it provide a useful approach to discussions of a response?
(viii) Is clause 24 unnecessary or does it provide a useful approach to informing Council Members and Committee Members?

Local Government Response:
Click or tap here to enter text.

2.3.9. Division 5 Administrative requests - processes

Draft Order

Division 5 of the Draft Order sets out the requirements for making and responding to administrative requests.

WALGA Comment

The definition of "administrative matter" is discussed above.

WALGA seeks sector feedback on whether the processes and requirements are suitable for all Local Governments.

Questions

37. Is it suitable that administrative requests may be made verbally or in writing?
38. Does clause 28 provide reasonable requirements for a response?

Local Government Response:
Click or tap here to enter text.

City of Joondalup submission

Communication Agreements

Proposed Reform	Comment
Local Government Regulations Amendment Regulations 2025	
Part 1 – Preliminary	
General comment	The regulations refer to new sections 5.92A – 5.92C of the *Local Government Act 1995* which are inserted by the 2023 Amendment Act. The new sections 5.92A – 5.92C have not yet been proclaimed and it is unclear as to when these new sections will come into effect. The new sections will need to be proclaimed prior to the proposed Local Government Regulations Amendment Regulations 2025 taking effect. It is requested that further clarity be provided as to when the new sections 5.92A-5.92C will be proclaimed.
	The Draft Regulations and Draft Order are quite detailed and prescriptive. Some detail may be necessary to provide clarity and achieve an appropriate balance. It is essential that all parties understand their responsibilities, as breaches would constitute a breach of the Code of Conduct for Council Members, Committee Members and Candidates, or the Employee Code of Conduct. However, the level of prescriptive detail in the Draft Regulations and Draft Order may be restrictive for Local Governments seeing to develop locally appropriate approaches.
	In relation to regulation 28D, and the definition of '**administrative matter'** it is considered the definition for 'administrative matter' is too prescriptive. A more effective approach might be to shift the emphasis toward:

	• Clarifying and respecting the distinct roles and responsibilities of elected members and staff. • Promoting mutual respect and professional conduct as the foundation for communication; and • Framing the purpose of the agreement around supportive constructive, efficient and principled interactions.
Reg 1 – Citation	It is considered there are no apparent issues with this clause.
Reg 2 – Commencement	It is noted that the regulations are intended to come into effect (in its entirety) by 19 October 2025. Should the DLGSCI receive a considerable amount of feedback that requires the draft Orders to be amended, it is considered the date for commencement may need to be pushed back to allow for further consultation on a revised draft of the Orders and for local governments to draft agreements suitable for their own circumstances.
Part 2 – Local Government (Administration) Regulations 1996 amended	
Reg 3 – Regulations amended	It is considered there are no apparent issues with this clause.
Reg 4 – Regulation 3 amended	It is considered there are no apparent issues with this clause.
Reg 5 – Regulation 19AA amended	It is considered there are no apparent issues with this clause.
Reg 6 – Regulation 19ADA inserted	It is considered there are no apparent issues with this clause.
Reg 7 – Regulations 28C and 28D inserted	In relation to regulation 28D, and the definition of '**administrative matter'** it is considered the definition for 'administrative matter' is too prescriptive. WALGA suggests that an alternative definition could be as follows:

	administrative matter in relation to a council member or committee member, means support or assistance provided to an individual council member or individual committee member to facilitate an administrative process related to that member, and may include: (i) Council and committee meeting scheduling, attendance, apologies, leave of absence, committee deputy member attendance, drafting a notice of motion or alternative motion. (ii) Attendance at professional development, training or events, associated speech writing, ceremonial protocols, travel, accommodation and incidental expense arrangements. (iii) Entitlements to a fee, allowance, reimbursement or superannuation. (iv) Personal compliance with obligations under the Act, Regulations, code of conduct, conflict of interest or gift disclosure requirements, record keeping. (v) Information and communication technology software or hardware provided by the local government; and (vi) Any other matters specified as administrative matters in a local government's communications agreement. Alternatively, the Draft Regulations could state that administrative matters are to be defined in the local government's communications agreement. Clause (g) of regulation 28D provides that administrative matter means 'any other matter of an administrative nature,' which is considered to be too generic and could encompass anything. In relation to regulation 28D, and the definition of '**request for information'** the inclusion in the Order of the terms 'or otherwise' after referencing section 5.92 of the Act, and 'other information' in sub-clause (b) appears to substantially broaden the scope of an information enquiry envisioned under clause 5.92. The definition expands significantly beyond requests under section 5.92 and it is unclear what is intended by "or otherwise" in part (a) of the definition. Further, the inclusion of "other information" in part (b) is so open-ended, it may make any limitations imposed by (a) almost meaningless. It is requested that further clarity be provided.
Reg 8 – Regulation 29E inserted	It is considered there are no apparent issues with this clause.
Part 3 – Local Government (Model Code of Conduct) Regulations 2021 amended	

Reg 9 – Regulations amended	It is considered there are no apparent issues with this clause.
Reg 10 – Schedule 1 amended	The comments provided above with regard to the definition of ‘administrative matter’ equally apply to this clause. The comments provided above with regard to the definition of ‘request for information’ equally apply to this clause.

Local Government (Default Communications Agreement) Order 2025	
Division 1 – Preliminary provisions	
Clause 1 - Introduction	It is considered there are no apparent issues with this clause.
Clause 2 – Terms Used	The definition of 'administrative matter' and 'request for information' are provided for in the draft *Local Government Regulations Amendment Regulations 2025*. The definitions in the draft Order should refer to those phrases as having the same meaning given in the regulations so as not to duplicate the references.
Clause 3 – Application	It is considered there are no apparent issues with this clause.
Division 2 – General provisions	
Clause 4 – General principles	It is considered there are no apparent issues with this clause.
Clause 5 – Correspondence sent by mayor or president on behalf of local government	The consultation communications agreement paper provides that in clause 5, in general, all council members should receive a copy of formal correspondence sent by the Mayor or President on behalf of the local government. However clause 5(1) does not include the word 'formal' correspondence. It is unclear what types of correspondence are intended to be captured by this provision. It is requested that further clarity is provided with regard to the definition of correspondence. In addition, it is considered that the provision of all correspondence sent by the Mayor or President to all council members will become overly burdensome for local government administrative staff. For large local governments this would be a significant amount of correspondence, much of which is likely not relevant or administrative in nature. With regard to clause 5(2) it is considered the clause is to subjective as it would be left to the Mayor or President to decide what is appropriate (or not) to distribute. Also, the consultation paper provides that in exceptional circumstances, the Mayor or President can decide if it is appropriate not to provide such correspondence. But in the wording of the Order it doesn't

	refer to exceptional circumstances but rather that the Mayor or President is satisfied. It is requested that further clarity is provided with regard to the intent of this clause.
Clause 6 – Requests must not be made during social or incidental dealing or communication	It is considered there are no apparent issues with this clause.
Clause 7 – Incidental or social interactions permitted	It is considered there are no apparent issues with this clause.
Clause 8 – Nominated employees	It is considered this clause is too operational and prescriptive. The Order prescribes the minimum number of staff that the CEO must nominate for the purposes of the communications agreement, based on the class of the local government. It is considered this requirement is overly prescriptive and instead the CEO should be empowered to nominate as many staff as they consider necessary to administer the requirements they need. Further clarity is requested with regard to the register of employees nominated under subclause (1) and whether this is a separate register that accompanies the Agreement and can be amended from time to time by the CEO.
Clause 9 – CEO may direct who responds	It is considered there are no apparent issues with this clause.
Clause 10 – No response required out of hours	What is the definition of 'office hours'? It is requested that further clarity be provided with regard to the definition of 'office hours' noting that different functions of a local government operate across different hours. Is it expected that 'office hours' is the standard Monday – Friday, 9am-5pm? Or the span of hours throughout the week that all local government functions are undertaken?
Division 3 – Requests for information generally	
Clause 11 – Council member or committee member may make request for information	Clause 11 provides that a council member or committee member may make a request for – (a) Access to information held by the local government under section 5.92 of the Act or otherwise; or (b) Other information.

	The inclusion in the Order of the terms 'other otherwise' after referencing section 5.92 of the Act, and 'other information' in sub-clause (b) appears to substantially broaden the scope of an information enquiry envisioned under clause 5.92. It is requested that further clarity be provided.
Clause 12 – Information that may be requested	Clause 12 sets out the types of information a member may request however, it is noted that clause 12(3) provides that this clause does not limit what information may be sought. The inclusion of clause 12(3) appears to provide that <u>any</u> information may then be sought. It is requested that further clarity be provided.
Clause 13 – Requirements applicable to requests for information	It is considered there are no apparent issues with this clause.
Clause 14 – Certain information not required to be provided	It is considered there are no apparent issues with this clause.
Clause 15 – Disputes regarding final response to request for information	The Communications Agreement is made between the Council and the CEO. On that basis, it is considered inappropriate for the Council to be the final arbiter of a dispute between the parties. It is suggested that such disputes be arbitrated by the Inspector or an independent third party.
Clause 16 – Mayor or president may discuss media enquiry without making request for information	It is considered there are no apparent issues with this clause.
Division 4 – Requests for information other than administrative requests for information	
Clause 17 – Application	It is considered there are no apparent issues with this clause.
Clause 18 – Making a request for information	It is considered there are no apparent issues with this clause.
Clause 19 – Receipt of request must be acknowledged	It is considered there are no apparent issues with this clause.

Clause 20 – Request may be discussed and amended	It is considered there are no apparent issues with this clause.
Clause 21 – Responding to a request for information	Sub-clause (2) requires the CEO to use their 'best endeavours to respond to requests relating to items on a Council or Committee meeting agenda before the meeting takes place. The term 'best endeavours is not defined in the Order and is considered to be highly subjective depending on who is making the judgment. Arguably, 'best endeavours' cannot overcome a situation that is not practicable.
Clause 22 – When final response must be provided to other members	It is considered that the provision of all responses to all council members will become overly burdensome for local government administrative staff. For large local governments this would be a significant amount of correspondence, much of which is likely not relevant or administrative in nature.
Clause 23 – Requesting member may discuss final response	It is considered there are no apparent issues with this clause.
Clause 24 – CEO may arrange for briefing, meeting or discussion in relation to final response	It is considered there are no apparent issues with this clause.
Division 5 – Administrative requests for information and requests for administrative assistance	
Clause 25 – Terms used: administrative request	It is considered there are no apparent issues with this clause.
Clause 26 – Council member or committee member may request assistance regarding administrative matter	It is considered there are no apparent issues with this clause.
Clause 27 – Making an administrative request	It is considered there are no apparent issues with this clause.

Clause 28 – Responding to an administrative request	It is considered there are no apparent issues with this clause.
Clause 29 – Application of agreement to commissioner	It is considered there are no apparent issues with this clause.
Clause 30 – Requests for information by commissioner	It is considered there are no apparent issues with this clause.

Presentation of Petitions Protocol

Protocol owner:	Director Governance and Strategy
Contact person (extension):	Manager Governance Ext 4418
Promapp link:	• Nil
Related protocols:	• Nil
Related policies:	• Nil
Related plans/strategies:	• Nil
Other related documentation/legislation:	*City of Joondalup Meeting Procedures Local Law 2013.*
HPERM reference:	INT22/71
Last reviewed:	January 2022

Objective:

The following protocol is in place to detail the process related to the presentation of petitions to the Council.

Background

In accordance with clause 5.11(1)(b) of the City of Joondalup's *Meeting Procedures Local Law 2013,* a petition can either be delivered to an Elected Member or the Chief Executive Officer (CEO) for presentation at a Council meeting.

Petitions are then presented at a Council meeting.

Petitions presented at or prior to a Briefing Session

- Petitions presented by an Elected Member or the CEO, at or prior to a Briefing Session, will be checked for validity by the Governance Team in accordance with clause 5.11(1) of the *Meetings Procedures Local law 2013,* and included on the agenda for the first Council meeting following the Briefing Session.

Petitions presented after a Briefing Session

- Unless the petition relates to an item on the agenda of the Council meeting, petitions presented by an Elected Member or the CEO after a Briefing Session, will not be considered at the first Council Meeting following that Briefing Session, and instead will be checked for validity for inclusion on the agenda for the Council meeting after the next Briefing Session.

Administrative Matters

- The Governance Team will check petitions for adherence with clause 5.11(1) of the *Meeting Procedures Local Law 2013.*
- Petitions that are considered 'invalid' for not complying with clause 5.11(1) of the *Meeting Procedures Local Law 2013,* will be referred back to the lead petitioner to meet petition requirements or to seek agreement that it be considered as a multi-signatory letter.
- The full content of the petition, and any supporting documentation (excluding petitioner contact details – other than the lead petitioner), will be provided to Elected Members to allow them to make a full and informed decision by the Manager Governance.
- The Manager Governance will provide additional information to Elected Members on previous Council resolutions on similar petitions.
- No officer's comment will be provided to Council on whether the petition should be received or refused.

Notification of Public Works Council Policy

Responsible directorate: Infrastructure Services

Objective: To state the City of Joondalup's commitment to notifying the community about upcoming public works which may affect them.

1. Application:

This policy applies to formal notifications from the City about upcoming public works.

2. Definitions:

"public works" means any works to assets such as, but not limited to, City-owned or managed buildings, roads, footpaths, lighting, playspaces, sporting infrastructure, parks, sumps and car parks, carried out by the City or agents of the City.

"notification" means the provision of information to affected stakeholders regarding the commencement of public works. It does not include consultation with the community to inform decision-making.

3. Statement:

The City of Joondalup recognises the importance of providing effective, timely and transparent information to the community about upcoming public works which may affect them.

4. Details:

4.1. Public works where notification is required:

The City will notify identified stakeholders about upcoming public works whenever it is required to do so under legislation, or whenever the City determines the public works could impact or inconvenience the community to a significant degree.

4.2. Public works where notification is not required:

Notification is not required where an emergency, or other public safety issue has necessitated urgent or immediate action.

4.3. Principles of notifications:

To ensure notifications are effective, timely and transparent, the following principles will apply, unless bound by statutory or legislative requirements.

a. The City will identify stakeholders to be notified by considering any persons, groups or organisations that could be affected by the public works.

b. The City will identify and implement the most appropriate communication methodology to meet the needs of stakeholders. Communication methods could include letters, on-site signage, newspaper advertisements, website information, eNewsletter items, media announcements, or social media posts, amongst others.

c. The City will ensure that the timing of notifications has due regard for the potential disruption caused by the public works.

Community Consultation Council Policy

Responsible directorate: Governance and Strategy

Objective: To state the City of Joondalup's commitment to effective, transparent and accessible community consultation to inform decision-making.

1. Application:

This policy applies to all community consultation activities in the City of Joondalup.

For consultations relating to planning proposals, it should be noted that there are additional and more specific requirements outlined in the *Planning Consultation Local Planning Policy*. Requirements relating to the closure of pedestrian accessways are addressed in the *Closure of Pedestrian Accessways Local Planning Policy*.

This policy does not describe the requirements for notifying the community about a matter which may affect them where feedback is not required but community members need to be advised. This is described in the *Notification of Public Works Council Policy*.

2. Definitions:

"community consultation" means any activity which seeks feedback from community members to inform decision-making.

3. Statement:

The City of Joondalup recognises the importance of effective, transparent and accessible community consultation to ensure feedback from the community is considered as part of the City's decision-making processes. Community consultation informs, but does not replace, the decision-making role of the City and the Council.

The City will consult with the community whenever it is required to do so under legislation (see Table 1), or whenever it is considered valuable to inform decision-making. This could include major policy changes, new community facilities and venues, or changes to City services, amongst others.

4. Details:

4.1. Principles of Community Consultation:

To ensure the City's community consultation practices are effective, transparent and accessible, the following principles will apply, unless bound by statutory and legislative requirements (see Appendix).

a. The City will identify stakeholders by considering any persons, groups or organisations that could be affected by, or are interested in, the matter under consideration.

b. The City will identify and implement the most appropriate methodology to both meet the needs of stakeholders and to best inform the City's decision-making processes. Methods of engagement could include questionnaires, meetings, focus groups, interviews, forums or workshops, amongst others.

c. The City will ensure that the timing and duration of consultation activities has due regard for conflicting priorities such as public holidays, school holidays, Council elections and/or other consultation activities.

d. The City will endeavour to make appropriate background information and contextual material available to consultation participants to support understanding of the relevant legal, statutory, strategic and/or local context.

e. The City will employ sound social research and data collection methods and will adhere to professional, ethical standards and codes of practice for the analysis and reporting of consultation outcomes.

f. The City will ensure that consultation outcomes are shared with the community where appropriate.

City of Joondalup

NOTES TO AND FORMING PART OF THE FINANCIAL ACTIVITY STATEMENT FOR THE PERIOD ENDED 31 MAY 2025

1. Rates **$59,830**

This favourable variance mainly arose from Interim Rates Residential-GRV $164,931, offset by Interim Rates Commercial-Unimproved-GRV ($122,238).

2. Grants and Subsidies **$1,478,285**

Favourable timing variance arose from State – Other Grants and Subsidies – Operating $1,387,013 mainly due to Better Bins Grant $791,056, Coastal Monitoring $338,235, Joondalup Festival $135,000 and Sand Bypassing – Scheduled $123,000. Also a favourable variance arose from Commonwealth Grant-Operating Federal Assistance due to Street Roads Bridge Depot $66,274, offset by Tree Maintenance ($54,986).

3. Contributions Reimbursements and Donations **$82,420**

This favourable variance occurred due to Sponsorships Cultural Services-Events for the Joondalup Festival $105,000.

4. Profit on Asset Disposals **$19,156**

This favourable variance arose from higher than estimated profit on disposal of fleet and Plant ($19,156).

5. Fees and Charges **$299,244**

		YTD Budget	YTD Actual	Variance
a)	Sports and Recreation Fees	$12,407,801	$12,863,942	$456,141
b)	Building and Development Fees	$1,932,982	$2,201,353	$268,371
c)	Hire and Rentals	$861,561	$921,747	$60,186
d)	Parking Fees	$3,060,369	$2,747,842	($312,527)
e)	Refuse Charges	$23,710,690	$23,547,313	($163,377)
	Other	$4,514,830	$4,505,280	($9,550)
		$46,488,233	$46,787,477	$299,244

a) A favourable variance mainly due to higher than estimated Membership Fees received from Craigie Leisure Centre $284,155 and Admission Fees $98,103 mainly due to Craigie Leisure Centre $136,519.

b) A favourable variance mainly due to higher than estimated Development Application Fees $160,433 and Other Building and Development Charges $60,836.

c) Favourable variance occurred due to higher than expected Property Rental $52,783.

d) Unfavourable variance mainly due to On Street Parking Fees for Parking and Technology & Fees ($183,682) and Multistorey Car Parks ($50,122).

e) An unfavourable variance for Refuge Charges due to lower than estimated Waste Refuse Service Charges received ($175,017).

6. Interest Earnings **$217,583**

This favourable variance arose primarily due to higher than estimated Interest from Other Financial Institutions due to the cumulative impact of higher deposit interest rates on the City's investment portfolio and higher average volumes invested than budget estimates.

7. Other Revenue/Income **$5,715,001**

This favourable variance arose from Net Revenue from the Catalina Regional Council - Catalina Estate Sales $5,688,714.

8. Employee Costs **$922,360**

		YTD Budget	YTD Actual	Variance
a)	Salaries and Wages	$72,785,915	$70,875,104	$1,910,811
b)	Corporate Vacancy Credit	($1,046,942)	-	($1,046,942)
c)	Other Employment Costs	$3,832,028	$3,773,537	$58,491
		$75,571,001	$74,648,641	$922,360

a) Variance mainly due to vacancies across various teams $1,866,829.

The variance includes the impact of the reversal of June 2024 Long Service Leave (non-current provision) that incorporates the effect of End of Financial Year Net Present Value discounting for financial reporting. The monthly Long Service Leave (non-current) provision amounts do not include the end-of-year Net Present Value discounts which reflects a considerable upward movement year to date, approximately $441,263.

In addition, actuals include other leave provision movements year to date of ($382,885). Excluding the impact of additional casual salaries at Craigie Leisure Centre, the effect of non-current Long Service Leave Net Present Value discounting at End of Financial Year 2023-24 and the year-to-date movement in other leave provisions ($382,885), the salaries and wages positive variance is approximately ($1,971,994) year to date.

b) This is the revised year to date corporate vacancy credit budgeted for ($1,046,942) which is lower than the standard salaries and wages year-to-date positive variance calculated above (excluding leave provision movements and one-off effects, including Casual Loading Costs - casual costs).

c) Favourable variance occurred mainly due to the lower than estimated Staff Training $289,237, Other Employee Costs $102,623, Conferences and Seminars $79,045, Study Assistance and Professional Development $76,041, Employee Support Services $70,166, Employee Rewards & Recognition $69,147. This was partially offset by higher than estimated Salaries and Wages - Agency Employees ($413,302) and the Standard Labour Recovery - Capital Works ($211,444).

9. Materials and Contracts **$5,985,493**

		YTD Budget	YTD Actual	Variance
a)	External Service Expenses	$22,710,420	$19,177,698	$3,532,722
b)	Professional Fees & Costs	$3495,186	$2,451,220	$1,043,966
c)	Furniture, Equipment and Artwork	$3,235,134	$2,601,926	$633,208
d)	Contributions & Donations	$1,706,510	$1,235,883	$470,627
e)	Waste Management Services	$18,763,032	$18,442,756	$320,276
f)	Other Materials	$2,436,056	$2,156,108	$279,948
g)	Administration	$1,161,791	$898,403	$263,388
h)	Public Relations, Advertising and Promotions	$1,240,857	$994,256	$246,601
i)	Travel, Vehicles & Plant	$1,920,842	$1,838,240	$82,602
j)	Telephones and Communication	$827,651	$761,065	$66,586
k)	Finance Related Costs	$602,332	$546,558	$55,774
l)	Computing	$3,263,872	$3,477,036	($213,164)
m)	Charges and Recoveries	($180,563)	($105,935)	($74,628)
n)	Corporate Materials Credit	($800,000)	-	($800,000)
	Other Materials & Contracts	$1,148,018	$1,070,431	$77,587
		$61,531,138	$55,545,645	$5,985,493

a) A favourable timing variance arose from External Contractors & Services $3,157,636, due to the timing of Project Axiom invoices $1,811,602, Strategic Asset Management Services $341,735, Manager City Amenity/Customer Service $57,895, offset by Network Services ($71,103). Also Parks $979,126 due to Weeding – Other $215,283, Tree Maintenance – Power Line $148,543, SAR Landscape Upgrades $100,417, Turf Mowing Scheduled Maintenance $99,283, Irrigation Maintenance – Scheduled $92,246, Fertilising-scheduled $87,246 and Play Equipment Maintenance-Reactive $63,326. Also, a favourable variance for Natural Areas $326,609 and Roads due to Drainage Maintenance – Scheduled $109,728, Crack Seal Maintenance $53,430, offset Drainage Maintenance – Reactive ($122,196). Also an unfavourable variance on Buildings ($227,512). A favourable variance also arose from the timing of Programme Activities $177,663, Other Service Fees and Expenditure $61,852 and Production Costs $53,394.

b) Favourable timing variance arose mainly due to lower than estimated Consultancy costs $792,246 for Human Resources Administration $120,500, Strategic Organisational Development $96,519, Planning Services $81,978, Ocean Reef

Marina $78,710 and Performing Arts Centre $69,300. In addition, a favourable variance for Audit Fees $119,594 and Legal Expenses $68,245.

c) Favourable timing variance for Plant & Equipment Maintenance & Repair $200,583, Hire of Equipment $171,035, Computer & Communications Equipment Purchase - Minor $142,159 and Furniture & Office Equipment Purchase – Minor $86,541.

d) A favourable timing variance arose mainly due to the timing of Grants and Contributions Made $355,682 and Sponsorship $61,131.

e) A favourable variance arose for Collection-Bulk Green Waste $181,928, Processing – Hard Waste Skips $102,041 and Processing-Recycling $90,110, Offset by Collections–Hard Waste Skips ($101,968) and Processing – Domestic Green Waste ($52,483).

f) A favourable variance arose mainly due to External Material Purchases-Contract $295,834.

g) Favourable variance mainly due to Other Sundry Admin Expenses $109,173.

h) A favourable variance mainly due to Promotions $145,708 and Catering $50,607.

i) A favourable variance arose mainly due to lower than estimated Fuel costs for Fleet and Plant $144,464, offset by Travel Expenses/Parking/Public Transport/Taxi Fares ($86,886).

j) A favourable variance mainly due to Mobile Phones, Pagers and Radios $38,102.

k) Favourable variance arose from lower than estimated Credit Card Merchant Fees $48,207.

l) An unfavourable variance due to Computer Software Subscriptions ($152,586), increase due to M365 E5 Licence uplift and Power BI Pro Licence as well as Computer Software Maintenance ($132,118).

m) Unfavourable variance due to Vehicle Running Expenses $205,706, Overhead Charge $165,135, Fleet and Plant Utilisation Charge $138,832, offset by Overhead Recoveries ($239,627), Fleet and Plant Operational Recovery ($228,481) and Fleet and Plant Capital Recovery ($96,828).

n) This is the year to date corporate materials credit budgeted for ($800,000) following the review of the adopted budget (as amended) which has taken into account what has transpired in the first half of the year, the likely operating environment over the remaining part of the year under prevailing economic conditions and the most likely impact on the City's financial position.

10. Utilities **$368,240**

Favourable timing variance arose mainly due to lower than estimated electricity charges $364,548 mainly for Buildings $210,879 and Roads $124,398.

City of Joondalup

11. Depreciation **$1,329,840**

This favourable variance arose mainly due to budget phasing of Impairment/Write off of assets $1,091,915, Depreciation for Other Infrastructure Assets $325,360, Depreciation Footpaths infrastructure $119,669 and Depreciation Lighting $81,783, offset by Depreciation – Open Reserves ($225,030) and Depreciation – Roads Infrastructure ($95,624).

12. Loss on Asset Disposals **$34,760**

Favourable variance arose due to timing of assets disposals.

13. Other Expenses **$139,898**

Unfavourable variance arose due to Elected Members Conference and Training Expenses $76,476, offset by Contributions to Community Groups ($272,236). This expenditure was historically reported as 'Materials and Contracts' where the budget is currently allocated. Local Government (Financial Management) Regulations 1996 now requires this to be reported against 'Other Expenses.'

14. Movement in Non-current items **$286,367**

This variance arose in respect to an increase in Non-current Long Service Leave Liability compared that includes the impact of reversal of June 2024 provision that incorporates End of Financial Year Net Present Value calculations, which are not considered in monthly provisions movements. When the effect of the June 2024 Net Present Value adjustment is excluded, the movement in the non-current leave provision in this month is $151,323.

15. Capital Grants and Subsidies **$1,378,381**

		YTD Budget	YTD Actual	Variance
a)	State Government Grants – Capital Other	$8,530,927	$9,899,216	$1,368,289
b)	Other Grants and Subsides – Capital – Other	$2,982,341	$3,086,341	$104,000
c)	State Government Grants – Capital – Metropolitan Regional Road Group - Grant Roads	$3,230,892	$3,152,519	($78,373)
d)	State Government Grants-Capital – Black Spot	$112,000	$56,000	($56,000)
	Other Grants and Subsidies	$5,769,196	$5,809,661	$40,465
		$20,625,356	$22,003,737	$1,378,381

a) Variance to income relates to final milestone payment for completed project BCW2669 Greenwood Scout Hall Refurbishment $150,000 and grant funding received from Water

Corporation for PDP2271 Irrigation Renewals $90,909. Early payments received in April 2025 for FPN2299 Hillary Cycle Network Expansion $1,000,000, PDP2409 Smart Bore Water Meter Connections $54,545 and BCW2692 Winton Road Depot Facility Upgrade $72,835.

b) Funding received from Department of Infrastructure as part of Investing in Our Community Program for PEP2885 Kingsley Clubroom & Playspace $100,000 and $4,000 variance for PEP2629 Cricket Infrastructure Renewal due to additional income received from WA Cricket Association.

c) Payments for early claims submitted to Metropolitan Regional Road Group for various projects $76,613, offset by minor delays in claims for other Metropolitan Regional Road Group projects ($154,986).

d) Unfavourable variance relating to the final payment of SBS2098 Hepburn Avenue, Waraker Road is awaiting final invoice to be received and the project is now completed.

16. Capital Contributions **$31,057**

This favourable timing variance predominately arose from Capital Contributions received for Warwick Bowling Club Synthetic Turf $36,469.

17. Other Non-Operating Revenue **$329,177**

This favourable timing variance predominately arose from GST reimbursements in respect of the City's share of Catalina Regional Council land sales undertaken.

18. Capital Projects **$4,730,120**

This favourable timing variance arose mainly as a result of Ocean Reef Sea Sports Club $4,208,750 due to construction delays which have influenced the timing of the City's contribution, Integrated Parking and Compliance Management System Project $178,305, Network Infrastructure Upgrade Program $102,675, Installation of Electric Vehicle Chargers $79,969, Speed Awareness and Education Campaign $66,284, Craigie Leisure Centre Employee Outside Break Area $63,530 and Information Technology Disaster Recovery Facilities $60,077.

City of Joondalup

19. Capital Works **$732,294**

		No. Budgeted Projects	YTD Budget	YTD Actual	Variance	Key Variance
a)	Major Projects Program (MPP)	6	$6,226,455	$5,309,435	$917,020	MPP2081 - ($960,301)
b)	Street Lighting Program (STL)	18	$1,027,540	$563,634	$463,906	STL2122 - $274,064
c)	Local Traffic Management (LTM)	12	$555,772	$227,238	$328,534	LTM2166 - $82,389
d)	Parks Equipment Program (PEP)	35	$3,540,820	$3,298,269	$242,551	PEP2885 - $90,493
e)	Blackspot Projects (SBS)	7	$2,191,862	$2,044,702	$147,160	SBS2098 - ($174,858)
f)	Major Building Capital Works Program (BCW)	18	$4,399,581	$4,329,305	$70,276	BCW2680 - ($492,967)
g)	Road Preservation/Resurfacing Program (RPR)	111	$11,312,706	$12,840,945	($1,528,239)	RPR3479 - ($441,647)
h)	Major Road Construction Program (RDC)	7	$2,645,204	$3,393,210	($748,006)	RDC2029-($1,242,006)
i)	New Path Program (FPN)	9	$2,593,456	$2,989,057	($395,601)	FPN2299 – ($379,876)
j)	Parks Development Program ((PDP)	12	$1,458,499	$1,618,432	($159,933)	PDP2271 – ($88,999)
k)	Parking Facilities Program (PFP)	3	$951,977	$1,017,688	($65,711)	PFP2102 – ($48,738)
l)	Foreshore and Natural Areas Management Program (FNM)	8	$480,928	$533,311	($52,383)	FNM2100 – ($51,570)
	Other Capital Works	25	$1,144,146	$1,096,014	$48,132	
		271	$38,528,946	$39,261,240	($732,294)	

a) MPP2081 Duncraig Adventure Hub $960,301 currently progressing on track but with less actuals than planned and is offset by MPP2076 Sorrento Surf Lifesaving Club Redevelopment is also progressing with the design phase with a variance of ($44,476) and MPP2077 Burns Beach - Cafe/Kiosk/Restaurant ($20,266).

b) Variance mainly relates to STL2122 Santiago Park Sports Lighting $274,064, STL2052 Lighting Infrastructure Renewal Program $50,001 and STL2134 Works Operational Centre Car Park Lighting Replacement $30,941 due to less actuals than planned but with works in progress and commitments raised. STL2148 Doveridge to Riley Public Access Way Lighting $13,330, STL2149 Glengarry to Ripley Public Access Way Lighting $14,614, STL2150 Doveridge to Elderslie Public Access Way Lighting $14,614, are currently in progress and expected to be completed by the end of the financial year. Further variances relate to STL2160 Penistone Cricket Nets Lighting Upgrade $20,999 which is programmed to commence works in June 25 and STL2158 Iluka Open Space Power Upgrades Design $14,914 which is a multi-year project.

c) Favourable variance mainly relate to completed projects awaiting outstanding commitments including; LTM2166 Gwendoline Drive Median Upgrades $82,389, LTM2208 Kinross Primary School Crossing Improv $44,295 and LTM2217 Grand Boulevards Parking Upgrades $55,333. Other positive variances relate to LTM2205 Trappers Dr Crossing Improvements $93,067 and LTM2213 Woodvale Primary School Crossing Impro $37,132 which are both in progress and expected to be completed by the end of June 2025. LTM2218 Craigie Heights PS Precinct Improvements will be carried forward to 25/26 causing a variance valuing $19,548.

d) Less actuals than planned for projects currently in progress including PEP2885 Kingsley Clubroom and Playspace $90,493, PEP2870 MacNaughton Park Playspace Reserve $66,731. Other favourable variance relate to project which are completed and awaiting final invoices to be received including; PEP2893 Lysander Park Pump Track $37,605, PEP2891 Gibson Park Pump Track $29,380, PEP2866 Mawson Park West Playspace Renewal $38,982, PEP2708 Annato Park Playspace Renewal and PEP2890 Elcar Park Dog Exercise Extension $63,573.

e) Favourable variance is relating to SBS2098 Hepburn Avenue/Waraker Rd $174,858 which is completed and awaiting payment of final invoices. This is offset by unfavourable variance on SBS2095 Hepburn/Amalfi Roundabout Improvements ($56,185) which has been completed overbudget.

f) Main variance relates to BCW2692 SES Winton Road Depot Facility Upgrade ($64,635) which are experiencing early progress with higher actuals due to projects completed earlier than expected. Favourable timing has occurred on BCW2640 Percy Doyle Community Sporting Facility $36,746 which is completed and awaiting outstanding invoices. Also a favourable timing variance for BCW2020 Building Component Renewal Program $62,024, BCW2450 Environmental initiatives $41,142, BCW2573 Short Life Services Renewal Program $21,033 which are all due for completion in June 25. These are offset by BCW2596 Prince Regent Park Facility Upgrades ($25,971) which is currently in Tender Phase, BCW2674 Grove Child Care UAT ($21,967) which has been completed over budget and BCW2692 SES Winton Road Depot Facility Upgrade ($64,635) due to timing.

g) Multiple variances within the program including unfavourable variances for RPR3393 Dericote Way ($44,372), RPR3409 Waterford Drive - Waraker to Lymburner ($92,676), RPR3359 Sandpiper Street ($78,302) and RPR3463 Shepherds Bush Drive ($42,527) which are completed with overspend and partially offset with anticipated savings in other areas. Variances are showing in projects due to early completion of RPR2936 Mermaid

Way ($87,111), RPR3317 Ayton Way ($10,576), RPR3472 Shenton Ave - Lawley Ct to McLarty Ave ($20,786), RPR3410 Waterston Gardens ($65,549), RPR3434 MacArthur Avenue ($298,465), RPR3437 Warner Drive ($130,278), RPR3479 Warwick Rd - Allenswood to Cockman ($441,647), RPR3478 Warwick Road - Roche to Currajong ($134,634) and RPR3477 Warwick Road - Currajong to Lilburne ($105,206). These are offset by favourable variances due to phasing timing including, RPR3476 Bridgewater Drive - Shelley to Clevedon $158,216 and RPR3139 Gwendonline Drive $94,397.

h) Early progress on RDC2029 Joondalup/Lakeside Roundabout has led to a variance of ($1,242,006) with works due to be completed in June 2025. This is offset by RDC2031 Hepburn Ave - Lilburne/Walter Padbury $500,435 due to less actuals than phased with works in progress.

i) Significant variance relates to FPN2299 Hillarys Cycle Network Expansion due to advance progress on the southern section of the path ($379,876). Other unfavourable variances relate to FPN2304 Plumdale Way - Monterey to Parkwood ($36,191) and FPN2321 Megiddo Way ($39,057) which have both been completed to higher actuals than originally budgeted. These are offset by favourable variance to FPN2268 Methuen Way - Stat Hyre to Train Station $48,205 which is currently in progress and due for completed in June 2025.

j) Variance mainly relates to overspend for PDP2271 Irrigation Infrastructure Renewals ($88,999) due to urgent works required. PDP2402 Warwick Bowling Club Synthetic Turf has a variance of ($57,785) due to early completion. Remaining variances are also due to advance progress for PDP2345 Forrest Park Irrigation Renewals ($27,010), PDP2367 Warwick BC Pump Station ($11,144), PDP2409 Smart Bore Water Meter Connections ($9,500) and PDP2371 Chichester Park Skate & Play ($9,907).

k) PFP2102 Tom Simpson North/South Carparks Improvement is complete with a variance of ($48,738) and PFP2090 Merrifield Place Parking Improvements ($15,800) which is in investigation phase.

l) Variance relates to early completed projects FNM2085 Craigie Open Space Bushland Path Renewals ($32,820) and FNM2100 Sorrento Beach Dune Improvements ($51,570).

20. Vehicle and Plant Replacements **$1,252,367**

Timing variance due to various vehicles and plant purchased later than estimated including five Mitsubishi Tritons 4x2 $250,000, five Ford Transits $240,000, one Massey 4WD $110,000, one John Deere 4WD $105,000 and one Volkswagen Multivan $50,000.

21. Proceeds from Disposal **$44,136**

Favourable variance due to proceeds from disposals higher than estimated.

22. Payments of Principal Portion of Lease Liability **$87,737**

Variance due to Right of Use Lease Assets estimated calculation based on CPI figures with the selected and applied discount rate, to be recalculated and adjusted in June.

City of Joondalup

23. Closing Funds **$21,302,535**

TENDER 009/25 PROVISION OF NON-CHEMICAL APPLICATION FOR CONTROL OF WEEDS TO NOMINATED AREAS

SUMMARY OF TENDER SUBMISSION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Capacity	Demonstrated experience in providing similar services	Demonstrated understanding of the required tasks	Social and economic effects on the local community			
Greensteam Australia Pty Ltd. All requirements have been met.	Yes	It was founded in 2007 and it employs 40 staff. The core business function is non-chemical weed control services. An organisational chart was provided along with names of key personnel with their position, experience, education and qualifications. It utilises a range of professional grade plant and equipment including Weedtechnics Steamer Units equipped with Husqvarna/Stihl line trimmers. It indicated an ability to be contacted 24 hours a day along with utilisation of fully equipped, designated work vehicles after hours allowing for flexibility and efficient deployment when required for management personnel.	It demonstrated extensive experience in providing non-chemical weed management services on surfaces such as footpaths, kerbed areas, median and traffic islands, hardstands, playgrounds and CBD`s. The work schedule provided includes non-chemical weed control in various areas for the City`s of Fremantle (2007–2025), Stirling (2013–2025), Subiaco (2018–2025), Canning (2022–2025), and Joondalup (2022–2025). The company also serves the Town of Bassendean (2015–2025) in public areas, including high-frequency zones and sensitive sites such as schools, and the Town of Victoria Park (2010–2025), covering selected exclusion zones.	It demonstrated a thorough understanding of the City`s requirements, providing an in-depth response and methodology which included various weed control techniques, job recording and reporting, risk management and water management. Its approach is to apply “superheated” water from the Weedtechnics unit directly onto the weeds, effectively killing the weed within two days and without risk to the public or environment. It included a detailed traffic management plan and pedestrian safety management plan.	It is located in Osborne Park. The majority of its workforce resides in Joondalup. It is a regular contributor to activities in the local community and it utilises many local suppliers for their goods and services.	73.1%	$552,000	1

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL REDUCTION

SCHEDULE OF ITEMS

Item	Description	UOM
1	Fuel load reduction works **Slashing & Pruning** – All works as outlined under clause 2.5.4, inclusive of all plant, materials, personnel and disposal waste to complete the required works.	Hour
2	Fuel load reduction works **Mulching** – All works as outlined under clause 2.5.4, inclusive of all plant, materials, personnel and disposal waste to complete the required works.	Hour
3	**Firebreak** maintenance works – All works as outlined under clause 2.5.4 inclusive of all plant, materials, personnel and disposal waste to complete the required works.	Linear Metre

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

SUMMARY OF TENDER SUBMISSIONS

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Natural Area Holdings Pty Ltd All requirements have been met.	Yes	It has extensive experience in providing bushfire mitigation including weed control, fire break maintenance and fuel load reduction in environmentally sensitive areas to various local governments and state government departments in WA. Recent clients have included the Cities of Joondalup (2022 ongoing), Gosnells (2024), Wanneroo (2023), the Department of Fire and Emergency Services (2019-24), Ventia for the Department of Defence (2023-25) and UWA (2023-24). It stated the company's ethos and culture is based around the protection of native areas and it has developed standard operating procedures which align with relevant Federal and State legislation and guidelines, to ensure protection of native areas.	It commenced operation in 2003. The company currently has 106 full-time and 20 casual employees. Its structure of business and details of key personnel including their roles, qualifications and industry experience were provided. It has an extensive pool of specialised plant and equipment, serviced in-house. After-hours emergency contacts were supplied. It indicated the company has a resource contingency in place with additional personnel available within the organisation if required.	It demonstrated a thorough understanding and appreciation of the City's requirements including the need to have all firebreaks cleared by 31 October each year. It submitted a detailed methodology to carry out the various tasks required. Its focus also addressed working in ecologically sensitive areas, protection of flora and fauna, identification of weeds and application of the appropriate treatment, prevention of the spread of weeds, dieback and polyphagous shot hole borer.	It is located at Whiteman, Malaga and Beeliar. The base of operations for this contract would be Whiteman (City of Swan). It indicated that the company engages Trentech Automotives located in Joondalup to service its vehicle fleet. Ten of its staff members reside within the City and it regularly donates plants and seed to local community groups. Recent activities have included donation of 2,000 sedges to the Friends of Beenyup Swamp, Joondalup (2022).	77.1%	$494,544	1

ATTACHMENT 12.16.2

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Environmental Industries Pty Ltd All requirements have been met.	Yes	It provided details of several recent and current contracts with state government departments and local governments that are similar in scope to the City's requirements. This demonstrated a broad range of experience in providing similar services. Examples include Cities of Rockingham (2023 ongoing), Stirling (2020-24), Gosnells (2023 ongoing), the Department of Planning, Lands and Heritage (2021 ongoing), Department of Fire and Emergency Services (2023 ongoing). Some of the stated outcomes of these contracts include reduced fire risk, improved biodiversity, weed suppression and protection of ecologically sensitive areas.	It has been in business for nearly 40 years servicing Perth and the Pilbara. Currently it has approximately 100 employees. Its structure of business and details of key personnel including their qualifications, experience and skills were provided. A list of plant and equipment was supplied. The equipment is well suited for the required tasks and is maintained in-house. An after-hours emergency contact was provided. They indicated that their human resources department would ensure the project is adequately resourced.	It demonstrated a good understanding of the required tasks. This included fuel load reduction by slashing, pruning and mulching, targeted herbicide application by the cut and paint method, removal and disposal of waste, spreading of mulch and completion of all firebreak maintenance by 31 October each year. It also addressed compliance with environmental legislation, protection of flora and fauna, pathogen management, fire safety, clearances for working in ecologically sensitive areas, liaison with the City, reporting and emergency protocols.	Its principal location is in Canning Vale. This Contract would be serviced from its base in Carabooda (City of Wanneroo). It indicated that the company would purchase from local suppliers sundry items such as fuels, chemicals and machine parts, PPE, meals and refreshments. Currently 11 staff members reside in the City and they would assign team members from this pool.	67.4%	$1,052,451	2

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Martins Environmental Services Pty Ltd All requirements have been met.	Yes	It demonstrated extensive experience in providing bushfire mitigation services. It indicated past natural area management contracts with six state government departments and 17 local governments. Amongst these included Cities of Kalamunda (2019 ongoing), Armadale (2023 ongoing) and Ventia (2008 ongoing) These contracts involved chemical weed control, mechanical woody weed control, brush cutting, slashing, mulching, fuel load reduction, tree pruning, firebreak maintenance and work in ecologically sensitive areas. The City engaged this company from 2017-23 for chemical weed control (spot spraying). It indicated an understanding of pathogen management and an awareness and commitment to following relevant ecological legislation and guidelines.	It has been operating since 2003 and currently has five full-time and seven casual staff. An organisational chart and details of key personnel including their qualifications, industry experience and skills were provided. The company is able to expand its workforce by engaging casual employees if required. An extensive list of plant and equipment was provided. It indicated a commitment to undertaking work within 24 hours of receiving a work order and to respond immediately to emergencies.	It demonstrated a sound understanding of the required tasks. It provided a detailed methodology in line with the specifications including the requirement to complete all fire break maintenance by 31 October each year, consultation with the City and use of the City's Pathogen Hygiene Procedure.	The company is located in Byford (Shire of Serpentine Jarrahdale). The submission indicated an intention to procure spare parts, consumables, food, beverages, fuel and rubbish bags from businesses within the City.	61.9%	$514,635	3

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
GreenSteam Australia Pty Ltd All requirements have been met.	Yes	It demonstrated limited experience in providing similar services. It indicated that it had a current contract with the City of Stirling since 2020 for fuel load reduction and firebreak maintenance and has had multiple contracts with the City since 2022 for hand weeding in which it has been proactive with providing other services including slashing and firebreak maintenance on an “as required basis”. It indicated that it did not have sufficient experience in the application of herbicides.	It has been in business for 20 years and has over 40 staff including 18 full-time staff. An organisational chart and details of key personnel including their qualifications, industry experience and skills were provided. It indicated that certain specialised equipment was not owned and it would need to be procured if the contract is awarded. Chemical weed control would be subcontracted. Although the submission did not provide an after-hours emergency contact, it did indicate a commitment to deploy within 1-2 hours for emergencies.	Its methodology included understanding of the need to have all firebreaks cleared by 31 October each year. It indicated that chemical control of woody weeds (cut and paint) would be flagged for future follow up in accordance with client direction. This part of the methodology was found to be unsatisfactory as it would result in extra work for City staff to monitor and instruct the process and if the application of herbicide is not done immediately after cutting, its effect would be reduced.	It is based in Osborne Park (City of Stirling). It indicated that the company does employ City of Joondalup residents on the current hand weeding contract. It also indicated that it works with local Friends Groups and performs nonchemical weed control demonstrations at Kendrew Crescent TAFE, located inside the City.	47.6%	$798,379	4

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Fire Mitigation Services Pty Ltd All requirements have been met.	Yes	It demonstrated adequate experience by providing examples of past and current contracts. Its work has mostly involved servicing the WALGA Mitigation Activity Fund program to mitigate fire risk in more fire prone local governments and state-owned sites. The company is currently contracted under such an agreement with the Shires of Toodyay, York, Beverley, Mundaring and the Cities of Swan and Wanneroo. Other recent contracts include Department of Fire and Emergency Services (2022-23), Ventia for the Department of Defence (2024), DFES/Department of Biodiversity, Conservation and Attractions (2023-24) and Shire of Gingin (2022).	It has been in business for 10 years and has eight staff. An organisational chart was not provided but details of key personnel including their qualifications, industry experience and skills were provided. It owns specialised equipment including three positrack mulcher/slashers, one four-wheel-drive utility and one all-terrain vehicle (quad bike) each with spray booms for chemical application. The submission indicated a 24-hour response to emergencies and provided an emergency contact.	It provided a brief methodology that indicated a basic understanding of the required tasks. It included firebreak construction which is a useful capability but not within the scope of this tender. There was no mention of the need to have all firebreaks cleared by 31 October each year.	It is based in Northam. It did not provide a response to this criterion.	46.3%	$1,133,742	5

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Indigenous Contracting WA Pty Ltd as Trustee for Indigenous Contracting Western Australia All requirements have been met.	Yes	It demonstrated limited experience undertaking similar services to the City's requirements. Three previous contracts were provided as evidence: a panel contract with the Department of Planning, Lands and Heritage since 2022 and two contracts with the Department of Finance in 2022 and 2024. This work involved targeted herbicide application and mechanical fuel load reduction.	It has been in business for five years and has four staff. An organisational chart was not provided but details of key personnel including their qualifications, industry experience and skills were provided. Specialised equipment includes one positrack with mulcher and slasher attachments, one four-wheel drive utility and one all-terrain vehicle (quad bike). An after-hours contact was provided for emergencies. Two additional casual staff could be called upon at short notice if required and further resources would be sourced from labour hire.	It provided a brief methodology that indicated a basic understanding of the required tasks. It did not address the need to have all firebreaks cleared by 31 October each year.	It is based in Wanneroo. It indicated an intention to procure from within the City small items of equipment such as brush cutters and consumables such as herbicide. It indicated an intention to use local businesses to service equipment and to use the Tamala Park Recycling Centre to dispose of green waste.	45.8%	$679,998	6

TENDER 012/25 MECHANICAL BUSHFIRE MITIGATION – FIREBREAKS AND FUEL LOAD REDUCTION

Tenderer & Description of Response	Is it Compliant? Yes or No	Comment Against Criteria				Evaluation Score	Price	Rank
		Demonstrated Experience in Providing Similar Services	Capacity	Demonstrated Understanding of the Required Tasks	Social and economic effects on the local community			
Bormaz Contracting Pty Ltd All requirements have not been met. It did not provide any details of its internal quality control systems. It did not include a completed Safety Questionnaire.	Partially Compliant	It did not demonstrate sufficient experience in undertaking similar services to the City's requirements. Brief mention was made of providing forestry mulching and land management services for six local governments (Cities of Armadale, Gosnells, Canning, Bayswater and Shires of Victoria Plains and Mundaring). The details provided however were cursory, did not mention any similarities with the tender scope and lacked dates and time periods.	It has been in business for four years and has four full-time employees. An organisational chart was not provided but details of key personnel including their qualifications, industry experience and skills were provided. Specialised equipment includes two positrack slasher/mulchers, one razorback slasher (remote controlled for use in steep or rough terrain) and one 8-tonne excavator mulcher. No after-hours contact arrangements were mentioned and no resource contingency planning was provided.	It provided a brief methodology that indicated a basic understanding of the required tasks. There was no mention of the need to have all firebreaks cleared by 31 October each year.	It is based in Bedfordale (City of Armadale). It indicated that it uses suppliers based in Joondalup for repairs and hydraulic materials and if successful intended to purchase fuel and maintenance services from Joondalup based businesses.	37%	$701,016	7

City of Joondalup

2025-2035

Road Safety Management Plan

Driving Change

Foreword

The City of Joondalup in developing this Road Safety Management Plan are committed to reducing road trauma on the local road network throughout the City. This is to be achieved by adopting Safe System principles and by accepting that people will always make mistakes on our roads but should not be killed or seriously injured as a consequence and acknowledging that there are known limits to the forces the human body can tolerate without being seriously injured. The City of Joondalup agrees that our local road transport system should be designed and maintained so that people are not exposed to crash forces beyond the limits of their physical tolerance.

The aim of our Road Safety Management Plan is to understand the road safety risk on the local road network throughout the City of Joondalup and set out both reactive and proactive actions to address the risks. The City of Joondalup with support from our partners aim to implement the actions outlined in this plan and monitor the road safety outcomes of these actions over the term of the plan.

Our Road Safety Management Plan was endorsed by the City of Joondalup Council on dd July 2025.

The delivery of the actions set out in the plan are to be achieved as the result of the City of Joondalup and our partners working collaboratively to achieve good road safety outcomes for the people who live, work and travel on the local road network in the City.

State Road Safety Strategy 2020 - 2030

The Road Safety Strategy for Western Australia '*Driving Change'* sets out the journey over the next 10 years towards a shared vision and the steps to take to improve road safety infrastructure, vehicles and the cultural change needed to achieve it.

Road safety is an important public health issue and saving more lives depends on an important cultural shift towards greater acceptance of road safety as everybody's responsibility and less acceptance of road trauma as part of the journey.

People are at the heart of our transport system and the vision is for all Western Australians to connect with the places where they live, work, learn and play safely. WA's population is growing and ageing and more people are choosing other transport options alongside private car use, including walking, cycling, public transport and on-demand transport.

Since 2008, the greatest improvements have been in:

		Killed or Seriously Injured Baseline[9]	2019	% change
Young road users	17-19	350	108	▼ 69%
Seatbelt not worn		216	68	▼ 69%
Speed related		640	301	▼ 53%
Motor vehicle occupants		2,385	1,258	▼ 47%

But, areas where we still need more focus include:

		Killed or Seriously Injured Baseline[9]	2019	% change
Metro intersections		1,054	607	▼ 42%
Regional and Remote		1,062	676	▼ 36%
Pedestrians		210	137	▼ 35%
Crashes involving errors, tiredness and inattention		2,104	1,414	▼ 33%
Cyclists		100	87	▼ 13%
Motorcyclists		364	320	▼ 12%

WA's population has doubled since the 1970s and road deaths have halved. Since WA published the previous Road Safety Strategy in 2008, there has been a 19% reduction in road deaths and a 43% reduction in serious injuries.

Despite the downward trend in road trauma over time, there are still too many preventable deaths and serious injuries on WA roads.

In addition to the huge personal, social and health impacts of road trauma, the economic cost of each death on WA roads has been estimated at over $7 million. The average cost of each hospitalised injury is over $300,000. Road trauma costs Western Australia approximately $2.4 billion every year.

The numbers of lives and livelihoods affected by road trauma are unacceptably high and these people and their loved ones are the hidden victims of road trauma.

Target

The *Driving Change* strategy aims to reduce the numbers of people killed, severely or seriously injured by **50 – 70 %** by **2030**. *(evaluated on the baseline average crash data from 2015 to 2019)*

Achieving a 50 % reduction will see WA keep pace with the rest of Australia, whereas achieving a 70 % reduction will see WA catch up with the best performing Australian jurisdictions. WA could save up to 723 lives and prevent approximately 8,000 fewer people suffering from serious and life-changing injuries over the next decade.

This is achievable by doing more of what works, embracing new technology and engaging with the community and stakeholders to develop a cultural shift in road safety attitudes and behaviours.

Safe System Principles

The Safe System approach underpins our *'Driving Change'* state strategy. It was pioneered in Sweden and acknowledges the physiological and psychological limitations of humans and puts ultimate responsibility on the designers and operators of the road system to accommodate these human limitations.

Safe System philosophy is founded on:

- **Ethics** – no one should be killed on our road network;
- **Crash Force** – understanding the survivable forces of the human body in relation to crash types; and
- **Human Error** – accepting that humans are fallible and will continue to make mistakes.

Safe System is a road safety approach adopted by Federal and State Government that is promoted to Local Governments to generate improvements in road safety. The Safe System approach is underpinned by three guiding principles:

- people will always make mistakes on our roads but should not be killed or seriously injured as a consequence;
- there are known limits to the forces the human body can tolerate without being seriously injured; and
- the road transport system should be designed and maintained so that people are not exposed to crash forces beyond the limits of their physical tolerance.

Safe System principles require a holistic view of the road transport system and the interactions among roads and roadsides, travel speeds, vehicles and road users. This is an inclusive approach that caters for all groups using the road system, including drivers, motorcyclists, passengers, pedestrians, bicyclists, and commercial and heavy vehicle drivers. Consistent with a long-term road safety vision, it recognises that people will always make mistakes and may have road crashes, but the road system should be forgiving and those crashes should not result in death or serious injury.

Central to the Safe System approach is human tolerance to crash impacts and the management of kinetic energy transfer so these are within survivable limits. The Safe System approach is based on the following four Safe System pillars:

• **Safe Roads and Roadsides** - roads and roadsides are designed and maintained to reduce the risk of crashes occurring, and to lessen the severity of injury if a crash does occur.

• **Safe Speeds** – speeds are managed to complement the road environment and ensure crash impact forces are within human tolerances.

• **Safe Vehicles** – vehicles that lessen the likelihood of a crash and protect occupants and other road users.

• **Safe People (road use)** – road users that are skilled, competent, alert and unimpaired.

Survivability of Crashes – the chances of surviving a crash decreases rapidly above certain impact speeds, dependant on the nature of the collision:

- Car/pedestrian (vulnerable road users): **30 km/h**
- Car/motorcyclist (vulnerable road users): **30 km/h**
- Car/tree or pole (run off road impact object): **40 km/h**
- Car/car (side impact – right angle): **50 km/h**
- Car/car (head-on): **70 km/h**

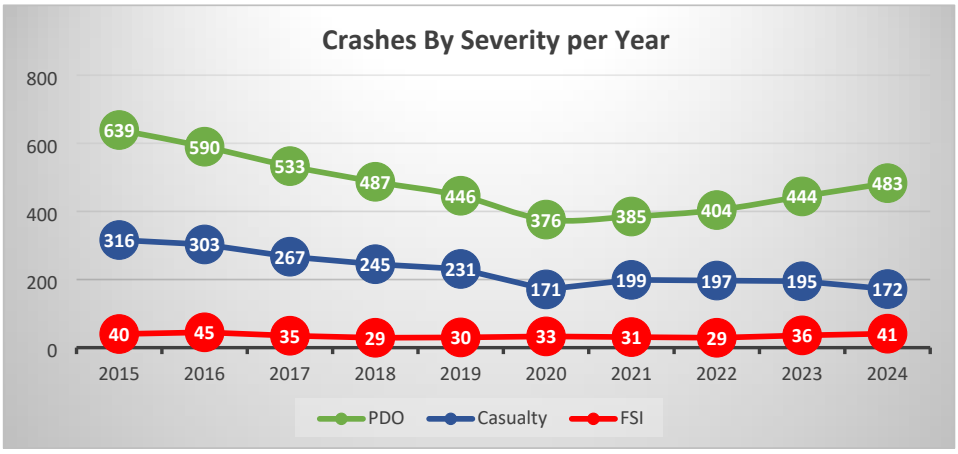

The City of Joondalup acknowledges in the assessment of crash risk throughout the local road network in the City, that any recorded crash of the types listed above that occur in a location that is likely to exceed the associated speed threshold has the potential to result in a higher severity outcome. Therefore, in accordance with Safe System principles all locations identified that demonstrate the risk of a high severity crash outcome will be evaluated and treated on that basis.

Understanding Our Road Safety Risk

The purpose of the following charts and tables is to provide an understanding of the existing crash risk in the City of Joondalup based on the recorded crash history that has occurred on the local road network. This information outlines the key crash severity and crash nature statistics as well as an individual summary of crashes involving vulnerable road users.

The City of Joondalup acknowledge that this plan is based on a reactive road safety approach, as unfortunately the results of proactive models such as AusRAP and ANRAM are currently unavailable for the local road network. However, other proactive road safety approaches will be considered by the City in the interim period such as: utilising the Austroads Infrastructure Risk Rating Tool (IRR) in combination with the Route and Intersection Risk Assessment Tools in Crash Map; working towards developing a 'Network Safety Plan' to identify suitable road stereotypes (cross-section and intersection designs) to provide consistent and improved safety outcomes on road networks and corridors; conducting Road Safety Audits on proposed changes to local roads; undertaking Road Safety Inspections at locations of concern; and taking a risk based approach to crash analysis. The long-term aim of the City of Joondalup is to work with our partners to develop personal and collective risk crash maps for the City to work towards taking a more proactive approach to addressing crash risk.

Crash Severity per Year

(FSI – Fatal and Serious Injury crashes / Casualty – fatal, hospital and medical severity crashes / PDO – Property Damage Only crashes)

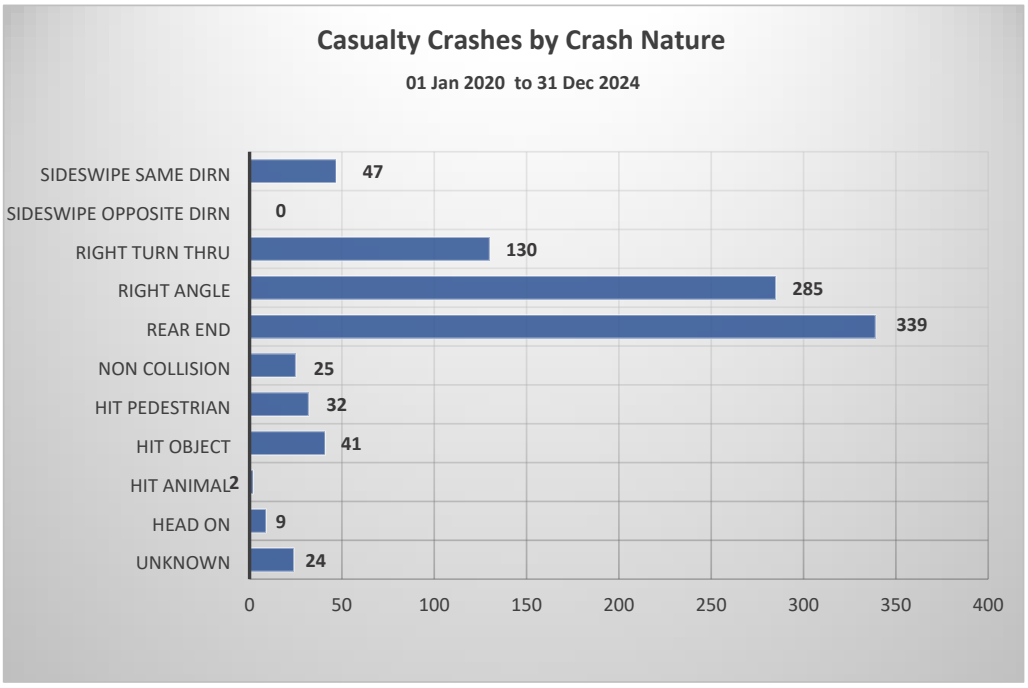

All Crash Severities by Year

Year	PDO Crashes	Casualty Crashes	FSI Crashes
2015	639	316	40
2016	590	303	45
2017	533	267	35
2018	487	245	29
2019	446	231	30
2020	376	171	33
2021	385	199	31
2022	404	197	29

2023	444	195	36
2024	483	172	41
Total	**4,787**	**2,296**	**349**

The above crash statistics show that there has been a steady decline in the number of crashes that resulted in property damage, casualty crashes and FSI crashes for the period up to 2020. The data analysis also revealed there was a slight increase in the period from 2021 to 2024. However, the overall trends indicated a reduction in recorded crashes over the 10-year period.

Casualty Crashes by Crash Nature

(Casualty – fatal, hospital and medical severity crashes)

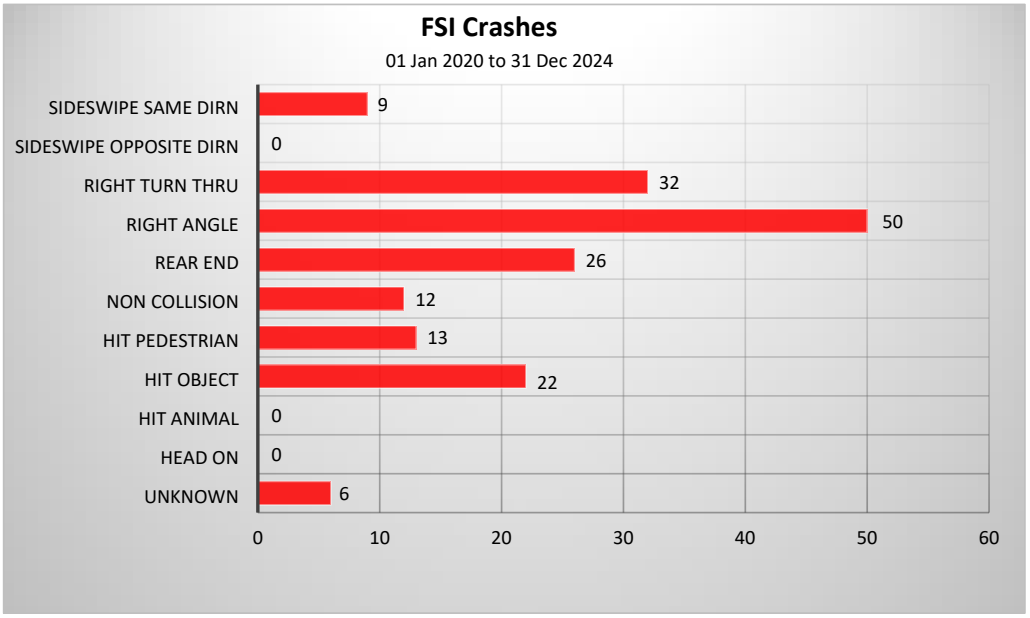

Casualty Crashes by Crash Nature

Casualty Crash Nature	No. of Crashes	%
Unknown	24	2.57
Head On	9	0.96
Hit Animal	2	0.21
Hit Object	41	4.39
Hit Pedestrian	32	3.43
Non Collision	25	2.68
Rear End	339	36.3
Right Angle	285	30.51
Right Turn Thru	130	13.92

Sideswipe Opposite Direction	0	0
Sideswipe Same Direction	47	5.03
Total	**934**	**100**

The information above shows that the predominant casualty crash nature in the period from 2020 to 2024 on the local road network in the City of Joondalup are rear end crashes, followed by right angle and right turn through crash types.

Fatal and Serious Injury Crashes by Nature

(FSI – Fatal and Serious Injury crashes)

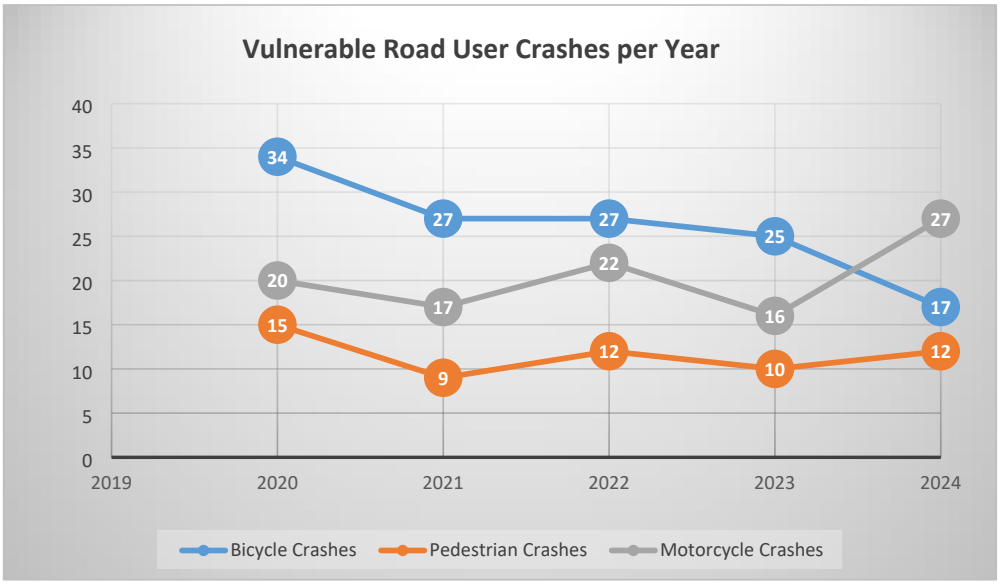

Fatal and Serious Injury Crashes by Crash Nature

Fatal or Serious Injury Crash Nature	No. of Crashes	%
Unknown	6	3.53
Head On	0	0
Hit Animal	0	0
Hit Object	22	12.94
Hit Pedestrian	13	7.65
Non Collision	12	7.06
Rear End	26	15.29
Right Angle	50	29.41
Right Turn Thru	32	18.82
Sideswipe Opposite Direction	0	0

Sideswipe Same Direction	9	5.29
Total	**170**	**100**

It is important to understand the differences in the predominant crash natures when comparing fatal and serious injury (FSI) crash outcomes with casualty crashes. The information above shows that the predominant fatal and serious injury (FSI) crash nature in the period from 2020 to 2024 on the local road network in the City of Joondalup are right angle crashes, followed by right turn through crashes, rear end crashes, run off road hit object crashes, hit pedestrian crashes and non-collision crash types.

Vulnerable Road Users per Year

Bicycle Crashes by Severity

Bicycle Crashes By Severity 2020-2024	No. of Crashes
Fatal	2
Hospital	24
Medical	71
PDO Major	4
PDO Minor	29
Total	**130**

Pedestrian Crashes by Severity

Pedestrian Crashes By Severity 2020-2024	No. of Crashes
Fatal	2
Hospital	15
Medical	26
PDO Major	7
PDO Minor	8
Total	**58**

Motorcycle Crashes by Severity

Motorcycle Crashes By Severity 2020-2024	No. of Crashes
Fatal	3
Hospital	39
Medical	36
PDO Major	11
PDO Minor	13
Total	**102**

The crash statistics involving vulnerable road users shows that the predominant vulnerable road user involved in the majority of fatal and serious injury crashes on the local road network in the City of Joondalup are bicycle crashes closely followed by motorcycle crashes.

Key Areas of Focus

Predominant Crash Types

The review of the recorded crash history on the local road network in the City of Joondalup has found that rear end crashes are over-represented when compared to all other casualty crash types. However, right angle crashes are over-represented for fatal and serious injury (FSI) crashes, followed by right turn through crashes, rear end crashes, run off road hit object crashes, hit pedestrian crashes and non-collision crash types.

The City of Joondalup plans to focus its efforts on the above predominant crash types when prioritising improvements and conducting maintenance activities on the local road network.

The City of Joondalup aims to develop a better understanding of the road safety risks on the local road network using available training, tools and resources.

Proactive Initiatives and Activities

The City of Joondalup and its partners aim to promote and be actively involved in road safety educational initiatives and support road safety enforcement activities throughout the City as outlined in our action plan. The City intends to utilise the Austroads Infrastructure Risk Rating Tool (IRR) in combination with the Route and Intersection Risk Assessment Tools in Crash Map; work towards developing a 'Network Safety Plan' to identify suitable road stereotypes (cross-section and intersection designs) to provide consistent and improved safety outcomes on road networks and corridors; proactively conduct Road Safety Audits on proposed changes to local roads; and undertake Road Safety Inspections on individual locations and routes of concern throughout the local road network.

The City aims to work with our partners to create personal and collective risk maps for the routes in the City to work towards taking a more proactive risk assessment approach. The City also intends to conduct local area assessments in our suburbs to work towards improving road safety within our communities.

Knowledge and Skills Development

The City of Joondalup will take all opportunities to further develop and build a road safety knowledge base in the City to build capacity and to assist improvement of road safety outcomes.

Action Plan Delivery

The City of Joondalup with the support from our partners intends to deliver the Safe System cornerstone actions detailed in our action plan.

Progress Tracking and Monitoring

The City of Joondalup will monitor our Road Safety Management Plan objectives and progress in relation to the targets set out in State Road Safety Strategy and re-evaluate proposed actions as required.

Action Plan

Safe Roads and Roadsides – *Safety Performance Indicators*				
Item	**Action**	**Supporting Tools and Resources**	**City of Joondalup / Partner Commitment**	**Target**
1.1	Conduct road safety assessments to identify potential locations for Black Spot funding submissions (reactive and proactive site selection)	Crash Map Road View – route assessment video tool Road Safety Engineering – Treatment of Crash Locations training Austroads Guide to Road Safety Part 2: Safe Roads Austroads Safe System Roads for Local Government	City of Joondalup / Main Roads WA	State Road Safety Strategy Target
1.2	Conduct high risk route and intersection assessments at known sites of concern	Crash Map Road View - route assessment video tool Regional Road Safety Program – LG Roads Austroads Infrastructure Risk Rating Tool	City of Joondalup / Main Roads WA	State Road Safety Strategy Target
1.3	Apply the Austroads Safe System Assessment Framework to assess infrastructure changes alignment with Safe System principles	Austroads Safe System Assessment Framework Road Safety Engineering – Treatment of Crash Locations training	City of Joondalup / Main Roads WA	Ongoing
1.4	Conduct Road Safety Audits on permanent changes to the road network and conduct Road Safety Inspections at locations of concern	Road Safety Audit training to build auditor resources in the city	City of Joondalup	Ongoing
1.5	Ensure all development projects that involve a permanent change to the road environment are Road Safety Audited at design stages	Austroads Model Road Safety Audit Policy template for Local Government	City of Joondalup	Ongoing
1.6	Commitment to allocate internal budget funding for road safety delivery	Austroads Local Government Road Safety Management Guidance	City of Joondalup	Ongoing

1.7	Conduct monitoring to evaluate the road safety performance of all permanent changes to the local road network	Crash Map Monitoring Tool	City of Joondalup / Main Roads WA	All major road projects
1.8	Develop a Local Area Traffic Management (LATM) priority list for the treatment of town centres and local activity areas to create safe and liveable road environments particularly for vulnerable road users	Austroads Guide to Traffic Management Part 8: Local Street Management Road Safety Engineering – Treatment of Crash Locations training Crash Map	City of Joondalup	Ongoing

Safe Speeds – *Safety Performance Indicators*				
Item	**Action**	**Supporting Tools and Resources**	**City of Joondalup / Partner Commitment**	**Target**
2.1	Conduct speed monitoring to identify locations or in response to public concern to request potential speed enforcement by WA Police	WA Police Force – Cameras Traffic Map Austroads Guide to Road Safety Part 3: Safe Speed	City of Joondalup / WA Police	Ongoing
2.2	Conduct speed monitoring to identify locations or in response to public concern to request potential speed limit reductions where feasible	Main Roads – Speed Zoning TrafficMap Austroads Infrastructure Risk Rating Tool Crash Map	City of Joondalup / Main Roads WA	Ongoing
2.3	Assist to promote, support and cascade speed awareness campaigns both state and local	Road Safety Commission – Speeding Road Safety Commission – Event Grants Road Safety Commission – Project Grants Road Safety Commission – Information sheets	City of Joondalup / Road Safety Commission	Ongoing
2.4	Identify potential locations for speed activated warning signs	Austroads Speed Reduction Treatments for High-speed Environments Crash Map	City of Joondalup	Ongoing

Safe Vehicles – *Safety Performance Indicators*				
Item	**Action**	**Supporting Tools and Resources**	**City of Joondalup / Partner Commitment**	**Target**
3.1	Commitment to purchase five star ANCAP rated vehicles for the City of Joondalup fleet	ANCAP	City of Joondalup	Ongoing
3.2	Assist to promote, support and cascade safe vehicle information to the public when purchasing a vehicle	How Safe is Your Car Online Resource Road Safety Commission – Buying a Safe Vehicle guidance	City of Joondalup / Road Safety Commission	Ongoing

Safe People (Road Use) – *Safety Performance Indicators*				
Item	**Action**	**Supporting Tools and Resources**	**City of Joondalup / Partner Commitment**	**Target**
4.1	Assist to promote, support and cascade safe road use initiatives and campaigns from the Road Safety Commission and WALGA RoadWise	Road Safety Commission – Campaigns WALGA – RoadWise Road Safety Commission – Event Grants Road Safety Commission – Project Grants	City of Joondalup / WALGA RoadWise / Road Safety Commission	Ongoing
4.2	Promote and support road safety initiatives at schools	WALGA RoadWise – Safety Around Schools	City of Joondalup / WALGA RoadWise	Ongoing
4.3	Assist to promote, support and cascade mobile phone use and driving initiatives and enforcement	WALGA RoadWise – Mobile Phone Use WA Police Force Road Safety Commission – mobile phones Road Safety Commission – Event Grants Road Safety Commission – Project Grants	City of Joondalup / WALGA RoadWise / WA Police / Road Safety Commission	Ongoing
4.7	Support schools in applying for traffic warden controlled children's crossings and provide any necessary infrastructure changes at approved children's crossing locations	WA Police Force – Children's Crossings	City of Joondalup / WA Police	Ongoing
4.8	Assist to promote and support active transport behaviour change and safety initiatives including "Your Move" from Department of Transport in accordance with the City of Joondalup's Integrated Transport Plan and Bike Plan	Department of Transport -Your Move program	City of Joondalup / Department of Transport	Ongoing

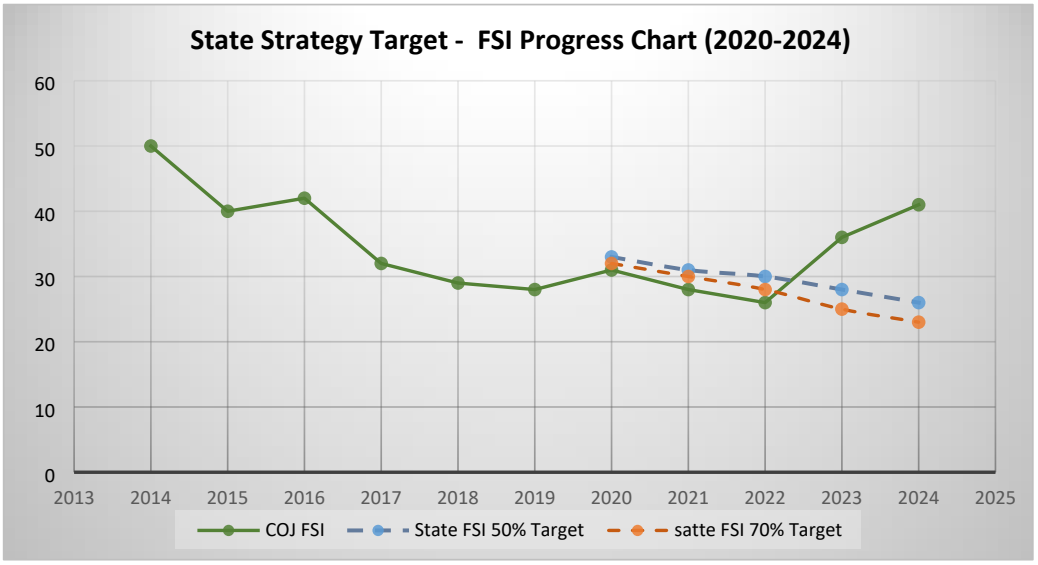

State Strategy Target Tracking

Progress Report 2021 – 2025

The following tables and chart outline the progress of the City of Joondalup towards the State's Road Safety Strategy target of **50 - 70 %** reduction in fatal and serious crashes by 2030 over the period from 2020 to 2024.

Crashes per Year by Severity

Year	PDO	Casualty	FSI	State FSI 50 % Target	State FSI 70 % Target
2014	777	248	50	-	-
2015	758	197	40	-	-
2016	706	187	42	-	-
2017	629	171	32	-	-
2018	590	142	29	-	-
2019	546	131	28	-	-
2020	437	110	31	33	32
2021	456	124	28	31	30
2022	471	129	26	30	28
2023	444	195	36	28	25
2024	483	172	41	26	23

Casualty Crashes by Nature

**To be completed when crash data available.*

Progress Report 2020 – 2030

The following tables and chart outline the progress of the City of Joondalup towards the State's Road Safety Strategy target of **50 - 70 %** reduction in fatal and serious crashes by 2030 over the period from 2021 to 2030.

Crashes per Year by Severity

Year	PDO	Casualty	FSI	State FSI 50 % Target	State FSI 70 % Target
2020	437	110	31	33	32
2021	456	124	28	31	30
2022	471	129	26	30	28
2023	444	195	36	28	25
2024	483	172	41	26	23
2025	-	-	-	25	21
2026	-	-	-	23	19
2027	-	-	-	22	17
2028	-	-	-	20	15
2029	-	-	-	19	12
2030	-	-	-	17	10

Results and Concluding Statement

A detailed analysis of the City's road network crash data from January 2015 to December 2024 revealed the following insights:

Between 2016 and 2020, there were consistent reductions in crash severity. During this period, Property Damage Only (PDO), Casualty, and Fatal and Serious Injury (FSI) crashes decreased by 36.3%, 43.6%, and 26.7%, respectively. However, the data also highlighted an increase in PDO, Casualty, and FSI crashes between 2020 and 2024. The causes of these fluctuations are unclear at this stage and would require further assessment beyond the requirements for this plan. Despite these variations, the overall number of crashes for all types remains relatively low or comparable to 2015 levels (refer section 6.1.1).

The crash statistics involving vulnerable road users over the last five year period shows that the predominant road user involved in most fatal and serious injury crashes are motorcycle related. The number of total crashes involving bicycle users and pedestrians, has shown to have declined over the last five years (refer section 6.1.4).

The Road Safety Management Plan 2025-2035 has been designed to continue driving the reduction in crash trends going forward. Its comprehensive set of initiatives and programs will provide targeted measures to maintain and enhance the State's downward trajectory which may serve as Key performance indicator.

This Road Safety Management Plan 2025-2035 will be reviewed during the life of the plan to:

- Enable the evaluation of current actions to confirm its efficiency utilising the City's holistic Joondalup Area Model (JAM), specific to major road corridors.
- Incorporate additional actions because of advice from the office of Road Safety and the WALGA Roadwise Program; and

A five year review will be conducted in 2030 in addition to the conclusion of the management plan in 2035. This review will determine the effectiveness the City's road safety actions and its outcome in relation to State Government's road safety strategies.

Elected Members' Entitlements Council Policy

Responsible directorate: Governance and Strategy

Objective: To set out the support and allowances available to the City's Elected Members.

1. Definitions: **3**

2. Statement: **3**

3. Provision of support: **3**

3.1. Objective: 3

3.2. Mayor: 3

3.3. Deputy Mayor and Councillors: 4

4. Issue and return of Council equipment: **5**

4.1. Objective: 5

4.2. Equipment: 5

4.3. Other items: 5

4.4. Return of equipment issued: 6

5. Payment of fees and allowances: **6**

5.1. Objective: 6

5.2. Annual meeting attendance fees in lieu of Council meeting and committee meeting attendance fees: 6

5.3. Annual local government allowances — Mayor and Deputy Mayor: 7

5.4. Annual allowance for ICT expenses: 7

5.5. Conditions of payment: 7

6. Mandatory Elected Member Training: **8**

7. Continuing Professional Development within Australia: **8**

7.1. Objective: 8

7.2. Statement: 8

7.3. Annual conference and training expense allocation: 8
7.4. Approval: 9
7.5. Conferences and training that may be attended: 9
7.6. Payment of conference and training expenses: 9
7.7. Elected Member / delegate accompanying person: 12
7.8. Guidelines for conference and training attendance: 13

8. Attendance at overseas conferences: 13

9. Report: 14

10. Reimbursement of expenses: 14
10.1. Objective: 14
10.2. Child care: 14
10.3. Travel: 15
10.4. Other specified expenses: 15
10.5. Time limit on claims and approval process: 16
10.6. Allowances and limits are exclusive of G.S.T: 16
10.7. Supporting documentation: 16

11. Other entitlements: 16
11.1. Elected Member dinners: 16
11.2. Acknowledgement of service: 17

1. Definitions:

"annual period" means the third Saturday in October to the third Saturday in October in the following year.

"conferences and training" means conferences, seminars, congresses, forums, workshops, courses, meetings, deputations, information and training sessions and events related to the industry of local government and held within Australia.

"fair value" means the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (AASB 13).

"ICT expenses" means:

a. rental charges in relation to one telephone and one facsimile machine, as prescribed by regulation 31(1)(a) of the *Local Government (Administration) Regulations 1996*; or

b. any other expenses that relate to information and communications technology (for example, telephone call charges and internet service provider fees) and that are a kind of expense prescribed by regulation 32(1) of the *Local Government (Administration) Regulations 1996*.

2. Statement:

This policy has been prepared to comply with the provisions relevant to Elected Members' entitlements under the *Local Government Act 1995* and supporting Regulations.

3. Provision of support:

3.1. Objective:

To provide Elected Members with appropriate facilities, equipment, material and information to support them in performing their duties of Office.

3.2. Mayor:

a. The Mayor shall, in carrying out the duties and responsibilities of that Office, be entitled to receive the benefit of the following facilities without the reduction of the fees and allowances approved by Council under section 5.98, 5.98A, 5.99 and 5.99A of the *Local Government Act 1995*:

   i. The provision of a luxury sedan type motor vehicle with unrestricted use for all official and civic duties connected to the Office of Mayor and for personal private use. This vehicle will be changed over in accordance with the City's general management of its light vehicles fleet. The Mayor may elect to have City of Joondalup vehicle licence number plates fitted to the vehicle at the City's expense for their term of Office (i.e. COJ 1, COJ 001, COJ 001 etc.).

   ii. Where the Mayor is provided with a vehicle as detailed in 3.2(a)(i) above, the costs associated with the Mayor's private use of the vehicle are to be reimbursed by the Mayor.

   The calculation of the reimbursement for the private use is by way of a Log Book in accordance with the requirements of the Australian Taxation Office.

iii. Membership of the Qantas Club.

iv. The registration cost or ticket cost for the Mayor to attend a pre-approved event or non-approved event under the City's Attendance at Events Council Policy, provided the event does not fall into the category of a conference and training event (as defined in section 1 of this policy).

v. The registration cost or ticket cost of the Mayor's accompanying person (such as a spouse, family member or relative) to an event, where the Mayor is attending, or been invited to attend in an official capacity (as prescribed in clause 4(a) of the City's Attendance at Events Council Policy).

vi. Suitable contemporary office accommodation within the Civic Centre.

vii. Administrative support associated with the role of Mayor in accordance with the provisions of the *Local Government Act 1995*.

viii. Access to the Elected Member Lounge and refreshments.

b. All equipment and facilities subject of this policy are provided to the Mayor on the absolute understanding that they will not be used for any election purposes.

3.3. Deputy Mayor and Councillors:

a. The Deputy Mayor and Councillors shall, in carrying out the duties and responsibilities of their Office, be entitled to receive the benefit of the following facilities without the reduction of the fees and allowances under section 5.98, 5.98A, 5.99 and 5.99A of the *Local Government Act 1995*:

i. Access to the Elected Member Lounge and refreshments.

ii. Access to suitably equipped shared office accommodation, reading room, ward meeting and conference rooms within the Civic Centre with photocopying, printing, facsimile, internet and telephone facilities.

iii. Some secretarial support as resources allow, including limited word processing, photocopying, and postage.

iv. The registration cost or ticket cost for the Deputy Mayor or Councillor to attend a pre-approved event or non-approved event under the City's Attendance at Events Council Policy provided the event does not fall into the category of a conference and training event (as defined in section 1 of this policy).

v. The registration cost or ticket cost of the Deputy Mayor's or Councillor's accompanying person (such as a spouse, family member or relative) to an event, where the Deputy Mayor or Councillor is attending, or been invited to attend in an official capacity (as prescribed in clause 4(a) of the City's Attendance at Events Council Policy).

b. All equipment and facilities subject of this policy are provided to the Deputy Mayor and Councillors on the absolute understanding that they will not be used for any election purposes.

4. Issue and return of Council equipment:

4.1. Objective:

To enable Elected Members to be accessible to the community, their colleagues and the City's staff.

4.2. Equipment:

The following equipment, documents, stationery and other items will be issued to Elected Members:

a. Either a Macbook Air, Macbook Pro or an iMac (or similar Microsoft Windows based device); an Apple iPhone; an Apple iPad; and all-in-one printer.

b. A file backup device and a Wi-Fi capable broadband modem (such as a Time Capsule device for Mac, or an external USB device and a Wi-Fi modem for non-Mac).

c. Elected Member Lounge key.

d. Security card/building access card.

e. Satchel or briefcase (optional).

Computer equipment supplied (if required) will be issued new and replaced following each local government election where the Elected Member is elected (that is every four years). Apple iPhones will be issued new and replaced following each local government election (that is every two years). Notwithstanding, equipment issued under 4.2(a) and 4.2(b) will be replaced on failure if this occurs prior to its scheduled replacement.

At the end of each two and four year period (for mobile phones and computer equipment respectively), Elected Members will have the option to either return or purchase the devices provided by the City, at fair value. The Chief Executive Officer is authorised to approve the purchase of devices at a value to be determined by the Chief Executive Officer.

The specification of the equipment supplied under 4.2(a) and 4.2(b) shall be the highest specification for the model proposed. Elected Members will be consulted prior to the provision of the equipment and have the opportunity to make requests for changes to the equipment supplied.

4.3. Other items:

a. The following items will be issued to Elected Members:

i. Two name badges, and one name badge for their partner.

ii. Business cards.

iii. City of Joondalup Elected Members' letterhead.

iv. Christmas cards or a Christmas e-card.

v. Elected Member uniform (optional) (one jacket, two trousers/skirts and three shirts/blouses) and two casual City of Joondalup polo-shirts (or similar).

b. Each Elected Member is entitled to be reimbursed to a maximum amount of $1,560 ***(July 2024)*** following their inaugural election and every second ordinary election thereafter in which they are elected, or where an Elected Member is elected as a result of an extraordinary election, for the purchase of relevant home office furniture/equipment to assist them to perform their role as an Elected Member and to be used for Council-related purposes.

The amount allocated for reimbursement will be inflated annually as from 1 July based on the Consumer Price Index (All Groups Perth) Rate, rounded to the nearest $10.

4.4. Return of equipment issued:

a. An Elected Member must return the following equipment to the City within 14 days of ceasing to be an Elected Member:

i. Any mobile phone or computer equipment issued by the City (unless otherwise negotiated to purchase, at fair value). The Chief Executive Officer is authorised to approve the purchase of devices at a value to be determined by the Chief Executive Officer.

ii. All equipment leased by the City and provided to the Elected Member.

iii. Security card/building access card.

iv. Elected Member Lounge key.

v. City of Joondalup vehicle licence number plates (to be returned and exchanged at the Department of Transport Licensing Centre at the cost of the City).

b. The value of any equipment retained by an Elected Member on retirement cannot be more than the limits set under regulation 34AC of the *Local Government (Administration) Regulations 1996*. This value will also be deducted from the value of any retirement gift given by the City under 11.2 of this policy.

5. Payment of fees and allowances:

5.1. Objective:

To detail the amount of fees and allowances to be paid to Elected Members and the conditions under which those fees and allowances shall be paid.

5.2. Annual meeting attendance fees in lieu of Council meeting and committee meeting attendance fees:

a. In lieu of paying the Mayor and Councillors a meeting attendance fee for each prescribed meeting, the City will pay the maximum amount within the range set by the Salaries and Allowances Tribunal through a determination published from time to time that may be paid annually for meeting attendance fees for the Mayor and Councillors (see Item CJ128-07/13).

b. Payments will be made monthly in arrears on a pro-rata basis throughout the annual period.

5.3. Annual local government allowances — Mayor and Deputy Mayor:

a. The City will pay the maximum annual local government allowance within the range set by the Salaries and Allowances Tribunal through a determination published from time to time that may be paid to the Mayor and Deputy Mayor (see Item CJ128-07/13).

b. Payments will be made monthly in arrears on a pro-rata basis throughout the annual period.

5.4. Annual allowance for ICT expenses:

a. The City will pay all Elected Members the maximum annual allowance for ICT expenses as set by the Salaries and Allowances Tribunal through a determination published from time to time that may be paid to Elected Members (see Item CJ128-07/13). Additional to the annual allowance for ICT expenses, a mobile telephone is provided to Elected Members under 4.2 of this policy.

b. Any claims by Elected Members for expenses incurred over the maximum annual allowance for ICT expenses detailed in 5.4(a) above are to be submitted on the form provided for the purpose. Additional claims above the maximum limit must be supported by receipted invoices for the maximum limit plus the additional amounts claimed. Where an Elected Member reaches the limit, all claims for reimbursement shall be referred to Council for approval.

c. Subject to 5.4(d) full payment of the annual allowance for ICT expenses will be made in advance at the commencement of the financial year.

d. Where an Elected Member's term of Office ceases at a local government election in a financial year, the Elected Member will be paid the annual allowance for ICT expenses on a pro-rata basis up until the local government election day. Should that Elected Member be re-elected at the local government election the remainder of the annual allowance for ICT expenses will be paid following the local government election day.

e. Where an Elected Member commences their term of Office at a local government election, the annual allowance for ICT expenses will be paid on a pro-rata basis following the local government elections (end of October) and for the period between the local government election day and the end of the financial year in which the local government election occurred.

5.5. Conditions of payment:

a. All allowances and fees shall be paid automatically unless an Elected Member has advised the Chief Executive Officer, in writing, that he/she does not want to claim any or part of those fees and allowances.

b. If an Elected Member advises that he/she does not want all or part of the fees and allowances to which he/she is entitled, any subsequent request for full or additional payment will not be back paid but accrue from the date of the Chief Executive Officer receiving such a request.

c. The taxation liability arising from these payments is the individual responsibility of each Elected Member.

6. Mandatory Elected Member Training:

Elected Members are required to complete the Council Member Essentials Course within 12 months from the day on which they are elected, unless exempt under regulation 36 of the *Local Government (Administration) Regulations 1996.* Elected Members should confirm with the Chief Executive Officer whether they are eligible for an exemption.

All costs associated with mandatory Elected Member training will be paid for by the City. The Annual Budget will include an allocation for Council as a whole, to be used for this purpose.

The City of Joondalup will provide new Elected Members with information on training options from which the Elected Member may select according to their preferred delivery mode and availability. The City will make the necessary arrangements for enrolment.

7. Continuing Professional Development within Australia:

7.1. Objective:

To enable Elected Members to develop and maintain skills and knowledge relevant to either their role as an Elected Member or the Council's role as defined under the Act.

7.2. Statement:

Elected Members are encouraged to attend conferences and training relating to the business of the City and to enable them to be more informed and better able to fulfil their duties of Office. In accordance with regulation 37(2) of the *Local Government (Administration) Regulations 1996,* Continuing Professional Development must be relevant to the Elected Member's role as defined under the Act, or the Council's role as defined under the Act.

7.3. Annual conference and training expense allocation:

a. The following conference and training expense allocation shall be made available to Elected Members during an annual period:

   i. The Mayor shall be entitled to $19,200 ***(July 2024)*** inflated by the Consumer Price Index (All Groups Perth) Rate on 1 July each year and rounded to the nearest $100.

   ii. All Councillors shall be entitled to $8,800 ***(July 2024)*** inflated by the Consumer Price Index (All Groups Perth) Rate on 1 July each year and rounded to the nearest $100.

b. In addition to the conference and training expense allocation detailed in 7.3(a) above, the Mayor shall be entitled to attend the following conferences, at the City's cost:

   i. Annual Western Australian Local Government Association.

   ii. Annual National Australian Local Government Association.

   iii. Annual National Congress of the Local Government Professionals Australia.

c. In addition to the conference and training expense allocation detailed in 7.3(a) above, Councillors shall be entitled to attend the Annual Western Australian Local Government Association conference, at the City's cost.

7.4. Approval:

Subject to section 8 of this policy for overseas travel, Elected Members may attend conferences and training:

a. following approval by the Council where such approval is required; and

b. by informing the Chief Executive Officer in advance of attendance.

In accordance with regulation 37(3) of the *Local Government (Administration) Regulations 1996,* approval will not be granted for training or continuing professional development that is scheduled to occur within the last three (3) months of an Elected Member's term of office or upon delivery of a notice of resignation to the Chief Executive Officer.

7.5. Conferences and training that may be attended:

The conferences and training to which this policy applies shall generally be limited to the following:

a. Western Australian Local Government Association and Australian Local Government Association conferences.

b. Special 'one off' conferences called for or sponsored by the Western Australian Local Government Association and/or Australian Local Government Association on important issues.

c. Annual conferences of the major professions in local government and other institutions of relevance to local government activities.

d. Australian Sister Cities conferences.

e. Western Australian Local Government Association Elected Members' training and development.

f. Training relating to the role of Elected Members.

g. Other local government-specific training courses, workshops and forums, relating to such things as understanding the roles/responsibilities of Elected Members, meeting procedures, etc.

7.6. Payment of conference and training expenses:

7.6.1. Payment from conference and training expense allocation:

The City will pay conference or training expenses where the Elected Member has been authorised to attend and there are sufficient funds remaining within the Elected Member's annual conference and training expense allocation. Should sufficient funds be unavailable, the Elected Member may meet the difference between the actual cost and their remaining conference and training expense allocation themselves.

7.6.2. Booking arrangements:

Registration, travel and accommodation for Elected Members will normally be arranged by the City, with the appropriate City discount for travel and accommodation being provided. In general, all costs including airfares, registration fees and accommodation will be paid direct by the City. Alternatively, Elected Members may make their own booking arrangements.

7.6.3. Support activities:

The City will pay all costs for Elected Members that are charged by organisers for support activities, including those costs relating to official luncheons, dinners and tours/inspections that are relevant to the conference and training event.

7.6.4. Accommodation:

a. The City will pay reasonable accommodation costs for Elected Members including the night before and/or after the conference and training event where this is necessary because of travel and/or the conference and training event timetables which make it unreasonable to arrive at or return home in normal working hours.

b. Accommodation shall normally be booked at the conference and training venue or, where unavailable, at a similar-rated accommodation in the vicinity of the conference and training venue.

c. Only accommodation costs for hotels, motels or accommodation of a similar type will be paid utilising an Elected Member's annual conference and training expense allocation. Accommodation provided by relatives or friends at a private address will not be reimbursed by the City although a meal and refreshment costs can be offered in return to the hosts under 7.6.6(e).

7.6.5. Travel:

a. Where travel is involved, the travel is to be undertaken with all due expedition, by the shortest most practical route, to and from the conference and training venue. All reasonable travel costs for Elected Members to and from the venue/accommodation will be met by the City.

b. Where air travel is involved, approval to attend should ideally be sought two months prior to departure to facilitate booking arrangements.

c. All air travel within Australia shall be by Economy Class.

d. If accommodation is at the conference or training venue, or in close proximity, taxis (or similar type service) should be used for reasonable travel requirements. Where necessary, a hire car may be arranged for the conduct of Council business. Costs of taxi fares (or similar type service), vehicle hire and parking, which are reasonable, required and incurred in attending conferences and training, will be reimbursed by the City.

e. Where, in particular circumstances, Elected Members desire to travel interstate or intrastate by private motor vehicle, they will be reimbursed for vehicle costs in accordance with the local government kilometre allowance up to an equivalent amount that would have been expended had arrangements been made to travel by air.

7.6.6. Extent of expenses to be reimbursed:

a. An Elected Member attending a conference and training event is entitled to be reimbursed for 'normally accepted' living costs while travelling. Such living costs would include, but are not limited to:

   i. meals and refreshments for the Elected Member (that are not covered by the conference and training registration costs);

   ii. dry-cleaning and laundry expenses; and

   iii. reasonable telephone, internet and facsimile charges.

b. Elected Members will generally not be reimbursed for the cost of meals or refreshments for other people. The main exception is where it is indicated that the meal or refreshment provided to another person is in response to a meal or refreshments previously received.

c. Expenses will generally be reimbursed from the time an Elected Member leaves home to attend an event to the time the Elected Member returns home. Should an Elected Member extend a visit by leaving prior to the time necessary to arrive for the event or return after the time at which the Elected Member could have returned following the event, reimbursements will be paid:

   i. for the days of the conference and training event only; and

   ii. for the cost of travel to and from the airport to the accommodation to be used for the conference and training.

d. Where a visit is extended, as discussed in 7.6.6(c), an Elected Member may stay for the period of the extension in different accommodation to that used for the attendance at the conference and training event. In such situations, the reimbursement of taxi fares (or similar type service) will be to the estimated cost of travel between the conference and training event's accommodation and the airport. The Elected Member will be required to pay any greater amount.

e. Where an Elected Member does not require paid accommodation for a conference and training event because the Elected Member is able to source accommodation from another party (the hosts), the Elected Member is entitled to be reimbursed for meal and refreshment costs provided to the hosts up to the amount that would have been incurred had paid accommodation been used.

f. Where an Elected Member attends two conference and training events and there is a gap of no more than three days between the conclusion of the first event and the start of the second event, the Elected Member shall be entitled to reasonable accommodation expenses and the reimbursement of 'normally accepted' living costs during that 'gap' period. If the gap is greater than three days, only three days reimbursement can be claimed.

7.6.7. Payment of expense reimbursements:

a. The extent to which an Elected Member can be reimbursed for intrastate and interstate travel and accommodation costs incurred in any of the circumstances referred to in regulation 32(1) of the Regulations is as set by the Salaries and Allowances Tribunal through a determination published from time to time.

b. Nothing prevents an Elected Member from being reimbursed expenses for intrastate and interstate travel and accommodation costs above the levels set in 7.6.7(a) where an Elected Member produces receipts or other sufficient information for the total cost to support their claim.

7.6.8. Cash advances associated with interstate and overseas travel:

a. A cash advance of $160 per day ***(July 2024)*** for interstate travel and $260 per day ***(July 2024)*** for overseas travel shall be made available to Elected Members for each day the Elected Member is travelling. The cash advances per day will be inflated annually from 1 July based on the Consumer Price Index (All Groups Perth) Rate and rounded to the nearest $10.

b. Payments will be made by Electronic Funds Transfer into the Elected Member's nominated bank account. Any other administrative arrangements for managing this will be the most appropriate to the circumstances in the view of the Chief Executive Officer.

c. The cash advance shall be paid to cover all reasonable incidental expenses associated with attending conference and training events attendance such as:

i. hotel/motel charges other than accommodation, such as dry-cleaning and laundry expenses;

ii. reasonable telephone, or facsimile or internet use;

iii. meals and refreshments for the Elected Member that are not covered by the conference and training registration cost; and

iv. any optional activity in a conference and training program.

d. Documentary evidence, in the form of original invoices and receipts, must be provided for the acquittal of all cash advances. All cash advances must be acquitted within two weeks of the Elected Member returning to Perth. Amounts not acquitted shall be refunded to the City or, where agreed by the Elected Member, deducted from their annual attendance meeting fee.

7.7. Elected Member / delegate accompanying person:

a. Subject to 7.7(d) where an Elected Member is accompanied at a conference and training event, all costs for or incurred by the accompanying person, including, but not limited to, travel, breakfast, meals, registration and/or participation in any event programs, are to be borne by the Elected Member/accompanying person and not by the City. The exception to the above being the cost of attending any official conference and training event dinner where partners would normally attend as well as accommodation costs associated with a shared room with the Elected Member where such costs are not above a room rate for the Elected Member alone.

b. An accompanying person's registration, or accompanying person's program fee, is to be paid to the conference organiser, at time of registration. The City will administer the registration and payment process for the accompanying person if the relevant forms and payment are made to the City in advance for the accompanying person.

c. Where the City meets an account containing any expenditure or cost incurred on behalf of an accompanying person attending, such expenditure must be repaid to the

City by the Elected Member/accompanying person within 30 days of being invoiced for such expenditure following the conclusion of the conference and training event.

d. Where an Elected Member is attending a conference and training event and has a 'disability' as defined in the *Disability Services Act 1993*, the City will meet the travel, accommodation, and registration costs for a carer (as defined by section 3A of the *Disability Services Act 1993)* to accompany that Elected Member where that carer is a person who provides ongoing care or assistance. Costs paid by the City will not be deducted from the relevant Elected Member's annual conference and training expense allocation.

7.8. Guidelines for conference and training attendance:

Subject to the provisions of 7.3 of this policy the guidelines detailed in this section shall apply to all conference and training under this policy:

a. An Elected Member is only entitled to attend up to two interstate conference and training events per financial year.

b. Generally, no more than two Elected Members may attend a particular conference or training event outside Western Australia at the same time. The Chief Executive Officer or Council may, however, approve attendance by more than two Elected Members if a particular purpose or need arises.

c. All unspent funds within an Elected Member's conference and training expense allocation shall be carried forward at the completion of each annual period.

d. Following each ordinary local government election, Elected Members will forfeit any unspent funds, and commence their annual Elected Member's conference and training expense allocation as detailed in 7.3 of this policy.

e. Elected Members will only be registered for conference and training events itemised in this policy if the Elected Member has sufficient funds in their annual conference and training expense allocation to meet the costs.

f. The cost of training that is specifically arranged for attendance by all Elected Members (e.g. team-building) shall be paid from a separate allocation for the purpose and not considered as part of, and debited to, the individual Elected Member's conference and training expense allocation referred to in this policy.

8. Attendance at overseas conferences:

a. An Elected Member may, with Council approval, attend an overseas conference. The Council report must include details of the anticipated benefits to the City and the Elected Member in attending the requested overseas conference. The specific Council resolution must state the authorised travel period that would include sufficient time to travel to and from the conference location (including a reasonable acclimatisation period) and attendance at the conference; and

b. An Elected Member may attend an overseas conference if the Elected Member has sufficient funds in their annual conference and training expense allocation to meet the costs. Where there are insufficient funds to meet the cost of the registered overseas conference or training in the Elected Member's conference and training expense allocation, Council approval must be obtained before costs are incurred in keeping with 7.8(d) above or the Elected Member agrees to meet the additional costs personally.

c. Air travel overseas may be by Business Class, except where an Elected Member chooses to travel at a cheaper rate. If Business Class is not available, Economy Class is to be used.

d. Cash advances are payable for overseas conferences (see 7.6.8).

9. Report:

Upon return from any interstate or overseas conference and training event as detailed within this policy, where registration and other associated costs are met by the City of Joondalup, the attending Elected Member is required to:

a. prepare a detailed written report on their attendance and benefits to them and the City, to be circulated to all Elected Members within one month; or

b. present a verbal report on their attendance and benefits to them and the City, at the next available Strategy Session.

10. Reimbursement of expenses:

10.1. Objective:

To provide for the reimbursement of expenses necessarily incurred by Elected Members while performing their duties so that no Elected Member should be unreasonably disadvantaged financially due to meeting the requirements of their Office.

10.2. Child care:

a. In accordance with regulation 31 of the *Local Government (Administration) Regulations 1996*, child care costs will be paid at the rate set by the Salaries and Allowances Tribunal through a determination published from time to time for an Elected Member's attendance at a Council meeting or a meeting of a committee of which he or she is a member and the expense is to be claimed on the form provided.

b. Where an Elected Member attends any other meeting, reception, citizenship or other Council function, or Council-related activity and incurs child care costs, such costs may be claimed at the rate set by the Salaries and Allowances Tribunal through a determination published from time to time, provided they are substantiated with details of the date, activity attended, the actual costs incurred and original receipts being provided and attached to the claim form.

c. Child care costs are applicable for children, either of natural birth or guardianship determined by legal process.

d. Child care costs will not be paid for where the care is provided by a relative living in the same premises as the Elected Member. For this purpose "relative" means a spouse, de facto partner, parent, grandparent, brother, sister, uncle, aunt, nephew, niece, cousin, lineal descendant of the Elected Member or a relative of the Elected Member's spouse or de facto partner.

e. Child care costs shall be debited to a separate account in the budget and not be debited to or form part of an Elected Member's annual expense reimbursement limit as referred to in 10.4 of this policy.

10.3. Travel:

a. The payment of travel costs is covered under regulations 31 and 32 of the *Local Government (Administration) Regulations 1996*.

b. Travel costs incurred and paid by Elected Members will be reimbursed for the following:

i. Travel and parking expenses incurred by an Elected Member using a private motor vehicle or bicycle to, from and attending:

- meetings of the Council or a committee of the Council and civic or Council-related functions;
- as a delegate of the Council to statutory and other boards and committees, community organisations, conferences, local government association or industry groups or committees of them;
- a specific request or instruction of the Council and/or including inspection, ratepayer/electors' requests or other Council duty; and
- social functions where the Elected Member is representing the Mayor or is attending by resolution of Council or where the function is an otherwise authorised activity.

ii. The amount payable in respect of travelling expenses shall be paid from when a Councillor-Elect makes their declaration of Office.

iii. Travel expenses claimed for motor vehicles under this policy are to be calculated in accordance with the rate set by the Salaries and Allowances Tribunal through a determination published from time to time.

iv. Travel expenses claimed for bicycles under this policy are to be calculated in accordance with the rate of $0.10 per kilometre.

v. A claim for reimbursement of expenses form indicating the date, particulars of travel, nature of business, distance travelled, vehicle displacement and total travelled in kilometres, is to be completed by members to ensure that the transport expense can be verified.

c. Where an Elected Member deems it is more appropriate to attend a Council-related commitment without a motor vehicle or bicycle, a taxi or similar type service may be used and the costs incurred reimbursed.

d. Should an Elected Member travel by a motor vehicle or bicycle which is not his or her own, the reimbursement will be calculated in accordance with 10.3(b) above.

10.4. Other specified expenses:

Outside of child care and travel costs an annual reimbursement limit of $1,430 **(*July 2024)*** shall be available to Elected Members during an annual period for reimbursement of costs incurred as a result of performing their duties as an Elected Member. Other specified expenses include:

a. business attire, including footwear;

b. dry-cleaning;

c. stationery; and

d. paid tickets to events where the Elected Member has been invited and attendance is approved under the City's Attendance at Events Council Policy, including costs of tickets for accompanying persons to events under 3.2(a)(v) and 3.3(a)(v) of this policy.

The amount allocated for reimbursement of other specified expenses will be inflated annually from 1 July, based on the Consumer Price Index (All Groups Perth) Rate, and rounded to the nearest $10.

Costs incurred and paid by Elected Members will be reimbursed by the City up to the reimbursement limit in each annual period. When an Elected Member reaches the limit, all claims for reimbursement shall be referred to the Council for approval. All expenses claimed must have been incurred and substantiated with provision of original invoices/receipts attached to the claim form, prior to being reimbursed on a monthly basis.

10.5. Time limit on claims and approval process:

Members electing to receive reimbursement of expenses in accordance with the provisions of this policy should submit the appropriate claim form to the Chief Executive Officer, together with supporting documentation, within two calendar months after the month in which the expenses were incurred, and by 15 July of the next financial year, in order to facilitate the finalisation of the City's annual financial statements.

10.6. Allowances and limits are exclusive of G.S.T:

Unless otherwise specified in this policy, all allowances and limits set out in this policy are exclusive of G.S.T.

Where an Elected Member does not provide appropriate documentary evidence to enable G.S.T to be claimed, the full amount of the expense incurred by the City, inclusive of G.S.T, will be applied to the relevant allocation.

10.7. Supporting documentation:

Documentary evidence is required for all expenses claimed. Original tax invoices and receipts are required for audit purposes and to enable G.S.T to be claimed.

11. Other entitlements:

11.1. Elected Member dinners:

a. To provide an avenue to facilitate networking possibilities and for Elected Members to undertake discussions with various representatives of the community, the Council has agreed to host Elected Member dinners.

b. The Mayor is entitled to host six dinners per calendar year, and each Ward a total of 12 each year, based on six dinners per Ward Councillor.

c. Each table will allow for the Elected Member as host, plus up to a maximum of nine guests. Except for the Elected Member's spouse or partner, all guests invited are to have a relationship with the City or be a stakeholder of the City. Prior to an Elected

Member dinner, Elected Members are to advise the City the details of their invited guests and their relationship with the City. Details of invited guests that attend Elected Member dinners are to be reported to the Audit and Risk Committee on a quarterly basis.

11.2. Acknowledgement of service:

On retirement, Council will acknowledge the service of Elected Members through the provision of an appropriate memento, which will take the form of an engraved plate (or plaque) commemorating the Elected Member's service and a suitable gift.

The value of any gift provided to a retiring Elected Member plus the residual value of any furniture and/or office equipment retained by a retiring Elected Member is limited to the prescribed amount (excluding GST) as set out in regulation 34AC of the *Local Government (Administration) Regulations 1996*.
