- ask questions
- be given adequate time to research issues
- be given maximum time to debate matters before Council,

and ensures that the elected body is fully informed to make the best possible decisions for the City of Joondalup community.

Where the response to a question(s) would require a substantial commitment of the City's resources, the Chief Executive Officer (CEO) will determine that it is an unreasonable impost upon the City and may refuse to provide it. PURPOSE

For Council to note the number and nature of applications considered under delegated authority during July 2025.

EXECUTIVE SUMMARY

Schedule 2 (deemed provisions for local planning schemes) of the *Planning and Development (Local Planning Schemes) Regulations 2015* (the Regulations) provide for Council to delegate powers under a local planning scheme to the Chief Executive Officer (CEO), who in turn has delegated them to employees of the City.

The purpose of delegating certain powers to the CEO and officers is to facilitate the timely processing of development and subdivision applications. The framework for the delegations of those powers is set out in resolutions by Council and is reviewed annually, or as required.

This Report identifies the development applications determined by the administration under delegated authority powers during July 2025 (Attachment 1 refers), as well as the subdivision application referrals processed by the City during July 2025 (Attachment 2 refers).

BACKGROUND

Clause 82 of schedule 2 (deemed provisions for local planning schemes) of the Regulations enables Council to delegate powers under a local planning scheme to the CEO, and for the CEO to then delegate powers to individual employees. The process also allows the elected members to focus on strategic business direction for the Council, rather than day-to-day operational and statutory responsibilities.

All proposals determined under delegated authority are assessed, checked, reported on and cross-checked in accordance with relevant standards and codes.

VOTING REQUIREMENTS

Simple Majority.

12.8 FINANCIAL ACTIVITY STATEMENT FOR JULY 2025 (SUBJECT TO END OF YEAR FINALISATION) (WARD - ALL)

RESPONSIBLE DIRECTOR	Mr Mat Humphrey Director Corporate Services
FILE NUMBER	07882, 101515
AUTHORITY / DISCRETION	Information – includes items provided to Council for information purposes only that do not require a decision of Council (that is for 'noting').

PURPOSE

For Council to note the Financial Activity Statement for the period ended 31 July 2025, subject to end of year finalisation.

EXECUTIVE SUMMARY

At its meeting held on 24 June 2025 (CJ173-06/25 refers), Council adopted the 2025-26 Annual Budget. The figures in this report are compared to the adopted budget.

The July 2025 Financial Activity Statement Report shows an overall variance of \$5,533,342 from operations and capital, after adjusting for non-cash items. This variance does not represent a projection of the end of year position. It represents the year-to-date position to 31 July 2025 and results from a number of factors identified in the report, including the opening funds position that is subject to the finalisation of the 2024-25 Annual Financial Statements.

A range of factors influence the favourable variance, but it is predominantly due to timing of revenue and expenditure compared to the budget estimate in July. The finalisation of the 2024-25 end of year means that the opening funds amount is currently not included. The notes in Attachment 4 identify and provide commentary on the individual key material revenue and expenditure variances to date.

The key elements of the variance are summarised below:

Key variances for July were:

Materials and Contracts

\$1,298,177

Materials and Contracts expenditure is \$1,298,177 below budget. This is spread across a number of different areas External Service Expenses \$585,415, Professional Fees and Costs \$147,751, Furniture, Equipment and Artworks \$137,776 and Other Materials \$104,334.

Opening Funds

\$408,498

Opening Funds for July 2025 are \$408,498 above budget. The variation in the Closing Funds for the period ended 31 July 2024 arises prior to end of year finalisation. The final opening funds balance will be available after the Financial Statements for 2024-25 have been audited.

Employee Costs**(\$298,704)**

The variance is due to July's vacancy credit budgeted for (\$292,177).

It is therefore recommended that Council NOTES the Financial Activity Statement for the period ended 31 July 2025 (subject to end of year finalisation) forming Attachment 1 to this Report and the Financial Position Statement at 31 July 2025 (subject to end of year finalisation) forming Attachment 2 to this Report.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* require a monthly Financial Activity Statement to be prepared according to nature classification and a monthly Financial Position Statement.

DETAILS**Issues and options considered**

The Financial Activity Statement for the period ended 31 July 2025 is appended as Attachment 1 to this Report and the Financial Position Statement at 31 July 2025 is appended as Attachment 2 to this Report.

			<p><i>local residents, including children and the elderly, uneasy about using the newly upgraded Hillwood Park. Residents also avoid using the footpath under this tree, as this person has turned the area into an extension of his property by parking several vehicles and storing large articles against the wall on a rotating basis. We are asking the council to remove this tree in an attempt to facilitate the quiet enjoyment of the amenities installed for the use of the ratepayers of our suburb."</i></p> <p>The City's urban tree canopy is highly valued by both the community and Council for its role in reducing the urban heat island effect, supporting biodiversity and contributing to the green and leafy character of the City. The City of Joondalup has a number of tree planting programs in place for public land, including planting on residential verges through the Leafy City Program and the Winter Tree Planting Program within the City's Parks.</p> <p>The City recognises the importance of preserving trees for the current community and for future generations. The City's Tree Management Guidelines provide potential criteria for the removal of a tree:</p> <ul style="list-style-type: none"> a. The tree is dead, in decline or past its safe useful life; b. The tree has been deemed, by a suitably qualified person, as a hazard to persons or property and no pruning techniques can alleviate the hazard; c. The tree is diseased or damaged past the point of recovery and no remedial treatment will be effective; d. A development approved by the City deems the removal necessary, in which case the developer shall be responsible for the amenity value, removal, replacement and establishment costs of a replacement tree; e. The tree has been planted by a resident without the City's approval and may be removed at the resident's expense; and f. The tree is deemed by the City to be an inappropriate species for that location.

PETITION DETAILS	DATE OF PRESENTATION TO COUNCIL	STATUS	COMMENT
			<p>The <i>Metrosideros excelsa</i> (New Zealand Christmas Tree) located on the verge adjacent 39 Hillwood Avenue was inspected on the 8 April 2025 and found in sound condition with no arboricultural reason for removal. The tree has currently sufficient clearance over the adjacent footpath and no remedial pruning works are required at this time.</p> <p>As detailed in the petition request, the underlying issues is a concern regarding anti-social behaviour and not an issue with the tree itself. The removal of this tree will not prevent the activities being conducted as outlined in the petition; it will only reduce the canopy cover in an area already identified as having a low level of canopy coverage.</p> <p>As such, the City is liaising with WAPOL to address these concerns.</p> <p><i>It is therefore recommended that Council:</i></p> <p>1 <i>in relation to the request to remove of the verge tree at the intersection of Taft Street and Hillwood Avenue, Warwick, next to Hillwood Park:</i></p> <p>1.1 <i>NOTES an inspection of the street tree at the intersection of Taft Street and Hillwood Avenue, Warwick and found the tree is in good health and there is no arboricultural reason for its removal;</i></p> <p>1.2 <i>DOES NOT SUPPORT the removal of the street tree at the intersection of Taft Street and Hillwood Avenue, Warwick;</i></p> <p>1.3 <i>NOTES the City will continue to work with WAPOL to address the anti-social behavioural concerns raised in the petition request;</i></p> <p>1.4 <i>ADVISES the lead petitioner of Council's decision.</i></p>
